

**GOVERNING BOARD AGENDA ITEM  
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

---

**DATE OF MEETING:**      **March 10, 2020**

**TITLE:**    **Recognition of Award for Leadership in Environmental Practices**

---

**BACKGROUND:**

The Amphitheater Public School District is one of three districts in the state to win the “Green Leadership Fleet Award” from the U.S. Department of Energy Valley of the Sun Clean Cities, in partnership with the Propane Education & Research Council.

The award was presented to **James Burns, Executive Manager of Operational Support**, in recognition for the District’s decision to reduce both costs and pollution through clean, cost-efficient propane school buses.

“Valley of the Sun Clean Cities wants to commend the school district’s transportation department for placing a premium on student health and community well-being by operating a propane school bus fleet,” said Bill Sheaffer, Executive Director for Valley of the Sun Clean Cities.

---

**RECOMMENDATION:**

This is presented for the Board’s information and recognition.
