Subject: CLASS – K-8 MAISA Units for Reading and Writing

The first episode of this year's CLASS program is ready to present to our Board of Education. Each CLASS program is developed jointly between the Academic Services Department and Ken McMullen in the Communications Department. This episode will showcase the MAISA (Michigan Association of Intermediate School Administrators) units for teaching reading and writing which provides the literacy curriculum that is used in our elementary and middle schools.

Please consider adding this item to the Instruction portion of the December 15, Board of Education Meeting. Thank you for considering this request.
