## MEMO

TO: Weber School District Board Members  
FROM: Clyde Moore – Driver Ed. Supervisor  
DATE: July 16, 2020  
SUBJECT: Driver Ed. Cars Purchase

---

**Department:** Driver Education

**Amount:** \$22,497.00 per car, times 4 cars – Total \$89,988.00

**Budget:** Driver Education

**Justification:** To replace obsolete cars, 4 new cars for our high schools will be rotated into the driver's education inventory. The \$89,988.00 will be covered from \$97,384.00 allocated from the State Driver's Education budget for Weber School District.

**Obsolete Cars:** One obsolete car was purchased from the WSD CTE department; another is being placed at Two Rivers High School to start a Driver Education program; two obsolete cars will be sold through Public Surplus.

**Recommendation:** Young Hyundai won the purchasing bid.
