District Talent Development Committee Update

Presented by:

Gazell Watkins, HR Generalist, Committee Chair
Brad Paddock, Assistant Superintendent,Talent Development

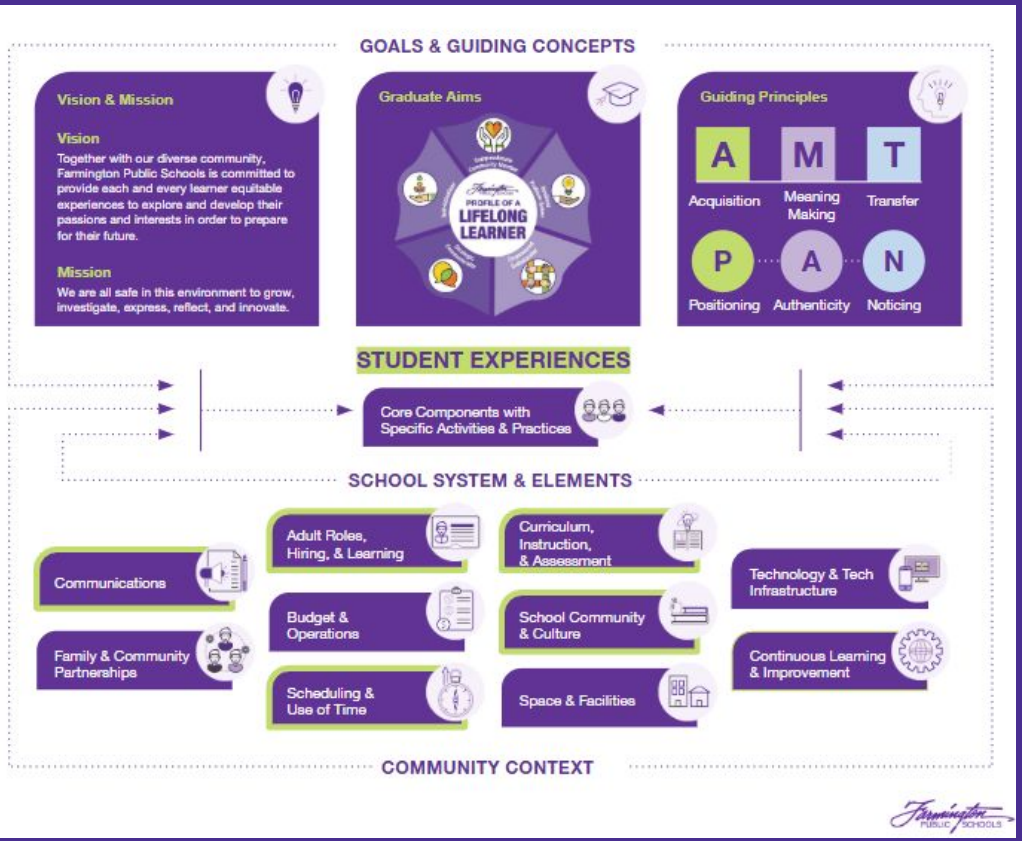

Committee Work Connects to the Blueprint

A Blueprint for Every Learner's Success

At Farmington Public Schools, every decision we make, from how we structure our classrooms to how we support students' well-being, is guided by a clear and thoughtful framework for learning and growth. This School Design Blueprint shows how all the pieces of our educational system work together to support students at every level.

This Blueprint is a commitment to belonging, academic excellence, real-world learning, and strong relationships. Each part is designed to make sure students feel known, challenged, and prepared for whatever comes next. See how our programs, supports, and priorities connect, and how they're all part of a bigger picture: each student's lifelong success.

The FPS Blueprint reflects a commitment to transforming student experiences in big, meaningful ways.

The History and The Why

The Talent Development Committee was established with stakeholders from across Farmington Public Schools to bring forward innovative ideas, diverse perspectives, and a shared vision for developing talent across the district. Since its inception, the committee has made significant progress, including the development and implementation of the A.R.K. Talent Development Model, the creation of the Staff Portrait, the expansion of recruitment and onboarding practices, and focused subcommittees to drive this work forward.

A collaborative, strategic, coordinated approach to Attract, Recruit and Keep high-quality staff.

Aligns recruitment, onboarding, and retention ideas and projects to create a strong and sustainable workforce for Farmington Public Schools.

Using the ARK as the anchor to conversation…

Attract

"Update/Modernize our entrances to Gyms (athletic spaces) and Auditorium. These are the focal points of our buildings. They look uninviting, bland and give of the notion that we don't care what physical condition or buildings are in and that spills off into thinking the organization is second rate/subpar when compared to other districts we could work in."

"Job Fair "Attraction/Recruiting. Build relationships with colleges and universities including HBCUs. Participate in local and virtual job fairs. District video and social media presence"

Recruit

"Setting up a computer lab with maybe people to assist people in filling out applications, etc. I mentioned this for enrollment as well. It might be helpful especially in some of the lower paying jobs. Might get some good workers, that just are not tech savvy."

KEEP

"Ways to treat our staff like VIP's:
Let us know we get into all sporting events and concerts by showing our badges (FPS does this already but hardly anyone knows about this). Survey the staff for input regarding new initiatives and/or for ways to improve what we have in place already. Provide school specific/district swag for "at-cost" prices. -provide a "switch" roles/building days (a way to breakup the routine of regular days. Surprise staff with a staff lounge makeover
Kick off the school year with a fun/spirited message or "talk school" format as a way yo make that first day back with all staff fun, uplifting, positive and motivating. Marching band in the auditorium, staff jazz band on stage, comedian with a educational message."

Subject: Oakland Schools Budget Review

The transmittal letter from Oakland Schools provides a general description of the requirements of the school code related to the general fund operating budget of Oakland Schools. The law requires a resolution of support or disapproval of the general operations budget, identified as the General Education Fund budget, by each of the 28 constituent districts prior to June 1st.

The Enterprise Wide Executive Summary outlines the budget development assumptions for all funds of the ISD. This summary gives a very high level of some of the key components of taxable value as the majority of the receipts for their funding come from a millage rate multiplied by taxable value. As taxable value changes, the amount available to appropriate changes as well. They are estimating an increase in taxable value for 2026/27 of 3.4%. Funding for ISDs differs from funding for local districts in that a positive change in taxable value increases the available dollars for them to spend to support their constituency.

The complete budget document along with the transmittal letter and resolutions to support or disapprove the general operations budget are included in the board packet. The budget document provides information on all funds of the ISD to provide a perspective on their budgeting process.

The specifics of the General Education Fund 5 year forecast provides the overall explanation of the revenues and expenditures of the funds with a forecast similar to how you have seen forecasts for Farmington previously.

There will be a Designates meeting on April 29, 2026 at 6:00 PM at Oakland Schools for the purpose of reviewing their budget. This provides an opportunity for the Board Designate to review this information first hand. I would be happy to forward your questions to Oakland Schools to be addressed prior to your vote on May 20th. Oakland Schools has asked for at least 5 days to respond to questions and inquiries.

March 25, 2026

Dear Board of Education Designate:

The Oakland Schools Board of Education and I invite you to review the enclosed proposed Oakland Schools budget for FY 2026-27. Per the Michigan School Code, Section 380.624(2), the proposed FY 2026-27 **General Fund budget** is to be submitted to its constituent district Boards of Education for review. For transparency purposes, Oakland Schools has included the budgets for all of our funds in the enclosed document; however, it is only the **General Fund budget** upon which constituent districts vote. More details regarding the timing of the Designates meeting and your board resolution appear near the end of this transmittal letter.

As you know, Oakland Schools is primarily funded by property tax dollars, and we are projecting a growth factor in Oakland Schools' property tax revenues of 3.4%. Tax revenue projections are conservative compared to Oakland County taxable value increase projections as actual taxable value figures are not available during the preparation of this budget.

Please refer to the Enterprise-Wide Executive Summary for a discussion of key projects and initiatives contained in the 2026-27 budget, including but not limited to:

- Artificial Intelligence (AI) Strategy and Capacity Building
- Special Populations Continuum of Supports
- Social-Emotional Wellbeing and Mental Health Support
- Nanotechnology, Artificial Intelligence and Synthetic Biology (NAIS) Lab
- Oakland Schools Technical Campus Renovations
- Business Office Residency Program
- Human Resources Leadership Academy (HRLA)
- Essential Practices in Instruction ⇄ Capacity & Coherence (EPIC) Numeracy Project
- Literacy Essentials Oakland (LEO)

Subsidies
Oakland Schools provides over $1.4 million in subsidies for software and other instructional tools in the areas of Career and Technical Education and curriculum and assessment. The subsidies provided in the 2026-27 budget are detailed within this document and are exclusive of pass-through grant funds, other district allocations and the cost of dedicated staff who support student and HR/Finance software and applications.

Personnel Costs
Step increases for those employees who are eligible are included in the 2026-27 budget along with a 2.0% salary increase for all staff. All union salary changes, including step adjustments, are subject to collective bargaining.

PA-18 Special Education Funding
Oakland Schools receives property tax revenue for support of Special Education programs. The base distribution of PA-18 funding to local school districts is budgeted to increase approximately $5.2 million or 2.9%. Additionally, $2.5 million is budgeted for other LEA distributions for group home expenditures,

reimbursements to districts for educating incarcerated youth, special education program startup and extraordinary expenditures and capital. The budget also contains $5.0 million for the construction of an Autism Spectrum Disorder (ASD) Center Program in Oxford. In FY 2025-26, Oakland Schools distributed additional PA-18 funds totaling $5.8 million above the base distribution.

Planning for the Future
Oakland Schools is dedicated to sound financial planning and preparing for economic uncertainties in the future. In that regard, we utilize a five-year forecast that is updated with each budget amendment and incorporates projections from Oakland County Equalization for taxable values. We also maintain a five-year capital plan that is updated annually to prepare for necessary improvements and upgrades to facilities and equipment.

Please be assured that we will continue to work hard to ensure that the budget reflects our continued commitment to increasing student achievement, using economies of scale to decrease operating costs for local districts, customizing and regionalizing programs and services to meet the diverse needs of our constituent school districts, and assisting schools and districts in meeting state and federal mandates.

Per the Michigan School Code, Section 380.624(2), the proposed FY 2026-27 **General Fund budget** is to be submitted to its constituent districts' Boards of Education for review by May 1. Not later than June 1, the board of each constituent district shall adopt a resolution of support or non-support of the **General Fund budget**. A presentation of the budget to our 28 local school district business managers is scheduled to occur at their meeting of the Oakland County School Business Officials on April 17, 2026. The Oakland Schools Board of Education will then hold a Designates Meeting on April 29 at 6:00 PM, providing local board designates and district administration an opportunity to review the General Fund budget prior to submitting their board's resolution to Oakland Schools on or before June 1, 2026. Please note that while Oakland Schools provides all our fund budgets to our constituent districts for review, LEA Designates are only voting on the General Fund budget.

The Oakland Schools Board of Education will hold a Truth in Budgeting hearing on June 1 and will consider the FY 2026-27 proposed budget documents for approval during its regular meeting that night. Should you have any questions regarding the budget, please contact my office at 248.209.2424. All questions will receive prompt replies.

Sincerely,

Kenneth Gutman

March 11, 2026

Dear Local District Board Secretary:

The purpose of this letter is to advise you that an election for one (1) six-year term on the Oakland Schools Board of Education will be held on **Monday, June 1, 2026**.

Oakland Schools board members are elected by an electoral body composed of one (1) person designated by the board of each constituent school district. The Revised School Code prescribes that each constituent school district board must designate a representative to this electoral body by adopting a resolution which:

a. Designates the person to vote in the election on behalf of the local district board;
b. Directs the designee which candidate the board supports for each position to be filled; and
c. Directs the designee to vote for those individuals, at least on the first ballot taken by the electoral body.

Designated electors must cast their ballots **in person** at the election scheduled to take place between 5:30–7:30 PM on Monday, June 1, 2026 in the Oakland Schools Conference Center located at 2111 Pontiac Lake Road in Waterford. **The revised ISD election law prohibits the acceptance of absentee ballots.**

Should a tie vote occur, it will be necessary for your district's Designate or Alternate to cast a second and subsequent ballot in person at Oakland Schools (Agenda Item J). The timeframe to cast a second and subsequent ballot will be open for one hour after the *Announcement of the Election Results* (Agenda Item I). It is highly recommended that your district's Designate or Alternate remain present at the Board Election through the *Announcement of the Election Results*. Please note that only the districts whose Designate or Alternate appear in person to cast a second vote, and subsequent rounds of voting, will be counted toward the tally of tiebreaking results. A district's ballot from the first round of voting or the supplied Resolution will not count toward a second, or subsequent, round of voting. The re-voting process will continue until the candidate with the greatest number of votes is elected.

After your board has adopted its resolution as prescribed, please provide a copy of the resolution to the Oakland Schools Superintendent's office **by 4 PM Friday, May 29, 2026** via fax at 248.209.2206 or email at Nicole.Christian@oakland.k12.mi.us. This will enable us to compile a list of district designees prior to the election date.

Please note that no approved resolutions shall be accepted after this time/date. If the resolution is not filed, the constituent district will be unable to cast a vote during the June 1 election.

OAKLAND INTERMEDIATE SCHOOL DISTRICT

Election Date: June 1, 2026
Vote for One
Six Year Term Ending June 30, 2032

Filing Official
Oakland County Elections Division
West Wing Extension, 1st Floor
1200 N. Telegraph Rd., Dept. 417
Pontiac, MI 48341-0417
(248) 858-0563

Qualifications
A candidate for any seat on the Oakland Schools Board of Education must be a registered voter at least 18 years of age, a citizen of the United States, and must reside within one of Oakland County's school districts. Additionally, a candidate must be a resident of the State of Michigan for at least 30 days; and a resident of one of the 28 constituent school districts on or before the 30th day prior to the date of the election. A candidate for the 2026 election may also be currently seated on a local school district board of education.

Nominating Petitions, Filing Fee and Affidavits of Identity
Friday, May 1, 2026, at 4:00 p.m. is the last day to file petitions with the County Clerk. Petition and Affidavit of Identity forms are available at the Oakland County Elections Division, 1200 N. Telegraph Rd., Dept. 417, Pontiac 48341-0417.

A minimum of 40 and no more than 100 valid signatures is required for each candidate. Only qualified registered electors of the OAKLAND INTERMEDIATE SCHOOL DISTRICT may sign nominating petitions. Petitions must be circulated on a city/township basis. Electors may sign petitions for only as many candidates as there are persons to be elected to such office.

Those circulating petitions must be qualified registered electors in the State of Michigan. The circulator must sign each petition page – care must be taken to date the petition form **AFTER** it has been circulated. The County Clerk is responsible for determining the sufficiency of any petitions filed by OISD candidates and the eligibility of the candidates to seek a position on the OISD board.

A $100 nonrefundable fee may be filed by the candidate in lieu of a petition.

The statutes which govern the election of OISD board members through the meeting process provide that the chairperson of the meeting may accept nominations for an available position "from the floor" if no candidates filed for the position. Consequently, in an instance where no candidates file for an available ISD position, the ballot must contain several lines for the hand entry of the candidates who receive nomination at the meeting.

Conduct of Meeting
The President and Secretary of the OISD are responsible for convening and conducting any meetings held by the OISD to fill its board positions; County Clerks are not required to play any role in the conduct of the meetings.

THE REVISED SCHOOL CODE (EXCERPT)
Act 451 of 1976

380.614 Board; election of members; resolution; notice of meeting; acting chairperson and secretary; open meeting; term; vacancy; nominating petition; signatures; filing petition and affidavit; ballots; filing fee.

Sec. 614. (1) Except as provided in section 615 and subject to section 642c of the Michigan election law, MCL 168.642c, the members of the intermediate school board shall be elected biennially on the first Monday in June by an electoral body composed of 1 person designated by the board of each constituent school district.

(2) The board of a constituent district shall designate its representative to this electoral body by resolution adopted not earlier than 21 days before the date of this biennial election. The board shall consider the resolution at not less than 1 public meeting before adopting the resolution. The resolution shall be adopted by majority vote of the members serving on the board. In its resolution designating its representative, the board of a constituent district shall identify the candidate the board supports for each position to be filled on the intermediate school board and shall direct its representative to vote for that individual or individuals at least on the first ballot taken by the electoral body. The secretary of the intermediate school board shall send a notice by certified mail of the hour and place of the meeting of the electoral body described in subsection (1) to the secretary of the board of each constituent school district at least 10 days before the meeting. The president and secretary of the intermediate school board shall act as chairperson and secretary at the meeting. The meeting of the electoral body shall be an open meeting conducted in the manner prescribed under the open meetings act, 1976 PA 267, MCL 15.261 to 15.275.

(3) Except as provided in section 703, the term of office of each member elected to the intermediate school board is 6 years and begins on July 1 following election. Not more than 2 members of the intermediate school board shall be from the same school district unless there are fewer districts than there are positions to be filled.

(4) A vacancy shall be filled by the remaining members of the intermediate school board until the next biennial election at which time the vacancy shall be filled for the balance of the unexpired term. Notice of the vacancy shall be filed with the state board within 5 days after the vacancy occurs. If the vacancy is not filled within 30 days after it occurs, the vacancy shall be filled by the state board.

(5) Subject to subsection (7), a candidate for election to the intermediate school board shall be nominated by petitions that are signed by a number of school electors of the combined constituent school districts of the intermediate school district, as follows:

(a) If the population of the intermediate school district is less than 10,000 according to the most recent federal census, a minimum of 6 and a maximum of 20.

(b) If the population of the intermediate school district is 10,000 or more according to the most recent federal census, a minimum of 40 and a maximum of 100.

(6) A school elector may sign as many petitions as there are vacancies to fill. Nominating petitions and an affidavit as provided in section 558 of the Michigan election law, MCL 168.558, shall be filed with the school district filing official not later than 30 days before the date of the biennial election under subsection (1). The school district filing official shall determine the sufficiency of the petitions and the eligibility of the candidates nominated. The school district filing official shall provide ballots for the biennial election, listing on the ballots the names of all candidates properly nominated. The chairperson of the biennial election meeting may accept nominations for a vacancy from the floor only if no nominating petitions have been filed for the vacancy.

(7) Instead of filing nominating petitions, a candidate for election to the intermediate school board may pay a nonrefundable filing fee of $100.00 to the school district filing official. If this fee is paid by the due date for nominating petitions, the payment has the same effect under this section as the filing of nominating petitions.

Memorandum

To: FPS Board of Education

From: Wes Prescott, Director of Technology

Date: 05/05/2026

Subject: Technology Purchase - Title I Elementary iPads

FISCAL FUND IMPACT: Title I
IMPACT AMOUNT: $132,220.00
MEETING TYPE: Regular

EXECUTIVE SUMMARY/BACKGROUND:
As we continue to implement the vision for technology use, we maintain focus on access and equity for all. To better support students by utilizing multiple instructional methods there was an identified need for our early elementary students. The implementation of these iPads will help support small group instruction as well as provide more hands on learning for our students. These devices will be used to support differentiated instruction as well as early interventions and can be used for small group instruction utilizing the 'station' approach.

RECOMMENDATION:
Administration recommends that the Board of Education authorize the purchase from Apple in the amount of $132,220.00 supported by the Title I funds.

IMPACT IF NOT APPROVED:
Students won't have use of these devices.

NEXT STEPS IF APPROVED:
The devices will be purchased and deployed over the summer of 2026.

Subject: Technology Purchase - HS/CTE Laptop Refresh

FISCAL FUND IMPACT: 2020 Bond + CTE Funds
IMPACT AMOUNT: $439,560.00
MEETING TYPE: Regular

EXECUTIVE SUMMARY/BACKGROUND:
As we continue to implement the vision for technology use, we maintain focus on access and equity for all. This project will refresh the end of life laptops currently in use at each high school.

The devices are currently used to support the CTE programs at FHS, NFHS and FCH. We currently have 13 laptop carts with 320 total devices to support these programs. The project would refresh these devices and allow for continued access for students in those programs.

This purchase was planned for, and will be supported by, the 2020 Bond and available CTE funds and utilizes REMC Contract pricing.

RECOMMENDATION:
Administration recommends that the Board of Education authorize the purchase of 330 laptops from Sehi Computer Products in the amount of $439,560.00 utilizing REMC contract pricing and supported by CTE and 2020 Bond funds.

IMPACT IF NOT APPROVED:
These programs will not have the necessary technology to function efficiently.

NEXT STEPS IF APPROVED:
These devices will be deployed over the summer and in place for the start of the 2026-2027 school year.

EXECUTIVE SUMMARY/BACKGROUND:
As we continue to implement the vision for technology use, we maintain focus on access and equity for all. The current administrator devices are at the end of their useful life and are in need of replacement. This project would replace those devices. We typically utilize a 5 year replacement cycle for devices and this purchase aligns with that timeframe. This project was planned for, and will be supported by the 2020 Bond.

RECOMMENDATION:
Administration recommends that the Board of Education authorize the purchase from Apple in the amount of $57,840.00 supported by the 2020 Bond.

IMPACT IF NOT APPROVED:
The administrators would continue to use end of life devices.

Subject: Technology Purchase - Camera Hardware

FISCAL FUND IMPACT: 2020 Bond
IMPACT AMOUNT: $690,766.01
MEETING TYPE: Regular

EXECUTIVE SUMMARY/BACKGROUND:
As we continue to implement the vision for technology with a focus on safety and security we are in need of some security camera upgrades. Over the past couple years we have upgraded the security camera system at each of our elementary buildings to provide coverage. This project will upgrade the camera system at the secondary buildings as well as providing some additional requested coverage at the elementary schools. We have spent time reviewing the coverage in each building with both the technology dept and building leaders to ensure adequate coverage in all buildings. This purchase includes just over 500 new cameras that will be installed throughout the district. This purchase is utilizing REMC contract pricing and supported by the 2020 Bond.

RECOMMENDATION:
Administration recommends that the Board of Education authorize the purchase of security cameras from MCA in the amount of $690,766.01, utilizing REMC contract pricing and support by the 2020 Bond.

IMPACT IF NOT APPROVED:
The secondary buildings will continue to utilize old cameras with less than ideal coverage.

NEXT STEPS IF APPROVED:
The cameras will be purchased in the summer of 2026.

Dr. Kelly Coffin, Superintendent
Farmington Public Schools
32500 Shiawassee St.
Farmington, MI 48336

Dear Kelly,

This letter outlines the work completed on the Farmington Public Schools ("District") Video Surveillance Request for Quote (RFQ) process as well as the resulting recommendation.

SCOPE
Farmington Public Schools undertook a process to replace the video surveillance cameras and systems districtwide. The District standardized on the Digital Watchdog video surveillance solution as part of the initial project in 2023. This recommendation letter encompasses video surveillance equipment and installation throughout the secondary buildings, as well as a small number of additional cameras at the elementary buildings. The remainder of the District's buildings, as well as the majority of the elementary cameras, were completed as part of the 2023 project. The expected implementation will consist of replacing video surveillance cameras throughout each secondary building, adding associated video surveillance servers and adding a small number of video surveillance cameras at the elementary and auxiliary buildings.

BACKGROUND
Plante Moran collaborated with District staff and Oakland Schools IT to confirm camera locations and technical requirements, define key evaluation criteria, develop the RFQ, and evaluate vendor responses. Key activities included:

- Met with Oakland Schools IT staff to discuss and review technical requirements
- Oakland Schools IT staff completed building walkthroughs to identify camera locations and validate locations with building administration
- Developed a detailed RFQ, including building-specific camera location prints.
- Issued the RFQ to two vendors: the REMC purchasing cooperative–awarded vendor for Digital Watchdog (equipment purchase) and a current District IT vendor (installation via hourly rate under an existing project).
- Analyzed both proposals and issued clarifying questions to vendors.
- Reviewed each proposal to confirm product and service offerings

RECOMMENDATION
Based on the analysis of the proposals, clarifications, and discussions with the District and Oakland Schools IT staff, the District recommends that the **video surveillance equipment purchase** be awarded to **MCA** via the REMC

purchasing cooperative in the amount of **$690,766.01**. Additionally, the District recommends that the **video surveillance installation** be awarded to **Complete Interactive Technology (CIT)** in the amount of **$127,766.61**, as a change order to the current structured cabling project. Based on our technical advisory role to the District, Plante Moran supports these recommendations.

Plante Moran appreciates the opportunity to be of assistance to Farmington Public Schools. Please call Amy Sasina at 248.223.3681 if you have any questions.

Sincerely,
PLANTE MORAN, PLLC

Memorandum

To: Board of Education

From: Luke Cadeau, Assistant Director of Facilities Management

Date: 05/05/2026

Subject: 2026/2027 Vehicle Replacement Plan

This memo requests approval to purchase 2026 model vehicles and equipment as part of the district's scheduled fleet replacement plan, allowing us to secure current pricing and ensure timely delivery. Planned replacements for the 2026/2027 school year include consolidating two aging box trucks into one more efficient unit ($115,396.00), replacing a seasonal-use pickup with a canopy utility truck for year-round operations ($76,649), replacing the underutilized TV10 truck with a shared multipurpose vehicle between TV10 and Facilities ($94,296), and upgrading the aging FHS tractor and upgrade NFHS tractor (NFHS tractor to be retained as a spare) to a Gator equipped with a plow and V-box salter to improve sidewalk maintenance efficiency ($37,054.26 for 2 units). These replacements are necessary due to increasing maintenance costs, aging equipment, reliability concerns, and the need for improved year-round utilization. Disposed vehicles will be auctioned in late summer/early fall, with the tractors being traded in, and utilizing Biddergy to maximize return. All purchases will be made through MiDeal cooperative contracts (John Deere: 240000000161 – Weingartz; Ford: 240000001193 – Gorno Ford). Grand total: $323,395.26. This plan aligns with the district's replacement schedule, improves operational efficiency, reduces long-term costs, and supports reliable district operations. Approval is recommended.

Purpose

- Request approval for 2026 model purchases and pricing
- Ensure fleet reliability and operational efficiency
- On schedule for truck replacement plan

Replacement Plan Overview

- Vehicles scheduled for replacement this school year
- Aligning purchases with lifecycle schedule
- Focus on cost savings, efficiency, and operational needs

FARMINGTON PUBLIC SCHOOLS
FACILITIES MANAGEMENT VEHICLE REPLACEMENT SCHEDULE*

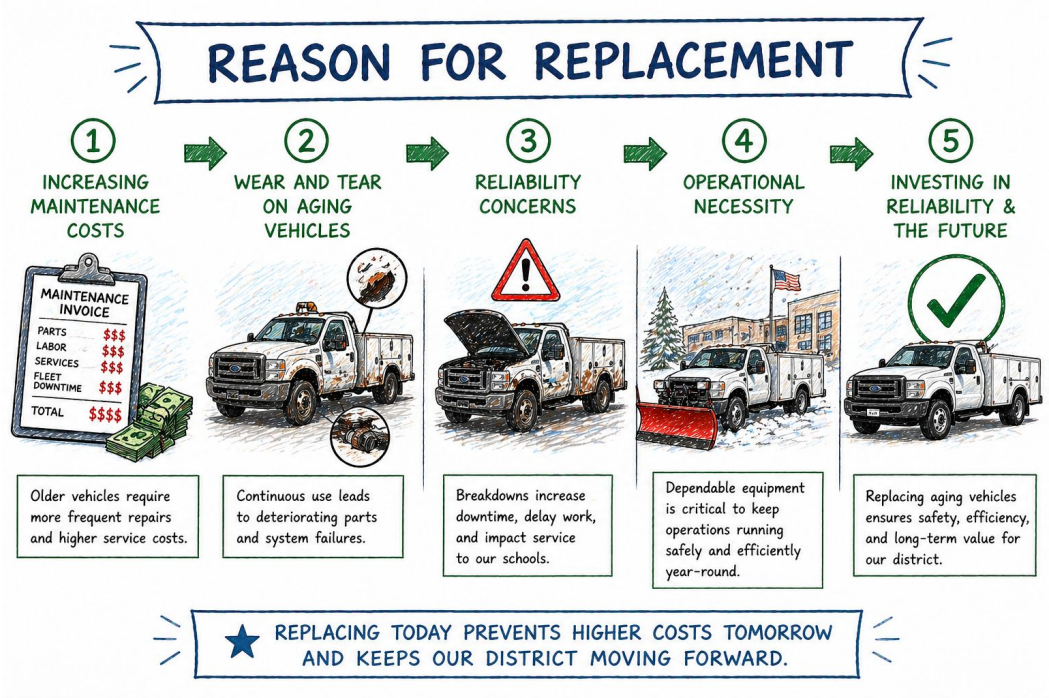

** A vehicle replacement schedule is a plan for when to replace a vehicle based on its age, mileage, and other factors. The goal is to replace a vehicle when it's no longer cost-effective to repair, or when it's no longer safe or reliable to operate. Typically in Michigan, a 5-7 year replacement schedule is recommended for maintenance vehicles. An evaluation of our fleet is done quartlery by our District's licensed mechanic.*

IX. PRESIDENT'S STATEMENT BEFORE PUBLIC COMMENTS (2).

During the Public Comment portion of our Board meeting, members of the community are welcome to address the Board. Each community member will have up to [????] minutes to speak. A timer on the screen will display the [????]-minute countdown for each speaker so comments are contained within the time allowed. Please address your comments to the Board and speak directly into the microphone on the podium. If your comment is related to a student or staff member, please use caution in stating names of individuals where protection of privacy would be appropriate.

The Board will respectfully listen to comments, but generally the Board does not respond to public comment. In some cases, it might be appropriate for someone to follow up with you to address concerns.

1. STUDENTS - 2000 SERIES **Update 22.01 (Policy 2003, Education Records)** **Memo - March 2026**	
Current FPS Policy Language	***Student Surveys*** Parents may inspect all materials used for any student survey, analysis or evaluation conducted by the School District in connection with a program that is funded by the United States Department of Education. The School District will not, without the consent of the parents of a student, require the student to participate in such a survey, analysis or evaluation that reveals or is intended to reveal information concerning the student's or the student's parents': • Political or religious affiliations, beliefs or practices; • Mental or psychological problems; • Sexual behavior or attitudes; • Illegal, anti-social, self-incriminating or demeaning behavior; • Critical appraisals of other individuals with whom the student or the student's parents have close family relationships; • Legally recognized privileged or analogous relationships, such as those with lawyers, physicians and ministers; • Income, other than when required by law to determine eligibility for programs or financial assistance.
Proposed Adopted Language	***Student Surveys*** Consistent with applicable law, parents may inspect all materials used for any student survey, analysis, or evaluation conducted by the School District in connection with a program that is funded by the United States Department of Education. The School District will not, without the consent of the parents of a student, require the student to participate in such a survey, analysis, or evaluation that reveals or is intended to reveal information concerning the student or the student's parents': · Political or religious affiliations, beliefs, or practices; · Mental or psychological problems; · Sexual behavior or attitudes; · Illegal, anti-social, self-incriminating, or demeaning behavior;

1. STUDENTS - 2000 SERIES **Update 22.01 (Policy 2003, Education Records)** **Memo - March 2026**	
	· Critical appraisals of other individuals with whom the student or the student's parents have close family relationships; · Legally recognized privileged or analogous relationships, such as those with lawyers, physicians, and ministers; or · Income, other than when required by law to determine eligibility for programs or financial assistance. In compliance with MCL 388.1764k, the School District will ensure that questions and results of District-wide surveys, state or federally mandated surveys, and surveys distributed to all students in a grade level will be made available to the public by being posted on the District's website and parents will be notified of these survey questions and results. However, the District will comply with the Family Educational Rights and Privacy Act ("FERPA") before releasing any survey results.

2. STUDENTS - 2000 SERIES **Update 22.02 (Policy 2004, Extracurricular Activities)** **Memo - March 2026**	
Current FPS Policy Language	***Athletics*** The Superintendent, in consultation with the Board and selected School District personnel, will develop and administer a robust program of interscholastic athletics. The athletic program must, at all times, adhere to the principle that participants are students first and athletes second.
~~Miller Johnson Recommendations~~ Proposed Adopted Language	***Athletics*** The Superintendent, in consultation with the Board and selected School District personnel, will develop and administer a robust program of interscholastic athletics. The athletic program must, at all times, adhere to the principle that participants are students first and athletes second. In addition to the regulations and limitations set forth by the Michigan High School Athletic Association, the School District prohibits students from engaging in personal branding activities/name, image, or likeness agreements that violate Board Policy or the Student Code of Conduct. Students may be subject to discipline in accordance with Board Policy and/or the Student Code of Conduct for such violations. Personal branding activities/name, image, or likeness activities shall not occur during school hours or events or on School District property unless prior written approval is provided by the Superintendent.

3. STUDENTS - 2000 SERIES **Update 22.03 (Policy 2005, Behavior) Please note: MJ has this Policy numbered as 2006** **Memo - March 2026**	
Current FPS Policy Language	***Personal Electronic Devices*** Students may possess an electronic device while in school, but subject to the rules for use developed in each building. Building rules are to be designed by administration and staff members and may also include other stakeholders. While a student is in attendance at a school-sponsored activity or event, the devices may only be used in accordance with the building rules. Where use of an electronic device is permitted, students are expected to fully recognize and respect the privacy and confidentiality rights of their fellow students. A student who is given permission to use an electronic communication device, or a recording device, at school, may only use the device in a manner that is consistent with the narrow permission that has been granted. Device is defined as a privately-owned wireless and/or portable electronic handheld equipment that includes, but is not limited to, existing and emerging mobile communication systems and smart technologies, portable internet devices, hand held entertainment systems or portable information technology systems that can be used for word processing, wireless internet access, image capture/recording, sound recording and information transmitting/receiving/storing, etc. Students may not use personal electronic devices to broadcast or record audio, images, or video of any student, staff member, or other person in the school or while attending a school-related activity, unless the student has received permission from the person(s) to be broadcasted or recorded. This prohibition does not apply to curricular or extra-curricular activities for which personal recording is generally permitted (e.g., athletic events, arts performances, etc.). Students violating this policy are subject to disciplinary action in accordance with the Student Code of Conduct. Devices operated in violation of this policy or a building rule, or for any illegal purpose, shall be confiscated and not returned until, where appropriate, a person(s)/guardian(s) conference has been held. The District shall not be responsible for any electronic device that is lost, stolen, or confiscated.
Proposed Adopted	***Wireless Communication Devices***

3. STUDENTS - 2000 SERIES **Update 22.03 (Policy 2005, Behavior) Please note: MJ has this Policy numbered as 2006** **Memo - March 2026**	
Language	The School District reserves the right to prohibit the possession or use of wireless communication devices on School District property or at School District-related functions. For purposes of this Policy, "wireless communication devices" means an electronic device capable of, but not limited to, text messaging, voice communication, entertainment, navigation, accessing the internet, sending and receiving photos and videos, or producing email, including cell phones, personal laptops, smartwatches, smart glasses, and other wireless device connections. For purposes of this Policy, "instructional time" means time that any student is assigned to engage in learning and curricular activities by instructional staff. For purposes of this Policy, "school grounds" means a building, playing field, or property used for school purposes to impart instruction to students or used for functions and events sponsored by a school. The Superintendent may develop administrative regulations consistent with this policy. **Prohibition of Wireless Communication Devices**. In accordance with MCL 380.1303a, students are prohibited from using wireless communication devices on school grounds during instructional time and the school day unless required by law. This prohibition of students using wireless communication devices will be enforced by instructional staff through monitoring students during instructional time and the school day. Wireless communication devices must be turned off and kept out of sight in lockers or cubbies. **Exemptions**. As required by law, students may use a wireless communication device during instructional time and the school day for any of the following exemptions: · Medically necessary devices, · District owned or issued devices under building staff discretion, · Devices used for instructional purposes with building staff discretion, · Devices used for special education programming and/or as

	an accommodation (Section 504 Plan, Individualized Education Program, or the Americans with Disabilities Act), · Devices used for lesson-specific academic assignments in building staff's discretion, or · Devices used in emergency situations as described in the School District's Emergency Operations Plan, where applicable per the plan, pursuant to MCL 380.1308b. **Recording and Broadcast**. Students may not use wireless communication devices to broadcast or record audio, images, or video of any student, staff member, or other person in the school or while attending school-related activity, unless the student has received permission from the person(s) to be broadcasted or recorded. This prohibition does not apply to curricular or extra-curricular activities for which personal recording is generally permitted (e.g., athletic events, arts performances, etc.).

4. CURRICULUM AND INSTRUCTION - 3000 SERIES **Update 22.04 (Policy 3003, Instruction)** **Memo - March 2026**	
Current FPS Policy Language	To the extent feasible, student instruction will be delivered using research based and peer reviewed instructional methodologies. The Superintendent may develop regulations that are consistent with this policy.
Proposed Adopted Language	To the extent feasible, student instruction will be delivered using research based and peer reviewed instructional methodologies. In compliance with MCL 388.1764k, the School District will notify parents if the District uses a curriculum not on the state's evidence-based list (per MCL 380.1280f) for grades K-5 by September 30, 2026. The Superintendent may develop regulations that are consistent with this policy.

5. BUSINESS - 5000 SERIES **Update 22.05 (Policy 5003, Purchasing)** **Memo - March 2026**	
Current FPS Policy Language	***Federal Grants and Awards*** The Superintendent will promulgate legally compliant administrative regulations concerning expenditures of funds received through federal grants and awards.
~~Miller Johnson Recommendations~~ Proposed Adopted Language	***State/Federal Grants and Awards*** The Superintendent will promulgate legally-compliant administrative regulations concerning expenditures of funds received through state/federal grants and awards. The Superintendent shall establish and maintain effective internal control over financial grants and awards that provide reasonable assurance that the program and funds are managed in compliance with applicable statutes ~~statuses~~, regulations, and the terms and conditions of the awards.

6. FACILITIES AND OPERATIONS - 6000 SERIES **Update 22.06 (Policy 6014, Purchasing) Please note: MJ has this Policy numbered as 6013** **Memo - March 2026**	
Current FPS Policy Language	***Facility Dog*** Facility dogs are dogs trained to work within school facilities and at school events with children with a variety of academic, social, and emotional needs. The Superintendent will promulgate an administrative regulation applicable to the use of Facility Dogs on School District property.
Proposed Adopted Language	***Facility Dog*** Facility dogs are School District owned dogs trained to work within school facilities and at school events with children with a variety of academic, social, and emotional needs. The Superintendent will promulgate an administrative regulation applicable to the use of Facility Dogs on School District property.

7. SCHOOL AND COMMUNITY RELATIONS - 7000 SERIES **Update 22.07 (Policy 7001, Goal)** **Memo - March 2026**	
Current FPS Policy Language	The community should be regularly informed about the objectives, achievements and condition of the School District. The Board recognizes the importance of community input and encourages active involvement in School District planning and operations. ***Public Information*** The School District annually releases a comprehensive Annual Education Report (AER) and other information in accordance with state and federal reporting requirements. The Superintendent will utilize various media to provide for meaningful sharing of information between the School District and the community. In accordance with the Michigan Freedom of Information Act (FOIA), MCL 15.231 *et seq*., the School District will make public records available for inspection or duplication. The Superintendent is the School District´s FOIA Coordinator and will develop administrative regulations necessary to implement the requirements of the Act. The regulations will include a schedule of costs to be charged, as allowable under the Act. The Superintendent may designate another individual to perform on his or her behalf in receiving, processing, granting and denying requests for public records.
Proposed Adopted Language	***NEW SECTION ADDED ~ Record Retention*** The School District will retain all public records in accordance with the Michigan Department of Technology, Management & Budget retention schedule for school districts. Unless the District is in receipt of a litigation hold or similar notice, records may be disposed of after the retention period in accordance with the state schedule.

8. SCHOOL AND COMMUNITY RELATIONS - 7000 SERIES **Update 22.08 (Policy 7007, Advertising) Please note: MJ has this Policy numbered as 7008** **Memo - March 2026**	
Current FPS Policy Language	No advertising may be distributed, posted, or displayed on or within any District-owned property without the written consent of the Superintendent. The Superintendent shall prepare regulations addressing the circumstances under which the District would consider accepting commercial advertisements. Further, absent the express written consent of the Superintendent, all school personnel, including contracted personnel assigned to the District, shall be restricted from utilizing District resources, technology, including District email, and student/parent contact information received while engaged in duties for the District for commercial purposes.
Proposed Adopted Language	No advertising may be distributed, posted, or displayed on or within any District-owned property without the written consent of the Superintendent. The Superintendent shall prepare regulations addressing the circumstances under which the District would consider accepting advertisements, including, but not limited to, commercial advertisements.

9. GENERAL POLICIES - 8000 SERIES **Update 22.09 (Policy 8003, Website and Digital Content Accessibility)** **Memo - March 2026**	
Current FPS Policy Language	***General*** The District is committed to ensuring accessibility of its website for students, parents, and members of the public. All pages on the District´s website will conform to the W3C WAI´s Web Content Accessibility Guidelines (WCAG) 2.0, Level AA conformance, or updated equivalents of those guidelines. The District will continue to test future releases/updates of its web site and remains committed to maintaining its compliance and serving the widest possible audience. To this end, the District will perform periodic accessibility audits of its web site.
Proposed Adopted Language	***General*** The School District is committed to ensuring that its website, online platforms, and mobile applications are accessible to students, parents, employees and members of the public. All District webpages, online platforms, and mobile applications will conform to the W3C WAI's Web Content Accessibility Guidelines (WCAG) 2.1, Level AA or any updated equivalent standard. The School District will continue to evaluate and test future releases/updates of its web-site, online platforms, and mobile applications to maintain ongoing compliance and to serve the widest possible audience. To support this commitment, the District will conduct periodic accessibility audits of its web site, online platforms, and mobile applications.
