

## FIS School Board Report June 23, 2025

### End of School year

We had many memorable educational experiences as the school year came to an end for our students.

Our 5th graders participated in their annual DARE graduation in the FIS auditorium. This is a worthwhile program that is a great way for us to partner with local law enforcement for the betterment of our students. I would like to thank the Benton County Sheriff's department for all of their efforts in providing this educational component for our students.

Our 6-8th graders had the opportunity to participate in our Spring Exploration day. Some of the choices students had for the day were: Valleyfair, Top Golf, Target Field and McPete's. We had great weather and the students enjoyed their last day of school. We have both a winter and spring exploration day for our students at FIS which is a great opportunity for students to explore opportunities that do not happen in the regular school day. I was extremely impressed by the positive behaviors that our students were showing as they represented our school and community off campus. Our 4th and 5th graders were able to have class picnics at the park and enjoy their time together as a grade level.

### PBIS School Recognition

Foley Intermediate School was recongized by MDE as an Exemplar school. There is a PBIS summer institute on August 14th where FIS will be part of the program.

Congratulations to the FIS staff and PBIS committee for this outstanding honor. Well done FIS!

### 8th grade awards

Congratulations to our 8th grade Wall of Fame and Presidential award winners. We applaud your dedication to learning and all of the positive attributes that you have brought to Foley Intermediate School and wish those students continued success as they enter Foley High School.

Independent School District No. 51

## Summer School

Our ESY and Targeted Services programs are off to a great start at FIS. It is wonderful to see our students back in the building working with our staff members. Students will be at school in the morning, Monday, Tuesday, and Wednesday throughout June.

We have wrapped up the 2024-25 school year and I am proud to say that our year went incredibly well. I am honored to have been the Principal at Foley Intermediate School for the past 8 years and look forward to watching the success of FIS in the future and wish the best to all of the students, parents, staff and community members.
