Memorandum Item 11d

FOR: School Board Members
FROM: Chris Reitan
DATE: February 28, 2024
SUBJECT: PowerSchool Support Training Agreement with GSD Educational Services

CCSD has contracted with GSD Educational Services for the past three years for PowerSchool support for our student database system. PACE has not previously utilized PowerSchool to help manage our PACE students and Filemaker has provided PACE’s student data management system. PACE intends to continue using Filemaker to keep track of all student allotments but our organization has grown to a point where it makes sense to have all of our district student data housed within one system.

Attached for Board member’s review is the proposed FY 25 contract for services for PowerSchool support and training provided by GSD Educational Services for CES, CMS, CHS, and PACE.

Outlined below is a breakdown of the different services GSD Educational Services will provide our CCSD educational programs and a comparison with the services we received during FY 24.

Item	FY24 Cost	FY25 Cost w/PACE in PS	Change	Percentage Change
