**Re:** Head Baseball Coach Recommendation to Hire – Keith Newman

---

MMK Board Members,

After conducting interviews for the position, I am recommending Keith Newman as the new Head Baseball Coach.

This will be Coach Newman's first time in a head coaching role and is the right fit to be the leader for the 2<sup>nd</sup> year of the re-started baseball program. Keith not only has a love for the game of baseball, but brings a wealth of coaching experience at the lower levels. He also was a volunteer coach for the baseball program last season, so he knows the kids and the challenges that he will face to get them better. His focus will be on the fundamentals and game situations to help build the foundation of the program.

Coach Newman will be able to successfully take on the role of the Head Coach for the baseball program. He has the time and dedication to teach our student athletes the fundamentals and skills to be a part of a successful baseball program.

Thank you.

Tom Kerr, MMK Athletic Director
