**Re:** High School Principal Report October, 2018

---

It's hard to believe that we are already in October. Time really does fly when you are having fun! The school year has been a very positive one thus far and we feel that through the work of PBIS and our Sources of Strength program we are continuing to build on our great culture here at HHS! Homecoming this year was one of the best that I have been a part of in my ten years here in Homedale and it was that way because of our awesome community support and our positive student body as they showed their school spirit all week/month! The PBIS theme for the month of October is "Super Hero's/Positive Role Models!" We are encouraging our students to identify who their positive role models are in their life and to work towards being a positive role model for others. The first quarter of our school year wraps up on Wednesday October 10th and we are encouraging our students to finish the quarter strong. We are looking forward to continuing the work of equipping our students with the skills necessary to achieve their dreams!
