We have begun our weekly attendance recognition and incentives. Each Monday, students with 90% attendance or better from the previous week receive are recognized in front of their class and given a Gatorade and chips. For our September recognition all students with 90% or better attendance were able to watch a movie and get popcorn and a drink during our BID day. We will have a Halloween carnival for students with 90% or better attendance from 10/6/25 to 10/23/25 in October. For the quarter attendance incentive, students will get to go to Cut Bank for lunch and a movie.

We did not have an attendance secretary until October 7, 2025. While we did send the automated calls and have been making contact, we fell behind in our attendance letters. Now that we are fully staffed the letters will be current.

Winners of attendance incentives on count day.

Behavior:

30 referrals that have resulted in OSS or ISS from 8/22/25-10-7-25. To help address behavior issues we have worked with parents and the counselors to develop behavior plans, conduct conflict resolutions, and have counseling groups.

EVENTS:

We hosted a parent night in September to help parents create and log on to the Infinite Campus Parent Portal accounts. We also reviewed our annual assessment schedule and the purpose for each assessment. Teachers were available to review grades and address any parent concern.

We have had trouble with the Aimsweb baseline test. Teachers have not been able to access it due to technical issues. Teachers are using their classroom pre-tests for baseline data though. We will be doing the DESSA screening in October to help develop social emotional learning (SEL) lessons which are taught weekly in the advisory powerblock class.
