RECITALS

WHEREAS, Nevada Revised Statute 392.010 authorizes a school district to admit pupils living in an adjoining school district within this State, upon agreement of the parties approved by the Superintendent of Public Instruction; and

WHEREAS, the Adjoining District and NCSD are public agencies empowered to contract with another public agency for the performance of any governmental service, activity, or undertaking, which these public agencies are authorized by law to perform. See NRS 277.180; and

WHEREAS, NCSD is able to provide educational facilities and services to pupils residing in the Adjoining District, as set forth in the Pupil's Individualized Educational Programs ("IEP"); and

WHEREAS, a signed variance form has already been approved by both districts; and

WHEREAS, NCSD represents that it is duly qualified and able to render the services specified hereinafter; and

WHEREAS, the Adjoining District and NCSD desire to enter into this Agreement pursuant to the terms and conditions set forth herein,

NOW THEREFORE, for good and valuable consideration as specified herein, the Adjoining District and NCSD mutually agree as follows:

1. SERVICES PROVIDED:

- a.) Regular Education Students: The NCSD shall provide its usual educational facilities and services, except transportation, to pupils residing in the Adjoining District, for whom it is more practical to attend school in Nye County, Nevada, than to attend school in their school district of residence.
- b.) Special Education Students: The Parties agree that, for the 2026-2027 school year the Adjoining District and NCSD shall provide regular and special education and related services for pupils on a variance from the Adjoining District to NCSD in compliance with the Pupil's IEP as defined by NRS 388.440, et seq., and the Individuals with Disabilities Education Act, 20 U.S.C. §1400, et seq. ("IDEA"), as specifically set forth in this Agreement.

- c.) This Agreement addresses situations when pupils residing in the Adjoining District voluntarily seek and are granted a variance to attend schools in NCSD. Nothing in this agreement precludes the development of a separate agreement in the event that the Adjoining District seeks to place a special education student in NCSD.

2. ADDITIONAL PROVISIONS FOR SPECIAL EDUCATION STUDENTS:

- a.) NCSD will be responsible for completing academic assessment. The Adjoining District will be responsible for completing any other necessary evaluation activities, besides academic assessment, and convening the Pupil's IEP team at the Program in accordance with IDEA, together with appropriate participation from NCSD staff.
- b.) NCSD will be responsible for implementing all provisions contained in the Pupil's IEP, including but not limited to implementing provisions for special education services, supplementary aids and services, related services, and secondary transition services.
- c.) NCSD will be responsible for the costs of any basic related services provided in the Pupil's IEP, excluding transportation.
- d.) The Adjoining District will be responsible for the costs of extraordinary supplementary aids and services, including assistive technology, nursing services, and other extraordinary aids and services that result in additional costs for the NCSD beyond costs to employ general and special education teachers and staff.
- e.) NCSD shall provide necessary special education teacher, general education teacher and any other related service provider participation in any of the Pupil's IEP meetings held at the Program during the term of this Agreement.
- f.) NCSD shall report on each Pupil's progress toward meeting annual goals to parents/guardians according to the method and frequency set forth in each Pupil's IEP.
- g.) The Adjoining District shall be solely responsible for any other aspects, requirements, and/or obligations associated with the Pupil's IEP not specifically addressed herein.
- h.) The Adjoining District shall be responsible to provide a Free Appropriate Public Education ("FAPE") to the Pupil, as that term is defined by the IDEA, and NRS 388.44, et seq. However, based on the Pupil's enrollment in NCSD's facilities as set forth in this Agreement, NCSD shall serve as the Pupil's Case Manager during the Pupil's enrollment and participation in the services described herein, with the Adjoining District acting as the Co-Case Manager. Accordingly, both the Adjoining District and NCSD may access any and all student education records necessary in performing its duties under this Agreement.
- i.) The books, records, documents, and accounting procedures and practices of NCSD relevant to this Agreement shall be subject to inspection, examination, and audit by the State of Nevada, the NDOE, the Attorney General of the State of Nevada, or the Nevada

Legislative Auditor or a duly designated agent or representative, and the Adjoining District.

- j.) NCSD agrees to indemnify, defend, save, and hold the Adjoining District, its agents, and employees harmless from any and all claims, causes of action, or liability arising from the negligence, breach of duty, or wrongful misconduct in the performance of this Agreement by NCSD or the agents or employees of NCSD.
- k.) The Adjoining District agrees to indemnify, defend, save, and hold NCSD, its agents, and employees harmless from any and all claims, causes of action, or liability arising from the negligence, breach of duty, or wrongful misconduct in the performance of this Agreement by the Adjoining District or the agents or employees of the Adjoining District.
- l.) The Adjoining District agrees to indemnify, defend, save, and hold NCSD, its agents and employees harmless from any and all state or federal complaints filed on behalf of a pupil attending NCSD pursuant to a variance from the Adjoining District naming NCSD when such complaints allege violations of laws for which the Adjoining District remains responsible under paragraph 2 and which concern matters arising outside the performance of the Agreement. Such complaints include but are not limited to state complaints or due process complaints filed pursuant to NRS Chapter 388 and NAC Chapter 388, the Americans with Disabilities Act, and Section 504 of the Rehabilitation Act.
- m.) The terms of this Agreement shall commence upon the first day of school, unless modified through mutual agreement, and operate under an Evergreen Clause. This agreement is subject to annual review and approval.

3. MISCELLANEOUS:

- a.) This Agreement may be terminated by either party, with or without cause, upon providing the other party thirty (30) days' written notice.
 - b.) If a parent, legal guardian, and/or student attending NCSD pursuant to a variance from the Adjoining District violates any of the NCSD policies, regulations, or procedures, NCSD may terminate this Agreement within ten (10) days' written notice to the Adjoining District.
- 4. The Parties agree that NCSD, in performing the services herein specified, shall be an independent contractor and not an officer, agent, or employee of the Adjoining District.
 - 5. NCSD shall not assign, transfer, or delegate any rights, obligations or duties under this Agreement without the prior written consent of the Adjoining District.
 - 6. This instrument constitutes the entire Agreement between the Parties and may be modified only by a written amendment properly executed by the Parties.

7. COMPENSATION AND PAYMENT:

- a.) NCSD will enroll the Adjoining District students who attend school in NCSD pursuant to a variance.
- b.) NCSD will be entitled to the PCFP allocation for those enrolled students in accordance with any provisions concerning such enrollment and allocation governed by the Nevada Department of Education.
- c.) NCSD will submit an itemized invoice to the Adjoining District for costs of providing extraordinary supplementary aids, and services, and ESY services to pupils with IEPs. Payment is due within thirty (30) days of receipt of an invoice from NCSD.

8. BILLING: The NCSD shall notify the Adjoining District upon enrollment of student(s) of the amounts due under this Agreement to provide related services, extraordinary supplementary aids, and services, and/or ESY services to pupils with IEPs. If a Pupil's IEP is subsequently revised and the amounts due change as a result, NCSD will notify the Adjoining District of any changes to amount due.

9. TRANSPORTATION: The NCSD does not assume any responsibility or expense for the transportation of students to and from school as a result of granting an out of district variance.

10. TERM: This Agreement shall be for a period of one year commencing on July 1, 2026, and ending on June 30, 2027. This Agreement may be renewed on an annual basis.

11. DEFAULT: In the event either party breaches any provision of this Agreement, the other party may terminate this Agreement upon thirty (30) days' notice.

12. INDEMNIFICATION: The Adjoining District will defend, indemnify and hold harmless the NCSD from and against any and all liabilities, damages, costs, expenses (including any and all attorney's fees), causes of action, suits, claims, demands or judgments of any nature whatsoever arising from (1) any negligence on the part of the Adjoining District or any of its agents, contractors, servants, employees, licensees or invitees and (2) any violations of this Agreement by the Adjoining District.

ADOPTION OF AGENDA:

A request was made for agenda item 10 to be tabled for November’s Board Meeting.

GENERAL PUBLIC INPUT:

No public comment.

CONSENT AGENDA:

- Approve, disapprove, amend, or modify the August 20, 2026, minutes
- Approve, disapprove, amend, or modify the FY27 CSR report
- Informational - Second Reading NCSD Policy: 7031 - Assignment of Students To School and 3670 - Procurement Code Of Conduct

Mrs. Campos requested a correction to the August 20th draft minutes on the action item for agenda item 16, to reflect the correct motion. Mr. White made a motion to approve the Consent Agenda with the correction. Mr. Small seconded, and the motion passed with a vote of all in favor, 6-0.

ADMINISTRATOR REPORTS:

Holly Riggs, Principal of Gabbs Schools, presented the school spotlight for the 2026–2027 school year, focusing on demographics, enrollment structural shifts, and future learning initiatives. Discussion ensued.

The Rosemary Clarke Middle School team Zachary Butt, Assistant Principal, Judy Bloom, Assistant Principal, and Tiffany James, Dean of Students presented their school spotlight, highlighting the Spring 2027 academic growth trajectory, focusing on increasing Nevada SBAC ELA and Math proficiency through standardized weekly PLCs, Marzano instructional coaching, and daily 39-minute "WIN" Time targeted interventions. Discussion ensued.

Mrs. Wright presented a draft letter to State Superintendent Dr. Victor W. Wakefield requesting state support for out-of-field licenses in rural areas.

Mrs. Lopez-Angelo presented an update on class sizes and districtwide combination classrooms. It was noted that paraprofessionals are actively assigned to support these classrooms across the district. Discussion ensued.

Mr. Ritchie presented financial updates to the Board. Noting that under Governmental Accounting Standards Board (GASB) rules, July bus deliveries require a December budget transfer from Debt Service to Capital Projects for audit accuracy. Mr. Ritchie reported a mandatory \$43,211.28 state payback due to Q3–Q4 enrollment declines; he also identified three new warrant vendors (Laboratory NV LLC, Blue Line AC and Plumbing, and Certified Labs).

For Fiscal Year 2025–2026, required transfers of over \$1.4M to Special Education and \$19k to At-Risk programs, alongside \$1.7M to the general fund, brought the projected ending fund balance to \$5.5M. The district opened the current fiscal year with an August fund balance of \$7.7M. In addressing NRS 391.172, Mr. Ritchie noted that no employee raises are planned for 2026–2027 pending upcoming legislative decisions. He also reviewed northern travel expenditures and clarified that SB 500 funds will be tracked independently rather than on consolidated cover sheets. Finally, enrollment figures will lock on October 1, with elementary enrollment drops prompting Board discussion regarding class sizes and state revenue impacts. Discussion ensued.

Mrs. Wright also reported that six individuals remain on the NCCTA recall list, including social workers without options and four teachers who declined out-of-area or certification roles. There are 13 NCCTA rural vacancies, primarily in Round Mountain and Tonopah, along with five active PERS critical-needs positions. Three support staff members remain on recall—two campus monitors and one health aide—all of whom are currently serving as substitutes. Classified staffing has 45 open positions, comprising 18 union and 27 non-represented positions. She also shared personnel changes since the start of last school year, reporting 50 resignations or retirements and 11 new hires among licensed staff, with a priority on internal paraprofessional promotions. Unlicensed staff saw 37 resignations or retirements and 9 new hires, mostly within food service, while transportation bus aides are fully staffed with a large substitute pool.

Mr. Cardinal provided an update on ongoing maintenance projects, reporting that roof fine-tuning is expected to wrap up within two weeks, while five new cooler units have been installed, with minor operational adjustments currently being addressed at Beatty and Tonopah.

Preparations are also underway for the sports complex demolition, and the bid package for the Round Mountain HVAC replacement project remains on schedule for approval in December.

SUPERINTENDENT'S REPORT:

Dr. Gent reported on recent proceedings with the Nevada State Board of Health, where district representatives successfully opposed a proposed tuberculosis testing mandate that would have imposed additional administrative and financial burdens. Highlighted strong collaborative advocacy among rural superintendents, as well as impactful public testimony delivered from Clark and Nye counties.

Dr. Gent also read a general statement outlining district investigation protocols. The report addressed statutory privacy requirements protecting student and employee records, ongoing coordination with the Sheriff's Office and District Attorney, and the strategic implementation of AI tools to facilitate rapid public messaging to counteract social media speculation. Discussion ensued.

BOARD REPORTS:

Mr. Small reported that Pahrump will host its first Nevada Association of School Boards (NASB) Joint Board meeting in April 2027, accompanied by a professional development training day. He noted that on August 31, he participated in a Zoom meeting with the State Superintendent regarding the Nevada District Performance Framework (NDPF) Report Card for the 2025–2026 school year. Additionally, on August 26, he attended the Health Committee meeting for the new school year.

Mr. White also reported attending the Zoom meeting hosted by the State Superintendent regarding the Nevada District Performance Framework (NDPF). Additionally, he attended an in-service training session on learning styles led by Dr. Cash at RCMS.

Mr. Harris reported that he attended a Nevada Association of School Boards (NASB) training session in Lovelock, marking the completion of his milestone to visit every high school community across Nevada. During his travels, he visited Round Mountain Public Library, noting his positive impression of their ongoing Accelerated Reader program. Additionally, Mr. Harris also attended the professional development session on learning styles led by Dr. Cash at RCMS. Lastly, serving as President of the local Kiwanis Club and advisor to the Pahrump Valley High School Key Club, he is at PVHS every Monday. He reported that the Key Club is running the concession stands for volleyball games this season, introducing new menu items and successfully generating funds to support high school athletics.

Mrs. Fischer suggested that, given the recent change in board meeting locations and the schedule of upcoming school site visits, board members may plan to take photographs with students and staff during the visit for school spotlight presentations.

ENGLISH LANGUAGE LEARNER PLAN:

Mr. Lamb presented the district's English Learner Plan to eliminate language barriers under NRS 388.407 and NAC 388.525–388.555, governed collaboratively by district leadership, Assistant Superintendent Genoveva Lopez-Angelo, site staff, and parents. Student identification follows a four-step process, utilizing a framework that combines integrated instruction, primary language

support, and paired teacher collaboration to target academic proficiency, English acquisition, and college/career readiness based on research distinguishing social (1–3 years) from academic (5–7 years) language acquisition. While parents may decline direct services, annual proficiency testing remains federally mandated until students meet exit criteria (ELPA 4.5+, or 4.0–4.4 with proficient state test scores), followed by four years of mandatory academic tracking. Progress for the district's ~400 EL students (8–9% of the population) is monitored via annual WIDA ACCESS tests and weekly PLC portfolio reviews, with students retaining full access to advanced coursework and Special Education, alongside administrative tracking for Long-Term ELs and EL students with disabilities; multidisciplinary team reviews address performance discrepancies between language proficiency and academic scores by evaluating non-linguistic factors such as attendance, after which board discussion ensued.

Mr. Small made a motion to approve the ELL Plan. Mr. White seconded, and the motion passed with a vote of all in favor, 6-0.

ERIKA'S LIGHTHOUSE UPDATE:

Mrs. Lopez-Angelo presented a four-stage implementation plan for the Erica's Lighthouse curriculum, detailing administrative designations, staff training on depression and suicide awareness, family communication, and targeted program launches for grades 4, 5, 7, 8, 9, and 10 during regular school hours without student clubs. Scheduling requires pre- and post-assessments and pre-break schoolwide lessons while avoiding Fridays and end-of-day slots, with data collection tracking participation, family engagement, resource usage, and assessment results following an initial administrative review prior to September 29. Addressing a trustee inquiry, Ms. Garcia noted that sixth grade was excluded based on a prior administrative survey to prevent lesson repetition—with potential adjustments following data evaluation—and confirmed that staff training can occur during in-service days, morning PLC time, or Thursday professional development sessions. She reported strong staff interest, highlighted opportunities for student council involvement, and noted that while Erica's Lighthouse representatives have not visited in person, they maintain contact with district leaders and will assist with end-of-year data analysis. Discussion ensued.

DISCUSSION AND DELIBERATION ON THE ELECTION AND APPOINTMENT OF TRUSTEES FOR BOARD COMMITTEE ASSIGNMENTS:

President Campos introduced Item 13 regarding board committee appointments. Mr. Small volunteered to serve as the legislative representative, noting that the position aligns naturally with the Nevada Association of School Boards (NASB) Director role. The Board expressed its appreciation to Mr. Small for stepping forward to lead legislative efforts in coordination. Regarding debt management, Mr. Harris volunteered to serve as the primary representative for the Debt Management Committee.

Mr. White made a motion to approve board committee assignments. Mr. Harris seconded, and the motion passed with a vote of all in favor, 6-0.

DISCUSSION/APPROVAL OF THE NCSD WARRANTS:

Mr. Harris commented that the district is managing travel expenses more effectively. Mrs. Campos expressed appreciation for the detailed breakdown, noting that the itemized descriptions

were very helpful. Mr. Small inquired whether the breakdown could be provided on a monthly basis.

Mr. White made a motion to approve the August warrants. Mr. Small seconded, and the motion passed with a vote of all in favor, 6-0.

DISCUSSION REGARDING FUTURE BOARD MEETING TOPICS:

Mr. Small would like a report on NDPF and the Beatty science room.

Mr. Daffer would like a report on block schedules.

DISCUSSION TO APPROVE, DISAPPROVE, AMEND, OR MODIFY THE DATE OR ATTENDANCE AREA OF FUTURE BOARD MEETINGS:

If the budget permits next school year, Mr. Harris would like to resume holding meetings in the outlying communities. Discussion ensued.

GENERAL PUBLIC INPUT:

Two public comments were made.

Dyslexia Screening

53

Action Item for the Nye County School District Board

Nevada Revised Statutes (NRS) Overview

According to NRS:

“Dyslexia” means a neurological learning disability characterized by difficulties with accurate and fluent word recognition and poor spelling and decoding abilities that typically result from a deficit in the phonological component of language.

Nevada Revised Statutes (NRS) Overview

The Nye County School District Board has a statutory obligation to prescribe, or approve, a screener for dyslexia.

55

The screener must be given to any student in K-3 who has indicators of dyslexia AND needs intervention.

Nevada Revised Statutes (NRS) Overview

Any approved screener must include the following 6 components

Phonological and phonemic awareness

Sound-symbol recognition

Alphabet knowledge

Decoding skills

Rapid naming skills (Rapid Automatized Naming or RAN)

Encoding skills.

Current Status & Funding

The screener that was used in the 2025-2026 school year was NWEA Measures of Academic Progress (MAP) Reading Fluency Dyslexia Screener.

57

This screener was included as part of the Read by Grade 3 (RBG3) K-3 state assessment.

Current Status & Funding

Funding is not provided for a dyslexia screening tool.

The screening tool is used to confirm if indicators of dyslexia ⁵⁸are present. This informs instructional practices and supports for early intervention.

It is NOT a diagnosis of dyslexia.

Recommendation for a Screener

i-Ready Assessment Suite

- i-Ready Inform (formerly i-Ready Diagnostic)
- i-Ready Literacy Tasks

59

Combined together creates a screening process to confirm if characteristics of dyslexia are present.

A Year at a Pond

It is spring. The pond is full of life. Grass grows.
Bugs hum and birds sing. Frogs hop. Ducks sit
on the grass. A fox comes out of its home.

It is summer. The pond is busy. The grass is tall.
The water is warm. Frogs lay eggs. Baby ducks
hide in the grass. Mom calls them to the water.

Recommendation for a Screener

Teachers will review the results of the i-Ready Inform (Diagnostic) and Literacy Tasks to identify the risk level (*No Observed Risk*, *Some Risk*, or *At Risk*) using [Dyslexia Risk Screener Risk Classification Profiles](#).

Note: This is not a diagnosis, but a risk indicator.

Next Steps & Action Item

We recommend administering the dyslexia screener in the Spring. Rationale:

- Time
 - Training for teachers & Instructional Coaches
 - Tier 1 instruction
- Reduce risk factors & need for screening

Transition teams from administrative meetings to data-driven planning, noting instructional changes.

Protect AGP Growth Engines

Maximize the impact of existing instructional coaches by strengthening weekly data cycles and daily targeted intervention time, keeping AGP rates consistently high.

Systemic WIN & Intervention

Embed dedicated daily intervention blocks across all schools to sustain skill-specific Tier 2 support continuously.

Synthesized Voices: Key Strengths & Opportunities for Growth

Strengths (What's Working)

Core areas driving value and collaboration across grade levels

Cross-Teacher Collaboration

Value in sharing lesson ideas, pacing plans, and resources with grade-level and content peers.

Shared Alignment

Helps keep teams on the same page regarding essential standards and instruction.

Focus on Student Support

Opportunities to discuss student behavior, learning struggles, and data to support struggling learners.

Grows (Areas for Improvement)

Critical friction points and actionable recommendations for refining practices

Excessive Compliance & Forms

Frustration over lengthy paperwork, rigid templates, and heavy documentation requirements.

Loss of Individual Prep / Planning Time

Meeting frequency limits time needed for daily lesson prep, grading, and IEP tasks.

Need for Autonomy & Flexibility

Preference for less micromanagement, flexible scheduling, and site/subject autonomy.

Relevance for Singletons & Specialists

Elective, SpEd, and rural singletons need tailored models over one-size-fits-all formats.

Collective Efficacy Drives Student Achievement

76

When educators collaborate intentionally around data, every student benefits. The three-year trends prove that strong PLCs are moving the needle across Nye County.

Here you could give a brief description of the topic you want to talk about. For example, if you want to talk about Mercury, you could say that it's the closest planet to the Sun and the smallest one in the Solar System

It's only a bit larger than the Moon, and its name has nothing to do with the liquid metal, since it was named after the Roman messenger god, Mercury

Subject: Request for Board Approval of Activity / Outdoor Recreation Credit for Round Mountain High School Youth Trap Team (Nevada AB 501)

Dear Members of the Board of Trustees and Superintendent,

I am writing on behalf of the Round Mountain High School Youth Trap Team to respectfully request formal approval from the Nye County School District Board of Trustees to grant student activity/physical education credit for participating student-athletes, pursuant to Nevada Assembly Bill 501.

As established under Assembly Bill 501, local school district boards of trustees are authorized to grant academic credit to middle, junior, and high school students who participate in approved outdoor recreational and sports activities conducted outside of standard school hours. The Round Mountain High School Youth Trap Team provides high school students with structured, supervised discipline, firearm safety education, physical stamina training, and competitive marksmanship experience all at our local trap shooting range in Carvers, NV. The Round Mountain High School Youth Trap Team is coached and sponsored by the local trap club, Smoky Valley Lead Wasters. The Head Coach is Eric Merritt, who is a Range Safety Officer and the president of the Smoky Valley Lead Wasters. Other Range Safety Officers Tom Harris and Daniel Dobson also attend the youth events.

Program Overview and Schedule

- **Fall Season:** 6 weeks; weekly practice/competition sessions of approximately 2 hours.
- **Spring Season:** 6 weeks; weekly practice/competition sessions of approximately 2 hours.
- **Total Supervised Time:** Approximately 24+ active shooting and instruction hours per academic year, supplemented by mandatory range safety courses, equipment management, and competitive shoots.

Benefits to Students

Trap shooting requires mental focus, bodily discipline, safe habits, and teamwork. Extending activity/outdoor recreational credit under AB 501 will:

1. Recognize the dedication and physical discipline of our student-athletes.
2. Encourage healthy outdoor engagement and lifetime sportsmanship.
3. Help students fulfill graduation activity requirements while participating in a recognized outdoor youth sport.

We are fully prepared to track attendance, maintain logbooks, and submit proof of completion/participation for each student as required by district policy and state guidelines.

Thank you for your consideration of this request and your continued commitment to supporting diverse outdoor activities and educational opportunities for students in Nye County. We welcome the opportunity to discuss this proposal at an upcoming board meeting.

Sincerely,
