

Site Council Minutes 11/17//16

Members Present:

Darrell Erb Jr. - Principal
Melisa Smock-Classified
Michelle Stone-Teacher
Jean Hall- Grandparent

- Site Council reviewed minutes from last meeting and unanimously approved them.
- Mr. Erb gained support from site council to discuss student handbook to staff. The thought is to have an integrated handbook with dedicated sections for K-5 and for K-8, as, there are features unique to K-5, and to 6-8, which call for separate sections. Site Council asked Mr. Erb to discuss these changes with staff, and with the school's PBIS committee.
- Site Council has finished going through indicators on the School Improvement Plan (SIP). Site council has decided to adopt two indicators and would like to pick a third that will be put into place next year:
 1. DSC1.3 The school's leadership plans for and implements professional development preparing teachers to support parents in the education of their children by providing in-classroom opportunities and at-home opportunities for parents.
 2. FC3.3 The school's key document (minimally, the school's improvement plan, parent involvement plan, compact, and student/parent handbook) are annually reviewed for revision and disseminated to all families in the school and translated as needed.

3. FC3.7 School staff involves parents and students in setting student goals and preparing the student for post-secondary education and careers.

- Mr. Erb and Michelle Stone will talk with staff about indicators that site council has chosen.
- Site Council will make a framework plan for implementing the three indicators at its next meeting.
