Older gait trainer. This has not been used for many years.

Will be donated without handgrips

IDK517 20040403AM

Max weight 75 lb

This equipment is appropriate for donation or thrown away.

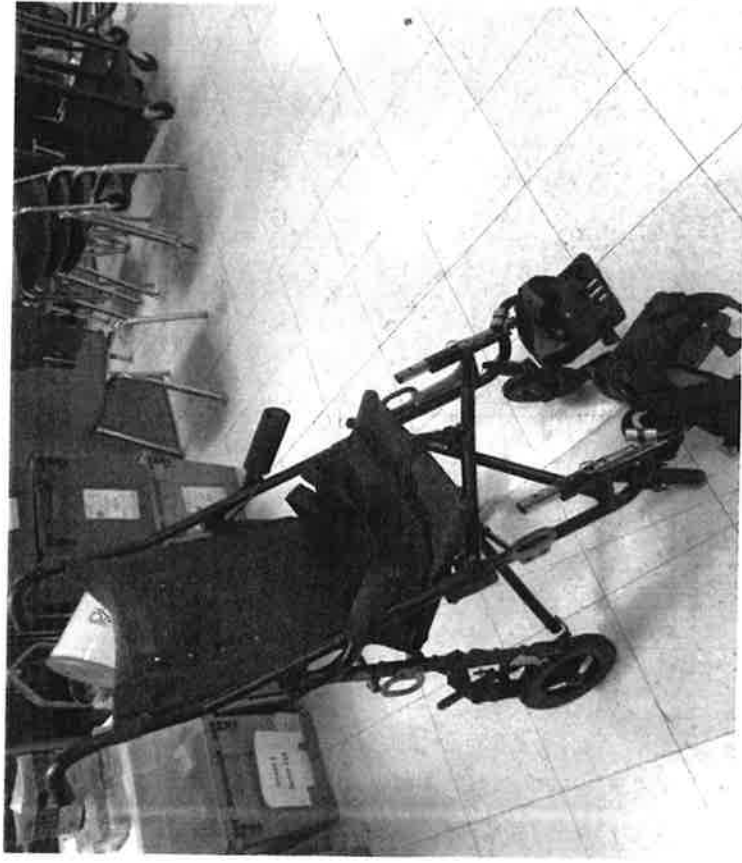

Snug Seat - Bronco

This is used to assist children who have difficulty walking. It has not provided the proper alignment to allow for appropriate assisted gait. It is old and not as stable as it should be.

This equipment is appropriate for donation or thrown away.

EZ Rider Convaid stroller

This stroller has been in the basement of Holmes for many years. It was likely donated by a family. It is old, dirty.

Has trunk support and seat belt, rolls nicely

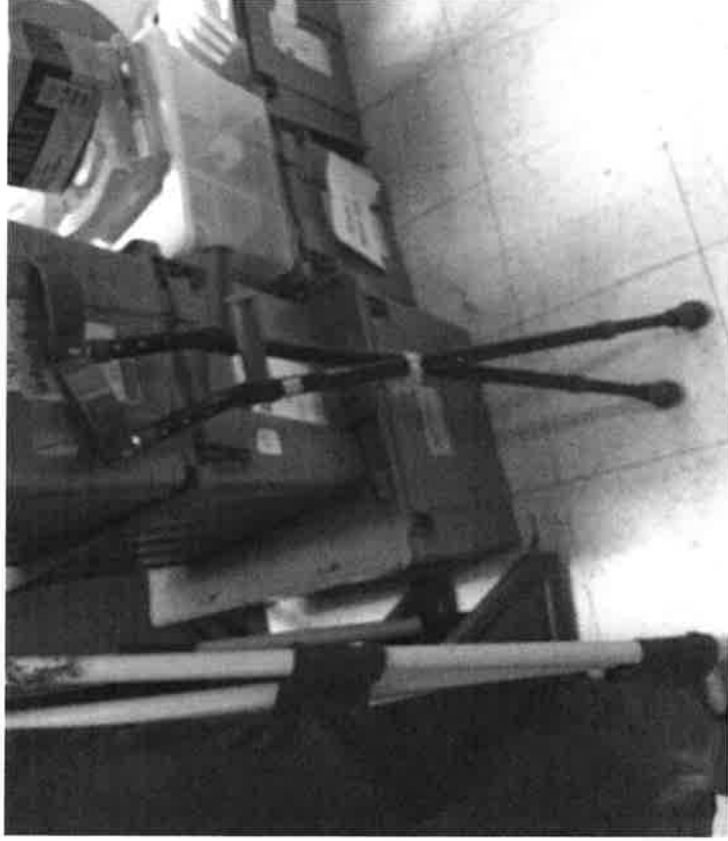

Width: 13.25 inches

Wgt capacity: 45.5 kg

Accepted for Donation

This equipment is appropriate for donation or thrown away

Forearm crutches -

In good condition;

They have been left unused in the basement for a number of years. Children of this age generally have their own crutches, if needed.

Appears to have been donated by a district family in the past after their child no longer needed it

This is equipment is appropriate for donation or thrown away.

Various parts

The chair tables and parts of Rifton chairs do not appear to go with equipment presently used in the district.

This equipment is appropriate for donation or thrown away.

Tumble Form 2 Small Adult Potty Seat

This has been in the basement of Holmes or stored at Brooks for many years. It has not been used for at least 5 years.

This is appropriate for donation or thrown away

Tumble Form 2 Small Adult Potty Seat

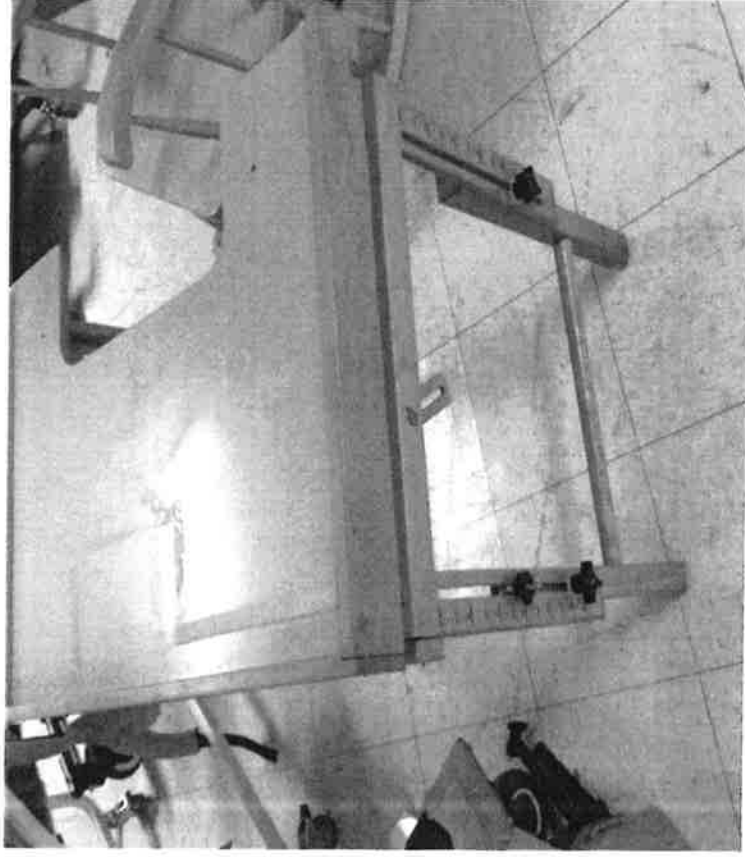

Standing Height = 58" -68"

Sitting Hip Width = 12" -15"

130-150lbs

Thigh Depth = 15" -18"

Adjustable desk for wheelchair

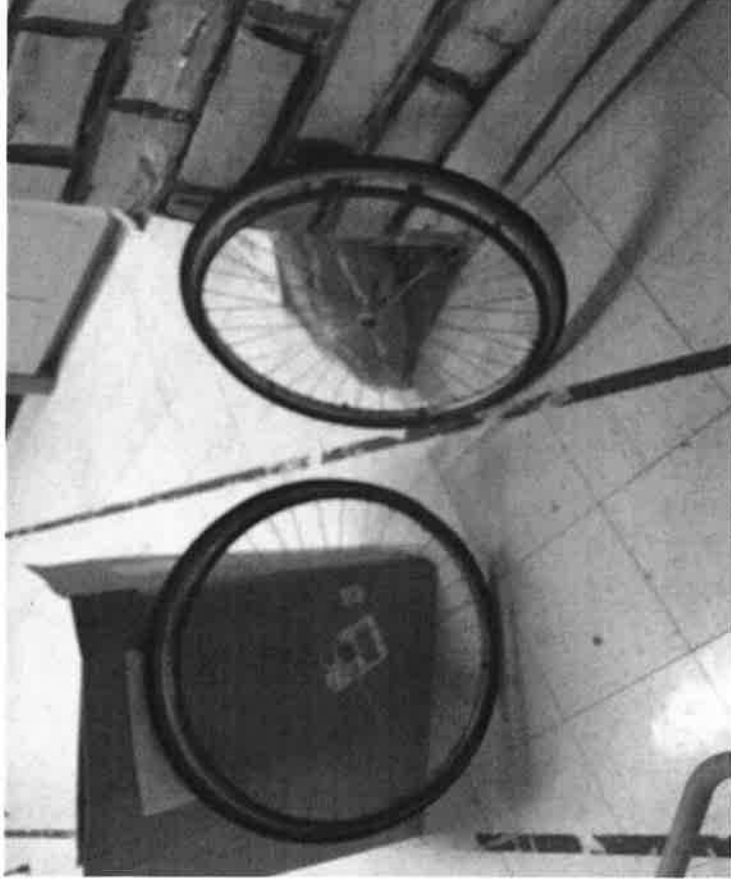

Older version of wheelchair desk.

Somewhat unsteady. It should be replaced with more stable desks for safety. It is not uncommon for students to transfer in and out of their chairs using a desk to lean on. Transfers require a more stable surface.

This is appropriate for donation or thrown away

Removable large tires for wheelchair

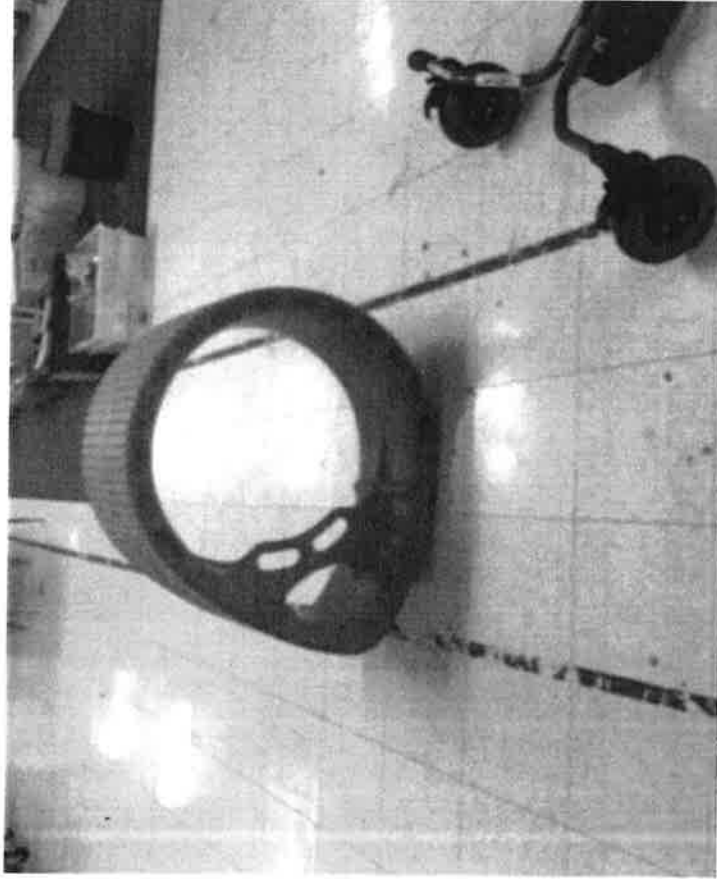

Pneumatic wheels that do not appear to

There does not appear to be any equipment that they can be used with. Tires are flat; unknown if they are able to hold air.

This equipment may be appropriate for donation or it can be thrown away.

Rocking toy

This has been in the basement of Holmes for about 2 years. It has been offered to Early Childhood team, the OT's, and the Adapted P.E. Teacher.

If there are no takers, this equipment can be donated or thrown out.

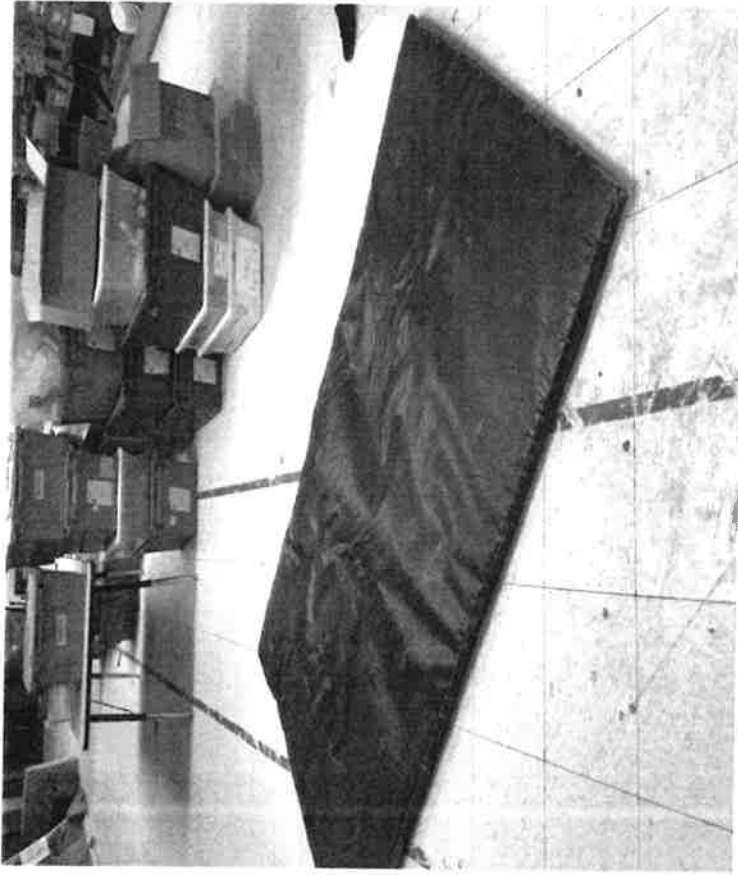

Various padding and parts to equipment

The parts in this box appear to go to equipment that is no longer used in the district.

This equipment is appropriate for donation or thrown away.

Large Blue Mat

Old mat, padding is low. This mat has been replaced with newer, better padded mats
