PUBLIC HEARING

Texas Education Code, TEC §39.306, requires that each district’s board of trustees hold a public hearing to discuss the district’s annual report. Commissioner rule, TAC §61.1022, indicates this hearing for public discussion of the Texas Academic Performance Report must be held within 90 calendar days of receiving the PDF TAPR.

Within two weeks following the public meeting, each district must widely publish its annual report, in the same format as it was received from TEA. The PDF TAPR comprises the main part of the district’s annual report, and it must be published in the same format as provided by TEA.

According to TEC, §39.306, in addition to the PDF TAPR, a district’s annual report must include the campus performance objectives and the progress toward those objectives, information on violent or criminal incidents and prevention and intervention policies, findings that resulted from evaluations conducted under the Safe and Drug-Free Schools and Communities Act of 1994, information on the performance of the previous year’s graduates in their first year of college as reported by the Texas Higher Education Coordinating Board (THECB) and the progress of the district and each campus in the district toward meeting the goals set in the district’s early childhood literacy and mathematics proficiency plans adopted under TEC, §11.185; and college, career, and military readiness plans adopted under TEC, §11.186.

As of December 2024, the PDF TAPR does not include A–F Accountability Ratings or Distinction Designations.
