This year, the Wayzata Public School Board is considering placing an operating levy question on the ballot in November. Let's discuss a number of options facing the School District....

This November, the School District could ask voters to revoke and renew existing levies due to expire in 2012, 2014, or 2016 and combine them into a single operating levy for ten years, including provisions for inflationary increases.

First, let's consider a request to renew the levy amount expiring after the 2011-2012 school year. This replacement levy would provide \$840.00 per pupil unit, or 9.4 million dollars per year for ten years. If successful, property owners would see no property tax increase as a result of the referendum. This would be a renewal of funding residents have already approved and the District is currently using. If unsuccessful, the School District would be forced to make significant cuts impacting programs, staff, and class sizes.

26. If the election were today, would you support or oppose this operating levy renewal? (WAIT FOR RESPONSE) Do you feel strongly that way?	STRONGLY SUPPORT.....16% SUPPORT.....64% OPPOSE.....8% STRONGLY OPPOSE.....8% DON'T KNOW/REFUSED.....5%
---	---

IF "OPPOSE" OR "STRONGLY OPPOSE," ASK:

27. Could you tell me one or two reasons why you feel that way?

UNSURE, 2%; TOO MUCH MONEY, 6%; NO NEED, 30%; TAXES COULD DECREASE IF NOT RENEWED, 29%; TEN YEARS IS TOO LONG, 10%; POOR DISTRICT SPENDING, 18%; NO CHILDREN IN DISTRICT, 6%.

Now, let's consider a request to renew the levy expiring after the 2011-2012 school year and the revocation and renewal of the levy expiring after the 2013-2014 school year. This replacement levy would provide \$980.00 per pupil unit, or 11.0 million dollars per year for ten years. If successful, property owners would see no property tax increase as a result of the referendum. This would be a renewal of funding residents have already approved and the District is currently using.

28. If the election were today, would you support or oppose this operating levy renewal? (WAIT FOR RESPONSE) Do you feel strongly that way?	STRONGLY SUPPORT.....14%
	SUPPORT.....62%
	OPPOSE.....9%
	STRONGLY OPPOSE.....8%

IF "OPPOSE" OR "STRONGLY OPPOSE," ASK:

29. Could you tell me one or two reasons why you feel that way?

UNSURE, 2%; TOO MUCH MONEY, 6%; NO NEED, 34%; TAXES COULD DECREASE IF NOT RENEWED, 20%; TEN YEARS IS TOO LONG, 15%; POOR DISTRICT SPENDING, 19%; NO CHILDREN IN DISTRICT, 5%.

Now, let's consider a request to renew the levy expiring after the 2011-2012 school year and the revocation and renewal of the levies expiring after the 2013-2014 and 2015-2016 school years. This replacement levy would provide about \$1,610.00 per pupil unit, or 18 million dollars per year for ten years. This would be a renewal of funding residents have already approved and the District is currently using.

If successful, property owners would see no or a minimal property tax increase as a result of the referendum. The School District would then have a stable revenue base for planning and focusing on key directions during the next ten years.

30. If the election were today, would you support or oppose this operating levy renewal? (WAIT FOR RESPONSE) Do you feel strongly that way?

31. Could you tell me one or two reasons why you feel that way?

UNSURE, 2%; TOO MUCH MONEY, 23%; NO NEED, 19%; TAXES COULD DECREASE IF NOT RENEWED, 33%; TEN YEARS IS TOO LONG, 7%; POOR DISTRICT SPENDING, 13%; NO CHILDREN IN DISTRICT, 2%.

Currently, the amount the Wayzata School District may raise through operating levies is "capped." That means the School District may not seek further new revenue from residents and can only raise funds to offset increases in inflation. Each year the State Legislature sets that amount.

32. Prior to this survey, were you aware the Wayzata School District was "capped?"

AWARE.....	53%
UNAWARE.....	46%
DON'T KNOW/REFUSED....	1%

There has been discussion in the State Legislature this session to lift the cap and allow districts to raise more funds through local referendums. If the Wayzata Public Schools could raise new funds, they would be used to provide financial stability and avoid future budget reductions.

33. How much would you be willing to pay in additional property taxes in order to fund this operating levy proposal? [SELECT RANDOM STARTING POINT; MOVE UP OR DOWN DEPENDING ON ANSWER] How about _____? [REPEAT]

NOTHING.....	33%
\$10 A MONTH.....	17%
\$20 A MONTH.....	16%
\$30 A MONTH.....	5%
\$40 A MONTH.....	1%
\$50 A MONTH.....	1%
\$60 A MONTH.....	1%
DON'T KNOW/REFUSED....	27%

Suppose the State Legislature lifts the cap and allow districts to raise more funds through local referendums and the Wayzata School District proposed an operating levy that would provide \$100.00 per pupil unit, or 1.1 million dollars per year for ten years. These funds would be used to stabilize the district's budget due to decreased state funding and to avoid future budget reductions.

If successful, the owner of a \$200,000 home would see a monthly property tax increase of about \$1.65 per month, or about \$20.00 per year, while the owner of a \$400,000 home would have a monthly increase of about \$3.30 per month, or about \$40.00 per year.

34. If the election were today, would you support or oppose this operating levy? (WAIT FOR RESPONSE) Do you feel strongly that way?
- | | |
|-------------------------|-----|
| STRONGLY SUPPORT..... | 8% |
| SUPPORT..... | 53% |
| OPPOSE..... | 19% |
| STRONGLY OPPOSE..... | 14% |
| DON'T KNOW/REFUSED..... | 7% |

Now, suppose the Wayzata School District proposed an operating levy that would provide \$300.00 per pupil unit, or 3.2 million dollars per year for ten years. These funds would be used to stabilize the district's budget due to decreased state funding, to avoid future budget reductions and potential new or enhanced programs.

If successful, the owner of a \$200,000 home would see a monthly property tax increase of about \$5.00, or about \$60.00 per year, while the owner of a \$400,000 home would have a monthly increase of about \$10.00, or about \$120.00 per year.

35. If the election were today, would you support or oppose this operating levy? (WAIT FOR RESPONSE) Do you feel strongly that way?

Moving on....

36. How important do you think the ability to use computers and other technology effectively and efficiently is for today's students -- absolutely essential, very important, somewhat important, not too important, or not at all important?
- | | |
|-------------------------|-----|
| ABSOLUTELY ESSENTIAL.. | 46% |
| VERY IMPORTANT..... | 42% |
| SOMEWHAT IMPORTANT.... | 12% |
| NOT TOO IMPORTANT..... | 1% |
| NOT AT ALL IMPORTANT... | 0% |
| DON'T KNOW/REFUSED..... | 1% |

37. From what you have heard or seen, how would you rate the technology opportunities available for students in the Wayzata Public Schools -- excellent, good, only fair, or poor?
- | | |
|------------------------|-----|
| EXCELLENT..... | 17% |
| GOOD..... | 58% |
| ONLY FAIR..... | 2% |
| POOR..... | 0% |
| DON'T KNOW/REFUSED.... | 24% |

The School District currently has a technology levy that provides about 4.5 million dollars per year for technology implementation and support. The levy will expire after the 2015-2016 school year. When the district conducts the election to renew the operating levy, it could also ask to revoke the current technology levy and renew it for another ten years. This levy would be renewed at its current tax rate so there would be no increase in local property taxes.

38. If the election were today, would you support or oppose a renewal of the current technology levies requiring no property tax increase? (WAIT FOR RESPONSE) Do you feel strongly that way?
- | | |
|------------------------|-----|
| STRONGLY SUPPORT..... | 21% |
| SUPPORT..... | 54% |
| OPPOSE..... | 10% |

IF A POSITION IS GIVEN (#1-#4), ASK:

39. Could you tell me one or two reasons for your decision?

UNSURE, 1%; NEEDED, 16%; EDUCATION IS IMPORTANT, 4%; TECHNOLOGY IS ESSENTIAL, 45%; NO COST, 14%; NO NEED, 7%; TAXES COULD DECREASE IF NOT RENEWED, 10%; POOR DISTRICT SPENDING, 4%.

Suppose the Wayzata Public Schools placed two proposals on the ballot: revoking and renewing existing operating levies for an additional ten years and revoking and renewing the existing technology levy for an additional ten years.

40. Suppose the election were today, which of the following best describes your vote:
- | | |

II. PURPOSE

A. The purpose of this Agreement is to establish a governing organization through which the Members shall, consistent with the mission established by the Joint Powers Board, govern and manage the construction and/or operation of joint use educational facilities, programs and services to benefit learners of the Member Districts and foster voluntary, interdistrict integration among WMEP school districts by providing opportunities for students, families and staff from diverse backgrounds to learn from and with each other.

III. JOINT POWERS BOARD

A. WMEP shall be governed by a Board with each participating Member District appointing one local board representative to serve a one year term. Each participating Member shall have voting privileges. A quorum shall be defined for the purpose of transacting business as a simple majority of members of the Board

B. One WMEP member district superintendent, selected by a majority of member district superintendents, shall serve as a non-voting observer/advisor of the WMEP Joint Powers Board. The Superintendent Observer/Advisor shall serve a one-year term beginning in January of each year.

IV. POWERS AND DUTIES OF BOARD

A. The Board shall have the authority to exercise any power and take any action which any or each of the Members are by law authorized to exercise in implementing the purpose of part II-A. The Board shall have the authority to function as an entity separate and apart from any of the Members and generally to act for the Members in furtherance of their joint interests and intentions here under. The Board, however, may exercise short-term borrowing powers of school districts under Minnesota law only if the exercise of such powers is approved in advance in writing by all Member Districts. The Board shall not have the power to issue bonds.

B. At the Annual meeting, the Board shall elect an Executive Committee, which shall include, but not be limited to, a Chair, Vice-Chair, Secretary and Treasurer. The Executive Committee shall be convened by the Board Chair and conduct the business of the Board between meetings.

C. The Board shall take such action as it deems necessary and proper to accomplish the purposes of WMEP, or any other action necessary and incidental to the implementation of said purpose or action. Any of the stated activities may be accomplished by entering into contracts, leases or agreements with a Member District or others, whenever the Board shall deem such action to be advisable.

D. The Board may solicit and accept gifts, apply for and use grants of money or other property from the state or any other type of organization, and may enter into agreements required in connection therewith, to further the stated purpose of WMEP.

E. The Board shall adopt policies, regulations and an annual budget for the conduct of WMEP, and shall otherwise manage, supervise and control all activities of WMEP commensurate with the Members' legal obligations.

F. Pursuant to Minnesota Statutes section 466.07, and other applicable laws, no Member shall have individual liability for the debts and obligations of the Board. To the extent permitted by law, WMEP shall indemnify, defend, and hold harmless each Trustee and Officer from and against any claim, demand or cause of action to which such Director or Officer may be made a party by reason of being connected with this enterprise. The Board may purchase and maintain insurance therefore.

V. ADDITION/DELETION OF MEMBERS

A. Any Member may withdraw from the WMEP Board and cause representatives to cease to function in such capacity upon written notice given to the chair of the WMEP Board, such notice to be accompanied by a certified copy of an appropriate resolution of the individual Member's School Board, authorizing and directing such withdrawal from the WMEP Board. Any such withdrawal resolution shall be given on or before February 1 of a given school year, and shall be effective on June 30 of the school year immediately following the school year in which the notice was given. Any member district submitting a resolution to withdraw shall maintain full obligations of WMEP membership until the final effective date of the withdrawal. Such withdrawal shall not affect any Member liability for indebtedness of the WMEP Board to that date

B. Other Independent School Districts, not signatory hereto, may become Members of the WMEP Board hereafter upon fulfilling the requirements set forth in the process for new member application, as adopted by the WMEP Joint Powers Board. The Board shall periodically review the membership process and make amendments as necessary by a majority vote.

VI. AMENDMENTS

This Agreement may be amended by an instrument executed by the parties hereto. The proposed amendment shall be recommended by the Executive Committee and notice of the proposed amendment and copies thereof shall be sent to each Member of the WMEP Board not less than thirty (30) days before the proposed effective date of such amendment. The proposed amendment shall not become effective until it has been executed by all Members.

VII. DISSOLUTION

A.. The WMEP Board shall continue in existence until two-thirds of its members vote for dissolution at an Annual meeting or special meeting called for the purpose of considering dissolution. The dissolution shall not become effective until it has been ratified by at least two-thirds of the local boards of all Member Districts.

B. Upon dissolution of the Board, all of its property remaining after payment or reservation for debts and liabilities shall be divided among all school districts which have been Members of the WMEP Board, or among the Members of the WMEP Board at the time of such dissolution, as a majority of the Members may determine at their discretion.

VIII. FINANCE

A. Resident pupils of each Member District who are educated at WMEP's Magnet Schools shall be counted as resident pupils of their Resident District in the calculation of pupil units for all state aid and levy purposes. The Resident District of the pupils attending WMEP's Magnet Schools shall not be deemed to have changed by reason of their attendance at the Magnet Schools.

B. The WMEP Board shall annually establish a tuition rate for students attending WMEP Magnet Schools. Member districts shall transmit to WMEP funds necessary to satisfy the tuition rate.

C. Payments to meet the cash flow needs of the Magnet Schools as identified in this article shall be transmitted by Member School Districts to the WMEP district office according to a schedule established by the WMEP board, commencing on July 1 of each fiscal year.

D. The fiscal year of WMEP shall be from July 1 though June 30.

E. It is the expectation of Member School Districts that the WMEP Magnet Schools' operational costs will be financed by a variety of resources, including but not limited to, tuition payments, integration funds, and state and federal grants . The Board shall not have the power to assess a Member School District without the written agreement of the Member School District.

IX. TRANSPORTATION

A. Each Member District shall be responsible for providing necessary transportation of its resident students to WMEP Magnet Schools.

B. The parties to this Agreement may agree among themselves to a cooperative transportation system, and may agree to a system of cost sharing. Such agreements shall be memorialized in writing, signed by the affected Member Districts.

IN WITNESS WHEREOF, the parties have caused this instrument to be executed on the date appearing herein below.

Re: Preliminary Health Insurance Rates

The District 284 Insurance Committee met on Tuesday, April 14, 2009 to finalize their recommendation to the Board. At the May 11th Board meeting, it will be recommended to increase the premium rates by 4.5%. While our 2008-09 claims/member/month have been running at a very low percent, the committee is recommending the increase for the purpose of building our reserves. Having a positive reserve balance will assist us with future years.

We would like to thank the Insurance Committee members. Their recommendations reflect thoughtful consideration.
