Farmington Public Schools' Board of Education hosting Community Dialogue on STEAM Opportunities

Farmington, MI – The Farmington Public Schools' (FPS) Board of Education is hosting a Community Dialogue with the topic of STEAM Opportunities at FPS. The Dialogue will be held Tuesday, February 4, at 6:30 p.m.

From the recent Cobalt Community Survey, parents and community members were interested in more STEM (Science, Technology, Engineering, and Math) or STEAM (Science, Technology, Engineering, Arts, and Math) opportunities for students.

This important dialogue is a great opportunity to interact and to get to know your school board members and engage in a discussion about STEAM opportunities.

The event will be held at the Maxfield Education Center located at 32789 W. Ten Mile Road in Farmington. Attendees are asked to park in the South parking lot. Light refreshments will be served.

STEAM Opportunities

From the recent Cobalt Community Survey, parents and community members were interested in more STEM (Science, Technology, Engineering, and Math) or STEAM (Science, Technology, Engineering, Arts, and Math) opportunities for students. We would like to explore this topic with you to understand what this may look like to you.
