Our accreditation review was very successful. Our draft report lists commendations in our curriculum, staff connections to families, staff commitment to student learning, leadership, our web page, and home visits. Our final report will recommend full accreditation for five years.

Graduation is planned for June 15th. We will be coordinating our ceremony with Lori Bogen since both of our groups will have small numbers graduating. We look forward to celebrating the success of our students. Members of the community are welcome to attend.

Respectfully Submitted,

Jesse Eisenschmidt, Principal
