News from Mr. Regal

Welcome back Evergreen Elementary students, parents, staff, and community members to our 2012-13 school year. My name is David Regal and I am honored and privileged to be your new principal. I just recently moved from Hillsboro, Oregon, where I taught for the last 8 years at the elementary level. The move has been wonderful and I look forward to enjoying several outdoor activities that the Illinois Valley provides to its residences. Please feel free to stop by and introduce yourself. I look forward to building new relationships with you and your child during this coming year.

The Evergreen Elementary staff has a strong connection to the community and providing the best education experience for all students. This can be seen by the time and commitment that the staff provides on a daily basis. The staff will continue to set high expectations while implementing a rigorous curriculum to ensure positive growth academically, socially, and behaviorally. We are honored to be a part of your child's educational path and will continue to help all of our students be the best that they can be!

We are a Positive Behavior Intervention Supports (PBIS) school at Evergreen. We emphasize four school rules: Be Safe, Be Responsible, Be Respectful and Be Kind. Our expectation is that this school is a safe and nurturing place for our students to grow and learn. Every student should be free from fear, bullying or unfair treatment at all times. The unfair treatment of others is never tolerated at Evergreen Elementary and is not something that any of our students need to deal with on their own. Our staff is committed to maintaining a safe learning environment for all of our children.

A strong connection with the community is vital for any rural school. I wish to thank you for your continued support of our school and look forward to maintaining and growing our partnerships in order to best serve our students. We at Evergreen will always continue to be thankful for all that you do!

FALL FUNDRAISER

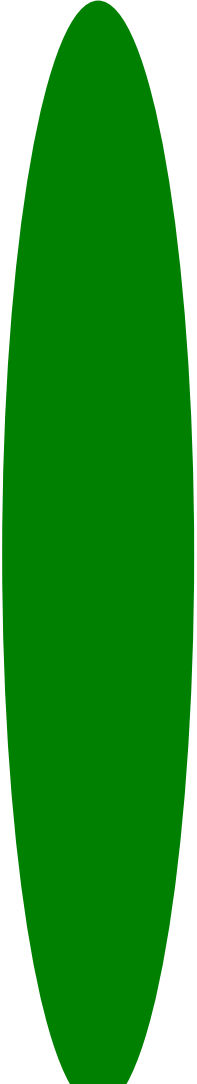

BELIEVE

We will be kicking off our fall fundraiser with Believe on Thursday, September 20th. Look for fundraising details and order forms to come home with your student on this day. With your help, we will be raising money that will support and benefit our students through much needed PBIS programs, enrichment activity offerings, field trips, school improvements, special programs, assemblies, student incentives, and field trips. Our school would not be able to provide many of these programs and activities without the support of the Illinois Valley Community.

Child Find for Special Education

Public Law 105.17, known as the Individuals with Disabilities Education Act (IDEA), requires that school districts provide a free and appropriate education to all disabled children and young adults from birth through 21 years of age. The Three Rivers School District requests assistance with the identification of any disabled children ages Birth through 21 who are not enrolled or currently being served in one of the District's schools.

If you know of any disabled children ages 0 through 21, who are not receiving education services, please call the Three Rivers School District Special Education Department at **541-862-3111 x 5202**.
