Agenda #

Staff/Administrator: Kim DeForest

Superintendent: Dan Huber-Kantola

Type of Item: ☐ Informational ☒ Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

I have been asked to attend the National Writing Project Annual meeting as a representative of Southern Oregon University and Three Rivers. I am the technology liason for the program and will be learning about how the OWP site can better be served by MOODLE and Google Docs. I am also in line to help administer the site at SOU.

Provide history/background information on your proposal.

I attended the Oregon Writing Project Summer Institute two years ago. Since then I have worked with Charlotte Hadella and the Southern Oregon University site to better implement the use of the Web in keeping contact with past participants. I am attending this conference being held in Orlando, Florida from November 17 - November 21, 2010 in that capacity and will also be informing Three Rivers of the latest program updates with hopes to increase participation in the OWP Institute and to create more writing opportunities for our students.

List the advantages of your proposal:

This trip is paid for by the SOU Site, including travel, board and costs. I will be able to further the needs of our district in meeting writing requirements for OAKS and graduation Essential Skills; the National Annual meeting adds to my knowledge in becoming a site administrator.

List possible disadvantages of your proposal:

I will be missing two days of classes. However, Friday will be a day for testing, so I will not miss instructional time one of the days.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

We do not have another selectee from our district; I am one of two people who were selected in Southern Oregon to attend this Annual meeting.
