Tax Levy 2018 Re:

Date: December 10, 2018

Background:

Adopting a levy on an annual basis is one of the major functions of the Board of Education. Revenues from local property taxes generate approximately 89% of all revenues for this school district, which is done through the levy process. On October 22, 2018, the tentative levy was presented to the Board of Education, as required by law at least 20 days prior to its adoption. Finally, the levy needs to be filed with the County Clerk's Office on or before the last Tuesday in December.

Situation:

On December 6, 2018, a notice was published in the Daily Herald announcing a public hearing to be held at the District Office on December 17, 2018 for the purposes of adopting the 2018 tax levy. Levy amounts were determined based on projected expenditures for the 2019-2020 Budget. Revenues from the 2018 levy will be received in June and September, impacting two budget years. The district's levy request reflects an increase of 3.31%. When the County Clerk sends the final tax levy notice in May 2019, the budget for Fiscal Year 2020 may be adjusted accordingly prior to approval in September 2019.

For your convenience I have attached the four legal documents that will need to be signed by the Board of Education's President and Secretary; 1.) Resolution Approving the Tax Levy, 2.) Certificate of Tax Levy (ISBE 50-02), 3.) Certificate Regarding Inapplicability of the Truth in Taxation Law 4.) The Secretary's Certificate for Approving the Resolution of Tax Levy.

Recommendation:

That the Board of Education of Bloomingdale School District 13, DuPage County, Illinois, approve levies on the equalized assessed valuation of the taxable property of said school district for the year 2018 as described in the Resolution Approving 2018 Tax Levy as presented.
