The Le Family,

Thank you for your generous donation of the Zing Stander and Therapy Rocker Chair. The stander will be used by elementary age students to promote greater independence with upright mobility and to facilitate participation in recreational and educational activities with their peers. The rocker will be used by elementary students to support sensory regulation, movement, and positional changes. It will provide students with stimulating input, helping them refocus and return to educational activities more effectively. Your donation is greatly appreciated!

Sincerely,

A handwritten signature in blue ink, which appears to read "Melissa Schaller".
