

DU PAGE ELEMENTARY SCHOOL DISTRICT 13  
BOARD OF EDUCATION  
Bloomington, Illinois  
Regular Meeting March 25, 2019

**FOR ACTION**

**Subject: 2019-2020 Building Projects**

At the last meeting, Mr. Leyden presented the proposed building projects with projected costs to the Board of Education for review. This evening, I am recommending that the projects be approved in order to begin the process of budgeting the costs associated with the projects and to schedule the projects to begin after students have been dismissed for the summer.

**Recommendation:** The Board approve building projects within the 2019-2020 budget up to \$116,000.00 as outlined in the attachments.
