

LINCOLNWOOD SCHOOL DISTRICT 74 \ SECTION 4 - Operational Services \

Document Status: Draft Update

Operational Services

4:70 Resource Conservation

The School District will conserve energy resources by:

1. Periodic review of procurement procedures and specifications to ensure that purchased products and supplies are reusable, durable, or made from recycled materials, if economically and practically feasible.
2. Purchasing recycled paper and paper products in amounts that will, at a minimum, meet the specifications in the School Code, if economically and practically feasible.
3. Periodic review of procedures on the reduction of solid waste generated by academic, administrative, and other institutional functions. These procedures shall: (a) require recycling the District's waste stream, including landscape waste, computer paper, and white office paper, if economically and practically feasible; (b) include investigation of the feasibility of potential markets for other recyclable materials that are present in the District's waste stream.
4. Adherence to energy conservation measures.
