In order to do so, a **state certified copy of the student's birth certificate or other reliable proof of birth date is required** to be presented within 30 days of enrollment. Other acceptable alternatives to a birth certificate are a passport, visa, or other government documentation of the child's identity. These documents must be accompanied by an affidavit explaining the inability to present a copy of the birth certificate.

CRITICAL MISCELLANEOUS INFORMATION

CONFERENCES

The vital link between home and school is strengthened by close communication. Parent/Teacher conferences for all students will be scheduled at the end of the first quarter. Please refer to the enclosed District calendar for the exact dates. It is our hope that every parent/guardian will take this opportunity to discuss their child's progress. In addition, the staff sincerely hopes you will call the school to arrange a conference, ask questions, or share your concerns at any time. It is imperative that the school and home develop an effective communications link.

IDAHO HILL PARENT/TEACHER ORGANIZATIONS & SITE COUNCIL

These organizations are very beneficial and a welcomed part of the school's overall educational program. They have promoted and assisted in many excellent projects and activities focused on helping the students of this community. The September school newsletter will have information regarding our meetings. Please call the principal if you have any ideas or questions regarding these groups at 208-437-4227.

SCHOOL PICTURES

Individual and class pictures will be taken during the school year. These pictures are regarded as a service to you and the students. You are NOT obligated to purchase them. More information concerning picture options and costs will be sent out at least one week before scheduled picture dates.

STUDENT BEHAVIOR

SAFE, RESPECTFUL, RESPONSIBLE, AND KIND BEHAVIOR AT ALL TIMES

Four behavior expectations are the focus of our efforts at school. They will be used to discuss and teach behavior expectations in all parts of the school setting. School staff will help students by modeling and teaching appropriate behavior, reinforcing the behavior when it is exhibited (catching them being good), and working with students and parents to correct inappropriate behavior.

SAFE:

- Be honest
- No pushing/shoving
- No hitting/kicking
- No leaving classroom without permission
- No hiding in restroom

RESPECTFUL:

- Be honest
- Maintain an active learning environment (don't disrupt the learning of others)
- Use appropriate language
- Follow instructions the first time they are given
- Speak in a polite, calm tone
- Arrive on time and be prepared for class
- Don't write on desks, walls, or any school property

RESPONSIBLE:

- Be honest
- Be on time to school/class
- Listen carefully to teacher/instruction
- Listen while others are speaking
- Focus on **your** learning
- Ask questions to help you learn
- Study/complete homework

KIND:

- Be honest
- Play/work with others (don't exclude)
- Use kind words (if you can't say something nice, don't say anything at all)
- Have compassion for others

Inappropriate or Unacceptable Behavior will be dealt with in an appropriate, progressive manner:

- Warning
- Recess detention
- Lunch detention
- ISS - In School Suspension
- OSS - Out of School Suspension

A parent/guardian will always be called or emailed regarding inappropriate or unacceptable behavior by the classroom teacher and/or the principal, particularly if the student has been referred to the office.

A Severe Display of Inappropriate/Unacceptable Behavior will result in a student/parent/principal conference. “Severe” includes, but is not limited to, the following:

- recurrent and/or flagrant behavior that exhibits a student’s inability to act in a safe, respectful, kind, or responsible manner,
- use of alcohol/drugs,
- use of dangerous objects,
- stealing,
- engaging in a physical assault,
- abusive behavior towards another

Consequences appropriate to the above-referenced behaviors (i.e., loss of privileges, referral to Social Services, suspension, expulsion, etc.) will be used to assist the child in learning and exhibiting appropriate behavior. Expulsion is the punishment of severe violations of school policy. Expulsion is denial of the right to attend school by the Board of Trustees. While suspended or expelled, a student is not permitted to attend ANY school activities.

PLAYGROUND RULES:

- Dress appropriately for weather conditions; follow the dress code in the student handbook
- Follow ALL instructions of the playground supervisor quickly and without argument
- Throw only playground balls. Throwing other items such as rocks, pinecones, sticks, or snow is strictly forbidden
- NO ROUGH GAMES shall be played involving pulling/tearing of clothing, tripping, kicking, or shoving
- Request permission to use the restroom
- Staff member on playground duty is person in charge
- No toys, cell phones, CD players, etc, are allowed on the playground

RECESS

- Our school requires all children to go outside except during extreme inclement weather. As a general rule if the outside temperature falls below 20°F or is raining excessively, we will have inside recess.
- Parents should make sure their children have the following proper outerwear: coats, boots, snow pants, gloves, hats, etc. as needed.
- Please send extra shoes that your child can change into during recess and/or PE. Snow boots are not allowed in the gym – please help your child remember to bring sneakers.
- We believe that children who are well enough to attend school are well enough for recess. There are rare exceptions to this rule due to space constraints and limited staffing.
- If you feel that your child does need to stay in during recess, a note is needed.

SUSPENSION AND/OR EXPULSION

Suspensions may be the result of any school or school District violation. The purpose of suspension is to prohibit the disruption of classroom work and to protect the general welfare of students and school personnel. Expulsion is the punishment of severe violations of school policy. Expulsion is the denial of the right to attend school by the Board of Trustees. While suspended or expelled, a student is not permitted to attend **ANY** school activities.

HEALTH & SAFETY

STUDENT ILLNESS/INJURY

If a student is seriously injured at school, first aid will be administered and every effort will be made to notify parents immediately. When a student's parents cannot be reached and in the judgment of the school staff that a doctor's services are required, the child will be transported directly to the doctor. All minor injuries (minor cuts, scrapes, etc.) will be treated at school unless the school is directed by the parent(s) or guardian(s) to do otherwise. **It is extremely important that we have the current phone numbers for parents or guardians and at least two other contacts in the event of an emergency.**

The best precautions and the closest supervision do not guarantee accidents will not happen. Accidents are a fact of life and a part of the growing-up process of kids. Parents need to be aware of this and be prepared for possible medical expenses that may arise should their child(ren) be injured. **The school District does not provide medical insurance to automatically pay for medical expenses when students are injured at school.** This is the responsibility of the parents or legal guardians. The District only carries legal liability insurance. The District does provide information concerning private insurance available to families for their individual purchase. Brochures outlining the coverage and premiums are available at the school office.

EMERGENCY CONTACTS

- It is imperative to be able to reach a parent/guardian quickly in the event of a student injury or student illness
- A current daytime phone number(s) **must** be provided to the school secretary
- In the event a parent/guardian cannot be reached and in the judgment of the school staff that a doctor's service is required, the student will be transported directly to a doctor
- All minor injuries (minor cuts, scrapes, etc.) will be treated at school unless the school is directed by a parent/guardian to do otherwise

STUDENT MEDICATIONS

School District policy governs the dispensing of medications to students. **The school does not stock any medicines for student use.** Students are not to have any medication at school until a Student Medication form is on file in the office. If your student needs medication for recurring conditions, you should bring to school a small supply of the medicine **in its original container** and **clearly labeled with your child's name.** Include written directions for its use. The Student Medication form can be filled out at this time and signed by his or her doctor.

- **Parents must transport medications to and from school. Students may NOT bring medications to school.**
- Parents of students needing daily medication or who need an inhaler, bee sting medication, etc. will need to talk with the principal and the school district nurse to make a health care plan.
- All medicines for student use shall be kept in the office and dispensed per the instructions provided by the parents and/or physician. **Cough drops are medicine and if brought to school they must be turned into the office and accompanied by a note.**

OPIOID ANTAGONIST (Narcan)

- Protocols for administering Opioid Antagonist to a suspected drug overdose can be found in District Policy #3518-2.

COMMUNICATIONS & ELECTRONICS

CELL PHONES AND OTHER ELECTRONIC COMMUNICATION DEVICES

The West Bonner County School District recognizes the value of digital communication and collaboration in the context of a modern learning environment. Cell phones/electronic devices may serve as an outstanding instructional tool and learning resource if used appropriately. We encourage our staff members and our students to use electronics and other 21st century devices to supplement instruction and learning. However, it has been proven that students who are on cell phones or other electronic devices when it is not part of the instructional lesson are not fully engaged in learning.

Students with an urgent need to contact their parent/guardian during the school day should visit the main office where an administrator will work through the situation with the student. If the situation is an emergency or warrants a parent call, the administrator will reach out to the parent/guardian.

Any parent/guardian needing to get in touch with their child should call the main office. Please make sure all messages are received in the office **before 2:30 p.m.** to guarantee message delivery by the end of the day. If a child needs to ride a different bus, the bus driver needs a note that is dated and signed by the parent per State law. .

We are committed to “Distraction-Free Learning” with the goal of preserving the integrity of our learning environments and to reduce unnecessary distractions in classrooms and will enforce the following at our schools:

- students will not have access to any personal wireless digital device on the school campus during the school day (including cell phones, smart watches, and other personal mobile or wearable technology)
- earbuds and headphones are not allowed, except when associated with a teacher-approved educational purpose, used as an assistive technology, or as part of an IEP or 504 plan
- cell phones and other personal wireless devices can be used after the end-of-school bell
- they must be in "silent mode" or turned off, including no haptics (vibrations) or other notifications when at school
- Smart Watches must be in "Airplane Mode"

Policy Violation Consequences:

Subsequent Offenses

*Refusal to follow a reasonable request will result in the appropriate progressive disciplinary action.

ELECTRONIC DEVICES

We encourage students to keep all electronic devices (CD players, iPods, Gameboys, etc.) at home so items are not lost, broken, or damaged. We do, however, understand that some students have very lengthy bus rides and these can help keep them entertained. If this is the case, the student is responsible for the item at school and therefore we ask them to keep their toys in their backpacks during school hours so it stays as safe as possible. No “T” or “M” rated games or CD’s are allowed at school or on the bus.

ELEMENTARY SCHOOL ATTENDANCE POLICY

West Bonner County School District recognizes that regular school attendance contributes to successful student achievement. Regular and punctual patterns of attendance will be expected of each elementary school student enrolled in the District. The District recognizes that daily student attendance and time on task is essential to student learning.

While students are required to be in attendance at school, students can accumulate nine (9) absences each semester. This includes excused and unexcused (truancy). Days lost from school cannot be 'made up' even if the class work and homework are done because there is no substitute for the lessons being taught by the teacher and interaction between teacher and student. The principal is responsible for the implementation and enforcement of Student Policy 3050 that can be found on the District webpage at www.sd83.org

Attendance Procedure:

- Please contact the school **before 8:30 a.m.** if your child will be absent.
- If we do not receive a call, our automated system will be placing a call to you to confirm the absence
- The school office will try to contact a parent/guardian if a child is absent when the school does not receive communication from a legal parent/guardian regarding an absence
- In addition, a written note by the parent/guardian is needed for all absences
- If a student is absent, they **will not** be permitted to attend after school activities and/or parties (with the exception of excused absences, i.e. doctor appointments)

A District liaison is responsible for enforcing this policy and ensuring that parents are aware of State law regarding attendance (see below).

1. The Board, or their designee, may deny a promotion to the next grade or deny credit to any student who is absent from school or any class period(s) for any reason including family convenience in excess of nine (9) days. Except in extraordinary cases, students are expected to be present at school and in their assigned grade or subject. Students and parents who believe that all or part of their absences are the result of extraordinary circumstances may request a review of their case by the building attendance committee. The building attendance committee will review the records and the circumstances to determine whether or not the student will be promoted to the next grade. Appeals of the attendance committee decision may be made as stated in District Policy 3050.
2. The school will maintain a comprehensive record system of student attendance.
1. The District liaison will send a letter to the parent(s) or guardian(s) when the child has missed 6, 10, and 12 days. The liaison may refer to the County prosecutor for further action.

Tardy Procedure: Punctuality is important. When a student is late for school, he/she misses important information and disrupts the class. Being on time, which is a personal responsibility of the parent, is an important element in life and school and will be expected of all students. **Any student arriving late to school must have a parent report to the Main Office and sign in.** Students with excessive tardies will be assigned detention to make up missed work.

Miss School / Miss Out: We provide quarterly awards for perfect attendance. At the end of the school year, students who miss 4 or less days of school, receive a “Miss School/Miss Out” item. For purposes of “Miss School/Miss Out” and quarterly awards, **4 tardies = 1 absence.**

EMERGENCY CLOSURE

- When it is necessary to close or delay the start of school because of severe weather or other emergencies, parents tune in to any of the Spokane television stations for closure information. **Parents/guardians will be notified via Skylert.**
- We will make every effort to put a message concerning the closure on the answering machine at school.
- The decision to close school is made by the Superintendent and Transportation Director for West Bonner County District #83.

DRESS CODE

Student dress should not be a disruption to classroom learning. Students should be clean, well-groomed and dressed in good taste. Students are expected to come to school in clean clothes that are appropriate for weather conditions, a school setting, and not frayed. Appropriate attire for different learning activities should be considered as well as the expectations that school is not a casual environment.

The following are guidelines, which are intended to allow student expression without creating a health problem, wearing clothes that may be disruptive to the school setting, or counter to the educational mission of the school:

- no hats or head coverings worn in the building
- clothing with symbols, words, pictures... alcohol or drug related, sexually explicit or implicit, or deemed inappropriate by Principal is not allowed
- shorts, dresses, or skirts must reach the end of students’ fingers when arms at sides
- no belly shirts allowed, meaning no part of the stomach should be exposed
- students must wear footwear at all times
 - shoes with wheels are not permitted
 - snow boots are encouraged for outside use in the winter; they are **not** allowed in the gym
- tank top straps to be a minimum of 1 inch wide; backless shirts and halter tops are not allowed

Exception to the rules: At the discretion of the building principal for dress up days or other activities/events

STUDENT INFORMATION: RIGHT TO PRIVACY

As per policy 3570 & 3570F, our District follows FERPA laws with regard to releasing student information. Therefore, we must have your permission in order to release information to the public in any form including, but not limited to: District or school newsletters, local newspapers/TV stations/radio stations, and District or school websites. **A Parent Objection to Release of Directory Information** Form will go home with every student to complete. **We will assume information is allowed to be released if the form is not returned.**

INSPECTION & REVIEW OF STUDENT RECORDS

Parents, and legal guardians, have the right to inspect the school records of their children. The school is required by federal law to make these records available to the parent within 45 days of their request.

You may inspect all records, including academic, attendance, testing and health. These records are on file at the school office and the special education classroom and/or the central special education office. All special education records are maintained for five years after a student exits the school system. The cumulative file and attendance records are maintained permanently. You can request an explanation or interpretation of the records, and you may obtain a copy of the records at the cost of ten cents per page.

You may have a representative inspect and review the records but only after the district receives written permission from you. You may request amendment of the records if you believe that information is inaccurate, misleading, or violates the privacy or other rights of the student. You may initiate a due process hearing regarding the content of the student records. You will be notified if the records from special education (i.e., Individualized Instructional Plan, test booklets, etc.) are being destroyed while in attendance. If a record contains information about more than one child, you may review only information relating to your child(ren) or be informed of that specific information.

The district will release the school records of your student(s) to schools and other agencies only upon receipt of your written request, specifying the records to be released, for what reason, and to whom they are to be released. Records will also be released when required by legal order or subpoena. Please contact the building secretary for the "Release of Information" form.

This is a summary of your rights to inspect and review records. A full text of these regulations is available at the West Bonner County School District Office, 134 Main St., Priest River, Idaho 83856

TESTING

Throughout the year your child will take a variety of formal and informal tests to determine their academic strengths and areas of concern. The results from these formal tests will be shared with parents as they become available throughout the year. Information will come home in the parent and school newsletters as to how you can help your child best prepare for these tests so they do their very best!

As per Idaho Code, all Idaho students in grades kindergarten through third grade take the Idaho Reading Indicator (IRI) two times per year. This quick test gives the teachers and Title 1 Reading staff an indicator as to which students may need extra support in the area of reading. Additionally, all third through sixth graders in our State take the ISAT test in ELA and Mathematics. 5th graders also take the ISAT in science.

PROGRAMS

Idaho Hill Elementary provides educational services for children in grades K-6. The West Bonner County School District has a curriculum which addresses each content area (reading, mathematics, language, etc.) found in the Idaho Core Standards. Teachers recognize that students are individuals who learn in different ways at different rates. They try to teach in ways that maximize learning opportunities for students and work closely with parents when students are having difficulty keeping up with the curriculum. Special services are also available.

HOMELESS

Students who are considered homeless under the federal guidelines may qualify for additional aid in order to help them be more successful in our school system. If you think you may qualify for homeless funds under the McKinney Vento Act, please contact the school office for additional information and for help in filling out forms. This information is strictly confidential.

SPECIAL EDUCATION

Special education services are available at Idaho Hill Elementary. Students needing services are identified through an Intervention Team process. More information is available by contacting your school principal or special education teacher.

SPEECH AND LANGUAGE SERVICES

Speech and language services are provided for students who are identified with a speech and or language disability. Eligibility for speech and language services is based on individual assessment results.

TITLE I HOME / SCHOOL COMPACT / PARENT PARTNERSHIP

There may be extra help available to your child in support of his/her general education through the federally funded Title I Program. Students in grades K-3 who have been identified by their teacher as needing support may receive assistance from a Title 1 staff member. Students are referred to Title 1 based on performance on local and state tests, teacher referral, and performance in the classroom. Students may receive extra assistance in their classrooms or in a separate room, individually or in a small group. Title 1 also offers opportunities throughout the year for families to attend activities and meetings. The Title staff is always available to support families and answer any questions. A District Title 1

Committee of parents, school staff and administrators advocates family involvement and provides input for the program. We believe the key to student success is working together with staff, administrators, students and families. This can be accomplished by using the following Home/School compact/Parent partnership:

I agree to:

Parent/Caregiver:

- Make sure my child attends school regularly and on time, gets enough sleep and eats well.
- Talk with my child daily about school and encourage my child's efforts.
- Support the school discipline policy and encourage positive attitudes about school.
- Read school communications, attend open house and parent conferences.
- Establish a consistent, daily reading/homework time, a place to study without TV and other interruptions.

Student:

- Attend school regularly unless sick, be on time, and be prepared to learn.
- Pay attention in class, ask for help when needed, and believe I can and will learn.
- Follow school rules and be accountable for my behavior, while being respectful of peers, adults, materials and school property.
- Discuss important school/community information with parents/caregiver, complete and return work as required.
- Limit TV watching and spend time on school work or reading at least three times a week.

Teacher:

- Provide a safe and positive learning environment.
- Set high achievable expectations for myself and my students.
- Respect individual differences of students and their families
- Communicate effectively with my students and their parents/guardians.
- Use methods and techniques that work best for my class and encourage the practice of academics at home by providing appropriate assignments.

Federal law requires that each school district receiving Title 1 funds notify parents/guardians of each student attending any school receiving these funds that information regarding the professional qualifications of their child's classroom teacher(s) may be requested. As a parent of a student attending a school receiving federal program funds, you have the right to know:

- ☐ Is my child's teacher licensed to teach the grades and subject(s) assigned?
- ☐ Is my child's teacher teaching with a provisional license, meaning the state has waived requirements for my child's teacher?
- ☐ What is the college major of my child's teacher?
- ☐ What degree or degrees does my child's teacher hold?
- ☐ If there are instructional aides working with my child, what are their qualifications?
- ☐ If my child is or will be taught for 4 or more consecutive weeks this year by a teacher who is not highly qualified, will I be notified in a timely manner?

To request the State qualifications for your child's teacher or instructional aide, please contact Tracy Rusho at the District office at 208-448-4439.

WEST BONNER COUNTY SCHOOL DIST. #83
ACCEPTABLE USE OF ELECTRONIC NETWORKS

All use of electronic networks shall be consistent with the District's goal of promoting educational excellence by facilitating resource sharing, innovation, and communication. These procedures do not attempt to state all required or proscribed behaviors by users. However, some specific examples are provided. **The failure of any user to follow these procedures will result in the loss of privileges, disciplinary action, and/or appropriate legal action.**

Terms and Conditions

1. Personal use of computers by students that is consistent with the District's educational mission may be permitted during class when authorized by the teacher. Personal use of District computers and networks outside of class must comply with District policy.
2. Privileges – The use of the District's electronic networks is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The system administrator (and/or building principal and/or Internet Safety Coordinator) will make all decisions regarding whether or not a user has violated these procedures, and may deny, revoke, or suspend access at any time. His or her decision is final.
3. Unacceptable Use – The user is responsible for his or her actions and activities involving the network. Some examples of unacceptable uses are:
 - a. Using the network for any illegal activity, or to access websites encouraging illegal activity including violation of copyright or other contracts, or transmitting any material in violation of any U.S. or state law;
 - b. Accessing information pertaining to the manufacture of weapons;
 - c. Accessing uses that cause harm to others or damage property;
 - d. Unauthorized downloading of software, regardless of whether it is copyrighted or devirused;
 - e. Downloading copyrighted material;
 - f. Using the network for private financial or commercial activities;
 - g. Wastefully using resources, such as file space;
 - h. Hacking or gaining unauthorized access to files, resources, or entities; uploading a worm, virus, or other harmful form of programming;
 - i. Invading the privacy of individuals, which includes the unauthorized disclosure, dissemination, and use of information of a personal nature about anyone;
 - j. Using another user's account or password or some other identifier that misleads message recipients into believing that someone other than you is communicating;
 - k. Posting material authored or created by another, without his/her consent;
 - l. Posting anonymous messages;
 - m. Using the network for commercial or private advertising;

- n. Accessing, submitting, posting, publishing, or displaying any defamatory, inaccurate, abusive, obscene, nudity or near nudity, profane, sexually oriented, threatening, racially offensive, harassing, bullying or illegal material;
- o. Using the network while access privileges are suspended or revoked;
- p. Promoting political, personal, or religious causes in a way that presents such opinions as the view of the District;
- q. Disclosing identifying personal information or arranging to meet persons met on the internet or by electronic communications; and
- r. Any other unacceptable uses as outlined in District Policy 3270.

Consequences for Unacceptable Use of Technology

First offense - warning

Second offense - revocation of 8 days

Third offense - revocation remainder of school year

4. Network Etiquette – The user is expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to, the following:
 - a. Be polite. Do not become abusive in messages to others.
 - b. Use appropriate language. Do not swear or use vulgarities or any other inappropriate language.
 - c. Do not reveal personal information, including the addresses or telephone numbers, of students or staff.
 - d. Recognize that electronic mail (e-mail) is not private. People who operate the system have access to all mail. Messages relating to or in support of illegal activities may be reported to the authorities.
 - e. Do not use the network in any way that would disrupt its use by other users.
 - f. Consider all communications and information accessible via the network to be private property of The District.
5. No Warranties – The District makes no warranties of any kind, whether expressed or implied, for the service it is providing. The District will not be responsible for any damages the user suffers. This includes loss of data resulting from delays, non-deliveries, missed deliveries, or service interruptions caused by its negligence or the user's errors or omissions. Use of any information obtained via the Internet is at the user's own risk. The District specifically denies any responsibility for the accuracy or quality of information obtained through its services.
6. Indemnification – The user agrees to indemnify the District for any losses, costs, or damages, including reasonable attorney fees, incurred by the District, relating to or arising out of any violation of these procedures.
7. Security – Network security is a high priority. If the user can identify a security problem on the Internet, the user **must** notify the system administrator, Internet Safety Coordinator and/or building principal. Do not demonstrate the problem to other users. Keep your account and password confidential. Do not use another individual's account. Attempts to log on to the Internet as a system administrator will result in cancellation of user privileges. Any user identified as a security risk may be denied access to the network.

8. Vandalism – Vandalism will result in cancellation of privileges, and other disciplinary action. Vandalism is defined as any malicious attempt to harm or destroy data of another user, the Internet, hardware, software, or any other network. This includes, but is not limited to, the uploading or creation of computer viruses
9. Telephone Charges – The District assumes no responsibility for any unauthorized charges or fees, including telephone charges, long-distance charges, per-minute surcharges, and/or equipment or line costs.
10. Copyright Web Publishing Rules – Copyright law and District policy prohibit the republishing of text or graphics found on the Web or on District Websites or file servers, without explicit written permission.
 - a. For each republication (on a Website or file server) of a graphic or text file that was produced externally, there must be a notice at the bottom of the page crediting the original producer and noting how and when permission was granted. If possible, the notice should also include the Web address of the original source.
 - b. Students engaged in producing Web pages must provide the webmaster with e-mail or hard copy permissions before the Web pages are published. Printed evidence of the status of “public domain” documents must be provided.
 - c. The absence of a copyright notice may not be interpreted as permission to copy the materials. Only the copyright owner may provide the permission. The manager of the Website displaying the material may not be considered a source of permission.
 - d. The “fair use” rules governing student reports in classrooms are less stringent and permit limited use of graphics and text.
 - e. Student work may only be published if there is written permission from both the parent/guardian and the student.
 - f. Violation of the copyright web publishing rules may result in denial of access to the network.
11. Use of Electronic Mail.
 - a. The District’s electronic mail system, and its constituent software, hardware, and data files, are owned and controlled by the District. The District provides e-mail to aid students in fulfilling their duties and responsibilities and as an education tool.
 - b. Email could be subject to public records requests and disclosures depending upon the subject matter of the contents of the email.
 - c. The District reserves the right to access and disclose the contents of any account on its system, without prior notice or permission from the account’s user. Unauthorized access by any student to an electronic mail account is strictly prohibited.
 - d. Each person should use the same degree of care in drafting an electronic mail message as would be put into a written memorandum or document. Nothing should be transmitted in an e-mail message that would be inappropriate in a letter or memorandum.
 - e. Electronic messages transmitted via the District’s Internet gateway carry with them an identification of the user’s Internet “domain.” This domain name is a registered domain name and identifies the author as being with the District. Great care should be taken, therefore, in the composition of such messages and how such messages might reflect on the name and reputation of this District. Users will be held personally responsible for the content of any and all electronic mail messages transmitted to external recipients.
 - f. Any message received from an unknown sender via the Internet should either be immediately deleted. Downloading any file attached to any Internet-based message is prohibited, unless the user is certain of that message’s authenticity and the nature of the file so transmitted.
 - g. Use of the District’s electronic mail system constitutes consent to these regulations.

Internet Safety

1. Internet access is limited to only those “acceptable uses,” as detailed in these procedures. Internet safety is almost assured if users will not engage in “unacceptable uses,” as detailed in District policy and procedures, and will otherwise follow District policy and procedures.
2. Staff members shall supervise students while students are using District Internet access at school, to ensure that the students abide by the Terms and Conditions for Internet access, as contained in these procedures.
3. Each District computer with Internet access has a filtering device that blocks entry to visual depictions that are: (1) obscene; (2) pornographic; or (3) harmful or inappropriate for students, as defined by the Children’s Internet Protection Act and as determined by the Superintendent or designee. Students must use the District’s filtered network for all online activities on school grounds or using District equipment.
4. The system administrator, Internet Safety Coordinator and/or building principals shall monitor student Internet access.

Student Use of Social Media

Students will be held accountable for the content of the communications that they post on social media locations and are responsible for complying with District policy and procedures for content posted using a District computer, network, or software and /or when posted during school hours when the student is in attendance at school. Student posts on social media locations outside of school hours and school grounds using a personal computer, network, and software shall be private as long as they do not enter into the educational setting and interfere with the orderly operation of the school. Posts to social network sites using a District computer, network or software may be subject to public records requests. Students may not disrupt the learning atmosphere, educational programs, school activities, and/or rights of others.

All of the requirements and prohibitions in District policy and procedure apply to the use of social media on school grounds, through the District network or using District equipment, or as part of a class assignment.
