### Background:

I would like to request permission for Kristin Reidy, Mark Goligoski, Joshua Bayne, Caitlyn Kauffman, Zachary Singer, Kristina Brewer, Jenna Bissonette, and myself to travel to Chicago, Illinois to attend the Marzano Mastery Approaches Institute on July 8-10, 2026, with travel to begin on July 7, 2026.

Aligned with our District's current efforts in High Reliability Schools (HRS), attendance at the Mastery Approaches Institute will provide District and school leaders with information on the systems, supports, and resources we will need to put in place to ensure all of our schools have the ability to move beyond HRS Level 3 when they are ready to do so. As a system, we need to learn more about standards-based grading at the secondary level, as well as competency-based education in K-12.

This team would meet regularly throughout the 2026-2027 school year to build our school system's capacity to support those schools who pursue Level 4 and Level 5 HRS certification. While our system has shifted to support HRS Level 3 Certification (and sustaining Levels 1 and 2), we also need it to support Level 4 and Level 5.

The estimated costs related to attending the Marzano Mastery Approaches Institute are listed below:

Expense	Cost	Funding Source

Hotel	\$4,800	M&O
