MEMORANDUM

TO: Board of Education, John Corbett, Ed.D.
FROM: Steve Wilt, CSBO
DATE: March 14, 2022
RE: Recommendation- Sealcoating Bid

The Bid Opening for the District Sealcoating Project was today, March 14, 2022. Four companies submitted bids, and the low bidder was Patriot Pavement Maintenance of Des Plaines, IL. Their bid was \$48,505. After checking references of their work for other school districts, I believe they are a responsible bidder and will be recommending the Board accept their bid for this work.
