

## PUTNAM COUNTY COMMUNITY UNIT SCHOOL DISTRICT #535

### Recommendation for the Board of Education

---

**Meeting:** September 16<sup>th</sup>, 2025

**Item:** PCJH Drainage and Sidewalk Repairs

**Recommendation:** I recommend the Board of Education approve the quotes provided by Migliorini Builders for the repair of drainage and sidewalk on the north side of PCJH. Three companies shared interest in providing a quote for the project and two of them did site visits and submitted quotes. The lower of the quotes was provided by Migliorini Builders at a total cost of \$29,717.

Starting this past summer, excessive rainwater has been washing away the slope near the boys' locker room entrance. Compacted gravel and water have been pooling at the bottom of the hill, and the water has been draining into the lower part of the building. Further, the sidewalks have sloped toward the building, so the water is draining toward it. A temporary drainage pipe has been attached to the downspout to direct water away from the spot, but a permanent repair is needed.
