**ACTION**

**BACKGROUND INFORMATION:**

The design phase of the entry areas for R.A. Hall, FMC, Thomas Jefferson Elementary, New Transportation Facility and the Additions at Moreno Middle School will be completed by the end of November 2008. It is necessary the Board of Trustees approve delivery methods for these projects before sealed bids or proposals are accepted. Since there will be new construction and renovation of existing facilities we will recommend more than one delivery method.

**ITEMS ADDRESSED:** Construction Delivery Methods

**RECOMMENDED ACTION:** It is recommended that the Board of Trustees adopt Construction Manager at Risk and Competitive Sealed Proposals for new construction projects and Competitive Sealed Proposals along with Job Order Contracting for Renovation Projects.

**BUDGETARY INFORMATION:** None
