To Our Community Partners,

Thank you for your generous donations to our Family Resource Program. We appreciate your thoughtfulness and support. With your help we are able to serve our students and their families in many different ways. Our weekend food program serves approximately 75 students between the Middle and High School. We also supply clothes, coats, shoes, snacks, hygiene products, backpacks, socks, school supplies, and undergarments to any student in short supply of these items. Our needs are great but your compassion and willingness to help is greater. We are very fortunate to have community members like you who know that for every student to be successful their basic needs must be met first. Your donations will help us expand our ability to meet these needs.

Sincerely,

Jen Hopkins,
Family Resource Coordinator
Neah-Kah-Nie Middle & High Schools
