Teams are connecting their learning to goals that align to our School's Growth Plan and shared vision.

Anchor Standard

R1 Foundations of Reading:
Demonstrate knowledge of oral language, phonological and phonemic awareness, phonics, and morphology to read accurately and fluently.

1st Grade Goal:

Through regular implementation of phonics strategies, 100% of our students will demonstrate progress toward mastery of:
Decoding CVC, CCVC, CVCe, R-Controlled Vowels, and vowel teams by May 2026, as measured by a PLC-developed assessment linked to MN state standard 1.1.1.2.

Success Criteria in 1st Grade

I can read CVCe words.

	Learning Targets I can...	Success Criteria This means...
	I can read the word automatically.	I am reading the word accurately and quickly like I am talking. 
	I can accurately read the word.	I take more time to think about the correct sounds in the word before I say it. I use the correct vowel sound when I read the word. 
	I can correct the sound when I see the 'e' at the end of the word. (cap / cape)	I read it first with a short vowel. I notice the magic e and change it to a long vowel sound. 
	I can blend the individual sounds together (caaaap)	I stretch the sounds to say the word I read 
	I can say sounds for individual letters (c..a..p – short or long a).	I am saying the sound for each individual letter that I see in the word 
	I can identify vowels within the word.	This means I know the difference between a vowel and a consonant

WHO IS AMANDA GORMAN

"THERE IS ALWAYS LIGHT, IF ONLY WE'RE BRAVE ENOUGH TO SEE IT. IF ONLY WE'RE BRAVE ENOUGH TO BE IT." THOSE ARE SOME OF THE EMPOWERING WORDS OF AMANDA GORMAN, THE YOUNGEST INAUGURAL POET EVER. AMANDA GORMAN WAS BORN IN 1998, IN LOS ANGELES CALIFORNIA.

AS A CHILD, AMANDA HAD A SPEECH IMPEDIMENT. SHE HAD TROUBLE PRONOUNCING SOME LETTERS BUT MOSTLY THE R SOUND. BUT AMANDA KEPT TRYING, BY SINGING ALONG TO THE HAMILTON SONGS, WRITING DOWN HER WORDS, AND DECIDING HER IMPEDIMENT WAS A GIFT. SHE EVENTUALLY GOT OVER IT. AMANDA WAS VERY SHART. SHE GRADUATED FROM HARVARD UNIVERSITY AT THE TOP OF HER CLASS. AMANDA HAD ALWAYS LIKED WRITING, MOSTLY POETRY. SHE STARTED AT THE AGE OF FIVE AND TO THIS DAY SHE STILL LOVES IT.

THE MOST IMPORTANT MOMENT IN HER WRITING CAREER WAS HER PERFORMANCE OF HER ORIGINAL POEM THE HILL WE CLIMB, AT PRESIDENT JOE BIDEN'S INAUGURATION. AMANDA STILL WRITES FOR FUN. BUT SHE ALSO WRITES TO TEACH PEOPLE ABOUT UNITY, PEACE, EQUALITY AND CLIMATE ACTION. SHE CAN BE DESCRIBED AS BRAVE, SHART AND PERSISTENT. SHE USES HER WRITING TO SPEAK OUT ABOUT PROBLEMS IN THE WORLD. AND HOW EVERYBODY CAN CREATE CHANGE IF THEY REALLY TRY. IF SHE CAN CHANGE THE WORLD WITH HER WRITING, MAYBE YOU CAN TOO. ONE WORD AT A TIME.

Success Criteria in 5th Grade

 I can identify the predictable structure of a biography.

1. Identify the Orientation

- I can tell you the person's name and what they are most famous for in just one sentence.
- I can find where and when the person was born.

2. Series of Important Events (Chronological Order)

- I can find one story from their childhood that explains why they grew up to do great things.
- I can locate the important events that shape the subject.
- I can find a problem or a struggle the person had to endure.
- I can point to their most important work or their "superhero" moment

3. Evaluation: What is Their Legacy? (So What)

- I can explain why we are still reading about this person today.
- I can identify how the world changed because this person lived in it.

CCC's "Being a Reader"
focus is Narrative Nonfiction
(i.e., biographies) in Unit 4.

 I can identify character traits using evidence from the text.

- Name character traits**
 - I can use adjectives to describe what a character is like (their personality).
 - *Courageous, persistent, curious*
- Find the Why**
 - I can explain exactly why that trait fits based on the character's life story.
- Text Evidence**
 - I can point to a specific event, challenge, or discovery from the text to prove my trait is accurate.
 - I can use the character's speech, thoughts, effect on others, actions, and bases to support my thinking (STEAL).
- Connect the Dots**
 - I can use "bridge words" like *because*, for example, or *this shows that* to link the trait to the event.

82

 I can infer character motivations using evidence from the text.

- I can spot the Action**
 - I can point to a specific thing the character did or said in the story.
 - Example: "The character gave their best away." "The character climbed Mount Everest."
- I can Infer the Motivation (Hidden Goal)**
 - I can explain what the character wants, needs, or is afraid of at that moment.
 - The "Because" Test: I can finish this sentence: "They did [doing] because they wanted [Goal]"
- I can use the "Heart and Head" Clues**
 - I can look at the "heart" clues: what the character is thinking or planning. Usually, a character's goal starts as a thought before it becomes an action.
 - I can look at the "head" clues: The "head" is about the evidence that pushes the character to act. Feelings are the "fuel" to the action.
- I can use evidence to prove my inference with a "So What?"**
 - I can explain how the text evidence proves that was their reason.
 - Example: "The text says they were 'shaking' which proves they acted because they were scared."

 I can identify important events.

- Tell what the story is mostly about**
 - I can explain the main idea.
- Pick Events that Change Something for the Characters**
 - I can choose moments that affect the problem, the solution, or the characters' actions.
- Choose Events that Connect to the Problem or Goal**
 - I can focus on events that move the story forward, not the small details.
- Explain Why Each Event is Important**
 - I can tell how each event helps the reader understand the story better.
- Retell the Story Using Only Key Events**
 - I can give a clear, short retelling without extra details.

2025-26 School Year Financial Report Analysis

Excellence. For each and every student.

For the Month Ended February 28, 2026

Statement of Revenues Analysis

This analysis reflects revenue received by the month end noted above. These numbers are only representative of the first eight fiscal months of the FY 2025-26. State Aid revenues are right in line with prior years. Property Taxes are also in line with expectations for this time of year. Deviations in revenue from prior years include Federal Aids and Miscellaneous Local Revenue which can vary year to year and are also impacted by FY25 accrued revenues as draws are completed. As a reminder, Federal funds are drawn after the expenditures take place which can happen after the fiscal year closes. The district still had a very small portion of CARES Act dollars to spend down by 9/30/2024 and draw by December 2024. The Food Service and Community Education revenue is also in line with expectations for this time of year.

Statement of Expenditures Analysis

This analysis reflects actual expenditures and does not include outstanding encumbrances along with representing the first eight fiscal month of the FY 2025-26. Overall expenditures are relatively similar to prior years. Salaries are right in line with prior years shown and benefits are slightly up from prior years percentages but still in line with expectations and budget planning. As is usually always the case, variations compared to prior years are primarily driven by the timing of payments, timing of projects, timing of purchases of supplies, materials, and capital expenditures along with the timing of payments for purchased services. The Food Service fund expenditures are down slightly due to larger projects at the High School being budgeted for but not completed at this time. Community Education is higher than previous years, but within expectations due to the increased enrollment. The district also revises the budget at least one more time.

BOARD OF EDUCATION
Regular Meeting - April 20, 2026

AGENDA SECTION: Administrative Reports & Recommendations - Finance & Operations
ITEM: Series 2026A General Obligation School Building and Alternative Facilities Refunding Bonds
COMMENTS BY: Alternative

The School Board has authorized the issuance and sale of its \$32,470,000 General Obligation School Building and Alternative Facilities Refunding Bonds, Series 2026A, to finance the repayment of voluntary tenders submitted by existing bondholders of the District's Taxable School Building and Alternative Facilities Refunding Bonds, Series 2021A, for maturities held in fiscal years 2027, 2030, 2032, 2033, 2035, and 2036.

The District has retained Ehlers & Associates, Inc. as independent municipal advisor in connection with the sale of the Bonds. The combination of the net savings the District achieved by repurchasing the bondholders tendered bonds with the issuance of new tax-exempt debt resulted in future debt service savings of \$3,077,625. The Bonds maturing February 1, 2034, and thereafter are callable beginning February 1, 2033. The closing date is April 30, 2026.

A final resolution is attached for your consideration

Recommended Action: Adopt the Ratifying Resolution Awarding the Sale of \$32,470,000 General Obligation School Building and Alternative Facilities Refunding Bonds, Series 2026A.

RESOLUTION RELATING TO \$32,470,000 GENERAL OBLIGATION SCHOOL BUILDING AND ALTERNATIVE FACILITIES REFUNDING BONDS, SERIES 2026A; RATIFYING THE AWARD OF SALE, PRESCRIBING THE FORM AND DETAILS AND PROVIDING FOR THE PAYMENT THEREOF

BE IT RESOLVED by the School Board (the Board) of Independent School District No. 284 (Wayzata Public Schools), Minnesota (the District), as follows:

SECTION 1. AUTHORIZATION; SALE.

1.01. Authorization; Purpose. By resolution adopted on February 9, 2026 (the Authorizing Resolution), this Board authorized issuance and sale of its General Obligation School Building and Alternative Facilities Refunding Bonds in a principal amount not to exceed \$90,000,000 (the Bonds), and further authorized and directed the Superintendent or Executive Director of Finance and Operations and any Board officer (the Authorized Officers), in consultation with and upon the advice of representatives of Ehlers & Associates, Inc., in Minneapolis, Minnesota (Ehlers), as independent municipal advisor to the District, to approve such sale and enter into a bond purchase agreement or agreements with D.A. Davidson & Co., in St. Paul, Minnesota (the Purchaser); provided that the refunding results in a positive present value savings.

The proceeds of the Bonds will be used, together with any additional funds of the District which might be required, to refund in advance of maturity and prepay on or about April 30, 2026 (the Redemption Date), pursuant to and as part of a tender offer to current bondholders, a portion of the 2027 through 2036 maturities of the District's outstanding \$132,865,000 Taxable General Obligation School Building and Alternative Facilities Refunding Bonds, Series 2021A, dated originally as of July 22, 2021 (the Refunded Bonds). The purpose of the refunding by a tender offer of the Refunded Bonds is to achieve debt service savings.

1.02. Sale. The District has retained Ehlers as independent municipal advisor in connection with the sale of the Bonds. Pursuant to Minnesota Statutes, Section 475.60, subdivision 2, paragraph 9, the requirements as to a public sale do not apply to the issuance of the Bonds. A proposal that meets the requirements set forth in the Authorizing Resolution has been received from the Purchaser to purchase \$32,470,000.00 in aggregate principal amount of the Bonds at a price of \$35,692,415.00 (representing the principal amount of \$32,470,000, plus original issue premium of \$3,401,000.00, and less an underwriter's discount of \$178,585.00) plus accrued interest, if any, on the further terms and conditions hereinafter set forth.

1.03. Ratification of Award. Pursuant to the Authorizing Resolution, the sale of the Bonds has been awarded by the Authorized Officers to the Purchaser. The sale of the Bonds to the Purchaser and the execution of the bond purchase agreement by the Authorized Officers with the Purchaser for the sale of the Bonds to the Purchaser are hereby ratified in all respects.

SECTION 2. BOND TERMS; REGISTRATION; EXECUTION AND DELIVERY.

2.01. Issuance of Bonds. All acts, conditions and things which are required by the Constitution and laws of the State of Minnesota to be done prior to the issuance of the Bonds having been done, existing and having happened, it is necessary for this Board to establish the form and terms of the Bonds, to provide for the security thereof, and to issue the Bonds forthwith.

2.02. Maturities, Interest Rates and Denominations. The Bonds shall be designated the “General Obligation School Building and Alternative Facilities Refunding Bonds, Series 2026A,” be originally dated as of April 30, 2026, shall be in denominations of \$5,000 or any integral multiple thereof of single maturities, shall mature on February 1 in the years and amounts stated below and shall bear interest from date of issue until paid or duly called for redemption at the annual rates set forth opposite such years and amounts, as follows:

<u>Year</u>	<u>Amount</u>	<u>Rate</u>
2030	\$10,780,000	5.00%
2032	2,580,000	5.00
2033	11,535,000	5.00
2035	7,000,000	5.00
2036	575,000	5.00

For purposes of complying with the maturity provisions of Minnesota Statutes, Section 475.54, subdivision 1, the maturity schedule for the Bonds shall be combined with the maturity schedules for the District’s outstanding general obligation bonds.

The Bonds shall be issuable only in fully registered form. Interest shall be computed on the basis of a 360-day year composed of twelve 30-day months. The interest thereon and, upon surrender of each Bond, the principal amount thereof, shall be payable by check or draft issued by the Registrar described herein; provided that, so long as the Bonds are registered in the name of a securities depository, or a nominee thereof, in accordance with Section 2.08 hereof, principal and interest shall be payable in accordance with the operational arrangements of the securities depository.

2.03. Dates and Interest Payment Dates. Upon initial delivery of the Bonds pursuant to Section 2.07 and upon any subsequent transfer or exchange pursuant to Section 2.06, the date of authentication shall be noted on each Bond so delivered, exchanged or transferred. The interest on the Bonds shall be payable on February 1 and August 1, commencing August 1, 2026, to the owners of record thereof as of the close of business on the fifteenth day of the immediately preceding month, whether or not such day is a business day.

2.04. Optional Redemption. The Bonds maturing on and after February 1, 2035 shall be subject to redemption and prepayment at the option of the District, in whole or in part, in such order as the District shall determine and within a maturity by lot as selected by the Registrar in multiples of \$5,000, on February 1, 2033, and on any date thereafter, at a price equal to the principal amount thereof and accrued interest to the date of redemption. The Clerk shall cause notice of the call for redemption thereof to be published as required by law and, at least thirty (30) days prior to the designated redemption date, shall cause notice of the call for redemption to be mailed, by first class mail, to the registered owners of any Bonds to be redeemed at their addresses

as they appear on the bond register described in Section 2.06 hereof but no defect in or failure to give such mailed notice of redemption shall affect the validity of proceedings for the redemption of any Bond not affected by such defect or failure. Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the District shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon partial redemption of any Bond, a new Bond or Bonds will be delivered to the registered owner without charge, representing the remaining principal amount outstanding.

2.05. Appointment of Initial Registrar. The District hereby appoints Bond Trust Services Corporation, in Minneapolis, Minnesota, as the initial bond registrar, transfer agent and paying agent (the Registrar). The Chairperson and the Clerk are authorized to execute and deliver, on behalf of the District, a contract with the Registrar. Upon merger or consolidation of the Registrar with another corporation, if the resulting corporation is a bank or trust company organized under the laws of the United States or one of the states of the United States and authorized by law to conduct such business, such corporation shall be authorized to act as successor Registrar. The District agrees to pay the reasonable and customary charges of the Registrar for the services performed. The District reserves the right to remove the Registrar upon thirty (30) days' notice and upon the appointment and acceptance of a successor Registrar, in which event the predecessor Registrar shall deliver all cash and Bonds in its possession to the successor Registrar and shall deliver the bond register to the successor Registrar.

2.06. Registration. The effect of registration and the rights and duties of the District and the Registrar with respect thereto shall be as follows:

(a) Register. The Registrar shall keep at its principal corporate trust office a bond register in which the Registrar shall provide for the registration of ownership of Bonds and the registration of transfers and exchanges of Bonds entitled to be registered, transferred or exchanged.

(b) Transfer of Bonds. Upon surrender for transfer of any Bond duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Bonds of a like aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer after the fifteenth day of the month preceding each interest payment date and until such interest payment date.

(c) Exchange of Bonds. Whenever any Bonds are surrendered by the registered owner for exchange the Registrar shall authenticate and deliver one or more new Bonds of a like aggregate principal amount and maturity, as requested by the registered owner or the owner's attorney in writing.

(d) Cancellation. All Bonds surrendered upon any transfer or exchange shall be promptly canceled by the Registrar and thereafter disposed of as directed by the District.

(e) Improper or Unauthorized Transfer. When any Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) Persons Deemed Owners. The District and the Registrar may treat the person in whose name any Bond is at any time registered in the bond register as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner or upon the owner's order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(g) Taxes, Fees and Charges. For every transfer or exchange of Bonds, the Registrar may impose a charge upon the owner thereof sufficient to reimburse the Registrar for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

(h) Mutilated, Lost, Stolen or Destroyed Bonds. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Registrar shall deliver a new Bond of like amount, number, maturity date and tenor in exchange and substitution for and upon cancellation of any such mutilated Bond or in lieu of and in substitution for any such Bond destroyed, stolen or lost, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Bond destroyed, stolen or lost, upon filing with the Registrar of evidence satisfactory to it that such Bond was destroyed, stolen or lost, and of the ownership thereof, and upon furnishing to the Registrar of an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the District and the Registrar shall be named as obligees. All Bonds so surrendered to the Registrar shall be canceled by it and evidence of such cancellation shall be given to the District. If the mutilated, destroyed, stolen or lost Bond has already matured or called for redemption in accordance with its terms it shall not be necessary to issue a new Bond prior to payment.

(i) Authenticating Agent. The Registrar is hereby designated authenticating agent for the Bonds, within the meaning of Minnesota Statutes, Section 475.55, subdivision 1, as amended.

(j) Valid Obligations. All Bonds issued upon any transfer or exchange of Bonds shall be the valid obligations of the District, evidencing the same debt, and entitled to the same benefits under this resolution as the Bonds surrendered upon such transfer or exchange.

2.07. Execution; Authentication and Delivery. The Bonds shall be prepared under the direction of the Clerk and shall be executed on behalf of the District by the signatures of the Chairperson and the Clerk, provided that all signatures may be printed, engraved, or lithographed facsimiles of the originals. In case any officer whose signature, or a facsimile of whose signature, shall appear on the Bonds shall cease to be such officer before the delivery of any Bond, such

signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. Notwithstanding such execution, no Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this resolution unless and until a certificate of authentication on such Bond has been duly executed by the manual signature of the Registrar. The executed certificate of authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this resolution. When the Bonds have been so delivered and authenticated, they shall be delivered by the Clerk to the Purchaser upon payment of the purchase price in accordance with the contract of sale heretofore made and executed, and the Purchaser shall not be obligated to see to the application of the purchase price.

2.08. Securities Depository. (a) For purposes of this section the following terms shall have the following meanings:

“Beneficial Owner” shall mean, whenever used with respect to a Bond, the person in whose name such Bond is recorded as the beneficial owner of such Bond by a Participant on the records of such Participant, or such person’s subrogee.

“Cede & Co.” shall mean Cede & Co., the nominee of DTC, and any successor nominee of DTC with respect to the Bonds.

“DTC” shall mean The Depository Trust Company of New York, New York.

“Participant” shall mean any broker-dealer, bank or other financial institution for which DTC holds Bonds as securities depository.

“Representation Letter” shall mean the Representation Letter pursuant to which the District agrees to comply with DTC’s Operational Arrangements.

(b) The Bonds shall be initially issued as separately authenticated fully registered bonds, and one Bond shall be issued in the principal amount of each stated maturity of the Bonds. Upon initial issuance, the ownership of such Bonds shall be registered in the bond register in the name of Cede & Co., as nominee of DTC. The Registrar and the District may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, if any, giving any notice permitted or required to be given to registered owners of Bonds under this resolution, registering the transfer of Bonds, and for all other purposes whatsoever; and neither the Registrar nor the District shall be affected by any notice to the contrary. Neither the Registrar nor the District shall have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any Participant, or any other person which is not shown on the bond register as being a registered owner of any Bonds, with respect to the accuracy of any records maintained by DTC or any Participant, with respect to the payment by DTC or any Participant of any amount with respect to the principal of or interest on the Bonds, with respect to any notice which is permitted or required to be given to owners of Bonds under this resolution, with respect to the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of the Bonds, or with respect to any consent given or other action taken by DTC as registered owner of the Bonds. So long as any Bond is registered in the name of Cede & Co., as nominee of DTC, the Registrar shall pay all principal of and interest on such Bond, and shall give all notices with respect to such Bond, only to Cede &

Co. in accordance with DTC's Operational Arrangements, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than DTC shall receive an authenticated Bond for each separate stated maturity evidencing the obligation of the District to make payments of principal and interest. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the Bonds will be transferable to such new nominee in accordance with paragraph (e) hereof.

(c) In the event the District determines that it is in the best interest of the Beneficial Owners that they be able to obtain Bonds in the form of bond certificates, the District may notify DTC and the Registrar, whereupon DTC shall notify the Participants of the availability through DTC of Bonds in the form of certificates. In such event, the Bonds will be transferable in accordance with paragraph (e) hereof. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the District and the Registrar and discharging its responsibilities with respect thereto under applicable law. In such event the Bonds will be transferable in accordance with paragraph (e) hereof.

(d) The execution and delivery of the Representation Letter to DTC by the Chairperson or Clerk, if not previously filed, or if required to be re-filed, with DTC, is hereby authorized and directed.

(e) In the event that any transfer or exchange of Bonds is permitted under paragraph (b) or (c) hereof, such transfer or exchange shall be accomplished upon receipt by the Registrar of the Bonds to be transferred or exchanged and appropriate instruments of transfer to the permitted transferee in accordance with the provisions of this resolution. In the event Bonds in the form of certificates are issued to owners other than Cede & Co., its successor as nominee for DTC as owner of all the Bonds, or another securities depository as owner of all the Bonds, the provisions of this resolution shall also apply to all matters relating thereto, including, without limitation, the printing of such Bonds in the form of bond certificates and the method of payment of principal of and interest on such Bonds in the form of bond certificates.

2.09. Form of Bonds. The Bonds shall be prepared in substantially the form found at EXHIBIT A hereto.

SECTION 3. USE OF PROCEEDS. Upon payment for the Bonds by the Purchaser, Bond proceeds shall be used as follows: (a) \$35,359,892.76 shall be deposited in an escrow account established pursuant to an Escrow Agreement (the Escrow Agreement) between the District and Zions Bancorporation, National Association, as escrow agent (the Escrow Agent), to be applied as directed by the Escrow Agreement; and (b) \$ 332,522.24 shall be used to pay costs of issuance of the Bonds in accordance with Section 6.04 hereof.

The Chairperson and Clerk are hereby authorized to enter into the Escrow Agreement with the Escrow Agent establishing the terms and conditions for the escrow account.

SECTION 4. DEBT SERVICE FUND AND TAX LEVIES.

4.01. General Obligation School Building and Alternative Facilities Refunding Bonds, Series 2026A Debt Service Fund. The Bonds shall be payable from a separate General Obligation

School Building and Alternative Facilities Refunding Bonds, Series 2026A Debt Service Fund (the Debt Service Fund) of the District, which Debt Service Fund the District agrees to maintain until the Bonds have been paid in full. If the money in the Debt Service Fund should at any time be insufficient to pay principal and interest due on the Bonds, such amounts shall be paid from other moneys on hand in other funds of the District, which other funds shall be reimbursed therefor when sufficient money becomes available in the Debt Service Fund. The moneys on hand in the Debt Service Fund from time to time shall be used only to pay the principal of and interest on the Bonds. Into the Debt Service Fund shall be paid: (a) any amount in excess of the amount necessary to accomplish the refunding described in Section 3; (b) any amount appropriated thereto pursuant to Section 3 hereof; (c) all amounts on deposit in the debt service fund maintained for the payment of the Refunded Bonds upon the retirement of the Refunded Bonds; (d) all taxes collected pursuant to Section 4.02 hereof; and (e) any other funds appropriated by the Board for the payment of the Bonds. If any payment of principal of and interest on the Bonds shall become due when there is not sufficient money in the Debt Service Fund to make such payment, the Clerk shall pay the same from any other available fund of the District, and such other fund shall be reimbursed for such advances out of the proceeds of the taxes levied for the payment of the Bonds when available.

4.02. Tax Levies. For the prompt and full payment of the principal of and interest on the Bonds as the same respectively become due, the full faith, credit and taxing power of the District shall be and are hereby irrevocably pledged. To provide moneys for the payment of principal of and interest on the Bonds as required by Minnesota Statutes, Section 475.61, subdivision 1, there is hereby levied on all taxable property in the District a direct, annual ad valorem tax which shall be spread upon the tax rolls for collection in the years and amounts as follows, as a part of other general taxes of the District, as follows:

<u>Levy Years</u>	<u>Collection Years</u>	<u>Amount</u>
-------------------	-------------------------	---------------

(See attached levy computation)

The taxes shall be irrepealable as long as any of the Bonds are outstanding and unpaid; provided that the District reserves the right and power to reduce the levies in the manner and to the extent permitted by Minnesota Statutes, Section 475.61. It is estimated that the ad valorem taxes will be collected in amounts not less than five percent in excess of the annual principal and interest requirements of the Bonds. If, as of the date tax levies are certified in any year, the sum of the balance in the Debt Service Fund plus any ad valorem taxes theretofore levied for the payment of Bonds payable therefrom and collectible through the end of the following calendar year is not sufficient to pay when due all principal and interest to become due on all Bonds payable therefrom in said following calendar year, or the Debt Service Fund has incurred a deficiency in the manner provided in Section 4.01, an additional direct, irrepealable, ad valorem tax shall be levied on all taxable property within the corporate limits of the District for the purpose of restoring such accumulated or anticipated deficiency in accordance with the provisions of this resolution.

4.03. Debt Service Fund Balance Restriction. In order to ensure compliance with the Internal Revenue Code of 1986 (the Code), and applicable Treasury Regulations (the Regulations), upon allocation of any funds to the Debt Service Fund, the balance then on hand in the Fund shall be ascertained. If it exceeds the amount of principal and interest on the Bonds to become due and payable through February 1 next following, plus a reasonable carryover equal to 1/12th of the debt service due in the following bond year, the excess shall (unless an opinion is otherwise received

from bond counsel) be used to prepay or purchase Bonds, or invested at a yield which does not exceed the yield on the Bonds calculated in accordance with Section 148 of the Code.

SECTION 5. DEFEASANCE. When all of the Bonds have been discharged as provided in this section, all pledges, covenants and other rights granted by this resolution to the registered owners of the Bonds shall cease. The District may discharge its obligations with respect to any Bonds which are due on any date by depositing with the Registrar on or before that date a sum sufficient for the payment thereof in full; or, if any Bond should not be paid when due, it may nevertheless be discharged by depositing with the Registrar a sum sufficient for the payment thereof in full with interest accrued from the due date to the date of such deposit. The District may also discharge its obligations with respect to any prepayable Bonds called for redemption on any date when they are prepayable according to their terms, by depositing with the Registrar on or before that date an amount equal to the principal, interest and redemption premium, if any, which are then due, provided that notice of such redemption has been duly given as provided herein. The District may also at any time discharge its obligations with respect to any Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a bank or trust company qualified by law as an escrow agent for this purpose, cash or securities which are authorized by law to be so deposited, bearing interest payable at such time and at such rates and maturing or callable at the holder's option on such dates as shall be required to pay all principal and interest to become due thereon to maturity or earlier designated redemption date. Provided, however, that if such deposit is made more than ninety days before the maturity date or specified redemption date of the Bonds to be discharged, the District shall have received a written opinion of Bond Counsel to the effect that such deposit does not adversely affect the exemption of interest on any Bonds from federal income taxation and a written report of an accountant or investment banking firm verifying that the deposit is sufficient to pay when due all of the principal and interest on the Bonds to be discharged on and before their maturity dates or earlier designated redemption date.

SECTION 6. CERTIFICATION OF PROCEEDINGS.

6.01. Filing with County Auditor. The Clerk is hereby authorized and directed to file with the County Auditor of Hennepin County (the County Auditor), a certified copy of this resolution together with such other information as the County Auditor shall require and to obtain from the County Auditor a certificate that the Bonds have been entered upon the bond register and that the tax for the payment of the Bonds has been levied as required by law.

6.02. Certification of Proceedings. The officers of the District and the County Auditor are hereby authorized and directed to prepare and furnish to the Purchaser and to Dorsey & Whitney LLP, Bond Counsel, certified copies of all proceedings and records of the District relating to the Bonds and to the financial condition and affairs of the District, and such other affidavits, certificates and information as may be required to show the facts relating to the legality and marketability of the Bonds as they appear from the books and records under the officer's custody and control or as otherwise known to the them. All such certified copies, certificates and affidavits, including any heretofore furnished, shall be deemed representations of the District to the correctness of all statements contained herein.

6.03. Official Statement. The Preliminary Official Statement relating to the Bonds, prepared and distributed by Ehlers, is hereby approved. Ehlers is hereby authorized on behalf of the District to prepare and distribute to the Purchaser within seven business days from the date

hereof, a Final Official Statement listing the offering price, the interest rates, selling compensation, delivery date, the underwriters and such other information relating to the Bonds required to be included in the Official Statement by Rule 15c2-12 adopted by the Securities and Exchange Commission (the SEC) under the Securities Exchange Act of 1934. The officers of the District are hereby authorized and directed to execute such certificates as may be appropriate concerning the accuracy, completeness and sufficiency of the Official Statement.

6.04. Authorization of Payment of Certain Costs of Issuance of the Bonds. The District authorizes the Purchaser to forward the amount of Bond proceeds allocable to the payment of issuance expenses to Wells Fargo Bank, National Association on the closing date for further distribution as directed by Ehlers.

SECTION 7. TAX COVENANTS, ARBITRAGE MATTERS, AND CONTINUING DISCLOSURE.

7.01. Restrictive Action. The District covenants and agrees with the registered owners of the Bonds, that it will not take or permit to be taken by any of its officers, employees or agents any actions that would cause interest on the Bonds to become includable in gross income of the recipient under the Code and applicable Regulations, and covenants to take any and all actions within its powers to ensure that the interest will not become includable in gross income of the recipient under the Code and the Regulations. It is hereby certified that the proceeds of the Refunded Bonds were used to finance or refinance the acquisition and betterment of school facilities owned and operated by the District and the District covenants and agrees that, so long as the Bonds are outstanding, the District shall not enter into any lease, management agreement, use agreement or other contract with any nongovernmental entity relating to the school facilities so financed or refinanced which would cause the Bonds to be considered “private activity bonds” or “private loan bonds” pursuant to Section 141 of the Code.

7.02. Arbitrage Certification. The Chairperson and Clerk being the officers of the District charged with the responsibility for issuing the Bonds pursuant to this resolution, are authorized and directed to execute and deliver to the Purchaser a certificate in accordance with the provisions of Section 148 of the Code and applicable Regulations stating the facts, estimates and circumstances in existence on the date of issue and delivery of the Bonds which make it reasonable to expect that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be “arbitrage bonds” within the meaning of the Code and the Regulations.

7.03. Arbitrage Rebate. The District acknowledges that the Bonds are subject to the rebate requirements of Section 148(f) of the Code. The District covenants and agrees to retain such records, make such determinations, file such reports and documents and pay such amounts at such times as are required under Section 148(f) and applicable Regulations to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes, unless the Bonds qualify for an exception from the rebate requirement pursuant to one of the spending exceptions set forth in Section 1.148-7 of the Regulations and no “gross proceeds” of the Bonds (other than amounts constituting a “bona fide debt service fund”) arise during or after the expenditure of the original proceeds thereof.

7.04. Not Qualified Tax-Exempt Obligations. The Bonds are not designated as “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code relating to the disallowance of interest expense for financial institutions.

7.05. Continuing Disclosure. (a) Purpose and Beneficiaries. To provide for the public availability of certain information relating to the Bonds and the security therefor and to permit the Purchaser and other participating underwriters in the primary offering of the Bonds to comply with amendments to Rule 15c2-12 promulgated by the SEC under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12), relating to continuing disclosure (as in effect and interpreted from time to time, the Rule), which will enhance the marketability of the Bonds, the District hereby makes the following covenants and agreements for the benefit of the Owners (as hereinafter defined) from time to time of the outstanding Bonds. The District is the only obligated person in respect of the Bonds within the meaning of the Rule for purposes of identifying the entities in respect of which continuing disclosure must be made. If the District fails to comply with any provisions of this section, any person aggrieved thereby, including the Owners of any outstanding Bonds, may take whatever action at law or in equity may appear necessary or appropriate to enforce performance and observance of any agreement or covenant contained in this section, including an action for a writ of mandamus or specific performance. Direct, indirect, consequential and punitive damages shall not be recoverable for any default hereunder to the extent permitted by law. Notwithstanding anything to the contrary contained herein, in no event shall a default under this section constitute a default under the Bonds or under any other provision of this resolution. As used in this section, Owner or Bondowner means, in respect of a Bond, the registered owner or owners thereof appearing in the bond register maintained by the Registrar or any Beneficial Owner (as hereinafter defined) thereof, if such Beneficial Owner provides to the Registrar evidence of such beneficial ownership in form and substance reasonably satisfactory to the Registrar. As used herein, Beneficial Owner means, in respect of a Bond, any person or entity which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, such Bond (including persons or entities holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of the Bond for federal income tax purposes.

(b) Information To Be Disclosed. The District will provide, in the manner set forth in subsection (c) hereof, either directly or indirectly through an agent designated by the District, the following information at the following times:

- (1) on or before twelve (12) months after the end of each fiscal year of the District, commencing with the fiscal year ending June 30, 2026, the following financial information and operating data in respect of the District (the Disclosure Information):
 - (A) the audited financial statements of the District for such fiscal year, prepared in accordance with generally accepted accounting principles in accordance with the governmental accounting standards promulgated by the Governmental Accounting Standards Board or as otherwise provided under Minnesota law, as in effect from time to time, or, if and to the extent such financial statements have not been prepared in accordance with such generally accepted accounting principles for reasons beyond the reasonable control of the District, noting the discrepancies therefrom and the effect thereof, and certified as to accuracy and completeness in all material respects by the fiscal officer of the District; and
 - (B) to the extent not included in the financial statements referred to in paragraph (A) hereof, the information for such fiscal year or for the period most recently

available of the type contained in the Official Statement under the headings: “VALUATIONS – Current Property Valuations;” “DEBT – Direct Debt;” “TAX LEVIES, COLLECTION AND RATES – Tax Levies and Collections;” “THE ISSUER – Student Body;” and “GENERAL INFORMATION – Employment/Unemployment Data;” which information may be unaudited.

Notwithstanding the foregoing paragraph, if the audited financial statements are not available by the date specified, the District shall provide on or before such date unaudited financial statements in the format required for the audited financial statements as part of the Disclosure Information and, within 10 days after the receipt thereof, the District shall provide the audited financial statements. Any or all of the Disclosure Information may be incorporated by reference, if it is updated as required hereby, from other documents, including official statements, which have been submitted to the Municipal Securities Rulemaking Board (the MSRB) through its Electronic Municipal Market Access System (EMMA) or the SEC. The District shall clearly identify in the Disclosure Information each document so incorporated by reference. If any part of the Disclosure Information can no longer be generated because the operations of the District have materially changed or been discontinued, such Disclosure Information need no longer be provided if the District includes in the Disclosure Information a statement to such effect; provided, however, if such operations have been replaced by other District operations in respect of which data is not included in the Disclosure Information and the District determines that certain specified data regarding such replacement operations would be a Material Fact (as defined in paragraph (2) hereof), then, from and after such determination, the Disclosure Information shall include such additional specified data regarding the replacement operations. If the Disclosure Information is changed or this section is amended as permitted by this paragraph (b)(1) or subsection (d), then the District shall include in the next Disclosure Information to be delivered hereunder, to the extent necessary, an explanation of the reasons for the amendment and the effect of any change in the type of financial information or operating data provided.

- (2) In a timely manner, not in excess of 10 business days, to the MSRB through EMMA, notice of the occurrence of any of the following events (each a “Material Fact,” as hereinafter defined):
 - (A) principal and interest payment delinquencies;
 - (B) non-payment related defaults, if material;
 - (C) unscheduled draws on debt service reserves reflecting financial difficulties;
 - (D) unscheduled draws on credit enhancements reflecting financial difficulties;
 - (E) substitution of credit or liquidity providers, or their failure to perform;
 - (F) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the Bonds or other material events affecting the tax status of the Bonds;
 - (G) modifications to rights of Bond holders, if material;
 - (H) Bond calls, if material and tender offers;
 - (I) defeasances;
 - (J) release, substitution, or sale of property securing repayment of the Bonds if material;
 - (K) rating changes;

- (L) bankruptcy, insolvency, receivership, or similar event of the obligated person;
- (M) the consummation of a merger, consolidation, or acquisition involving an obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (N) appointment of a successor or additional trustee or the change of name of a trustee, if material;
- (O) incurrence of a financial obligation of the obligated person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the obligated person, any of which affect security holders, if material; “financial obligation” means a (a) debt obligation; (b) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (c) guarantee of a debt obligation or any such derivative instrument; provided that “financial obligation” shall not include municipal securities as to which a final official statement (as defined in the Rule) has been provided to the MSRB consistent with the Rule; and
- (P) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the obligated person, any of which reflect financial difficulties.

As used herein, for those events that must be reported if material, a “Material Fact” is a fact as to which a substantial likelihood exists that a reasonably prudent investor would attach importance thereto in deciding to buy, hold or sell a Bond or, if not disclosed, would significantly alter the total information otherwise available to an investor from the Official Statement, information disclosed hereunder or information generally available to the public. Notwithstanding the foregoing sentence, a Material Fact is also a fact that would be deemed material for purposes of the purchase, holding or sale of a Bond within the meaning of applicable federal securities laws, as interpreted at the time of discovery of the occurrence of the event.

For the purposes of the event identified in (L) hereinabove, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for an obligated person in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the obligated person, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the obligated person.

For purposes of the events identified in paragraphs (O) and (P) above, the term “financial obligation” means (i) a debt obligation; (ii) a derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) a guarantee of (i) or (ii). The term “financial obligation” shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

- (3) In a timely manner, to the MSRB through EMMA, notice of the occurrence of any of the following events or conditions:
 - (A) the failure of the District to provide the Disclosure Information required under paragraph (b)(1) at the time specified thereunder;
 - (B) the amendment or supplementing of this section pursuant to subsection (d), together with a copy of such amendment or supplement and any explanation provided by the District under subsection (d)(2);
 - (C) the termination of the obligations of the District under this section pursuant to subsection (d);
 - (D) any change in the accounting principles pursuant to which the financial statements constituting a portion of the Disclosure Information are prepared; and
 - (E) any change in the fiscal year of the District.

(c) Manner of Disclosure.

- (1) The District agrees to make available to the MSRB through EMMA, in an electronic format as prescribed by the MSRB, the information described in subsection (b).
- (2) All documents provided to the MSRB pursuant to this subsection (c) shall be accompanied by identifying information as prescribed by the MSRB from time to time.

(d) Term; Amendments; Interpretation.

- (1) The covenants of the District in this section shall remain in effect so long as any Bonds are outstanding. Notwithstanding the preceding sentence, however, the obligations of the District under this section shall terminate and be without further effect as of any date on which the District delivers to the Registrar an opinion of Bond Counsel to the effect that, because of legislative action or final judicial or administrative actions or proceedings, the failure of the District to comply with the requirements of this section will not cause participating underwriters in the primary offering of the Bonds to be in violation of the Rule or other applicable requirements of the Securities Exchange Act of 1934, as amended, or any statutes or laws successory thereto or amendatory thereof.
- (2) This section (and the form and requirements of the Disclosure Information) may be amended or supplemented by the District from time to time, without notice to (except as provided in paragraph (c)(2) hereof) or the consent of the Owners of any Bonds, by a resolution of this Board filed in the office of the recording officer of the District accompanied by an opinion of Bond Counsel, who may rely on certificates of the District and others and the opinion may be subject to customary qualifications, to the effect that: (i) such amendment or supplement (a) is made in connection with a change in circumstances that arises from a change in law or regulation or a change in the identity, nature or status of the District or the type of operations conducted by the District, or (b) is required by, or better complies with,

the provisions of paragraph (b)(5) of the Rule; (ii) this section as so amended or supplemented would have complied with the requirements of paragraph (b)(5) of the Rule at the time of the primary offering of the Bonds, giving effect to any change in circumstances applicable under clause (i)(a) and assuming that the Rule as in effect and interpreted at the time of the amendment or supplement was in effect at the time of the primary offering; and (iii) such amendment or supplement does not materially impair the interests of the Bondowners under the Rule.

If the Disclosure Information is so amended, the District agrees to provide, contemporaneously with the effectiveness of such amendment, an explanation of the reasons for the amendment and the effect, if any, of the change in the type of financial information or operating data being provided hereunder.

- (3) This section is entered into to comply with the continuing disclosure provisions of the Rule and should be construed so as to satisfy the requirements of paragraph (b)(5) of the Rule.

SECTION 8. STATE PAYMENT; DISTRICT AND REGISTRAR OBLIGATIONS. The District hereby covenants and obligates itself to notify the Commissioner of Education (the Commissioner) of any potential default in the payment of the principal of or interest on the Bonds and to use the provisions of Minnesota Statutes, Section 126C.55 (the State Payment Law), to guarantee, to the extent permitted by law, payment of the principal of and interest on the Bonds when due. The District further covenants to deposit with the Registrar not less than three business days prior to each February 1 and August 1 as set forth in Section 2.03 hereof, an amount sufficient to make that payment or to notify the Commissioner as provided in the State Payment Law that it will be unable to make all or a portion of such payment. The Registrar will notify the Commissioner if it becomes aware of a potential default in the payment of principal of and interest on the Bonds on any payment date or if, on the date two business days prior to the date on which a payment is due, there are insufficient funds on deposit with the Registrar to make the required payment on such date. The Registrar will cooperate with the District, the Commissioner and the Commissioner of Management and Budget in implementing the provisions of the State Payment Law. In the event that amounts sufficient to make any such interest or principal payment are held by an escrow or paying agent and invested as authorized by Minnesota Statutes, Chapter 475 and such escrow or paying agent is required to use proceeds from such investment to pay to the Registrar the amount necessary to pay such interest or principal on such payment date, then the requirements of the State Payment Law relating to the deposit of such amounts with the Registrar prior to the payment date of such interest or principal shall be deemed satisfied and neither the District nor the Registrar shall be required to notify the Commissioner that insufficient funds are available to pay such interest or principal on such payment date. The District shall do all other things which may be necessary to perform the Bonds hereby undertaken under the State Payment Law, including any requirements hereafter adopted by the Commissioner of Management and Budget or the Commissioner.

REGISTERED OWNER: CEDE & CO.

INDEPENDENT SCHOOL DISTRICT NO. 284 (WAYZATA PUBLIC SCHOOLS), HENNEPIN COUNTY, STATE OF MINNESOTA (the District), acknowledges itself to be indebted and for value received hereby promises to pay to the registered owner specified above, or registered assigns the principal sum specified above on the maturity date specified above, and to pay interest thereon from the date of original issue specified above, or from the most recent interest payment date to which interest has been paid or duly provided for, at the annual rate specified above, payable on February 1 and August 1 in each year, commencing August 1, 2026, to the person in whose name this Bond is registered at the close of business on the fifteenth day (whether or not a business day) of the immediately preceding month, all subject to the provisions referred to herein with respect to the redemption of the principal of this Bond prior to its stated maturity. The interest hereon and, upon presentation and surrender hereof at the principal office of the Registrar described below, the principal hereof, are payable in lawful money of the United States of America by check or draft drawn on Bond Trust Services Corporation, in Minneapolis, Minnesota, as bond registrar, transfer agent and paying agent, or its successor designated under the bond resolution described herein (the Registrar). For the prompt and full payment of such principal and interest as the same respectively become due, the full faith and credit and taxing powers of the District have been and are hereby irrevocably pledged.

This Bond is one of an issue in the aggregate principal amount of \$32,470,000 (the Bonds), issued by the District to provide funds to refund certain outstanding general obligation school building and alternative facilities bonds of the District, and is issued pursuant to and in full conformity with a resolution adopted by the School Board on April 20, 2026 (the Bond Resolution), and pursuant to and in full conformity with the Constitution and laws of the State of Minnesota thereunto enabling, including Minnesota Statutes, Chapter 475. The Bonds are issuable only in fully registered form, in denominations of \$5,000 or any integral multiple thereof, of single maturities.

The Bonds maturing on and after February 1, 2035 are each subject to redemption and prepayment at the option of the District, in whole or in part, in such order as the District shall determine and, within a maturity, by lot as selected by the Registrar in multiples of \$5,000, on February 1, 2033, and on any date thereafter, at a price equal to the principal amount thereof plus interest accrued to the date of redemption.

The District will cause notice of the call for redemption to be published as required by law and, at least thirty (30) days prior to the designated redemption date, will cause notice of the call thereof to be mailed by first class mail to the registered owner of any Bond to be redeemed at the owner's address as it appears on the bond register maintained by the Registrar, but no defect in or failure to give such mailed notice of redemption shall affect the validity of proceedings for the redemption of any Bond not affected by such defect or failure. Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the District shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon partial redemption of any Bond, a new Bond or Bonds will be delivered to the registered owner without charge, representing the remaining principal amount outstanding.

As provided in the Bond Resolution and subject to certain limitations set forth therein, this Bond is transferable upon the books of the District at the principal office of the Registrar, by the registered owner hereof in person or by the owner's attorney duly authorized in writing upon surrender hereof together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or the owner's attorney, and may also be surrendered in exchange for Bonds of other authorized denominations. Upon such transfer or exchange, the District will cause a new Bond or Bonds to be issued in the name of the transferee or registered owner, of the same aggregate principal amount, bearing interest at the same rate and maturing on the same date, subject to reimbursement for any tax, fee or governmental charge required to be paid with respect to such transfer or exchange.

The District and the Registrar may deem and treat the person in whose name this Bond is registered as the absolute owner hereof, whether this Bond is overdue or not, for the purpose of receiving payment and for all other purposes, and neither the District nor the Registrar shall be affected by any notice to the contrary.

Notwithstanding any other provisions of this Bond, so long as this Bond is registered in the name of Cede & Co., as nominee of The Depository Trust Company, or in the name of any other nominee of The Depository Trust Company or other securities depository, the Registrar shall pay all principal of and interest on this Bond, and shall give all notices with respect to this Bond, only to Cede & Co. or other nominee in accordance with the operational arrangements of The Depository Trust Company or other securities depository as agreed to by the District.

IT IS HEREBY CERTIFIED, RECITED, COVENANTED AND AGREED that all acts, conditions and things required by the Constitution and laws of the State of Minnesota to be done, to happen, to exist and to be performed precedent to and in the issuance of this Bond in order to make it a valid and binding general obligation of the District according to its terms have been done, have happened, do exist and have been performed in regular and due form, time and manner as so required; that, prior to the issuance hereof, a direct, annual, ad valorem tax has been duly levied upon all taxable property in the District for the years and in amounts not less than five percent in excess of sums sufficient to pay the interest hereon and the principal hereof as the same respectively become due; that additional taxes, if needed to meet the principal and interest requirements of the Bonds, shall be levied upon all such property without limitation as to rate or amount; and that the issuance of the Bonds does not cause the indebtedness of the District to exceed any constitutional or statutory limitation of indebtedness.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Bond Resolution until the Certificate of Authentication hereon shall have been executed by the Registrar by manual signature of one of its authorized representatives.

IN WITNESS WHEREOF, Independent School District No. 284 (Wayzata Public Schools), Hennepin County, State of Minnesota, by its School Board, has caused this Bond to be executed on its behalf by the facsimile signatures of the Chairperson and Clerk.

SIGNATURE, NO-LITIGATION AND ARBITRAGE
CERTIFICATE AND PURCHASE PRICE RECEIPT

The undersigned hereby certify that we are the Chairperson and Clerk, respectively, of Independent School District No. 284 (Wayzata Public Schools), Minnesota (the District), and that:

1. In our capacities as such officers, we have caused facsimiles of our true and correct signatures to be affixed to each bond of an issue of \$32,470,000 General Obligation School Building and Alternative Facilities Refunding Bonds, Series 2026A, dated as of April 30, 2026 (the Bonds). We are duly qualified and acting as such officers and duly authorized to execute the Bonds and we hereby ratify, confirm and adopt the facsimile signatures on each and all of the Bonds as the true and proper signatures for the execution thereof. The Bonds are in fully registered form. The Bonds have been in all respects duly executed for delivery pursuant to authority conferred upon us as such officers and no obligations other than the Bonds have been issued pursuant to such authority.

2. The Bonds mature on the dates, bear interest at the rates and are substantially in the form prescribed by a resolution duly adopted by the governing body of the District on April 20, 2026 (the Bond Resolution) and the Bond Purchase Agreement between the District and D.A. Davidson & Co. (the Purchaser) dated April 1, 2026 (the Purchase Agreement). The Bond Resolution has not been amended or repealed and the Purchase Agreement has not been amended or terminated.

3. We have delivered the Bonds to Bond Trust Services Corporation, in Minneapolis, Minnesota, as bond registrar (the Registrar), for authentication and delivery to The Depository Trust Company on behalf of the Purchaser.

4. None of the proceedings or records which have been certified to the Purchaser or to Dorsey & Whitney LLP, the attorneys rendering an opinion as to the validity of the Bonds has been in any manner repealed, amended or changed. There has been no material change in the financial condition of the District or the facts affecting the Bonds.

5. No litigation of any nature is now pending or, to the best of our knowledge, threatened as described or contemplated by the Purchase Agreement, seeking to restrain or enjoin the issuance or delivery of the Bonds, execution or delivery of the Purchase Agreement, or the levy or collection of any ad valorem taxes to pay principal of or interest on the Bonds, or in any manner questioning the authority or proceedings for the issuance of the Bonds or the application of the proceeds thereof or for the levy or collection of ad valorem taxes, or affecting the validity of the Bonds, or the Purchase Agreement, or questioning the corporate existence or boundaries of the District or the title of any of the present officers thereof to their respective offices.

6. The Preliminary Official Statement, dated March 27, 2026, and the Final Official Statement, dated April 1, 2026 (the Official Statement), prepared on behalf of the District for the issuance of the Bonds by Ehlers & Associates, Inc., in Minneapolis, Minnesota, independent municipal advisor to the District, did not as of the dates thereof, and do not as of the date hereof, contain any misstatement of a material fact or omit to state any material fact necessary to make

the statements contained therein, in light of the circumstances in which they are made, not misleading.

7. The District has duly performed all of its obligations to be performed at or prior to the date hereof and each of the District's respective representations and warranties contained in the Purchase Agreement is true as of the date hereof, and the District has authorized, by all necessary action, the execution, delivery, receipt and due performance of the terms and provisions of the Bonds, the Bond Resolution, the Purchase Agreement and any and all such other agreements and documents as may be required to be executed, delivered and received by the District in order to carry out, give effect to and consummate the transactions contemplated by the Purchase Agreement and by the Official Statement.

8. The execution, delivery, receipt and due performance of the Bonds, the Bond Resolution, the Purchase Agreement, the Dealer Manager Agreement between the District and D.A. Davidson & Co. (the Dealer Agreement) and the other agreements contemplated by the Purchase Agreement and by the Official Statement under the circumstances contemplated by the Purchase Agreement and by the Official Statement and compliance with the provisions thereof will not conflict with or constitute a breach of or a default under any existing law, court or administrative regulation, decree or order or any resolution, agreement, indenture or other instrument to which the District is subject or by which it is or may be bound;

9. This certificate is given, in part, to establish the reasonable expectations of the District regarding the amount and use of the gross proceeds of the Bonds. The facts and expectations set forth herein are reasonable and the District does not reasonably expect that the Bonds will be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986 (the Code) and applicable Treasury Regulations (the Regulations).

10. The Bonds are being issued to provide funds, together with any additional funds of the District which might be required, to refund in advance of maturity and prepay on or about April 30, 2026 (the Redemption Date), pursuant to and as part of a tender offer to current bondholders, a portion of the 2027 through 2036 maturities of the District's outstanding \$132,865,000 Taxable General Obligation School Building and Alternative Facilities Refunding Bonds, Series 2021A, dated originally as of July 22, 2021 (the Refunded Bonds).

11. The Bonds are generally considered a single "issue" for all purposes of Section 103 and Sections 141 through 150 of the Code because they were sold at substantially the same time (*i.e.*, less than 15 days apart) pursuant to the same plan of financing and are reasonably expected to be paid from substantially the same source of funds. The District has not entered into and will not enter into a binding written contract at substantially the same time as the sale date of the Bonds for the sale or exchange of any tax-exempt obligation pursuant to the same plan of financing as the Bonds that is reasonably expected to be payable from substantially the same source of funds as the Bonds.

12. On the date hereof (the Closing Date), the District received from the Purchaser the purchase price of the Bonds, \$35,692,415.00 (\$32,470,000 for the principal amount of the Bonds, plus original issue premium of \$3,401,000.00, less underwriter's discount of \$178,585.00), no

interest having accrued to the date hereof, and the Registrar was thereupon directed to deliver the Bonds to The Depository Trust Company on behalf of the Purchaser.

13. Of the amount set forth in paragraph 12 hereof, proceeds of the Bonds will be used as follows: \$35,359,892.76 will be deposited in a special escrow account established pursuant to an Escrow Agreement between the District and Zions Bancorporation, National Association, to be applied to their redemption and prepayment on the Redemption Date and \$332,522.24 will be used on or about the Closing Date to pay costs of issuance of the Bonds (representing costs of legal services, financial consulting services, advertising and printing and similar items).

14. The purpose of refunding the Refunded Bonds is to enable the District to achieve a debt service savings of approximately \$1,872,366.30 on a present value basis.

15. The Bonds have been sold at negotiated sale. To the best of our knowledge, the price paid for the Bonds by the Purchaser is reasonable under customary standards applied in the market.

16. As shown in the Certificate of Municipal Advisor, the yield on the Bonds (the Bond Yield) computed on the basis of the information set forth herein, and otherwise in accordance with the Code and the Regulations is 2.9729027% per annum. The Bond Yield has been calculated, as provided in Section 1.148-4(b) of the Regulations, as that discount rate which when used in computing the present value as of the issue date of all unconditionally payable payments of principal, interest and fees paid or reasonably expected to be paid for qualified guarantees on the Bonds, produces an amount which is equal to the present value, using the same discount rate, of the aggregate issue price thereof.

17. The Bonds have been made payable primarily from the General Obligation School Building and Alternative Facilities Refunding Bonds, Series 2026A Debt Service Fund created by the Bond Resolution (the Debt Service Fund). The collections of ad valorem taxes and other amounts appropriated to the Debt Service Fund are estimated to be sufficient, but not in excess of the amounts required, to pay the principal of and interest on all Bonds payable therefrom when due and it is not expected that any of such Bonds or the interest thereon will be paid from any other account or fund of the District and no other fund or account is pledged as security for the payment of the Bonds. The Debt Service Fund is expected to be depleted annually on February 1, except for a “reasonable carryover” as permitted by the definition of a “bona fide debt service fund” in Section 1.148-1(b) of the Regulations. The Debt Service Fund will constitute a “bona fide debt service fund” as defined in Section 1.148-1(b) of the Regulations.

18. Proceeds of the Bonds in the amount of \$35,359,892.76 will be used to refund the Refunded Bonds on the Redemption Date, which is not more than 90 days after the Closing Date. All of the proceeds of the Refunded Bonds, other than the amounts in the debt service fund for the Refunded Bonds (which will be used to pay principal and interest on the Refunded Bonds on or before the Redemption Date), have been expended for the purposes for which the Refunded Bonds were issued. Accordingly, there will be no “transferred proceeds” of the Refunded Bonds.

19. No proceeds of the Bonds will be used to pay principal, interest, or redemption price on another issue, and no proceeds of the Bonds will be allocated to reimburse an original expenditure paid by another obligation.

20. The proceeds of the Refunded Bonds were expended solely for financing or refinancing costs of the acquisition and betterment of school facilities in the District, which facilities are owned and operated by the District and used for its educational purposes. The District has not and will not enter into any lease, operating agreement, management agreement or other contractual arrangement that would cause the Bonds to be considered “private activity bonds” as defined in Section 141 of the Code and applicable Regulations. Property financed or refinanced with the proceeds of the Bonds is not expected to be sold or disposed of, in whole or in part, prior to the last maturity date of the Bonds.

21. No portion of the proceeds of the Bonds will be used, directly or indirectly, to make or finance loans to any other person. No proceeds of the Bonds will be used to make a prepayment for goods or services more than 90 days prior to the reasonably expected date of delivery to the District of all of the goods or services for which the prepayment was made.

22. No portion of the Bonds is issued for the purpose of investing the proceeds thereof at a yield higher than the Bond Yield. The sale proceeds of the Bonds, including income from the investment thereof, do not exceed the amount necessary for the governmental purposes of the Bonds. Other than amounts deposited into the Debt Service Fund, it is not expected that any other replacement proceeds of the Bonds will arise subsequent to the issuance of the Bonds.

23. The District reasonably expects that the term of the Bonds is no longer than is reasonably necessary for the governmental purposes of the Bonds. The weighted average maturity of the Bonds (6.187 years) does not exceed 120% of the remaining average reasonably expected economic life of the facilities being refinanced by the Bonds. The remaining weighted average maturity of the Refunded Bonds is 6.559 years.

24. Except as provided in this paragraph, prior to allocation to expenditures, all gross proceeds of the Bonds shall be invested at a yield not in excess of the Bond Yield until they cease to be gross proceeds:

- a. The following may be invested without yield restriction during the indicated temporary period:
 - i. amounts in the sinking fund established for the Refunded Bonds for a period of 90 days from the Closing Date;
 - ii. amounts on deposit in the Debt Service Fund (to the extent it qualifies as a “bona fide debt service fund”) for a period of 13 months from the date received;
 - iii. any other investment proceeds for a period of one year from the date received;
 - iv. any other replacement proceeds for a period of 30 days from the date that the amounts are first treated as replacement proceeds; and

- v. any other gross proceeds for a period of 30 days from the date received.
- b. Gross proceeds of the Bonds may be invested without yield restriction to the extent the District makes permissible yield-reduction payments with respect to such investment in the manner provided in Section 1.148-5(c) of the Regulations.
- c. At any time gross proceeds of the Bonds do not qualify for investment at a yield in excess of the Bond Yield pursuant to an applicable temporary period, such gross proceeds (if not held in a refunding escrow) may be invested without yield restriction as part of the “minor portion” as set forth in Section 148(e) of the Code. The Bonds are treated as a single issue for purposes of determining the minor portion, and, therefore, the “minor portion” amount is \$100,000.

25. No amounts held in the sinking fund established for the Refunded Bonds or Debt Service Fund will be used to acquire an investment (including a bank deposit) for an amount in excess of the fair market value of such investment, and no such investment will be sold or otherwise disposed of for an amount less than the fair market value of the investment. The District acknowledges that, except as is otherwise provided in Section 1.148-5(d)(6) of the Regulations, an investment that is not of a type traded on an established securities market, within the meaning of Section 1273 of the Code, is rebuttably presumed to be acquired or disposed of for a price that is not equal to its fair market value.

26. The District has covenanted and agreed with the registered owners from time to time of the Bonds that it will not take or permit to be taken by any of its officers, employees or agents any action that would cause the interest on the Bonds to become subject to taxation under the Code and applicable Regulations and has also covenanted and agreed to retain such records, make such determinations, file such reports and documents and pay such amounts at such times as are required under Section 148(f) of the Code and applicable Regulations to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes. The District shall take such actions and make, or cause to be made, all calculations, transfers, and payments that may be necessary to comply with the rebate requirements under Section 148(f) of the Code and the Regulations promulgated thereunder. The District expects to satisfy the “6-month exception” of Section 1.148-7(c) of the Regulations with respect to the Bonds, which provides that the Bonds are treated as satisfying the rebate requirement if (a) the gross proceeds (as that term is modified by Section 1.148-7(c)(3) of the Regulations) are allocated to expenditures for the governmental purposes of the Bonds within the 6-month period beginning on the issue date thereof and (b) the rebate requirement is met for amounts not required to be spent within the 6-month spending period (excluding earnings on a bona fide debt service fund).

27. At the time of issuance of the Refunded Bonds, the District reasonably expected that at least 85% of the net sale proceeds of the Refunded Bonds would be used for the governmental purposes of the Refunded Bonds within three years of their issue date and that not more than 50% of the proceeds of the Refunded Bonds would be invested in nonpurpose investments having a substantially guaranteed yield for four years or more.

28. The Bonds will not be “federally guaranteed” within the meaning of Section 149(b) of the Code.

29. The District will retain detailed records and documents relating to the expenditure of proceeds of the Bonds, the use of the facilities financed or refinanced thereby, and the investment of sale and investment proceeds until at least three years following the retirement of all the Bonds or any tax-exempt or tax-advantaged obligations that refund the Bonds. The District acknowledges that such records may be necessary to support the exclusion of interest on the Bonds from gross income.

30. To the best of the knowledge and belief of the undersigned, the expectations of the District, as set forth above, are reasonable, and there are no present facts, estimates or circumstances which would change the foregoing expectations.

31. The “issue price” of the Bonds is \$35,871,000, which is the aggregate of the issue prices determined separately for each maturity of the Bonds (treating Bonds with the same maturity date but different credit or payment terms as separate maturities). The issue price of the Bonds has been determined using the first price at which 10% of each maturity of the Bonds was sold to the public, pursuant to the general rule provided by Section 1.148-1(f)(2)(i) of the Regulations and as evidenced by the Purchaser Issue Price’s Certificate.

Independent School District No. 284 (Wayzata Public Schools), Minnesota
General Obligation School Building and Alternative Facilities Refunding Bonds, Series 2026A]

ESCROW AGREEMENT

THIS ESCROW AGREEMENT (the Agreement), made and entered into by and between Independent School District No. 284 (Wayzata Public Schools), Minnesota (the District), and Zions Bancorporation, National Association (the Agent);

WITNESSETH, that the parties hereto recite and, in consideration of the mutual covenants and payments referred to and contained herein, covenant and agree as follows:

1. The District has issued its \$32,470,000 General Obligation School Building and Alternative Facilities Refunding Bonds, Series 2026A (the Bonds), to prepay on April 30, 2026 (the Redemption Date), pursuant to and as part of a tender offer to current bondholders, a portion of the 2027 through 2036 maturities of the District's outstanding \$132,865,000 Taxable General Obligation School Building and Alternative Facilities Refunding Bonds, Series 2021A, dated originally as of July 22, 2021 (the Refunded Bonds, as shown in Exhibit A attached hereto). The purpose of the refunding of the Refunded Bonds is to achieve debt service savings.

2. The District has also, in accordance with a resolution adopted by the School Board of the District on April 20, 2026 (the Bond Resolution), simultaneously with the execution of this Agreement, transmitted Bond proceeds in the amount of \$35,359,892.76 to the Agent for deposit into the Escrow Account (as hereinafter defined) to be deposited as a beginning cash balance in the escrow account hereinafter established.

3. The Escrow Agent agrees to apply the funds received from the District in the manner and for the purposes set forth in Section 2 hereof and this Section. The Agent acknowledges receipt of the cash described in Section 2 and agrees that it will hold such cash in a special escrow account, hereinafter called the Escrow Account, in the name of the District, and will collect and receive on behalf of the District all payments of principal and interest on such cash. On the Redemption Date, the Agent will remit directly to The Depository Trust Company of New York, New York, the sum of \$35,359,892.76 from the Escrow Account to pay the total principal amounts of the Refunded Bonds called for redemption on such date in accordance with the attached Exhibit B. Any remaining funds in the Escrow Account after such transfers shall be remitted to the District.

4. In order to ensure continuing compliance with the Internal Revenue Code of 1986, as amended (the Code), and present Treasury Regulations promulgated thereunder, the Agent agrees that (except as provided in the next paragraph hereof) it will not reinvest any moneys received in payment of the principal of and interest on the cash held in the Escrow Account. Said prohibition on reinvestment shall continue unless and until an opinion is received from nationally recognized bond counsel that reinvestments in general obligations of the United States or obligations the principal of and interest on which are guaranteed as to payment by the United States, as specified in said opinion, may be made in a manner consistent with the Code and then existing Treasury Regulations.

5. The Agent acknowledges that arrangements satisfactory to it for payment of its compensation for all services to be performed by it as Agent under this Agreement have been

made. The Agent expressly waives any lien upon or claim against any funds in the Escrow Account.

6. Within 60 days following the close of the Escrow Account, the Agent shall submit to the District a report covering all money it shall have received and all payments it shall have made or caused to be made hereunder during the preceding fiscal year or portion thereof.

7. It is recognized that title to the cash held in the Escrow Account from time to time shall remain vested in the District but subject always to the prior charge and lien thereon of this Agreement and the use thereof required to be made by the provisions of this Agreement. The Agent shall hold all such cash in a special escrow account separate and wholly segregated from all other funds and securities of the Agent or deposited therein. It is understood and agreed that the responsibility of the Agent under this Agreement is limited to the safekeeping and segregation of the cash deposited with it in the Escrow Account, and the collection of and accounting for the principal and interest payable with respect thereto.

8. This Agreement is made by the District for the benefit of the holders of the Bonds and the Refunded Bonds, as their interests may appear, under and pursuant to Minnesota Statutes, Section 475.67, and is not revocable by the District, and the cash deposited in the Escrow Account and all income therefrom have been irrevocably appropriated for the payment and redemption of the Refunded Bonds on said date, in accordance with this Agreement. This Agreement may not be amended except to (i) sever any clause herein deemed to be illegal, (ii) provide for the reinvestment of moneys or the substitution of securities as permitted by Section 4 hereof or (iii) cure any ambiguity or correct or supplement any provision herein which may be inconsistent with any other provision, provided that the Agent shall determine that any such amendment shall not adversely affect the owners of the Refunded Bonds. In the event an amendment to this Agreement is proposed to be made pursuant to this Section 8, prior notice shall be given by first class mail, postage prepaid, to the following organization at the following address (or such other address as may be provided by the addressee) and shall be deemed effective upon receipt: Moody's Municipal Rating Desk/Refunded Bonds, 7 World Trade Center, 250 Greenwich Street, New York, New York 10007.

9. This Agreement shall be binding upon and shall inure to the benefit of the District and the Agent and their respective successors and assigns. In addition, this Agreement shall constitute a third party beneficiary contract for the benefit of the registered of the Bonds and Refunded Bonds, as their interests may appear. Said third party beneficiaries shall be entitled to enforce performance and observance by the District and the Agent of the respective agreements and covenants herein contained as fully and completely as if said third party beneficiaries were parties hereto.

10. Upon merger or consolidation of the Agent, if the resulting corporation is a bank or trust company authorized by law to conduct such business, such corporation shall be authorized to act as successor Agent. Upon the resignation of the Agent, which shall be communicated in writing to the District, or in the event the Agent becomes incapable of acting hereunder, the District reserves the power to appoint a successor Agent. No resignation shall become effective until the appointment of a successor Agent by the District.

11. This Agreement may be executed in several counterparts, each of which shall be deemed an original, and all of which shall constitute but one and the same instrument.

IN WITNESS WHEREOF the parties hereto have caused this Agreement to be duly executed by their duly authorized officers, on April 30, 2026.

1. **Possession.** Following the Closing pursuant to the Purchase Agreement, Seller shall be permitted to use and remain in possession of the Property (“Possession”) from the actual date of the Closing until December 31, 2026, at 4:00 p.m., unless sooner terminated in accordance with this Agreement (the “Termination Date”). The period of time from the Closing until the Termination Date shall be referred to as the “Term.” Nothing contained herein shall impose any duty on Buyer, whether express or implied, to permit Seller to remain in Possession after the Termination Date.

2. **Rent.** Seller shall pay Buyer a monthly rent of five hundred dollars (\$500.00) (“Rent”), on or before 5:00 P.M. on the 1st day of each month. 3. **Vacation and Final Inspection.** Seller shall vacate the Property on or before the Termination Date and deliver exclusive physical possession of the Property to Buyer. For all the purposes of this Agreement, Seller shall not be deemed to have vacated the Property until Seller: (1) delivers the Property, including all fixtures and structures as described in Paragraph 7, to Buyer in substantially the same condition as existed on the Closing, reasonable wear and tear excepted; (2) delivers all keys to Buyer; and (3) removes all of Seller's personal property, including appliances other than heating and cooling system components, from the Property.
