*Writing success stories, one student at a time.*

Regular Board Meeting

July 21, 2025

AGENDA SECTION: Action Agenda Item

SUBJECT: Approval of Data Sharing Agreements with Economic Mobility Systems (EMS) and Education is Freedom (EIF) for College, Career, and Military Readiness Services (CCMR)

BOARD POLICY: FL (Legal)

STRATEGIC GOAL(S): Goal #1- Focus on Student Success

FISCAL NOTE: None

PREPARED/PRESENTED BY: Dr. Sam Nix, Chief Academic Officer

## **Background Information**

According to FL (Legal), officials of educational agencies or institutions of post-secondary education in which the student seeks or intends to enroll may have access to student educational records as long as the entity meets the district requirements as outlined in FL Local.

To support Duncanville ISD's strategic goal of improving College, Career, and Military Readiness (CCMR) outcomes, and to help maximize Outcomes-Based Funding (OBF), the District proposes entering into data sharing agreements with Economic Mobility Systems (EMS) and Education is Freedom (EIF).

Education is Freedom (EIF) will require limited access to student data from Duncanville High School to assist the District in implementing targeted college and career access programs. In return, EIF will provide direct support to ensure effective execution of those initiatives.

Economic Mobility Systems (EMS) has developed College and Career Solutions, a platform designed to help districts like Duncanville ISD better support and empower students, equip educators for effective case management, monitor college and career readiness progress, and refine academic programs to boost the number of students earning advanced credentials and achieving living-wage employment.

Both proposed agreements include comprehensive provisions related to confidentiality, termination, and legal compliance.

## **Recommendation**

The District recommends approval of the proposed data agreements with Economic Mobility Systems and Education is Freedom.

## **Communication Deployment**

Board Meeting Minutes

## **Suggested Motion**

The Board moves to approve the data sharing agreements with Economic Mobility Systems and Education is Freedom for College, Career, and Military Readiness services.
