As of 12/11/2012

High School Boys

Ozona Basketball got a late start this year (Which is a great thing). However, due to the late start, we are learning on the run. There are 38 kids out for basketball this year, and every one of them are working their tails off.

Due to the late start, we opened up with the # 5 team in the state Water Valley in the Irion County Tournament on 3 days practice. The varsity came out of the Irion County Tournament with a 1-2 record and the JV were the runners up in their division. The next weekend we hosted the 82nd Annual Ozona Lions Tournament where the Varsity team lost in the championship game 52-46 to Harper. Currently, the varsity record is 5-4 with wins over Grape Creek, Crane, and Rocksprings. JV record sits at 4-6 and beat a varsity Comstock team in the tournament. The JV purple team competed in the Sonora JV tournament and placed 3rd. We have one more game Friday at home against Rankin, and then open up District play with Eldorado at home on Tuesday, and in Winters on Friday.
