OFFICIAL COMMUNICATION

Date: August 20th, 2019
To: Board of Trustees
From: Brian Howie
Subject: 4th-12th Grade Archery Club

During this 2019-2020 school year, Palestine ISD would like to partner with N.A.S.P. (The National Archery in the Schools Program). The program will be available for students in grades 4-12. NASP is both a co-curricular activity for outdoor recreation and physical education as well as a competitive opportunity for Archery Club participating students. Students will have the opportunity to compete at local tournaments as well as State and National qualifying tournaments. This is a great opportunity for our district to get more students involved in school programs and will potentially spark interest with some students to pursue their archery endeavors beyond the NASP program into other archery organizations leading to a lifelong love of the sport. Thank you very much for your consideration of this program.

Sincerely,

Brian Howie
