

Superintendent's Board Report (9-22-25)

1. Millsap I.S.D. received an "A" rating from TEA's financial rating system (FIRST.... Financial Integrity Rating System of Texas). A special thanks to our former CFO, Janelle Grau as well as Stephanie Pritchard.
2. Just a reminder that Board Agendas must be posted 3 business days prior to the Board Meeting. This would require a Tuesday posting (by 6:30 p.m.) for a meeting scheduled on Monday (at 6:30 p.m.)
3. We have hired a full-time mechanic, Clinton Carroll. Mr. Carroll has over 40 years in bus/automotive repair. As we mentioned in a Friday Memo a couple of weeks ago, we feel this is a win/win for the District in both costs and turnaround time for repairs.
4. Team of 8 & Improving Student Outcomes training (Discussion during this report in regards to the evening of Monday, Oct. 13th)
5. Our new Communications Specialist is Ms. Hannah Sigmon. Ms. Sigmon is coming to us from the Edna Gladney Center for Adoption where she has worked since August of 2022. Hannah has a Mass communication degree from Sam Houston State University with an emphasis in English. She will play a huge part in managing our website, thinking of new ways to improve communication with all of our stakeholders, but most importantly highlighting our amazing students and staff. In her interview, it was easy to see that she will bring a fresh set of ideas to our District and that her work will be well received. Ms. Sigmon is both approachable and energetic. Hannah and her husband Josh have one daughter, Zoe, who is 2 years old. Ms. Sigmon's first day with us was Monday, September 8th.
