Curriculum and School Improvement

- Student of the Year for 2024-2025 was Kenley Wilson!
- We have 8 students attending SVCC and then AHS for 4 classes, 16 co-op & Internship students (with 2 on the wait list), 43 attending AHS in the morning then WACC in the afternoon, and one attending the morning CEO program and AHS in the afternoon.
- We would like to welcome Molly Schuster - Spanish, Kelly Viall - Agriculture, Jacob Reynolds - English 2 and 4..
- August 5th, Mrs. Crownhart and Mrs Bulfer attended CPI refresher training at Chana Education Center.
- July 17th, Mrs. Crownhart and Mrs Bulfer attended a Crisis Management Training at SVCC. This course walked us through the reunification process and the role of law enforcement and medical personnel during an armed intruder crisis.

School Activities

- Fall sports are underway with football, volleyball, golf and cross-country maintaining their co-op agreements from last year. Marching band, cheer, flags, and dance have been practicing hard as well.
- "Meet the Clippers" will take place on August 22nd, starting at 4:30 in the HS gym with a volleyball team scrimmage, followed by a recognition of the rest of the fall activities at the football field around 6 pm.

Building Activities

- Mr. Wagner and the summer custodial crew once again did a fantastic job preparing the school for the students' return and did a great job of allowing access to as many areas as possible throughout the summer.

- Student Council did a great job hosting the Freshmen/New student orientation on August 12th. Students went through their schedules, made locker signs, played games, and had questions about high school answered.
- Education, manufacturing, nursing and agricultural pathways have been approved for this school year. We are planning to meet monthly with students in the program to make sure they are making adequate progress.
- New teachers met with Mrs. Crownhart a couple times over the summer and on August 7th to get acclimated with the school and how our school year runs.
- Teachers Institute was held on August 12th and 13th. Teachers were trained on SmartPass, Blocks, and MethodLearning as well as challenged to use AI to help guide activities and self-created quizzes.
- We held the 1st day of school activities on August 14th with games, music, challenges, and goal setting. We also completed our bus evacuation drill. Special thanks to the Student Council Officers, Elly McLaughlin and Kiera Karlson for leading the day and Ms Harvey for helping to organize it. Congratulations to the JUNIORS for winning the 1st spirit stick of the year.
- Focus for the year is on College & Career Readiness Standard of Attendance. 8 or fewer absences in the year is the goal. Monthly prizes for all who meet a goal as well as semester and yearly random prizes for those who are excelling with attendance.
- Phone boxes have been placed in every classroom to help with distractions during class time. No student should have their phones during the 40 minute class periods.
