BUILDINGS/GROUNDS

Facilities Committee

The Facilities Committee met on Wednesday, May 3rd. Minutes from that meeting are attached. The next meeting is scheduled for 5:30 p.m., Wednesday, September 20, 2017 at Lincoln Elementary.

Dr. Lett's Retirement Open House

A special thanks to the Unit Office staff, Administrators, Amy Christian, Rhonda Barror and the High School Cafeteria staff, Tim Eddy and the High School Custodial staff, and Debbie Beyers for all their work for Dr. Lett's Reception. I write this prior to the event taking place, but know that we'll have a great event to honor Dr. Lett.

High School Track

As reviewed in our Strategic Plan for the district, the High School Track repairs and/or renovation was in the Year 2 priorities. I have attached pictures of the worst areas that need attention prior to next year's track season. We can work with GRP to obtain firm numbers for repairs and a total track redo. We're hoping that with repairs we can make it through one, maybe two more seasons, but after that, we know we will need to commit to a total track renovation/redo. With GRP's numbers presented to us in January, we are looking at up to \$50,000 for repairs and up to \$250,000 for a total track redo. I would like to take a few minutes to discuss the board's preferences and what must be done prior to Spring, 2018. See Attached Pictures.

Jr. High Custodial Position

I'm happy to welcome Bridget Barringer as the evening custodian at the Jr. High. Bridget has worked for the district in several capacities over the last year, and all with rave reviews from staff district wide. Bridget replaces Don Cottrell upon his retirement. We wish Don all the best and thank him for his years of service.

Recap

Since our Facilities Committee Meeting was May 3rd, and we had a late April Board Meeting, I don't have a lot of other updates.

TRANSPORTATION

Nothing new to report at this time, other than to wish everyone a happy summer!
