Resolution to Approve
Property Purchase

RESOLUTION TO APPROVE PROPERTY PURCHASE TO INCREASE THE DISTRICT'S CAPACITY FOR PROJECTED RESIDENT ENROLLMENT GROWTH AND DIRECT THE SUPERINTENDENT TO SUBMIT A REVIEW AND COMMENT TO THE COMMISSIONER OF THE MINNESOTA DEPARTMENT OF EDUCATION FOR APPROVAL.

In accordance with M.S. 123B.71 Subd. 8, Wayzata Public Schools, Independent School District 284, must prepare and submit a Review and Comment document to the Commissioner of the Department of Education for review and approval of construction projects or facility and land acquisitions exceeding \$1.4 million per site. The request to be submitted is for review and approval of a Land Purchase adjacent to the existing Wayzata High School site. The need for this additional land is a direct response to continued resident enrollment growth trend which is projected to result in need for additional space at the high school for at least 500 additional students by 2020. The acquisition of land adjacent to Wayzata High School will facilitate future high school projects that have been identified through the Comprehensive Facility Condition Assessment Study and address the most critical current and future facility capacity needs of the District.

The purchase cost of up to \$7,400,000 will be funded through divestiture of an existing District land parcel valued at approximately 3,000,000 combined with District general fund resources for the remainder, until which time a reimbursement can be made from other funding sources, including potential voter-approved bond proceeds. Upon approval of the commissioner of education, the District will publish the results of the commissioner's review at least 20 days prior to the execution of purchase agreement or for debt issuance.

The school board commissioned this multi-year study in March 2010 to evaluate and identify a number of factors related to the District's current and long-term facility needs.

Organizational/Regular Meeting – January 14, 2013

AGENDA SECTION: 3. APPROVAL OF AGENDA AND COMMENT AGENDA

ITEM: E. Approval of the 4th Engrossment of WMEP Agreement

COMMENTS BY: Board Chair Droegemueller

The Wayzata School District is a member of the West Metro Education Program (WMEP), a joint powers public school district. WMEP is governed by a Joint Powers Board comprised of a school board representative from each member district. WMEP operates under a Joint Exercise of Powers Agreement. The agreement may be modified upon approval of all the member district boards.

The WMEP Joint Powers Board unanimously recommends to member districts a modification to the agreement. The proposed modification will allow member districts to withdraw from WMEP by providing a minimum of a six (6) month notice, no later than December 30 of any year, to be effective the following June 30. The current withdrawal procedure requires notification by February 1 of any year, to be effective June 30 of the following year, which is a seventeen (17) month notice.

The modification is reflected in Section VA of the attached Fourth Engrossment of the Agreement. Certification of the vote by each member district must be returned to WMEP by March 1, 2013. If the modification is approved by all member district boards, the effective date will be March 14, 2013.

RECOMMENDED ACTION: Approve the Fourth Engrossment of the Joint Exercise of Powers Agreement for the West Metro Education Program (WMEP), Joint Powers School District #6069.

Joint Powers Board Meeting

**Title: Some Considerations of A 6-Month Notice
to Withdraw Membership in WMEP**

Date: December 13, 2012

Background:

Since its formal beginning, WMEP has operated under a Joint Powers Agreement (JPA) that requires notice that a member district is withdrawing its membership in WMEP by February 1st and such withdrawal becomes effective on June 30th of the year after which the notice is provided to WMEP. To date, none of WMEP's eleven member districts have fully exercised this option, however, in accordance with the above Minneapolis Public Schools has provided notice of withdrawal effective June 30, 2013. Minneapolis has stayed that decision contingent upon a change to the Joint Powers Agreement in the length of notice for withdrawal of membership from the current 17 months notice to a minimum of six months notice.

The original intent of providing for a 17-month period from notice of withdrawal from membership in WMEP was (and is) to provide ample and adequate time for all parties to make reasonable arrangements to accommodate the pending changes. Below are selected examples of potential arrangements and accommodations for the identified parties:

1. For WMEP

- Magnet School students, families, and staff
- District budgeting to accommodate possible reductions in revenue
- Its JPB in terms of possible changes to the JPA and By-Laws
- The impact on programs and services that WMEP can provide

2. For the withdrawing member district

- Current WMEP Magnet School students, families and staff
- Future internal staffing changes
- School options and assignments

3. For the remaining WMEP member districts

- Potential changes in Magnet School allocations
- Potential changes in financial requirements for membership
- Reduced access for students to WMEP programs and services

A change from a 17-month time frame to a six-month minimum time frame to consider the implications and to make accommodations based on the withdrawal of a member district from WMEP will truncate the above activities and the results of this shorter timeline are difficult to anticipate with any precision. However, time for careful deliberation, identification of options, and communications with member district stakeholders in both the withdrawing and the remaining WMEP member districts may be challenging at best. That such withdrawal has not ever occurred in the past also means that there is no prior record of the actual implications of such action on the part of a WMEP member district.

While it could perhaps be intuitively argued that seventeen-months is the optimal length of time needed to affect a withdrawal of membership in WMEP by a member district, there is no proof that such is the case either. And, in fact, from a practical perspective it may end up being very unlikely that a withdrawing WMEP member district would wait until the very last minute to provide the JPA mandated minimum notice of withdrawal. In other words, to best evaluate the current request for change from 17 to a minimum 6-months notice of withdrawal from WMEP, one has to estimate the likelihood that a district would be deliberating possible withdrawal of membership from WMEP in an iterative process, out of public view, and come only to its final decision to withdraw on the very last day possible in order to provide the minimum six months notice of withdrawal of WMEP membership.

It seems more likely that a WMEP member district contemplating withdrawal of membership will be very public and transparent about its deliberations in this regard, including at public board meetings where the topic is discussed and where pros and cons of withdrawal are considered. It is also likely that a district considering such action will have its WMEP JPB member bring its district's concerns and interests to the JPB for possible resolution well in advance of any official vote to withdraw its membership in WMEP. Thus, while "official" notice of a district's withdrawal of its membership from WMEP could occur at the very minimum six month in advance notice moment; however, it seems more likely that advance notice that is unofficial will certainly be known well ahead of the final date for notification.

Further, from a practical perspective, districts contemplating withdrawal of membership in WMEP, because of internal district timelines and deadlines for printing, communications, staff assignments, student assignments and other important matters related to the next school year, will likely want and need to make their decision well in advance of the proposed minimum 6-month notice deadline. Therefore, we anticipate that most likely such notice would be given in June at the conclusion of the prior school year and that would provide a 12 month advance notice of withdrawal. If not made at that time, it seems reasonable that at least such a decision would be made in the early fall and if so that would provide a notice of somewhere between 6 and 12 months.

After weighing all of the known factors and anticipating some of the unknown factors that could affect a smooth and constructive withdrawal from membership in WMEP by a member district, we would prefer to maintain the current 17-month advance notice time period for withdrawal from membership in WMEP. However, given the practical aspects of operating public school districts as briefly described above, it seems reasonable to amend the JPA to change the notice of withdrawal time frame from 17-months to a minimum of 6 months. We would hope that a district entertaining such a move would want to and would provide as much advance notice of its withdrawal as possible, both to the service of its own students, families and staff members; and as a show of mutual respect for the remaining WMEP member districts.

A minimum six-month notice of withdrawal allows WMEP's JPB and Administration a full budget planning cycle (from January to June) to make any necessary adjustments to both revenue and expenditures. It would also provide a full staffing cycle that takes place simultaneous with WMEP's annual budget development.

This change in the minimum time period for notice of withdrawal from membership in WMEP can be evaluated as to its fairness and effectiveness should a district decide to withdraw membership in WMEP under the new minimum 6-month notice requirement; and, if that process is not deemed to be satisfactory the members of the JPB can modify the notice deadline sometime in the future.

Administrative Recommendation: Approval

Organizational/Regular Meeting – January 14, 2013

AGENDA SECTION: 4. STUDENT CURRICULUM PRESENTATION

ITEM: A. Sunset Hill Elementary

COMMENTS BY: Dr. Jill Johnson

Tonight we have with us, 5th grade teachers, Mrs. Pat Tietema, Mrs. Lori Finn, and Mrs. Eileen Baker from Sunset Hill Elementary. Joining them is a handful of their students.

Given the district’s new social studies curriculum this year of American History from 1500-1700, including Pre-Columbian contact with native cultures, the 5th grade teachers at Sunset Hill Elementary have chosen to integrate social studies, reading & language arts daily. By creating power standards that incorporate & evaluate all 3 areas, the students maximize their learning environment in the challenge of non-fiction historical text.

Tonight, the Sunset Hill students will be presenting one such project, “The Columbian Exchange”. Students will describe the standards & learning targets covered, explain the assessment rubric, address the essential question, list products through a tree map, and define both the positive & negative effects. Lastly, students will describe the current relevancy of the Columbian Exchange.

AGENDA SECTION: 5. RECOGNITIONS

ITEM: A. Employee of the Month – December 2012

COMMENTS BY: Superintendent Anderson

Oakwood Elementary School is pleased to recommend **Susie Hatch** as the Employee of the Month and has provided the following observations on why she deserves this recognition:

It is our honor and privilege to nominate **Susie Hatch** as the December Employee of the Month.

Susie has been serving Oakwood Elementary School as our Physical Education teacher for the past seventeen years. She has been a teacher for a total of 26 years. Her influence and dedication in making Oakwood Elementary a great place to live and learn has been felt and observed many times over those seventeen years.

Susie's students are her first priority. Her positive and nurturing relationship with her students has made an impression on them and their healthy lifestyles. Staff, parents and students describe Susie as cheerful, dedicated, helpful, and caring and always is providing plenty of TLC and support when needed.

Susie believes in creating a learning atmosphere that emphasizes wellness, physical fitness and social emotional growth. She encourages students to lead physically active lives. Her ongoing message to her students is:

**DEVELOP YOUR MIND,
CHALLENGE YOUR BODY
REMEMBER TO BE KIND, BE SAFE AND PLAY HARD.**

In her free time, Susie enjoys skiing, golf, kayaking, cooking, reading and spending time with family.

Oakwood Elementary School is a healthier and happier school community because of Susie's dedication and hard work. Our students, parent and staff are truly the winning recipients of a diligent, hardworking and conscientious teacher like Susie.

Congratulations, Susie! You are truly deserving of this recognition.

ITEM: B. Employees of the Month – January 2013

COMMENTS BY: Superintendent Anderson

Wayzata High School is pleased to recommend **Mark Ludvigson and Dave Droegemueller** as the Employees of the Month and has provided the following observations on why they deserve this recognition:

These two staff members team teach our 1Y year-long math program for incoming 9th grade students. We started this program 3-1/2 years ago and it is extremely successful for our students. A big part of the success of this program has been the team teaching of a number of individuals. Together, Mark and Dave have been one of those successful teams.

They volunteered to team teach this program from the start and have done a great job of raising students' scores and, better yet, getting students to like math. These two also volunteered a year ago to team teach a section of 2Y math for students. It is amazing to go into the classroom and watch what these two do for our students. You have to remember that these are students who have thought they were failures in math and don't like math to begin with. They make connections with Mark and Dave and math becomes okay and, in most cases, somewhat enjoyable for them.

Both Mark and Dave were hired to teach math in August of 1995. They both coach at Wayzata High School. Mark coaches football and golf. Dave coaches wrestling. They both feed off each other in the classroom and it is a joy to watch them teach. Our students benefit greatly from the team teaching in our math program by these two.

Congratulations to Mark and Dave on a job well done!

ITEM: E. Wayzata Hockey Association

COMMENTS BY: Superintendent Anderson

Wayzata Youth Hockey approached District staff with a desire to improve one of the locker rooms in the ice arena. This locker room has been used in the past for high school varsity teams. Over the past summer concrete was removed, new flooring installed, and all new lockers designed for hockey equipment were installed. Greg Gibson, the President of the Wayzata Hockey Association is here to present a donation in the amount of \$15,324.00 for the costs associated with the project. In addition, Building and Grounds staff provided the personnel to paint and install the locker and manage the project.

Wayzata Youth Hockey, WPS Buildings and Grounds, and WPS Community Education all work together to schedule, manage, staff, and maintain this asset to the community! The newly renovated locker room is now home to the Wayzata Youth Hockey Junior Gold Team!

We'd like to extend our gratitude to Wayzata Youth Hockey for their generous donation to improve this facility.

Organizational/Regular Meeting – January 14, 2013

AGENDA SECTION: 7. SUPERINTENDENT’S REPORTS AND RECOMMENDATIONS

ITEM: C. Finance and Business Services

COMMENTS BY: Mr. Westrum

2. **Middle School Enrollment Boundaries**

The District Administration has been reviewing middle school boundaries and current projections do not indicate that there is compelling reason to make comprehensive middle school attendance boundary adjustments for capacity related reasons.

However, based upon the results of certain elementary school reassignments made to certain neighborhoods, the following administrative assignment is recommended:

- New students in neighborhood 30 and 33 are assigned to Central with district transportation provided,
- 2013-2014 – Grades 6-8 in neighborhood 30 or 33; elect East or Central with district transportation provided,
- 2014-2015 – Grades 7-8 in neighborhood 30 or 33; elect East or Central with district transportation provided; Grade 6 to Central with transportation provided,
- 2015-2016 – Grade 8 in neighborhood 30 or 33; elect East or Central with district transportation provided; Grades 6-7 to Central with transportation provided,
- 2016-2017 - Grades 6-8 in neighborhood 30 or 33 to Central with transportation provided,

Continuing with 2013-2014, open enrollment students entering 6th grade will be assigned as follows:

- Sunset Hill will progress into East Middle School (or to another school if requested),
- Gleason Lake, Greenwood, Oakwood will progress into West Middle School (or to another school if room permits),
- Birchview, Kimberly Lane and Plymouth Creek will progress into Central Middle School (or to another school if room permits),

RECOMMENDED ACTION: Approve the Administrative recommendations for Middle School boundaries as presented.
