**Re: Approval of Networking Equipment at Valley Ranch Elementary**

---

The 2023 Bond election includes the renovation of Valley Ranch Elementary which added additional square footage which includes needed network infrastructure. The needed equipment would support the MDF and the 2 additional IDF's.

The proposal from Red River was procured in accordance with Texas Education Code §44.031 through the cooperative purchasing method of procurement with the DIR Cooperative. We will be paying for these upgrades out of remaining funds from the 2023 bond proceeds.

**RECOMMENDATION: That the Coppell ISD Board of Trustees approve the proposal from Red River for the purchase and installation of network switching equipment not to exceed \$350,000.**
