Re: Consideration of Vacant Lots on Eagle Street

We have received an offer to purchase three lots on Eagle road owned by the District. The properties are located on Newburgh Road just south of the Livonia Career Technical Center (LCTC). This property was originally intended to be used by LCTC in the home construction program. We do not anticipate a need for these properties in the future and we would like to consider a public bid process to sell the lots. In addition to generating revenue for the capital projects fund, this would also provide an opportunity for additional new homes in Livonia and eliminate any ongoing maintenance costs for the district.

We would like to discuss the vacant lots on Eagle Street at the Building and Site Committee meeting on Monday, October 7, 2013. As always, please let me know if there are any questions.
