Hours of Operation: M-F 8:30-4:30

What is the mission of the non-profit/community organization?

To enable all young people, especially those who need us the most, to reach their full potential as productive, caring, responsible citizens.

What service(s) does the non-profit/community organization provide?

Baseball  
Softball  
Soccer

Please describe the volunteer activities students will participate in at the non-profit/community organization and how those activities may connect to curriculum learning goals. (See the Act 648 Implementation Guide.)

Working in concession stand, gate worker, field prep, and umpires.

What are the procedures and policies in place to ensure the safety of student volunteers?

All standard safety procedures are followed as well as they will be under direct adult supervision.

List any special considerations of the non-profit/community organization.

We would love to work with your school program to help the youth that want to volunteer.

Local School Board approval of site as a district partner

Date of meeting at which site was approved

Additional Notes (DESE)

District: Camden Fairview (Ouachita)

Partner Site	Concern	Responses From District
Ouachita County Recreational Center	- Can you provide more information on what service the students will be providing and how it ties back to classroom learning?	<b>As per email 6/1/20:</b> Students will work in the concession stand, at the gate to the soccer/baseball fields, as umpires, and assisting with basic field prep and maintenance. This will allow students to apply classroom learning on interpersonal relationships, informal speaking, and math skills.
