BOARD OF EDUCATION

Regular Meeting – June 9, 2025

AGENDA SECTION: Approval of Agenda and Consent Agenda

ITEM: Community Ed Recommendation

COMMENTS BY: Jenni Ebert, Director of Community Ed

Community Facility Usage – Rental Rates for Fiscal Year 2024-2025

The WPS School Board, through policies 919 and 920, welcomes and strongly encourages the use of school buildings and activity areas by the community when not used for regularly scheduled early education, elementary and secondary programs. Community Ed works to maximize the use of school facilities by area residents and non-residents. These rental partnerships build strong community-district relationships and foster active use of district facilities for the enjoyment of our community.

Fees are charged to users to cover costs associated with rental of the facilities including onsite supervisory and custodial services. The fees are determined by reviewing program costs and comparisons with surrounding school district fees. Attached is a summary of the current fee structure along with the recommended rental rate increases. The new rates would be effective beginning July 1, 2025.

The recommended action for the school board is to approve the attached rental rates.

Recommended Action: Approve and authorize the District administration to enforce the rental rates described in the enclosed attachment.

Re: Community Use of Facilities - FY26 Rental Rate Increase

The WPS School Board, through policies 919 and 920, welcomes and strongly encourages the use of school buildings and activity areas by the community when not used for regularly scheduled early education, elementary, and secondary programs. Community Ed works to maximize the use of school facilities by area residents and non-residents. These rental partnerships build strong community-district relationships and foster active use of district facilities for the enjoyment of our community.

Fees are charged to users to cover costs associated with rental of the facilities including onsite supervisory and custodial services. The fees are determined by reviewing program costs and comparisons with surrounding school district fees. Attached is a summary of the current fee structure along with the recommended rental rate increases. The new rates would be effective beginning July 1, 2025.

We are recommending all rental fees remain unchanged except for a \$3 per hour increase to personnel/staffing fees (building supervisors, custodian, and auditorium/tech support). Increases to those rates are to keep pace with contracted wage and benefit increases for staff. We conducted a comprehensive audit of our fee structure in 2023-2024 to align with comparable districts. We intend to implement minimal fee increases annually, beginning with the 2026-2027 school year.

Additionally, we are recommending adding the following new fees and guidelines to our rental program:

- A 10% non-refundable deposit for Auditorium Performance Rentals.
- A \$15 fee for change requests made to an existing permit.
- A \$25 fee for new rental requests made within 14 days of the event.

To ensure efficient use of staff time, a deposit is standard for large auditorium rentals across many districts. Given the advance booking and intricate planning required for performing arts spaces, this also helps minimize last-minute cancellations, keeping the community spaces available. Additionally, fees for last-minute facility requests and permit changes will help us manage the extra staff time these adjustments often require.

The recommended action for the school board is to approve the above-listed changes and the attached rental rates.

FY2026 Rates	Auditoriums (WHS Aud 1/CMS Aud)			Auditoriums (WHS Aud 2)			Classrooms			Speciality Rooms (FACS, Forum, etc.)			Gyms - 1 court (WHS, CMS/EMS Small)			Gyms - 2 courts (MS Large/Elementary)

RE: 2025 Pavement Rehabilitation at Central Middle School, Wayzata High School, and
Greenwood Elementary School

Dear Mr. Forcier:

On May 27, 2025, competitive bids were received for the above-referenced project.
The low responsive bid for the project was submitted by Diversified Paving in the
amount of \$594,734.

Following the bid opening, our personnel contacted Mr. Kyle Neu from Diversified
Paving regarding the bid results. Diversified Paving was given an opportunity to review
their bid and they indicated that they would be able to perform the work as specified for
the submitted bid amount. We also reviewed references provided by Diversified Paving
for several past projects and they appear to be qualified for this project.

Based on the above information, we would recommend acceptance of Diversified
Paving's bid in the amount of \$594,734.

If you have any questions or comments regarding the above information, please feel
free to contact our office.

Sincerely,

INSPEC

Summer 2025

Dear Head of School and Board Members,

This is an exciting time of year, as the League and our Member Schools are engaged in the work that is required to properly prepare for the 2025-2026 school year. This coming year will be a significant year in the Minnesota State High School League as, for the first time since the League's inception in 1916, the League will govern all programs and students in 9th grade in its approved activities. This monumental change may be rather unnoticed for many, as 9th grade students have long been eligible to participate in grades 10 – 12 programs, yet for some it will be very impactful. The League will expand its mission to provide educational opportunities through fine arts and athletics to all students in grades 9 - 12 as well as some in grades 7 and 8.

In preparation for approval and completion of your Resolution for Membership, please take a few minutes to review the League's founding purposes, its mission and beliefs that bind all Member Schools together. Please see the attached document that has been a standard in the League for many years. These important pillars are more than just words on a page; they drive the actions of all members of the League and provide the foundation for the decisions and the leadership choices the League makes every year.

The Minnesota State High School League is focused on support and leadership for our Member Schools. Beyond our state tournaments and fine arts festivals and competitions, this past year the League provided education to over 25,000 coaches and fine arts directors and certified eligibility for over 7500 officials and fine arts judges. Throughout this time, the League continues to provide leadership in establishing Member School driven bylaws, policies and rules. Together, our membership remains strong and is a supportive network to all Member Schools. The appetite in our communities for these activities continues to be incredible with the ultimate goal of providing opportunities for as many students as possible.

This has been a great year with understandable excitement in all League programs. The first year of sanctioned boys volleyball has been thrilling with the first state tournament at the University of St. Thomas. This year we had 79 teams and well over 100 schools registered in the inaugural year of boys volleyball. Similarly, there is outstanding growth in the number of girls wrestlers across the state of Minnesota. Each of the past three years we have nearly doubled the number of participants in this incredible sport. With plans to expand our state tournament to more girl qualifiers this coming year, we are also establishing a timeline for the full sanction of girls dual wrestling.

As we prepare for the coming year, it's important to know that the League has established a strong foundational financial base and is in a positive financial position in leading our schools.

Last year the League was able to credit membership dues and reduce them to a level that is the lowest in over 30 years. While attendance and excitement for our tournaments and events continue to be great, the increasing cost of venues and operations are having an impact. While we expect a significant membership credit, it is projected to be less than last year's record-setting amount. At the same time, we see the majority of our administrative regions providing financial support back to schools at year end, which is also helpful to member schools.

The League also recognizes the changing landscape in education, evidenced by the growing number of educational models for students across the state. We continue to study and establish governance for these schools, regardless of the model. The League is engaged with an ad hoc committee, of member school representatives, that is studying the various models that are part of the Minnesota educational landscape and will make recommendations as to the rules of eligibility for our Board of Directors.

The leadership that the League provides also extends to our students as we look forward to our fourth year of statewide leadership and character events titled "Together We Make a Difference." Thanks to the committed partnership of our state associations; MSBA, MASA, MASSP, MNIAAA, MSHSCA and AMSD, we have provided behavioral expectations for students and schools and energized student and staff leaders in making these a reality in our events. These highly engaging, student-energized conferences are designed to bring students together and establish safe, respectful and inclusive contests and events for all participants. In addition, these current and future leaders have the opportunity to engage with one another and commit to leading others in their school and community.

We truly appreciate all of our Member Schools and recognize that, even as some schools are consolidating or encountering challenges, our membership now exceeds 600 Member Schools on an annual basis. This signals the strength of our League and the quality of the experiences that our students have. We appreciate our longtime members and our newest members equally and welcome all to the Minnesota State High School League, a statewide community that shares the same beliefs, responsibilities and opportunities.

As you prepare to declare your commitment to membership and provide access to over 50 available fine arts and sports through the Minnesota State High School League, we ask each Member School and board to more clearly understand the depth of the League and recognize your role in leading within your school, your community, your conference and your section as we prepare for an outstanding 2025–2026 school year. Should you have any questions related to participation in the Minnesota State High School League, please reach out to our League Office or to me personally and we will do our best to serve our members. Thank you for all you have done to make the 2024-2025 school year a great one and the League is looking forward to beginning our new school year with the first day of practice on August 11.

Have an outstanding year!

Sincerely,

FOUNDING PURPOSES

The Minnesota State High School League is organized for the following educational purposes:

1. To provide, promote, extend, manage and administer a program of activities for youth of the schools of the state on subsection, section and state levels in the fields of athletics, speech, music and dramatics on a competitive basis, as well as such other curricular and extracurricular activities as may from time to time be sponsored by the schools of Minnesota.
2. To establish uniform and equitable rules for youth in inter-school activities.
3. To elevate standards of sportsmanship and to encourage the growth of responsible citizenship among the students, member schools and their personnel.
4. To protect youth, member schools and their personnel from exploitation by special interest groups.
5. To provide mutual benefit and relief plans for the assistance of school students injured in athletic events or supervised school activities in meeting medical and hospital expenses incurred by reason of such injuries.
6. To serve the best interests of member schools and their students by providing a medium of cooperation and coordination in educational fields of endeavor and a series of related activities on a state-wide basis, which they individually could not achieve or accomplish for their students and which aid and assist the schools in maintaining a constantly improved program.

MISSION STATEMENT

The Minnesota State High School League provides educational opportunities for students through interscholastic athletic and fine arts programs and provides leadership and support for member schools.

Education and Leadership for a Lifetime

BELIEFS

We believe that...

- Participation in school activity programs is a privilege and not a right.
- Sportsmanship needs to have a constant presence in all school-based activity programs.
- Students should have an equal opportunity to participate in all activities offered by their school.
- Ethical behavior, dignity and respect are non-negotiable.
- Student participants who choose to be chemically free must be supported.
- Collaborative relationships with parents enhance a school's opportunity to positively impact student success.
- Academic priorities must come before participation in athletic or fine arts activities.
- Positive role models and an active involvement in a student's life by parents and others are critical to student success.
- High school activity programs are designed for student participants, and adults must serve in a supportive role.
- The success of the team is more important than individual honors.
- Compliance with school, community and League rules is essential for all activity participants.
- Participation in school-sponsored activities must be inclusive, not exclusive.
- Ethical behavior, fairness, and embracing diversity best serve students and school communities.

**2025-2026 RESOLUTION FOR MEMBERSHIP
IN THE MINNESOTA STATE HIGH SCHOOL LEAGUE
Membership Renewal Form**

This form must be completed once for each school in the district.

Must be completed and submitted to MSHSL NOT LATER THAN JULY 31, 2025. Retain one copy for the school files.

RESOLVED, that the Governing Board or Entity of _____ (Name of School) located in the State of Minnesota delegates the control, supervision and regulation of interscholastic activities and athletics (referred to in MN Statutes, Section 128C.01) to the Minnesota State High School League, and so hereby certifies to the State Commissioner of Education as provided for by Minnesota Statutes.

FURTHER RESOLVED, that the school listed is authorized by this, the Governing Board of said school district or school to renew its membership in the Minnesota State High School League; and to participate in the approved interscholastic activities and athletics sponsored by said League and its various subdivisions.

FURTHER RESOLVED, that this Governing Board or Entity hereby adopts the Constitution, Bylaws, Policies, Rules and Regulations of said League and all amendments thereto as the same as are published in the latest edition of the League's *Official Handbook*, on file at the office of the school district or school, or as appears on the League's website, as the minimum standards governing participation in said League-sponsored activities and athletics. Further, the administration and responsibility for determining student eligibility and for the supervision of such activities and athletics are assigned to the official representatives identified by this Governing Board or Entity.

Signing this Resolution for Membership affirms that this Governing Board has reviewed all required membership materials provided by the League which defines the purpose and value of education-based activity and athletic and programs and defines each member school's responsibilities.

Member schools must develop and publicize administrative procedures to address eligibility suspensions related to Student Code of Responsibilities (Bylaw 206.2) violations for students participating in activity and athletic programs by member schools.

The above Resolution was adopted by the Governing Board or Entity of this school or district and is recorded in the official minutes of said Board and hereby is certified to the State Commissioner of Education as provided for by law.

The following is taken from the MSHSL Constitution:

208.00 LOCAL CONTROL

208.01 Designated School Representatives

At the beginning of the League's fiscal year, the governing board of each member school shall designate two (2) representatives who are authorized to vote for the member school at all district, region and section meetings and on mail ballots where member schools are called upon to vote.

One of the designated representatives shall be a member of the school's governing board and the other shall be an administrator or full-time faculty member of the member school.

In school districts with multiple schools, the designated representative from the school district's governing body may represent more than one school and is entitled to one vote for each school they represent.

208.02 Designated Activity Representatives

At the beginning of the League's fiscal year, the governing board of each member school shall select individuals to represent its school in the following areas: (a) boys sports; (b) girls sports; (c) speech; and (d) music.

208.03 Local Advisory Committee

Each school is urged to form an advisory committee for League activities. Committee membership is not limited to but shall include a school board member, a student, a parent, and a faculty member, ⁴⁷to advise the designated school representatives on all matters relating to the school's membership in the MSHSL.

ITEM: Wayzata Inclusive Education Awards

COMMENTS BY: Chace B. Anderson, Superintendent

During the 2020-21 school year, the Wayzata Special Education Advisory Committee (WSEAC) established an award to recognize outstanding school staff who work to ensure students with disabilities have the opportunity for an inclusive education in Wayzata Public Schools. Four years later, we are continuing to acknowledge outstanding educators. This spring, Wayzata Public Schools families and employees were invited to nominate outstanding staff members who contribute to inclusive education in our school district. The WSEAC reviewed the nominees at the May Advisory Council meeting and selected the winners of this year's award.

This award is an acknowledgment and celebration of staff who create, foster, and epitomize inclusive education and will be awarded at the June 11th School Board Meeting.

This year the WSEAC is celebrating two nominees, one representing birth-5th grade and one representing 6th grade-Transition. Please join me in congratulating the 2024-25 Wayzata Inclusive Education Award Winners.

Makayla Weiss

West Middle School Physical Education and Developmental Adaptive PE (DAPE) Teacher

Nominated by: Andrea Thorson, Taryn Adams and other colleagues who shared the following:

Makayla's impact at Wayzata West Middle School has been nothing short of transformative, establishing her as a true trailblazer for inclusion.

Makayla is a trailblazer who spearheaded the Unified Program across our middle schools, building a vibrant and thriving inclusive community in just two short years at West Middle School. What began with a single class has blossomed into a comprehensive initiative engaging nearly 200 students in diverse activities, from PE classes and MyTime sessions to advisory groups and a school coffee cart. Her creative approach consistently invites student voice, leading to organic, meaningful connections and genuine collaboration among students of all abilities.

A fierce advocate for every child, Makayla embodies the spirit of adaptability and accessibility. Whether she's "MacGyvering" PVC pipe extensions for students using power wheelchairs to play soccer, or learning American Sign Language to connect with her Deaf and Hard of Hearing students –

even launching wildly popular monthly ASL MyTime sessions – Makayla goes the extra mile to ensure every student can participate fully and confidently. She consistently modifies equipment and games on the spot, removing barriers and fostering a love for movement and wellness in all.

*Beyond the classroom, Makayla's **passionate dedication extends to the broader community**. Her remarkable leadership has seen West Middle School raise over \$17,000 for the Polar Plunge, directly benefiting Special Olympics Minnesota. This commitment to Special Olympics, coupled with her tireless efforts to provide necessary equipment and field trip opportunities, underscores her belief in students demonstrating their love through movement.*

Makayla's genuine love for children, her remarkable ability to connect with middle schoolers, and her unwavering commitment to fostering an environment where every student feels seen, heard, and valued, make her truly deserving of this honor. Her work not only changes individual student's lives for the better but inspires the entire West Middle School community to embrace a more inclusive spirit. We are incredibly fortunate to have her in Wayzata Public Schools.

Lindsey Eichenlaub
North Woods Elementary, Special Education Teacher
Nominated by: Brooke Neus & Halina Alexejun

Lindsey has exemplified the very best of inclusive education, consistently demonstrating an unwavering commitment to fostering an environment where every child feels supported, encouraged, and empowered to thrive.

*Lindsey's approach is deeply rooted in **personalized support and genuine care**. She possesses a remarkable ability to provide constructive feedback, even on challenging days, always balancing honesty with profound empathy. This unique skill helps students understand their areas for growth while feeling valued and motivated. Beyond academics, Lindsey is a master at celebrating every student's achievements, whether through heartfelt notes, special lunches, or even memorable field trips like attending a high school play. Her dedication ensures every student feels seen, recognized, and appreciated.*

*What truly sets Lindsey apart is her **tireless advocacy and dedication to families**. She goes above and beyond, like the time she personally visited each Wayzata middle school to help a concerned parent find the best fit for their son. She then meticulously compiled a "living document" of answers to parents' questions, creating an invaluable resource that will benefit countless families navigating transitions for years to come. Her commitment extends to working tirelessly, often beyond school hours, to craft personalized learning plans, social stories, and adaptive tools that meet individual student needs and foster independence. Parents consistently describe her as a "lifeline" and an "extension of our family," a testament to her constant communication and proactive support.*

*Lindsey's ingenuity in the classroom is equally impressive. She designs **thoughtful adaptive lessons**, such as cooking activities where every child can participate, regardless of ability. She "MacGyvers" solutions and utilizes meaningful rewards that boost confidence, nurture independence, and fill students' days with joy and sensory exploration. She's also a champion for students' extracurricular activities, sharing their excitement and promoting their involvement.*

Lindsey doesn't just teach; she nurtures confidence, fosters independence, and creates a sense of belonging for every single student. Her actions demonstrate a profound belief that all students are capable of achieving their best in an inclusive and supportive setting. Wayzata Public Schools is incredibly fortunate to have an educator as dedicated, innovative, and compassionate as Lindsey.

Congratulations to Lindsey and Maykala for receiving the Inclusive Education Award! This recognition is a testament to your unwavering commitment and outstanding efforts in promoting inclusivity in education. By championing diversity and ensuring equal opportunities for all learners, you have made a significant and positive impact on countless lives. Your dedication to creating an inclusive learning environment is truly commendable. Keep up the excellent work and continue to inspire others with your remarkable achievements. We couldn't be more proud of you and your commitment for ***Each and Every Learner!***

ITEM: 2024-25 MS JH Classic Lake Conference Athletics Director of the Year

COMMENTS BY: Chace B. Anderson, Superintendent

Chad Bartels

MS/JR Classic Lake Conference Athletic Director of the Year

The MS/JR Classic Lake Conference proudly named Chad Bartels from Wayzata Central Middle School as Athletic Director of the Year.

The CLC Award recognizes the efforts of athletics directors for their commitment and positive contributions to student-athletes, their school community, and to the MS/JH Classic Lake Conference.

This is Chad's 13th year leading the WC-Trojan's athletic and activities department. During his time leading Wayzata Central Middle School's athletics and activities, Chad has passionately led the way in updating activity websites, expanding opportunities for all middle schoolers, and giving recognition and fanfare to his coaches going above and beyond. Chad has approached his activities director position with passion, joy, problem solving, humility, and kindness.

COMMENTS BY: Chace B. Anderson, Superintendent

Wayzata Public Schools
June 2025 Employee of the Month

Sara Gammack

Meadow Ridge Teacher

Meadow Ridge Elementary is pleased to celebrate Sara Gammack as the June Employee of the Month. Sara has made a lasting impact during her career in Wayzata and she exemplifies what it means to be student centered.

Just recently, another teacher relayed a story about Sara that needs to be shared. Sara has students from the Specially Designed Classroom in her class. Second grade has an economics unit that culminates in students creating and selling their items to student, parent and staff shoppers. Sara went out and purchased some craft kits for the SDC students to ensure that they were able to participate alongside their peers. Classmates fully included them, because Sara models compassion and inclusion each and every day.

Sara has touched so many students and teachers during her 26 year career. She began as a teacher at Gleason Lake and went on to work at Oakwood, Birchview and Plymouth Creek. She also served as a teacher on special assignment and summer school coordinator before finally finding her home at Meadow Ridge. She has graciously volunteered to teach at almost every grade level, as a gifted and talented teacher and taught distance learners during the pandemic. Sara models continuous learning and growing. This year she asked the literacy and peer coaches to observe lessons together to get as much targeted feedback as possible. She truly believes that she can always improve, always give more.

Sara is a reliable leader as a teammate who has high expectations and constant kindness for everyone she works with. She is always there for her team to listen and offer sound advice when we need her most. Her top priority has always been educating and connecting with her students, including all students and understanding their individual needs. Sara is a valuable member of our Meadow Ridge team and to Wayzata Public Schools! Thank you for all that you do for students, your team, school and our district!

Our Stories Unlocked: One Class's Inspiring Journeys Through Covid Challenges

Presented By:

Tamara Schulz's Fifth Grade Students of Meadow Ridge

Overview - The Collaboration Process

Amelia M's poem

Roxie
Our COVID puppy
She ran in circles and jumped around

She looked like a little bug
Hiding under the couch.
I love her so much

She hurt her foot,
So instead of taking a "walk,"
She took a "carry"

She never knew what type of sickness
Was going around
But did I really know what was going around?
Or did I know only as much as my dog?

Poppy's quote

Even during hard times, I always try to have a good attitude. As Walt Whitman, the poet, says,

"Keep your face always toward the sunshine and shadows will fall behind you."

The First Step

1. How did COVID-19 affect you back then and how does it affect you now?

What stands out the most in your memory from that time?

2. How has your life changed since the pandemic started? What's different now compared to then?

3. What was life outside of school like during the pandemic? How did you spend your time when you weren't in class?
-

Part 2: Positives

4. What was the best part about staying at home during COVID-19? Did you enjoy spending more time with your family?

5. Was there anything you liked about online school or learning from home? How did it differ from regular school?

6. Did you find any new hobbies or activities that you enjoyed while being at home?

7. How did the slower pace of life during the pandemic affect you? Did you feel

Student Stories - Shared Experiences

Many of us have unique stories about how we experienced COVID. Some stories are funny, some are sad, and all are full of hope.

My parents both got COVID, so my brother and I went to my aunt's house for a few days. Then, when we got back home, my brother got COVID too. We couldn't play together, so we played Battleship—me outside his bedroom door and him inside his room. It was fun, even though he was sick.

During COVID, one of the hardest times was when my grandma had a stroke. I felt very scared because I didn't know what was happening. My mom left super fast to go help her. It felt like she just disappeared. One day she was home, and then she was only on video calls. It felt weird.

I started meeting someone in a group to help me be more “emotionally stable.” I was—and still am—easily triggered and have anger issues.

Renly: Flat Mr. R

Mr. R had
a game plan
to win the game
because he was
a champion.

I'm Renly, and this is my COVID story...
I changed because of COVID. I'm like a banana. I know that sounds weird, but hear me out. On the outside, I might look healthy and hard to talk to, but on the inside, I'm kind and fun and will do a lot for my friends. That's how I feel about all this COVID stuff around me.
One year ago, there was a kindergarten named Renly. (That's me, in case you didn't know.) I was in kindergarten, and I couldn't go to school without my friends. If I didn't see them, I'd get really sad. So on Friday after school, I wanted to go play with my friends. But when I asked my parents if I could go, they said no. I was like, "What? Why?" I didn't understand. I asked again, "Why can't I go?"
My mom said, "There's a green going around, Renly, and we don't want you to get sick. You can't play with your friends for a while."
The next day was different, but still weird. My mom and dad took me all over the place. We went to the grocery store to get food, and then to the high school to pick up food from the school district—like Unimart and other stuff like that.
A couple of days later, school started. I didn't really know my school at first—I thought I just got to go play with my friends for a while.

On a sunny night

I'm Chimamanda, and this is my COVID story...
Because of COVID, I can't go to school today. I was talking about it with my little sister, who is in kindergarten now, and I realized she had no idea what my life was like in kindergarten.
I was March 2020. Just a few months after I came back from Hawaii over winter break in kindergarten. I enjoyed the beach, water parks, and a horse ride at Disney. I remember a great pink cupcake I had there.
My principal, Ms. K, announced that we wouldn't have school the next day because of something called... coronavirus? I didn't know what that meant. When I got home, I asked my dad about it. He turned on the news, and the news people were talking about COVID-19 and how many people had died from it.
The next morning, I woke up, and everything felt quiet. What I thought, I'm supposed to be going really far school? I should my dad making coffee for the kitchen, so I ran down the stairs.
"You're supposed to make me up for school!" I said.
"You wake up just in time," he told me. "Today, you're doing school on Zoom."
I was so happy because...
I was supposed to change it?

and as you see, that is true

I'm Zach, and this is my COVID story...
I just really and honestly now it's such a terrible event the COVID ever happens again. It was hard and confusing at first, but as the years went on, I had a lot of fun with it. One thing I remember clearly is sitting in front of my dad's computer screen as he worked. I must have been accidentally joined in Zoom meeting when I needed for my sandwich. Halfway through, I heard some chattering coming from the computer, and then I heard my first-grade teacher, Mrs. K. About my name. That's when I realized the Zoom meeting was showing the screen.
I spent a lot of time in front of that computer. It was weird, sitting in front of that screen all day. I did like that I could sleep in late and do things whenever I wanted, but I really missed when my first grade teacher was in. I was also sad that I couldn't go shopping or play with my friends as much as before.
One of the things I remember most is playing with my brother, who is a year younger than me, outside. We would draw huge cities with chalk on the driveway. We would make buildings, roads, shops, rivers, bridges... some of them looked pretty good. He would show them off to our parents, who were usually pretty impressed. Even when some of them looked more like little kids' stuff, they would still say that they were impressed.

Our Stories Unlocked

"Hope, you're good just like that."
So all morning, I was on Zoom doing GoHome to my friend Mr. School was never on my screen. In fact, my little sister was wearing those pajamas those days, and she looks so cute in them.

Both of my parents are doctors, and during COVID, before my dad would let us come near him, he had to change after work. He was working with patients who had COVID all day long. He didn't want to get sick, so he would change clothes before he let us hug him.
That summer went by fast. In the fall, first grade started. First grade wasn't like a typical school year at all. It was still on Zoom. My whole first-grade year was on a screen. My teacher, Mr. K, made everything very fun. We played games, watched learning videos, and even did the things of imagination and meeting announcements—on Zoom.
Some, first grade was cool, and second grade was even better. Second grade came around. I was really able to go back to school, but with masks. It was fun to be with my friends, but the masks were uncomfortable. They were heavy and very uncomfortable. I got used to them, though, just like I had gotten used to Zoom.
Then, in February, the unexpected happened—I tested positive for COVID. I was sent home the day before my first trip. I was crying and crying and only saw because this would have been only my second field trip ever—the last one had been before COVID. I was sick for a few days. To make it worse, I thought I was going to miss my friend's birthday party too. Then she also got sick with COVID and had to cancel her own birthday.
Luckily, my COVID passed quickly, and I could go back to school again.
Second grade finished, and summer came around again. I hoped we wouldn't have to wear masks again. I was right!
I have loved everything about going to middle school—it's a whole new school. It's bigger than I thought it would be. I am scared of missing my classes. However, I learned from COVID that even though things are hard, you can make good out of them.

Type: Failure is the Key

Oh basketball hoop
I played with you all day
when it began to rain
I played with you
when I was bored
when the thunder roared
when I was scared
you comforted me
sometimes it was so hard
to let you be

My parents were super busy working all day. Since my sister was only three years old, she stayed with them most of the time. So, it was me and my brother—who is three years older than me—having fun together every day for months. We played card games like Trunk and Blackjack. We also played a lot of board games like Candyland and Monopoly. And we spent so much time playing basketball together in my garage.
COVID-19 made me spend a lot of time at home. At first, I didn't like being alone, but now, I like being by myself.
I spent a lot of time playing basketball in my garage, for now, when I think about my sister, I want to be a professional basketball player when I grow up.
Times when I've failed at things, like new math ideas, I've learned from them and those better the next time. So my coach says,
"Failure is the key to success."

Freedom: Mac and Cheese

My dear plucky
you always made me happy
when I was under the blanket
you kept me company
I felt strong, hard
when everyone else was not there
my dear plucky

I'm Freedom, and this is my COVID story...
When I was little, I was always lonely. One day, I was in my bed, and when I woke up, my mom told me there was something called "COVID-19." I wondered what that was, so I asked my brother. He told me it was a sickness that was spreading.
I actually got sick with COVID two times. The first time, I had to stay in bed for two days. He did not want to sleep and watch movies. It was kinda boring, but I was too tired to do anything else after two days, I felt better, but I was still super tired.
Then, about a month later, I got sick again. I had to stay in bed for two days again. From then on, I tried to be extra careful because I didn't want to get sick again.
My brother, sister, and I ate a lot of rice and cheese and drank hot milk most of the time. That's pretty much what we did every day. I was fun, but also weird because everything was different.

Ava: My Ruined Birthdays

My name is Ava, and this is my COVID story...

When I turned six, I didn't have a regular birthday. Because of COVID, I had to stay in the car and go around to my family's houses. If they wanted to celebrate with me, instead of coming to my house, they came outside and gave me my presents there.

School was all online, which was OK. My favorite part about at-home learning was that I could eat whenever I wanted. I didn't have to wait for my teacher to say it was snack time. I remember when Mr. ~~74~~read us a book over Zoom. Then we all brought books to show my class on Zoom. The books were hard to see because they were little, since there were 20 of them on the screen.

Brylee: Affirmations that Changed My Life

I'm Brylee, and this is my COVID story...

My days were different during COVID. I was learning online, all by myself. I didn't have any friends by my side. I remember when I didn't understand something, I would go to my room, stuff my head in my pillow, and feel my eyes tear up. My little body didn't know what was going on, and it was so confusing.

But luckily, my parents were there to help me get through those rough moments. They would come in my room, pat my back, and help calm me down. They would say some affirmations with me, like, *"Sometimes you make mistakes, but you get better every time."* I was still crying, but I felt much better.

Adriana: Sometimes You Learn

I'm Adriana, and this is my COVID story...

COVID-19 affected me in many ways. One of the biggest things is that I never really learned to write well, so my handwriting still isn't the best.

What I remember most is that my best friends played outside every day. I could watch them from the window. They had a playground in their backyard and would often play there. When I went outside, they were still there. They asked me to play, but I always said, "I can't." I couldn't go out with them because of COVID.

76

Charlotte: Better Days are Coming

While we were sitting on our iPads Zooming, my mom had cute little buckets filled with snacks next to us to make it more fun. Every day, we could fill them with snacks we wanted. I had the pink sparkly bucket, Grace had the purple one, and my brother, Noah, had the blue one. We still use them for our candy buckets.

Sometimes I felt really bored just sitting around, so I would twirl through the house—that's how I started loving to dance.

Ahmed: Keep Moving

Now, I don't give up on my work, even when things get hard. I push through it. I've learned to persevere when times get tough.

As Martin Luther King, Jr. once said:

"If you can't fly, then run.

If you can't run, then walk.

If you can't walk, then crawl,

but whatever you do, you have to keep moving."

Deeksha: Cockroach Invasion

I do remember some silly moments, like when I first heard about COVID-19. I thought COVID-19 was a cockroach invasion. Ha! Boy, was I wrong. For 30 minutes, I stood on my bed with bug repellent, ready like I was about to go to war... until my sister tricked me into coming out of my room with cookies. When cookies get involved, I'm always in.

I learned a lot during the pandemic. I was at home a lot and couldn't be left there alone, so my parents had to take me to our new restaurant with them. I spent most of my time at the restaurant. I learned a lot about finance, thanks to my dad, who definitely inspired me. Since the pandemic, I've thought about starting a business. Because of all the time I spent with my family at the restaurant and all that I learned, I want to become a businesswoman myself.

Porter: A Different Path

COVID made me grow. It was a different path than most people have been on. I have grown up from those experiences. It made me stronger. I realized that if I don't try, I won't get anywhere in life.

As Robert Frost said,

*"Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference."*

Student Reflections

Two months later, my grandma passed away, though I didn't find out until four months after that. I was so sad, and I didn't understand what was happening.

Then, BAM! I was transformed into a robot. I had a strict routine that I followed every day: eat, learn, sleep, repeat. That was all I did. All I was allowed to do, anyway. The usual Friday-night rush and Sunday-night dread were gone. Weekends didn't feel like weekends anymore.

ITEM: Audience Opportunity to Address the Board

COMMENTS BY: Milind Sohoni, Board Chair

This section of the agenda provides an opportunity for members of the audience to address the School Board. Speakers will be allotted approximately three minutes.

Please note that this time is provided for citizens to address the Board; this is not an appropriate venue for a discussion or debate. If the speaker would like follow-up contact from the School Board, they may leave their contact information with the administrative assistant.

2024-25 School Year Financial Report Analysis

For the Month Ended April 30, 2025

Excellence. For each and every student.

Statement of Revenues Analysis

This analysis reflects revenue received by the month end noted above. These numbers are representative of the first ten fiscal months of the FY 2024-25. State Aid revenues are right in-line with prior fiscal year. Property Taxes are slightly up from prior years but within expectations. Deviations in revenue from prior years include Federal Aids and Miscellaneous Local Revenue which can vary year to year and are also impacted by FY24 accrued revenues as draws are completed. As a reminder, Federal funds are drawn after the expenditures take place which can happen after the fiscal year closes. The district still had a very small portion of CARES Act dollars to spend down by 9/30/2024 and draw by December 2024. The deviations in Food Service are related to FY2023-24 accruals and also related the Free Lunch program from MDE. Community Education revenue is right in-line from the prior fiscal years. The budgets for the revenues analysis have been updated to FY 2024-25 revised budgets that were approved by the board.

Statement of Expenditures Analysis

This analysis reflects actual expenditures and does not include outstanding encumbrances along with representing the first ten fiscal months of the FY 2024-25. Overall expenditures are relatively similar to prior years. Salaries are right in line with prior years shown and benefits are slightly higher than prior years percentages but still in line with expectations and budget planning. As is usually always the case, variations compared to prior years are primarily driven by the timing of payments, timing of projects, timing of purchases of supplies, materials, and capital expenditures along with the timing of payments for purchased services. The budgets for the expenditures analysis have been updated to FY 2024-25 revised budgets that were approved by the board.

BUILDING COMMUNITIES. IT'S WHAT WE DO.

EXECUTIVE SUMMARY OF PROPOSED DEBT

Proposed Issue:

\$5,500,000 General Obligation Capital Facilities Bonds, Series 2025A

Purposes:

The proposed issue will finance improvements and repairs to school sites and buildings, including renovations to West Middle School.

Authority:

The Bonds are being issued pursuant to Minnesota Statutes, Chapter 475 and Section 123B.62. The Bonds will be general obligations of the District for which its full faith, credit and taxing powers are pledged. The Bonds will require a debt service levy each year to finance payments, however, there will be an equal offsetting reduction in general fund levies, so the net impact is that annual payments will be funded from operating capital revenue or other general fund revenues.

Term/Call Feature:

The Bonds are being issued for a term of 10 years and 6 months. Principal on the Bonds will be due on February 1 in the years 2027 through 2036. Interest will be payable every six months beginning February 1, 2026.

The Bonds maturing February 1, 2034 and later will be subject to prepayment at the discretion of the District on February 1, 2033 or any date thereafter.

Bank Qualification:

Because the District is issuing, or expects to issue, more than \$10,000,000 in tax-exempt obligations during the calendar year, the District will be not able to designate the Bonds as "bank qualified" obligations.

State Credit Enhancement:

By resolution the District will covenant and obligate itself to be bound by the provisions of Minnesota Statutes, Section 126C.55, which provides for payment by the State of Minnesota in the event of a potential default of a school district obligation.

To qualify for the credit enhancement, the District must submit an application to the State. Ehlers will coordinate the application process to the State on your behalf.

Rating:

Under current bond ratings, the state credit enhancement would bring a Moody's "Aa1" rating. The District's most recent bond issues were rated by Moody's Investors Service. The current ratings on those bonds are "Aaa" (underlying rating) and "Aa1" (credit enhanced rating). The District will request a new rating for this issue.

Basis for Recommendation:

Based on your objectives, financial situation and need, risk tolerance, liquidity needs, experience with the issuance of Bonds and long-term financial capacity, as well as the tax status considerations related to the Bonds and the structure, timing and other similar matters related to the Bonds, we are recommending the issuance of Bonds as a suitable option.

Method of Sale/Placement:

We are recommending the Bonds be issued as municipal securities and offered through a competitive underwriting process. You will solicit competitive bids, which we will compile on your behalf, for the purchase of the Bonds from underwriters and banks.

An allowance for discount bidding will be incorporated in the terms of the issue. The discount is treated as an interest item and provides the underwriter with all or a portion of their compensation in the transaction.

If the Bonds are purchased at a price greater than the minimum bid amount (maximum discount), the unused allowance may be used to reduce your borrowing amount.

Premium Pricing:

In some cases, investors in municipal bonds prefer "premium" pricing structures. A premium is achieved when the coupon for any maturity (the interest rate paid by the issuer) exceeds the yield to the investor, resulting in a price paid that is greater than the face value of the bonds. The sum of the amounts paid in excess of face value is considered "reoffering premium." Any net premium received may be used to reduce the principal amount of the Bonds, increase the net proceeds for the project, or to fund a portion of the interest on the Bonds.

Review of Existing Debt:

We have reviewed all outstanding indebtedness for the District and find that there are no refunding opportunities at this time.

We will continue to monitor the market and the call dates for the District's outstanding debt and will alert you to any future refunding opportunities.

Continuing Disclosure:

The District will be agreeing to provide certain updated Annual Financial Information and its Audited Financial Statement annually, as well as providing notices of the occurrence of certain reportable events to the Municipal Securities Rulemaking Board (the “MSRB”), as required by rules of the Securities and Exchange Commission (SEC). The District is already obligated to provide such reports for its existing bonds, and has contracted with Ehlers to prepare and file the reports.

Arbitrage Monitoring:

The District must ensure compliance with certain sections of the Internal Revenue Code and Treasury Regulations (“Arbitrage Rules”) throughout the life of the issue to maintain the tax-exempt status of the Bonds. These Arbitrage Rules apply to amounts held in construction, escrow, reserve, debt service account(s), etc., along with related investment income on each fund/account.

IRS audits will verify compliance with rebate, yield restriction and records retention requirements within the Arbitrage Rules. The District’s specific arbitrage responsibilities will be detailed in the Signature, No-Litigation, Arbitrage Certificate and Purchase Price Receipt (the “Tax Compliance Document”) prepared by your Bond Attorney and provided at closing.

The Bonds may qualify for one or more exception(s) to the Arbitrage Rules by meeting 1) small issuer exception, 2) spend down requirements, 3) bona fide debt service fund limits, 4) reasonable reserve requirements, 5) expenditure within an available period limitations, 6) investments yield restrictions, 7) de minimis rules, or; 8) borrower limited requirements.

An Ehlers arbitrage expert will contact the District within 30 days after the sale date to review the District’s specific responsibilities for the Bonds. The District is currently receiving arbitrage services from Ehlers in relation to the Bonds.

Investment of Bond Proceeds:

Ehlers can assist the District in developing a strategy to invest your Bond proceeds until the funds are needed to pay project costs.

Other Service Providers:

This debt issuance will require the engagement of other public finance service providers. This section identifies those other service providers, so Ehlers can coordinate their engagement on your behalf. Where you have previously used a particular firm to provide a service, we have assumed that you will continue that relationship. For services you have not previously required, we have identified a service provider. Fees charged by these service providers will be paid from proceeds of the obligation, unless you notify us that you wish to pay them from other sources. Our pre-sale bond sizing includes a good faith estimate of these fees, but the final fees may vary. If you have any questions pertaining to the identified service providers or their role, or if you would like to use a different service provider for any of the listed services please contact us.

- 1 The underwriter of the bonds may pay a premium to purchase the bonds. They will retain a portion of the premium as their compensation, or underwriter's discount. The remainder of the premium will be deposited to the construction fund or reduce the principal amount of the bonds.
- 2 The District would not be able to make a tax levy to fund payments on the new bonds due during fiscal year 2026, so those payments will need to be made from funds on hand in the debt service fund.
- 3 Estimated investment earnings are based on an average interest rate of 1.0%, and an average life of 9 months.
- 4 The underwriter's discount bidding is an estimate of the compensation taken by the underwriter who provides the lowest true interest cost as part of the competitive bidding process and purchases the bonds. Ehlers provides independent municipal advisory services as part of the bond sale process and is not an underwriting firm.
- 5 Includes fees for municipal advisor, bond counsel, rating agency, paying agent and county certificates.

704 DEVELOPMENT AND MAINTENANCE OF AN INVENTORY OF FIXED ASSETS AND A FIXED ASSET ACCOUNTING SYSTEM

I. PURPOSE

The purpose of this policy is to provide for the development and maintenance of an inventory of the fixed assets of the school district and the establishment and maintenance of a fixed asset accounting system.

II. GENERAL STATEMENT OF POLICY

The policy of the school district is that a fixed asset accounting schedule and an inventory of fixed assets be developed and maintained.

III. DEVELOPMENT OF INVENTORY AND ACCOUNTING

The superintendent or such other school official as designated by the superintendent or the school board shall be responsible for the development and maintenance of an inventory of the fixed assets of the school district and for the establishment and maintenance of a formal fixed asset accounting system. The accounting system shall be operated in compliance with the applicable provisions of the Uniform Financial Accounting and Reporting Standards for Minnesota School Districts (UFARS) with a capitalization level that equals or exceeds \$10,000 for equipment, and \$20,000 for construction and improvements. Group purchases for technology, furniture, or other equipment that is purchased as a per quantity that otherwise may be below the individual item threshold, the total threshold is \$175,000. The inventory shall specify the location of all continued abstracts showing the conveyance of the property to the school district; certificates of title showing title to the property in the school district; title insurance policies; surveys; and other property records relating to the real property of the school district.

IV. REPORTING

The administration shall annually update the property records of the school district and provide an inventory of the fixed assets of the school district to the school board.

907 GIFTS FROM THE PUBLIC

I. PURPOSE

The purpose of this policy is to establish criteria to be met in the acceptance of gifts to the District.

II. GENERAL STATEMENT OF POLICY

The School Board may accept on behalf of the District any bequest or gift of money or property for a purpose deemed by the School Board to be suitable and to utilize such money or property so designated.

The School Board will not accept any financial donation to fully or partially fund the employment of any curricular or related co-curricular full-time or part-time personnel, unless the donation is from endowed funds that comply with the Uniform Prudent Management of Institutional Funds Act. The acceptance of such donation is also contingent on the Board's ability to utilize the funds to address needs across the District as determined by the Board.

The Superintendent or designee shall develop procedures for examining and evaluating offers of gifts to the District.

908 FUNDRAISING

I. PURPOSE

The purpose of this policy is to help ensure successful fundraising activities within District schools.

II. GUIDELINES

1. Students will not be required to participate in fundraising activities.
2. All fundraising activities that involve students, employees, or school programs must be approved in advance by the school principal/designee or the Superintendent/designee. Hosting unapproved fundraising activities will be considered a violation of this policy.
3. All school-related fundraising activities will be carried out in a manner that will not result in embarrassment on the part of individual students, employees, individual schools, or the school district.
4. All policies and regulations pertaining to student and employee conduct and discipline shall extend to fundraising activities.
5. The number and timing of fundraising activities shall be coordinated by the school principal/designee in such a manner as to prevent them from becoming too numerous and overly burdensome on students, parents, employees, local business, and the general public.
6. The requesting student, parent, staff, and booster organization will ensure that proper accounting procedures are in place, that records will clearly indicate revenues and expenditures for each fundraising activity, and that measures for the safekeeping of monies are implemented.
7. All commercial electronic fundraising or use of the District's web sites or e-mail systems will be limited to the school or schools involved and not broadcast district-wide unless approved by the Superintendent/designee.
8. Fundraising websites, such as Bonfire, Crowdfunding and GoFundMe, will not be used. Violators will be required to remove all websites and return monies collected to the donor.
