College & Career Prep 6

College and Career Prep 6 is a course designed to support students' futures. Students will learn strategies to support rigorous academic preparedness such as focused note-taking, and the writing process. Also, they'll enhance opportunity knowledge by engaging in a career unit.

- Career Research Unit - Personal Strength and Interest Survey
- Respectful Debate
- Research Paper
- Costa's Levels of Thinking

College & Career Prep 7

College and Career Prep 7 is a course designed to support students' futures. They'll enhance opportunity knowledge by engaging in a unit to research educational options after high school. They'll learn strategies to engage in rigorous courses like note-taking and test taking strategies. Students will enhance their research and writing skills through writing a biography.

- Study Skills Unit
- Note-taking & Test taking
- Post High School Research Project
- Service Learning Unit
- Writing a Biography

College & Career Prep 8

College and Career Prep 8 is a course designed to support students' futures. They'll enhance opportunity knowledge by engaging in a career and high school unit and increase financial literacy during the personal finance unit. The descriptive writing unit will develop rigorous academic preparedness for all students.

- Personal Finance - Personal Budget & Tax Overview
- Career Unit
- College/Tech School Research
- High school unit – 4-year plans
