Addition information

As of 1-4-10 one student has begun check in paperwork but has not returned as expected. If they return it will increase our numbers by one.

One student moving into the district as a speech only student has been dismissed

PBMAS reports are in the final revision process and will be submitted later this week.

Our homebound student is being served during the weeks he is well enough to concentrate on school work. The homebound teacher is now traveling to San Antonio during the weeks he is hospitalized. This is a change due to parent request.
