RE: Administrative Building – Logo for the Boardroom

DATE: August 16, 2016

The construction of the new administrative center is on schedule. The estimated move in of mid-October is fast approaching. As such, many of the aesthetic issues are being considered.

One such issue is the back drop logo in the boardroom. The logo will be located on the (north side) wall behind the Board of Education Table. If the Board is interested in displaying the logo in the boardroom, there will be a minimum cost of \$1,800 installed. A graphic of the logo is attached for your information.
