DISCUSSION ITEM: Authorization for District President to Negotiate and Execute Contracts for Architects and Construction Managers-at-Risk for the Wylie Campus and the Technical Training Center

DISCUSSION: In order for Wylie Campus and the Technical Training Center to remain on schedule, it is recommended that the District President be approved to Negotiate and Execute the AIA contracts previously presented with the recommended Architect and Construction Managers. This discussion will review the overall program schedule, the fees expected, and the contract forms used.

A flash drive will be provided to the Board of Trustees with information on the selection of Architects, Construction Managers-at-Risk, and the AIA Contracts.
