EXPLANATION OF ACTIVITIES:

The Deerfoot Youth Camp is a resident camp located in Magnolia, Tx. The camp offers training in lifetime sports as well as sportsmanship, leadership, and character development. Students recommended to participate in this program MUST meet and maintain academic requirements and pass all areas of the STARR/EOC exams. Students are required to attend camp every summer until their 11th-grade year to remain eligible for the program. Once a student is accepted into the university, students are eligible to receive a 4-year academic scholarship to TAMU College Station or TAMU Galveston.
