**REGULAR MEETING
OF THE BOARD OF EDUCATION**

Maxfield Education Center

32789 W. Ten Mile Rd.

Farmington, MI 48336

Tuesday, June 16, 2026

6:00 PM

AGENDA

- I. **CALL TO ORDER**
 - A. Roll Call
 - B. Pledge of Allegiance
- II. **ITEMS FROM THE PRESIDENT**
 - A. Approval of the Agenda
 - B. Announcements
- III. **PUBLIC COMMENTS**
- IV. **ITEMS FROM THE SECRETARY**
 - A. Correspondence
- V. **LEGISLATIVE UPDATE**
- VI. **DISTRICT UPDATES**
 - A. Superintendent's District Update
 - B. District Improvement Update
- VII. **REPORTS FROM BOARD COMMITTEES**
- VIII. **DISCUSSION ITEMS**
 - A. Superintendent Succession Plan
 - B. Review of Tentative Agreement — Education Support Professionals Association (ESP) Bargaining Contract
 - C. Review of Tentative Agreement — Farmington Maintenance and Cafeteria Association (FMC) Bargaining Contract
 - D. Review of Resolution Regarding Executive Administrator Contracts
- IX. **PUBLIC COMMENTS**
- X. **ACTION ITEMS**
 - A. Approval of Proposed 2026/2027 Budget
 - B. Approval of 2026/2027 Tax Levy
 - C. Approval of 2025/2026 Second Budget Amendment
 - D. Approval of 2026 Ballot Language Resolution

- E. Approval of Facilities Management — Custodial Equipment Purchase
- F. Approval of Nutrition Services — Middle Schools Equipment Purchase
- G. OCSBA Amendments to Bylaws & Resolution Vote
 - 1. 2026 Ballot — Proposed OCSBA Resolution
 - 2. 2026 Ballot - Proposed Amendments to the OCSBA Bylaws
- H. Approval of 2026/2027 Board Meeting Schedule
- I. Approval of Superintendent Succession Plan
- J. Approval of Tentative Agreement — Education Support Professionals Association (ESP) Bargaining Contract
- K. Approval of Tentative Agreement — Farmington Maintenance and Cafeteria Association (FMC) Bargaining Contract
- L. Approval of Resolution on Executive Administrator Contracts
- XI. **ANNUAL ORGANIZATIONAL MEETING**
 - A. **ITEMS FROM THE PRESIDENT**
 - 1. Election of Officers for 2026/2027 Board of Education
 - B. **ITEMS FROM THE TREASURER**
 - 1. Expenditures
 - 2. Bank and Investment Institutions and Account Signatories
 - C. **CONSENT AGENDA**
 - 1. Approval of Minutes
 - a. June 2, 2026, Regular Meeting
 - 2. Personnel Items
 - 3. Appointment of Legal Representation 2026/2027
 - 4. Approval of 2026/2027 MHSAA Membership Resolution
- XII. **REPORTS FROM BOARD REPRESENTATIVES**
- XIII. **ADJOURNMENT**

****PUBLIC COMMENTS** are intended to provide individuals an opportunity to address the Board of Education. In the interest of fairness, the Board requests each speaker to limit his or her comments to three (3) minutes.*

***ANY PERSON** with a disability who needs accommodation for participation in this meeting should contact the Superintendent's office at 248-489-3338 at least three (3) business days in advance of the meeting to request assistance.*

***ALL MEETINGS**, with the exception of closed sessions, are open to the public. Regular Board of Education meetings and most pre-meetings of the Board of Education are [live-streamed on the District's YouTube Channel](#).*

Regular Meeting of the Board of Education

II. ITEMS FROM THE PRESIDENT

II.A. Approval of the Agenda

MOTION: I move that the Board of Education approve the June 16, 2026, Regular Meeting Agenda, as presented.

II.B. Announcements

June 16, 2026

Regular Meeting of the Board of Education

III. PRESIDENT'S STATEMENT BEFORE PUBLIC COMMENTS (1).

During the Public Comment portion of our Board meeting, members of the community are welcome to address the Board. Each community member will have up to [????] minutes to speak. A timer on the screen will display the [????]-minute countdown for each speaker so comments are contained within the time allowed. Please address your comments to the Board and speak directly into the microphone on the podium. If your comment is related to a student or staff member, please use caution in stating names of individuals where protection of privacy would be appropriate.

The Board will respectfully listen to comments, but generally the Board does not respond to public comment. In some cases, it might be appropriate for someone to follow up with you to address concerns.

June 16, 2026

Regular Meeting of the Board of Education

IV. ITEMS FROM THE SECRETARY

The Board received the following communications:

- FPS Budget Hearing Analysis and Questions
- FHS IB CASTLE Newsletter – June Edition
- Office of Head Start Notifications
- FEA Scholarship
- Multiple emails were received regarding a Warner Middle School matter, including appeals and complaints.

The Board acknowledges all communications and responds as appropriate. A list of correspondence is included in the Board packet, which is available on the Farmington Public Schools website.

Instructional Services June 16, 2026

A Blueprint for Every Learner's Success

At Farmington Public Schools, every decision we make, from how we structure our classrooms to how we support students' well-being, is guided by a clear and thoughtful framework for learning and growth. This School Design Blueprint shows how all the pieces of our educational system work together to support students at every level.

This Blueprint is a commitment to belonging, academic excellence, real-world learning, and strong relationships. Each part is designed to make sure students feel known, challenged, and prepared for whatever comes next. See how our programs, supports, and priorities connect, and how they're all part of a bigger picture: each student's lifelong success.

The FPS Blueprint reflects a commitment to transforming student experiences in big, meaningful ways.

GOALS & GUIDING CONCEPTS

Vision & Mission

Vision

Together with our diverse community, Farmington Public Schools is committed to provide each and every learner equitable experiences to explore and develop their passions and interests in order to prepare for their future.

Mission

We are all safe in this environment to grow, investigate, express, reflect, and innovate.

COMMUNITY CONTEXT

Our Commitment: Improving Outcomes for Every Learner

To ensure that "all" truly means each and every student, our intentional work is focused on four pillars:

HIGH EXPECTATIONS FOR ALL

We are moving away from the practice of "simplifying" work for students who struggle. Instead, we provide **every student with high-quality, rigorous, grade-level content**. We don't lower the bar; we build the supports necessary for every student to reach it.

EQUITABLE INSTRUCTION

We utilize **high-quality teaching strategies** that are designed to be inclusive. This means using instructional routines that encourage **every student** to participate, share their thinking, and see themselves as capable learners.

ALIGNMENT OF RESOURCE

Our instructional materials are not chosen at random. They are strictly **aligned with the evidence-based practices** to ensure our "tools" match our **high standards**.

PROFESSIONAL LEARNING AND COLLABORATION

We provide **ongoing, deep professional learning** that moves beyond the surface. This sustained support allows teachers to remain **student-centered**, adapting their expertise to meet the unique needs of each and every learner.

Wood Creek Elementary

A story to tell

Connecting Practice to Impact

- Shifting from task completion to **deeper learning** and understanding
- Use of core resource focusing on the high impact part of the lessons (**Wit and Wisdom and Everyday Mathematics**)
- Use of new intervention resources (**UFLI and Delta**) with a focus on accelerating all
 - 3x a week for 30 minutes
- Grade level collaboration - utilizing each others expertise for **acceleration**
 - 1 teacher for math
 - 1 teacher for ela
- Integration of **Magma Math** that utilizes student collaborative problem solving
- Applying **Math Recovery** and **Building Thinking Classroom** professional development

Refinement and Focus

We have consistently **maintained our focus** on literacy and math. Each year, we refine our work by identifying **growth areas** for targeted professional learning and resources. We continuously build upon our current progress to elevate teacher and student success.

Monitoring Progress

Impact

We monitor for both **early indicators of traction** and **evidence of lasting impact**. By analyzing leading data points alongside long-term trends, we ensure that our investments in instruction yield benefits in the classroom and sustainable growth.

How We're Progressing (Impact)

We're tracking student growth carefully to make sure our work is helping students succeed.

Overall Performance

Our students are maintaining in some areas and making progress in achievement and growth in others.

Performance Variability

Building specific data as well as student groups data shows performance gaps.

Continued Focus

Student performance reveals continued urgency for the work to ensure success for all.

Literacy: Achievement

Elementary

High average to high achievement

- K, 3rd, 5th: Greatest gains in achievement
- 2nd Grade: 1 year decrease after maintaining performance
- 4th Grade: 3 year positive trend

Grade Level Achievement Percentile Rank Over Time

Literacy: Growth

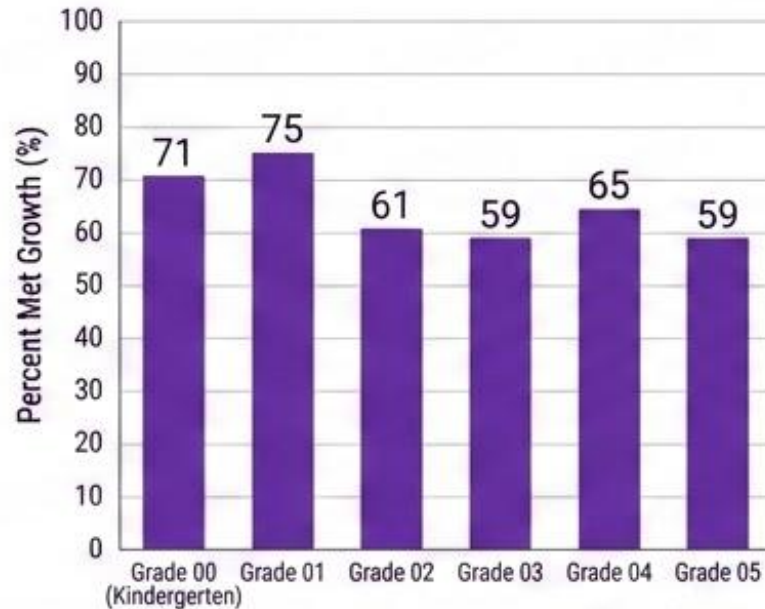

Elementary

High average to high school conditional growth

and

Above average percent of students making their projected growth.

Percent Met Growth by Grade Level
Fall to Spring

Next Steps: Elementary Literacy

Focus: Refine practice and bring to scale high quality literacy instruction.

Embedded Routines

Conduct professional development on **fluency** and **vocabulary** Wit and Wisdom routines.

Small Group Instruction

Clarify purpose and structure of **small group reading instruction**.

Independent Reading

Create time for students to select **choice reading** and sustained daily reading.

Writing Feedback

Use **Course Mojo** to support feedback on student **writing** and provide teachers with rich data. [Grade 3-5]

Literacy : Achievement

Middle School

High average grade level achievement

- 6th Grade: 1 year decrease after maintaining performance
- 7th & 8th Grade: Maintaining performance

Grade Level Achievement Percentile Rank Over Time

Literacy: Growth

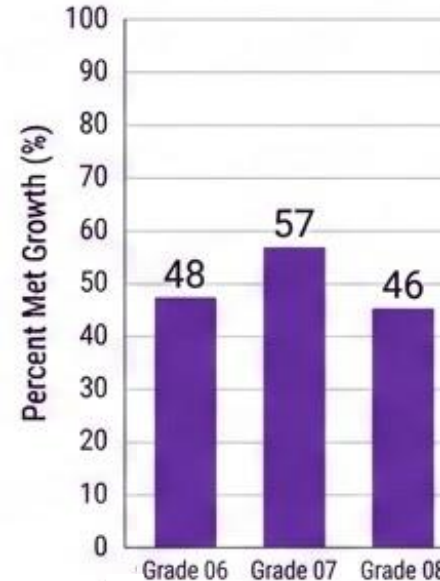

Middle School

Average to high average school conditional growth

and

Average percent of students meeting their growth expectations.

Percent Met Growth by Grade Level
Fall to Spring

Next Steps: Secondary Literacy

Focus: Develop new practices and bring to scale high quality literacy instruction.

Integrate Routines

Integrate **new language and vocabulary routines**.

Authentic Learning

Continue to integrate literacy into **meaningful topics** (knowledge building literacy).

Lesson Studies

Engage teachers in **lesson studies** with the support of a Secondary Literacy Coach.

Writing Feedback

Use Newsela AI **writing support** to provide feedback on student writing.

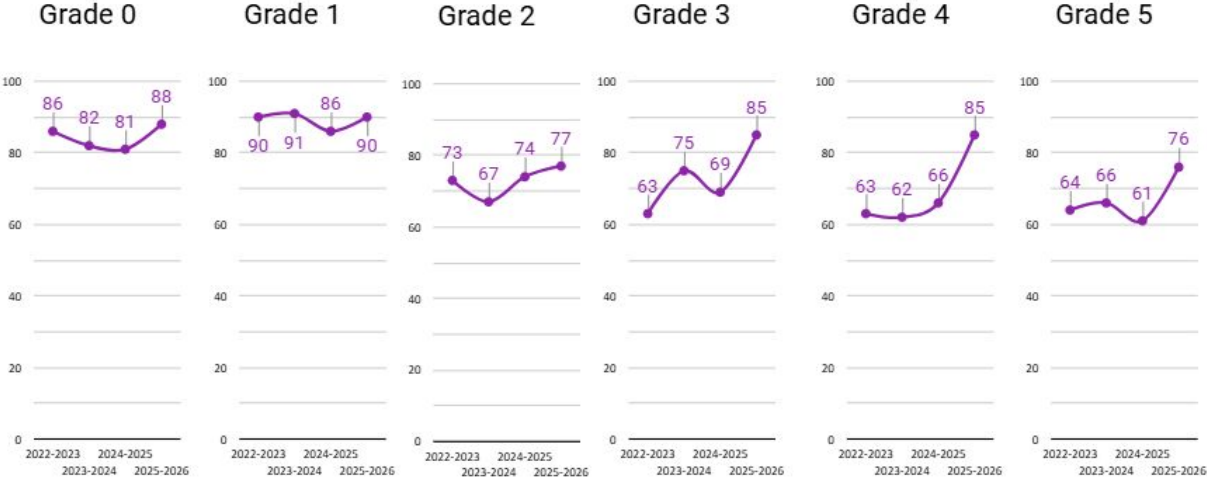

Math: Achievement

Elementary

High average to high grade level achievement

- K-5th Grade: Increase as compared to last year

Grade Level Achievement Percentile Rank Over Time

Math: Growth

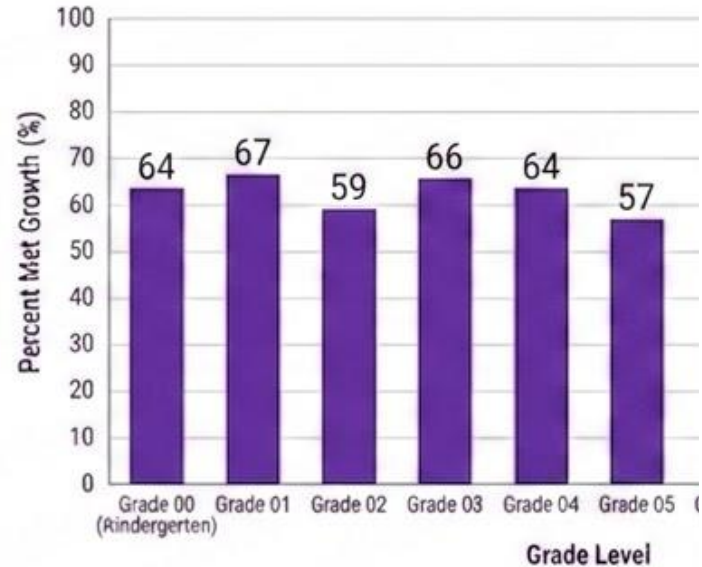

Elementary

Average to high school conditional growth

- K-5th Grade: Increase as compared to last year

Above average percent of students making their projected growth.

Percent Met Growth by Grade Level Fall to Spring

Next Steps: Elementary Math

Focus: Refine practice and bring to scale high quality math instruction.

Hands-On Games

Focus on use of **hands-on EDM games** over online EDM games.

Discourse

Increase **meaning making** opportunities.

Magma Math

Share examples of effective integration of **Magma Math**.

Professional Learning

Continue **Math Recovery** and **Building Thinking Classroom** cohorts.

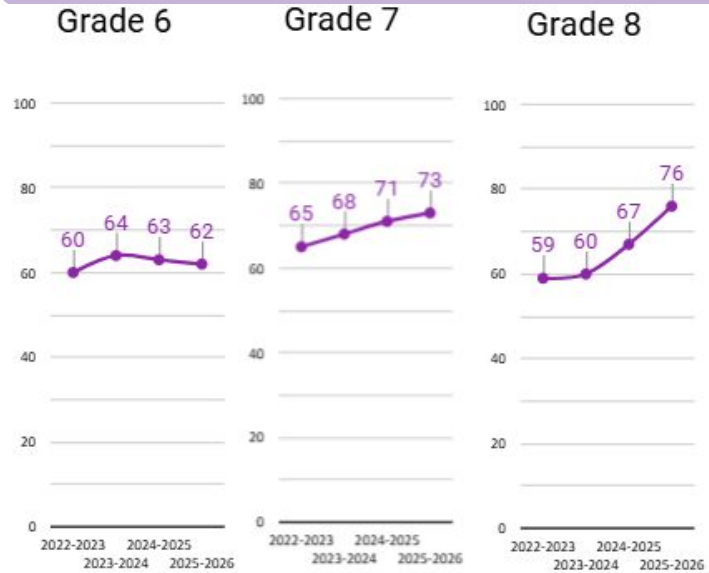

Math : Achievement

Middle School

High average grade level achievement

- 6th Grade: Maintaining performance
- 7th & 8th Grade: 3 to 4-year positive trend

Grade Level Achievement Percentile Rank Over Time

Math: Growth

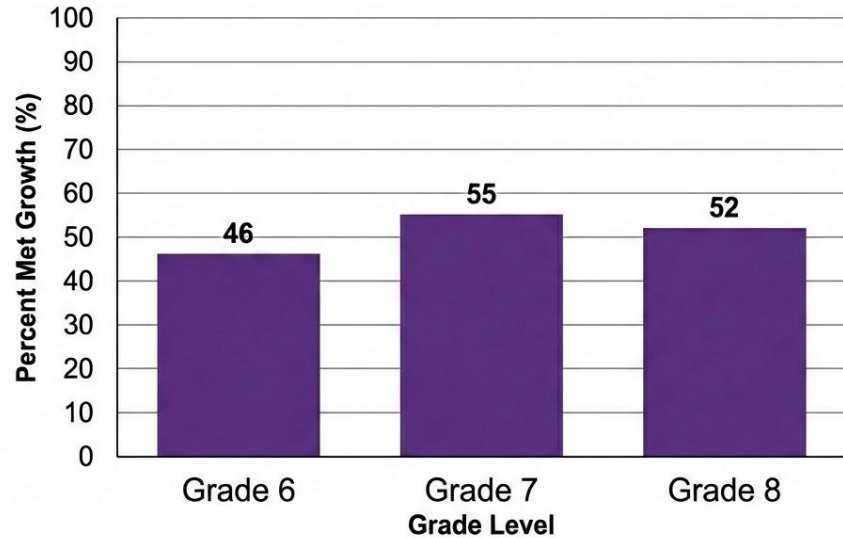

Middle School

Average grade level school conditional growth

- Grades 6-8 : Increased performance as compared to last year

Average percent of students meeting their growth expectations

Percent Met Growth by Grade Level Fall to Spring

Warner MS

A story to tell

Connecting Practice to Impact

- Use of NEW core resource (**Illustrative Mathematics**)
- Teacher and building **leadership** during preview process of new resource built practice
- Building on meaning making through the **positioning blueprint** (Level Up work)
- **Building Leadership focus** on specific goals, strategies, and structures as part of school improvement

School Conditional Growth Math Data Snapshot

Next Steps: Secondary Math

Focus: Refine practice and bring to scale high quality math instruction.

Professional Learning

Continue **Illustrative Math** professional development.

Lesson Studies

Coaches engage teacher in short cycles of **lesson study**.

Magma Math

Share examples of effective integration of **Magma Math**.

Projections for Spring 2026 State Assessment

- NWEA MAP Performance provides a **prediction of proficiency** on state assessments.
- It is the only metric that helps us “see where we **might be**” prior to getting our state results, allowing us to respond to the data for the coming school year.

25–26 State Assessment Proficiencies

Literacy

Mostly **near or above** the spring 2025 NWEA projections in literacy.

Math

Consistently above the spring 2025 NWEA projections in math.

In closing,

Longacre Elementary

A story to tell

Connecting Practice to Impact

- Use of core resource with integrity (**Wit and Wisdom**)
- Use of **dynamic groups** with different full group, small group and individual structures to provide **Tier 1** instruction (adapted tasks from core resources)
- Alternating which the **teacher lead** on planning and providing literacy instruction by unit
- Daily **exit tickets** to inform teacher **collaborative planning** the student experience
- Use of new intervention resources (**UFLI**) and a focus on accelerating all during WIN (What I Need) time
- **Building leadership** consistent school improvement focus.

4th Grade Cohort Literacy Data Snapshot

25-26 4th Grade Cohort **increased** in their

- **27 PR** gain in Median Conditional Growth Percentile Rank
- **8 PR** gain in Median Achievement Percentile Rank

as compared to prior year performance.

12 PR gain in grade level Median Achievement PR from fall to spring.

Scaling Student Centered Learning

We must intentionally bring the work to scale!!

VIII.D. REVIEW OF THE RESOLUTION REGARDING EXECUTIVE ADMINISTRATOR CONTRACTS

Presenter: Dr. Kelly Coffin, Superintendent, FPS

**FARMINGTON PUBLIC SCHOOLS
RESOLUTION**

Minutes of a regular meeting of the Board of the Farmington Public Schools, County of Oakland, Michigan, held at 32789 W. Ten Mile Road, in the City of Farmington, on the 16th day of June, 2026, at 6:00 p.m.

PRESENT: Members:

ABSENT: Members:

RESOLUTION REGARDING EXECUTIVE ADMINISTRATOR CONTRACTS

WHEREAS, the Farmington Public Schools employs administrators under individual employment contracts; and

WHEREAS, the contracts for the District’s Assistant Superintendents and Executive Director (“executive administrators”) are for a two-year term currently ending on June 30, 2027, and provide that the contracts “will automatically be extended for an additional year annually unless the Board takes affirmative action to deny such an extension;” and

WHEREAS, the Superintendent desires to make modifications to the form of the contracts for the executive administrators, including, but not limited to, the elimination of the automatic extension language; and

WHEREAS, the executive administrator contracts need to be prevented from being “automatically extended” so the changes to the form of the contracts can be made and the processing of new contracts can be facilitated.

NOW, THEREFORE, IT IS RESOLVED, the Board of Education hereby resolves to deny the automatic extension of the employment contracts for the executive administrators for an additional year beyond June 30, 2027; and

BE IT FURTHER RESOLVED, that the Board of Education delegates to the Superintendent the authority to modify the form of the contracts for the executive administrators and implement the changes.

AYES: Members: _____

Regular Meeting of the Board of Education

IX. PRESIDENT'S STATEMENT BEFORE PUBLIC COMMENTS (2).

During the Public Comment portion of our Board meeting, members of the community are welcome to address the Board. Each community member will have up to [????] minutes to speak. A timer on the screen will display the [????]-minute countdown for each speaker so comments are contained within the time allowed. Please address your comments to the Board and speak directly into the microphone on the podium. If your comment is related to a student or staff member, please use caution in stating names of individuals where protection of privacy would be appropriate.

The Board will respectfully listen to comments, but generally the Board does not respond to public comment. In some cases, it might be appropriate for someone to follow up with you to address concerns.

June 16, 2026

Regular Meeting of the Board of Education

X. ACTION ITEMS

X.A. APPROVAL OF THE PROPOSED 2026/2027 BUDGET

Presenter: Jennifer Kaminski, Assistant Superintendent, FPS

This item was presented in detail at the June 2, 2026 Board of Education regular meeting.

MOTION: I move that the Board of Education approve the 2026/2027 General Appropriations Resolution, as presented, and waive the reading of the Resolution.

X.B. APPROVAL OF THE 2026/2027 TAX LEVY

Presenter: Jennifer Kaminski, Assistant Superintendent, FPS

This item was presented in detail at the June 2, 2026 Board of Education regular meeting.

MOTION: I move that the Board of Education approve the Form L-4029 Tax Rate Request for all properties, which results in 7.8516 mills on Homesteads and Industrial Personal Property, 21.2000 mills on Non-homesteads and 13.8516 mills on Commercial Personal Property.

X.C. APPROVAL OF THE (2025/2026) SECOND BUDGET AMENDMENT

Presenter: Jennifer Kaminski, Assistant Superintendent, FPS

This item was presented in detail at the June 2, 2026 Board of Education regular meeting.

MOTION: I move that the Board of Education approve the 2025/2026 Revised General Appropriations Resolution, as presented, and waive the reading of the Resolution.

X.D. APPROVAL OF RESOLUTION CERTIFYING SCHOOL IMPROVEMENT BOND PROPOSITION

Presenter: Alan Szuma, Attorney, Miller Canfield

This item was presented in detail at the June 2, 2026 Board of Education regular meeting.

MOTION: I move that the board of education approve the resolution certifying school improvement bond proposition, as presented, and waive the reading of the resolution.

X.E. APPROVAL OF THE FACILITIES MANAGEMENT — CUSTODIAL EQUIPMENT PURCHASE

Presenter: Luke Cadeau, Assistant Director, FPS

This item was presented in detail at the June 2, 2026 Board of Education regular meeting.

I move that the Board of Education approves the purchase of custodial equipment as presented, at a district cost not to exceed \$90,000.00.

X.F. APPROVAL OF THE NUTRITION SERVICES — MIDDLE SCHOOLS EQUIPMENT PURCHASE

Presenter: Anne Stevens, Director, FPS

This item was presented in detail at the June 2, 2026 Board of Education regular meeting.

I move that the Board of Education approves the purchase of nutritional services equipment as presented, at a district cost not to exceed \$311,000.00.

X.G. OCSBA AMENDMENTS TO BYLAWS AND RESOLUTION VOTE

Presenter: Claudia Heinrich, Treasurer & OS Representative, FPS Board of Education

Both items were presented in detail at the June 2, 2026 Board of Education regular meeting.

- 1. VOTE ON PROPOSED NEW RESOLUTION (OCSBA opposes tying any school funding to waiving the attorney-client privilege).**

SUPPORT: I move that the Board of Education approve the proposed new resolution as presented.

DOES NOT SUPPORT: I move that the Board of Education does not approve the proposed new resolution as presented.

-
- 2. VOTE ON BYLAWS - The Board may vote on the proposed bylaw amendments using one of the following options:**

OPTION A – ONE VOTE ON ALL BYLAW AMENDMENTS

SUPPORT:

I move that the Board of Education approve all proposed amendments to the OCSBA Bylaws, as presented.

DOES NOT SUPPORT:

I move that the Board of Education not approve the proposed amendments to the OCSBA Bylaws, as presented.

OPTION B – SEPARATE VOTES ON EACH BYLAW AMENDMENT

*****Proposed Amendment # 1.** A member district that pays dues directly to the Association may appoint a Trustee to a seat on the Board of Directors.

SUPPORT: I move that the Board of Education approve Proposed Amendment No. 1 to the OCSBA Bylaws, as presented.

DOES NOT SUPPORT: I move that the Board of Education not approve Proposed Amendment No. 1 to the OCSBA Bylaws, as presented.

*****Proposed Amendment # 2.** Ensure that either the Chair -or- Vice-Chair of every OCSBA committee is a member of the Board of Directors (BOD).

SUPPORT: I move that the Board of Education approve Proposed Amendment No. 2 to the OCSBA Bylaws, as presented.

DOES NOT SUPPORT: I move that the Board of Education not approve Proposed Amendment No. 2 to the OCSBA Bylaws, as presented.

X.H. APPROVAL OF THE 2026/2027 BOARD MEETING SCHEDULE

Presenter: Terri Weems, BOE President, FPS

This item was presented in detail at the June 2, 2026 Board of Education regular meeting.

I move that the Board of Education approve the 2026–2027 Board Meeting Schedule, including the January 2027 meeting dates as selected by the Board.

X.I. APPROVAL OF SUPERINTENDENT SUCCESSION PLAN

Presenter: Board of Education

This item was presented earlier in the meeting.

MOTION: I move that the Board of Education authorize Rhonda Henry, Assistant Superintendent to serve as Acting Superintendent in the event of the Superintendent’s absence, with full authority to carry out the duties and responsibilities of the Superintendent, effective immediately and continuing through the end of the 2026-27 school year.

X.J. TENTATIVE AGREEMENT - EDUCATION SUPPORT PROFESSIONALS ASSOCIATION (ESP) BARGAINING CONTRACT.

Presenter: Bradley Paddock, Assistant Superintendent, FPS

This item was presented earlier in the meeting.

MOTION: I move that the Board of Education approve the tentative bargaining agreement between the Farmington Board of Education and the Farmington Education Support Professionals Association (ESP), MEA/NEA, as presented.

X.K. TENTATIVE AGREEMENT - FARMINGTON MAINTENANCE AND CAFETERIA ASSOCIATION (FMC) BARGAINING CONTRACT.

Presenter: Bradley Paddock, Assistant Superintendent, FPS

This item was presented earlier in the meeting.

MOTION: I move that the Board of Education approve the tentative bargaining agreement between the Farmington Board of Education and the Farmington Maintenance and Cafeteria Association (FMC), MEA-NEA, as presented.

X.L. APPROVAL OF THE RESOLUTION REGARDING EXECUTIVE ADMINISTRATOR CONTRACTS

Presenter: Kelly Coffin, Superintendent, FPS

This item was presented earlier in the meeting.

MOTION: I move that the Board of Education approve the resolution provided to the Board to deny the automatic extension for an additional year beyond June 30, 2027, the employment contracts of the District's executive administrators so that the form of the contracts for those administrators can be modified and delegating the authority to the superintendent to make and implement the modifications, And Waive the reading of the resolution.

Memorandum

To: Members of the Board of Education
From: Jennifer Kaminski, Assistant Superintendent, Business Services
Date: June 2, 2026
Subject: 2026-27 Budget

Please find attached the proposed 2026/27 budgets for all funds of the District. As the State budget has not yet been approved, any further adjustments for 2026/27 will be incorporated into the amendments for next year.

This budget cycle includes estimated costs for all bargaining unit contracts settled as well as an estimate for future contract settlements along with projected enrollment and staffing needs. This year's budget reflects a fund balance of 15.7% exceeding the Board's targeted range of 10 – 15%. Similar to most years, the budget has not been set by Lansing in time for us to determine our absolute level of funding for the upcoming year. This year is no exception. The funding increase proposed by the Governor provided for a foundation allowance increase of \$250 per pupil and an increase to several categorical revenue items such as Special Education, Bilingual and At-Risk. The Senate released a budget that included a \$250 per pupil increase and included some of the increases the Governor proposed. The House released a budget that included a \$250 per pupil increase, included some other funding increases but was much different from what the Governor proposed. All three proposals released would provide Farmington with a per pupil funding increase. The 2026/27 budget has been built using an increase of \$250 per pupil.

Overall, the General Fund is estimated to have \$178,862,993 in revenue offset by \$186,973,173 in expenditures. Expenditures are greater than Revenues by \$8,110,180 with a fund balance estimated at \$29,429,876 or 15.7%. A budget is a tool to help us make decisions as we enter the new fiscal year. There are still many variables that will impact this information. These include the impact of the State budget package, the number of students we will educate next year and the economic impacts due to inflation.

Farmington Public Schools is required by law to have a budget in place before the end of our current fiscal year. Many assumptions are built into

the budget, many of which are not within our control, including, but not limited to: student enrollment, number of retirees, interest rates, utility costs, fuel costs, staffing costs, benefit rates, retirement rates, and workers' compensation.

The General Fund total revenue is budgeted at \$178,862,993, a decrease of \$5.2 million or 2.8 percent from 2025/26. This net decrease is due to many factors including:

- ★ An increase in property tax revenue due to higher taxable values, an increase in the per pupil foundation allowance of \$250 and a decrease due to the projected loss of 100 students for a net increase of approximately \$700,000
- ★ A decrease in interest revenue of approximately \$200,000 due to stable rates and a projected decline of fund balance.
- ★ A decrease in state categorical funding of approximately \$4.5 million for reduction of one-time grant funds fully spent in 2025-26 and an increase in special education funding.
- ★ A decrease in interdistrict revenue of approximately \$100,000 to reflect revised billings to other school districts for transportation services provided.
- ★ A decrease in federal revenue of \$1.1 million due to the spend down of the Filter First grant in 2025/26 and the discontinuance of the Headstart program. Revenues equal expenses for all federal programs so they have no effect on the bottom line.

Expenditures are budgeted at \$186,973,173, a decrease of approximately \$2.1 million or 1.1 percent from 2026/27. This net decrease is due to several factors including:

- ★ A decrease in federal expenditures of \$1.1 million due to the spend down of the Filter First grant in 2025/26 and the discontinuance of the Headstart program.
- ★ A decrease in state grant expenditures totaling \$3.3 million.
- ★ A decrease of \$1.2 million of one-time MPERS healthcare offset funds provided by the State.
- ★ A reduction in cost for replacement savings due to retirements of teachers and administrators of approximately \$1.0 million.
- ★ An increase for estimated costs related to bargaining contracts settled as well as future contract settlements for fiscal planning purposes for all District employees totaling approximately \$3.5 million.

- ★ An increase in wages and benefits for the addition of special education classrooms due to student needs of approximately \$769,000
- ★ An increase in benefit costs of 5% or approximately \$400,000.
- ★ A decrease in retirement costs to adjust for the reduction of the normal cost retirement rate of approximately \$2.2 million.
- ★ An increase in the contracted custodial services of \$40,000.
- ★ An increase in utility costs of \$65,000.
- ★ A decrease in capital outlay of \$150,000 for the completion of the tennis court resurfacing at the high schools in the previous year and adjustment for maintenance truck purchases.
- ★ A decrease of approximately \$124,000 for other cost adjustments for Special Education, Instruction, Maintenance and Operations and other departmental budgets.

The Debt Service Fund reflects the same millage rate as the prior year due to higher taxable values, the upcoming principal and interest payments due and less tax write-offs. We are proposing that Farmington levy 3.20 mills to cover its principal and interest payments due in the coming year.

The Special Revenue (Nutrition Services) Fund budget includes the transfer to the General Fund of \$377,458 to cover the allowable indirect costs of running the program.

The 2026/27 budget includes transfers of \$300,000 to the Capital Projects (Technology/Other Projects) Fund and \$600,000 to the Capital Projects (Bus Purchases/Maintenance) Fund. No expenditures have been budgeted in either fund as capital needs continue to be funded with the bond. The Capital Projects (Building & Site – 2023) includes the estimated bond costs to be spent during 2026/27.

While the funding increases have been positive for public schools in three of the last four years, the competition for school aid fund dollars, roads, charter schools, unfunded mandates and MPERS retirement reform continue. Taken together, Farmington Public Schools will continue to find solutions internally to maintain fiscal health while providing a quality instructional program.

A critical area for us to monitor are the State's discussions related to public education funding. The Governor presented her budget back in February, which focuses on the weighted-funding model and provides funding increases for schools. The House and Senate released their budgets mid-April with the Senate closer aligned to the Governor's funding model. All bodies continue to siphon funds from the School Aid

fund for Community Colleges and Higher Education and total now amounts to approximately \$1.5 Billion. This is all money that could be provided to public schools through per pupil funding increases, amounting to hundreds, if not thousands, of dollars more per pupil. A revenue estimating conference took place on Friday, May 15, 2026 and revealed revenue adjustments downward were needed to the General Fund compared to what was presented in January. The School Aid Fund revenues continue to remain strong and required positive adjustments. Budget discussions continue, however it is unlikely that a budget will be approved prior to July 1.

The budget forecasts are included in this document for planning purposes and comparison to the Board's targeted fund balance range of 10-15%. Although the fund balance is below target in the three forecasted years, the forecast assumes small increases in funding with costs continuing to rise for health insurance and retirement. There continue to be many unknowns the farther out we project. There are two contracts that expire June 30, 2026 with the remaining three contracts expiring June 30, 2027. Wage estimates have been incorporated in the budget for the 2026/27 budget year only. The forecasts include flat wages at this time. Fund balance should be used for one-time costs as it will eventually be used up and cuts will have to be made. There are still many unknowns this far out and these projected years will surely change. We will continue to focus on providing a budget each year for approval which maintains strong fiscal health.

Thanks go to Kim Pincheck for her work on these fiscal year 2027 budgets. If you have any questions, please feel free to contact me.

A Blueprint for Every Learner's Success

At Farmington Public Schools, every decision we make, from how we structure our classrooms to how we support students' well-being, is guided by a clear and thoughtful framework for learning and growth. This School Design Blueprint shows how all the pieces of our educational system work together to support students at every level.

This Blueprint is a commitment to belonging, academic excellence, real-world learning, and strong relationships. Each part is designed to make sure students feel known, challenged, and prepared for whatever comes next. See how our programs, supports, and priorities connect, and how they're all part of a bigger picture: each student's lifelong success.

The FPS Blueprint reflects a commitment to transforming student experiences in big, meaningful ways.

Vision

Together with our diverse community, Farmington Public Schools is committed to provide each and every learner equitable experiences to explore and develop their passions and interests in order to prepare for their future.

Mission

We are all safe in this environment as we Investigate, Grow, Express, Reflect, and Innovate.

PROFILE OF A LIFELONG LEARNER

Compassionate Community Member

FPS learners are compassionate community members who welcome the unique contribution of each individual, value the strength and power of community, and participate to create a positive and authentic impact in the community—personal, local, and global.

Resilient Problem Solver

FPS learners are resilient problem solvers who are empowered to persevere in their quest for solutions to problems and/or questions. Learners consider multiple perspectives, solicit and respond to feedback, identify the best solution for the situation, and navigate their own problem-solving pathway.

Empowered Collaborator

FPS learners give their best efforts while engaging in a productive exchange of ideas in working toward a common goal. Learners provide and receive respectful feedback, contribute their talents, thoughts, and opinions while respecting those of others, and develop effective ways of working together.

Strategic Communicator

FPS learners are able to use communication as a way to build understanding and form relationships. Learners are active listeners, consider the needs of their audience, and use a variety of methods to express ideas effectively. Learners are open to others' perspectives and ideas as they engage in civil discourse.

Self-Actualizer

FPS learners are in control of their educational pathway and their future. Learners set and strive toward goals based on self-awareness of strengths, interests, talents, and opportunities for growth. Using a growth mindset, they demonstrate self-compassion and self-acceptance as they become lifelong learners.

BUDGET DEVELOPMENT TIMELINE AND PARAMETERS

2026/27

2026/27 Budget Development Timeline

4/7/26	Board approval of resolution to conduct public hearing on budget
4/21/26	Board of Education Review of timeline/assumptions/parameters
5/28/26	Budget Document to Board of Education for 6/2/26 Board meeting
6/2/26	Board study session on proposed budget
6/2/26	Conduct budget and truth in budgeting hearing
6/16/26	Adopt the 2026/27 budget
6/16/26	Set tax levy

2026/27 Budget Parameters

Budget parameters are developed by the Business Office and reviewed by Central Office Cabinet. These parameters are then presented to and discussed with the Finance and Facilities Committee Meeting and then presented to the Board of Education at a regular public meeting. Input received at the Committee meeting or Board meeting is incorporated. These parameters become the basis for the ensuing year's budget development. The focus will continue to be providing innovative and strong instructional programs as well as focusing on literacy and math.

While the current Governor continues to focus on providing additional and stable funding for public education in Michigan, school districts around the state continue to experience a decline in pupil count, which directly impacts a district's operating budget. We will continue to closely monitor our revenues as well as operating costs to maintain financial stability. The proactive budget process is intended to allow the District to prioritize its expenditures and align these with the anticipated revenue sources. The process is ongoing with a multi-year approach to meeting the budget challenges. The goal of each year's budget process is to maintain a fund balance that at least falls within the board policy of 10-15 percent, if not higher.

The parameters for 2026/27 are as follows:

1. Student enrollment will be forecast using Plante Moran RealPoint (PMR) updated projections. PMR estimates enrollment to decrease by 100 students. The Young Fives (Kindergarten) program continues to attract students into the district since it was introduced two years ago, however the live births in Oakland County for the last two years have been down. We are also seeing enrollment decline across all grades with continued exit points being 6th grade and 9th grade. A decline of 100 students has been factored into the 2026/27 budget based upon these outside enrollment projections and school of choice applicants.
2. The economy in Michigan continues to be stable despite the record high inflation over the last few years. Gretchen Whitmer, Michigan's Governor, presented her Omnibus budget on February 11, 2026 and proposed funding increases for K-12 Education. Her proposal continues moving Michigan towards a weighted funding formula. The foundation allowance increase was proposed at \$250 per pupil, which is a 2.5% increase in the base foundation.

There were also funding increases proposed for At-Risk, English Learners, Special Education, Career and Technical Education and School Readiness Preschool programs. The House and Senate have not presented a budget at this time. Although the Governor's budget is promising and the School Aid Fund is stable, the General Fund is not in good shape and hundreds of millions of dollars continue to be taken from the School Aid Fund to support Community Colleges and Higher Education instead of going to support K-12 education. There are various proposals in the public eye, such as eliminating all property taxes, that could severely impact funding for K-12 education. It is also a major election year and there are questions as to whether a budget will be completed before the election in November. This would be devastating for school districts as we will be almost half way through our fiscal year at that point. A \$200 increase in the foundation allowance will be used as an estimate until the Senate and House present their budget proposals. For 2026/27, \$12,126 per pupil will be used which includes a \$200 increase, however it's important to note that \$103 of our foundation allowance is in a separate categorical, 20M, and there is a higher risk of losing this amount. After the Senate and House versions are released, we will consider whether any adjustment to the increased per pupil foundation allowance for 2026/27 is necessary. **The Senate and House did release their budgets in mid-April with both proposing a \$250 per pupil increase. There are still many discussions that need to take place between the Governor, House and Senate however a \$250 per pupil increase will be used in the 2026/27 budget.**

3. We anticipate that many of the categorical funding areas, such as adult education, early childhood and retirement funding, will continue at their current levels. Increases were proposed by the Governor for At-risk, special education and retirement funding, however flat funding will be assumed for the 2026/27 budget. As mentioned above, the Governor has proposed increases for several other categoricals, however we will wait to see the House and Senate proposals before including any increases in funding. **Based upon current expenditures, zero increase has been reflected in the 2026/27 budget.**
4. Revenues from the nutrition services program will continue to cover direct program expenditures and the maximum amount of dollars will be budgeted to be transferred back to the general fund to support a portion of the indirect costs. Indirect costs are those costs not directly attributable to one cost objective. An example would be human resources, business services and custodial costs. These functions support the nutrition services program but the costs are not specifically identifiable to charge them to the fund. Currently the Nutrition Services Fund transfers approximately \$377,000 or 12.64% of total expenditures, excluding food costs, capital outlay and contract costs greater than \$25,000.
5. Federal grants which are received on an annual basis are expected to remain at the same level and are budgeted so that proceeds equal the budgeted expenditures. We will continue to closely monitor federal grants as several positions are paid through these funds. Should a portion of these funds be eliminated or not continued by the Federal Government, we would need to determine an alternate source of revenue to maintain these positions. The District will not operate a Head Start preschool program effective July 1, 2026 due to student enrollment requirements put in place by the State this past year. Costs that were previously charged to Head Start will be covered by Title I, Part A with no impact on students.
6. Revenues for PA-18, which is the funding received from Oakland Schools for the county-wide millage to help support special education costs, is projected to remain flat based upon preliminary estimates provided to local districts at the end of March.
7. Wage costs will be budgeted at negotiated levels. At the current time, the District has a two-year contract, expiring 6/30/26, with its paraprofessional and secretarial staff and a three-year contract, expiring 6/30/27, with its bus drivers. Two-year contracts, expiring 8/20/27 are in place with its teachers and school administrators. A one-year contract, expiring 6/30/26, is in place with the District's maintenance and cafeteria staff. Negotiations are currently in process and estimates will be incorporated into the forecast for fiscal planning purposes only. Social security and Medicare costs will be budgeted as 7.65% of negotiated wages.
8. Reductions in wages and benefits for replacement savings for 10 teacher retirements has been included based upon the known the retirements at the present time. **Replacement savings for 28 teacher retirements is included in the 2026/27 budget.**
9. The projected MPSERS retirement rate will be at **27.51%** of wages, a decrease of 2.40 percentage points over 2025/26 rate paid by the District directly, with an additional 13.51% for the Unfunded Actuarial Accrued Liability (UAAL) liability for a total rate of **41.02%**. If you recall, in 2024/25, the

Legislature proposed that the 3% Health Care Fund amount employees were paying for the OPEB plan was no longer necessary and that the retirement rate Districts paid into the system could be reduced by 5.75 percentage points going forward. If there was any need to fund the 3% for the health care liability, the District would be required to pay it. In the current year, the rate only decreased by 1.45 percentage points, and with this decrease of 2.50 percentage points, we are still not at the 5.75 reduction promised two years ago. A retirement rate of 41.0% will be used for the 2026/27 budget. **A retirement rate of 40% was used in the 2026/27 budget based on revised calculations.**

10. Based upon current claims cost data, our claims are in line with our projected plan costs. However, as health insurance costs continue to rise, our current illustrative rates will most likely need to be adjusted again in 2026/27. Employees continue to contribute between 20 – 30% of the illustrative rate for the plan cost. The Insurance Advisory Committee continues to monitor health insurance costs. For many years, there were positive results in the Benefit Stabilization fund, however a significant increase in claims costs occurred for the last few years with the District now seeing costs stabilize. A 5% increase in benefit costs has been included in the General Fund for 2026/27. Any claims overages that may occur in the current year would be absorbed by the Benefit Stabilization Fund.
11. Revenues from tuition based preschool education will cover direct program costs, as well a portion of indirect program costs. In a typical year, preschool education covers approximately 4.0% of its indirect costs. With the Free Pre-K for All (Great Start Readiness Program) initiative approved by the Legislature and Governor in 2024/25, significantly more preschool funds are coming from the State as all preschoolers qualify for the program versus it being income based. The balance of preschool revenues will now come from Title I, Part A with the elimination of the Headstart program due to enrollment requirements.
12. Special education programs, in collaboration with other school districts, will continue to align staffing similar to the center program design model of the ISD. Other school districts will be billed for their proportionate share of students educated within the programs. Approximately \$223,000 will be budgeted for 2026/27 based upon the 2025/26 estimated revenue.
13. The Capital Projects Technology Fund had a fund balance of \$2,390,224 at June 30, 2025. This fund has been used in the past to keep equipment in the District's network operations center up-to-date and for the purchase of staff and student computers, printers and other ancillary technology equipment needs. In the 2025/26 budget, \$300,000 is being transferred into this fund from the General Fund for future technology needs. An additional \$300,000 will be budgeted to be transferred into this fund from the General Fund in 2026/27.
14. Expenditures for bus purchases and maintenance (large capital projects) were made from the Bus Purchases/Maintenance Fund prior to the 2015 and 2020 Building & Site Funds (bond funds). The Bus Purchases/Maintenance Fund had a fund balance of \$4,640,132 at June 30, 2025. In the 2025/26 budget, \$600,000 is being transferred into this fund from the General Fund for bus replacements and future capital needs. An additional \$600,000 will be budgeted to be transferred into this fund from the General Fund in 2026/27.
15. The District will continue to explore and implement cost savings and cost containment measures. The District has several initiatives in place to do this such as the Green Team and the Energy Savings Program.
16. Other costs and revenues are anticipated to remain flat with the exception of contracted custodial costs which are based upon the awarded contract and utilities which are estimated to increase approximately 3% over 2025/26 estimates.
17. To provide transparency, financial and budget reports are made available to the public on the District's website. Financial reports will continue to be prepared in accordance with the International Association of School Business Officials Certificate of Excellence in Financial Reporting, the highest standard of excellence.

BASIS OF PRESENTATION

The accounting system of the District is organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenue and expenditures. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped into three broad fund categories: governmental, fiduciary and proprietary. In addition, the District maintains two account groups.

Governmental Funds

Governmental funds are those through which most District functions typically are financed. The acquisition, use and balances of the District's expendable financial resources and the related current liabilities are accounted for through governmental funds.

General Fund - The general fund is used to record the general operations of the District pertaining to education and those operations not provided for in other funds. Included are all transactions related to the approved current operating budget.

Instruction - Instruction includes the activities dealing directly with the teaching of pupils or the interaction between teacher and pupils. Teaching may be provided for pupils in a school classroom; in another location, such as online, in a home or hospital; and other learning situations, such as those involving co-curricular activities. Included here are the activities of aides, assistants of any type and supplies and machines that assist directly in the instructional process.

Support Services - Support services are those services that provide administrative, technical (such as guidance and health) and logistical support to facilitate and enhance instruction and, to a lesser degree, community services. Support services exist as adjuncts for the fulfillment of the objectives of instruction, rather than as entities within themselves. Support services also include the activities of the athletic program at the middle and high school levels.

Community Services - Community services are those services provided by the District outside of K-12 instruction including the operation of the community education preschool program and enrichment classes.

Building and Site Improvements - All fixed asset purchases for land, buildings and sites, are classified as building and site improvements.

Intergovernmental Payments – Payments made to other governments for programs our students attend.

Transfers & Other Transactions – Transfers to the Capital Projects (Technology/Other Projects) and Capital Projects (Maintenance/Bus Purchases) Funds.

Debt Service Fund - Debt service funds are used to record tax and interest revenue and the payment of interest, principal and other expenditures on long-term debt.

Special Revenue Fund - The Special Revenue Fund is used to account for the proceeds of specific revenue sources that are restricted to expenditures for specified purposes. The school service funds are used to segregate, for administrative purposes, the transactions of a particular activity from regular revenue and expenditure accounts. The District maintains full control of these funds. The special revenue funds used within the District are the Nutrition Services Fund and the Student Activities Fund. Any operating surplus in the Nutrition Services remains in this fund.

The Nutrition Services Fund records all transactions associated with the mandated federal school lunch program including federal and State revenues and revenues from student paid lunches as well as costs associated with the program.

The Student Activities fund was created in 2019/20 as a result of anticipated changes in accounting standards (GASB 84), which require schools to report these funds as a special revenue fund. The Student Activities Fund records all receipts and disbursement of money from student related activities such as fees, extracurricular activities and fund raising events. Implementation of the new standards required in GASB 84 occurred during the 2020/21 fiscal year.

Capital Projects Fund – Historically, this fund has been used to account for financial resources to be used for the acquisition, construction or major renovation of facilities.

The District separated this fund into five distinct funds: Technology/Other Projects, Maintenance/Bus Purchases, Building & Site 2018, Building & Site 2020 and Building & Site 2023.

The Capital Projects (Technology/Other Projects) Fund will be used for the replacement and addition of computers and other related technology. The revenue source for this fund will be transfers from the General Fund.

The Capital Projects (Maintenance/Bus Purchases) Fund will be used to purchase buses, fund maintenance projects throughout the District and purchase property in the short-term. The revenue source for this fund will be transfers from the General Fund.

The Capital Projects (Building & Site 2018) Fund contains proceeds of the 2018 bond issue to be used for continued remodeling of buildings for safety and security improvements; constructing additions to, equipping, furnishing, reequipping, refurbishing and remodeling buildings, including classroom, auditorium and media center improvements; improving and developing sites, including outdoor athletic facilities, playgrounds and structures; acquiring school buses and acquiring and installing technology infrastructure and equipment.

The Capital Projects (Building & Site 2020) Fund contains proceeds of the 2020 bond issue to be used for continued remodeling of buildings for safety and security improvements; constructing additions to, equipping, furnishing, reequipping, refurbishing and remodeling buildings, including classroom, auditorium and media center improvements; improving and developing sites, including outdoor athletic facilities, playgrounds and structures; acquiring school buses and acquiring and installing technology infrastructure and equipment.

The Capital Projects (Building & Site 2023) Fund contains proceeds of the 2020 bond issue to be used for the remodeling of buildings for safety and security improvements; constructing additions to, equipping, furnishing, reequipping, refurbishing and remodeling buildings, including classroom, auditorium and media center improvements; improving and developing sites, including outdoor athletic facilities, playgrounds and structures; acquiring school buses and acquiring and installing technology infrastructure and equipment.

Proprietary Fund

The proprietary fund reporting focuses on economic resources measurement and an accounting method called full accrual accounting. The proprietary fund statements present a long-term view of operations and the services they provide to other funds.

Internal service funds account for benefit stabilization services provided to other departments and funds of the School District on a cost-reimbursement basis.

The Benefit Stabilization Fund is used to account for health, dental, vision, life insurance and long-term disability expenditures which will then be charged to other funds in the District.

Account Groups

Account groups are not funds - they do not reflect available financial resources and related liabilities or the measurement of results of operations - but are the District's accounting records of the general fixed assets and general long-term debt. The general Fixed Assets Account Group is used to maintain records of the cost of property owned by the District. The General Long-term Debt Account Group is used to record the District's outstanding bonded debt, long-term notes payable and other noncurrent obligations of the District. This group is not budgeted, and therefore not presented in this report.

PROPOSED GENERAL FUND BUDGET

The General Fund budget is the primary operational fund of the District. It is the fund containing the day-to-day operating expenses of the District including teachers, support staff and administrators and their fringe benefit costs as well as supplies, purchased services and capital outlay. The following charts provide a breakdown of revenues by object and expenditures by function for each budget line as it is adopted by the Board. Expenditures by function provide the purpose for the expenditure. A breakdown of expenditures by object is also included.

Total General Fund revenue is budgeted at \$178,862,993 a decrease of \$5,191,684 or 2.82% from 2025/26. This net decrease is due to many factors including: an increase in the foundation allowance offset by a decrease in enrollment, a decrease in other categorical state revenue for 27L Educator Compensation and MPSERS offset funds as well as several grants, an increase in property tax revenues due to higher taxable values, a decrease in interest revenue and a decrease in a one-time federal grant (Filter First) and loss of the Headstart program.

Expenditures are budgeted at \$186,973,173, a decrease of \$2,066,736 or 1.09% from 2025/26. This net increase is due to several factors: an increase in wage and benefit costs for contract settlements and estimates for future contract settlements, an increase in contracted custodial costs, an increase in benefit costs, a decrease in wage and benefit costs for the retirement of twenty-eight teaching positions, a decrease in the retirement rate and a decrease in costs for the remaining one-time federal grants from ESSER funding as well as several state grants.

Expenditures are budgeted to exceed revenues by \$8,110,180 for 2026/27 resulting in a projected fund balance of \$29,429,876 or 15.7% of expenditures.

The Debt Service Fund reflects a stable millage rate due to the 2025 Refunding Bonds that require higher principal and interest payments in the first few year, as well as higher taxable values and less tax write-offs. The millage rate for 2026/27 will be 3.20 mills to cover the principal and interest payments budgeted and due in 2026/27.

The Special Revenue (Nutrition Services) Fund is projected to use \$576,748 of fund balance in 2026/27. Capital expenditures are budgeted at \$575,000 for new equipment at four school buildings. Revenues are budgeted at \$6,091,178, the same amount as the previous year. It is assumed the National School Lunch Program along with the State's Program to provide funding for free breakfast and lunch will continue. Federal revenue is expected to remain stable under the traditional National School Lunch Program. Total expenditures are budgeted at \$6,667,926 which includes a transfer to the General Fund of \$377,458 to cover the allowable indirect costs of running the program. The Nutrition Service Fund is only allowed to keep three months of costs in its fund balance. Any excess fund balance, which is calculated by the State each year, must be spent in the following year based upon a spend-down plan that is submitted to the State.

The Special Revenue (Student Activities) Fund was created as a result of changes in accounting standards (GASB 84) which require schools to report certain student activities funds in a special revenue fund. The District implemented the new standard in the 2020/21 fiscal year. Revenues and Expenditures have been budgeted at \$1,400,000 to reflect actual activity in this fund as we operate under a more normal school year.

The Capital Projects (Technology/Other Projects) Fund and the Capital Projects (Bus Purchases/Maintenance) Fund are budgeted to receive \$300,000 and \$600,000, respectively, in transfers from the General Fund in 2026/27. Funds are earmarked in these two funds for future technology needs, including device refresh, as well as the purchase of new busses and larger repairs and maintenance of our facilities. The Capital Projects (Building & Site – 2018) Fund, which includes the proceeds from the issuance of Series II of the 2015 bond, includes the actual costs for the years presented. These funds were fully spent as of June 30, 2024.

The Capital Projects (Building & Site – 2020) Fund, which includes the proceeds from the issuance of Series I of the bond, includes the estimated bond costs to be spent on Phase I of projects. These funds allowed the District to continue the next phase of construction and it is projected that all funds will be fully spent by June 30, 2025.

The Capital Projects (Building & Site – 2023) Fund, which includes the proceeds from the issuance of Series II of the 2020 bond, includes the estimated bond costs to be spent on Phase II of projects. These funds will allow the District to continue the final phase of construction as well as continue to replace busses and update technology. Expenditures are budgeted at \$8,820,061 for 2026/27.

Funding of Schools

The State levies a statewide property tax of 6 mills on all property (except for industrial personal property), which is deposited into the State School Aid fund along with sales and income taxes earmarked for education. Legislatively, the State determines the amount districts will receive annually by determining the per pupil foundation provided for all students. The per pupil foundation times the number of regular education students is provided by a combination of State Aid and a local levy of 18 mills on non-homestead property and 6 mills on commercial personal property. Some districts, such as Farmington, are able to levy additional millage on homestead, commercial personal and industrial personal property, also known as a hold harmless millage. This millage generates \$1,876 per pupil in addition to the per pupil foundation guaranteed by the State. The 18 mills on non-homesteads is subject to the Headlee limitation and must be rolled back if the 2026 taxable value increases faster than the rate of inflation after considering taxable value adds and losses. For the 2026/27 school year, the millage rate is 18 mills as no Headlee rollback occurred.

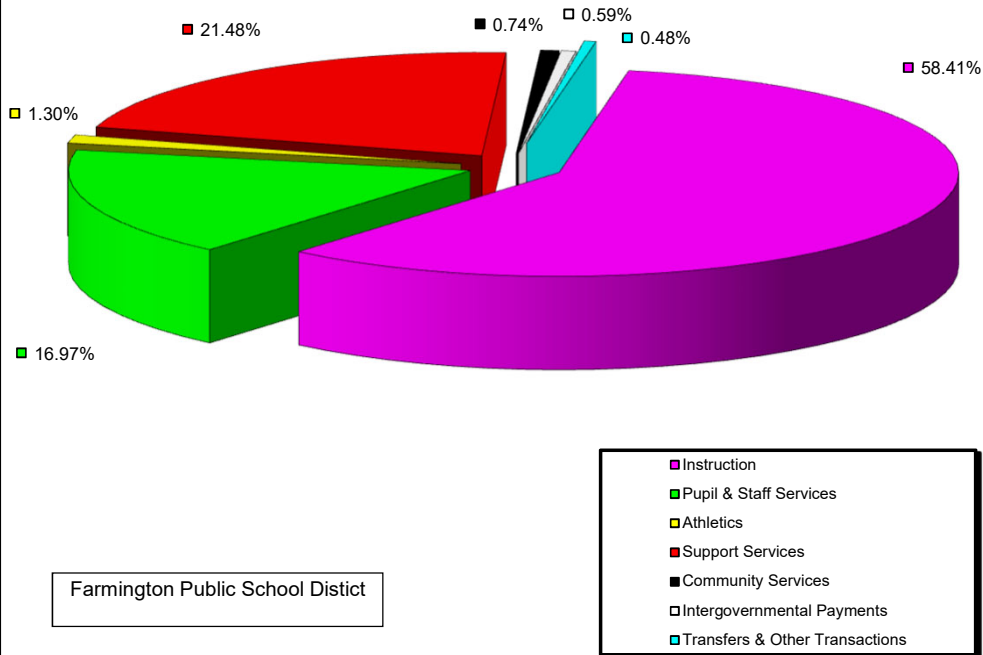

For 2026/27, Farmington will collect \$12,073 of the estimated per pupil foundation. Of the \$12,073 per pupil foundation allowance, \$3,833 will be generated with 18.0000 mills levied on non-homestead properties and \$6,364 per pupil will come from State Aid. The balance of \$1,876 is generated by a hold harmless levy of 4.6516 mills on homesteads. As homestead taxable values increase and the number of pupils remains the same or decreases, the amount of hold harmless millage levied is decreased. Since the District's actual blended pupil count is unknown at this time, a rate of 4.6516 mills is proposed for levy in July 2026. If necessary, an adjustment to the millage rate will occur on the December 2026 tax levy.

Source: Form 4025 from Farmington, Farmington Hills, and West Bloomfield for respective year.

Note: Local assessors are required to use a two-year sales study to determine the increase/decrease by property type. The assessed value is 50% of the "true cash value" of the property. After county and state equalization, the assessed value becomes the state equalized value. There is no limitation on the amount of change in assessed value on a property. Taxable value increases are limited to the rate of inflation or five percent, whichever is less. Upon sale of a property, the assessed value becomes the taxable value.

Informational Section

**FARMINGTON PUBLIC SCHOOL DISTRICT
THREE YEAR BUDGET FORECAST ASSUMPTIONS
ALL FUNDS THROUGH 2029/30**

General Fund

Revenue

Schools receive a per pupil membership amount, determined annually by the State, which is funded through the property tax levy and State Aid membership. Therefore, the long-range projections for these two revenue lines - property tax levy and membership are determined by multiplying an estimated blended student count and the estimated per pupil membership amount. (The blended student count is the weighted average of the September (90%) and February (10%) counts, required by the State.) The total amount is then prorated between the two revenue lines based upon the tax levy for the appropriate school year.

It is estimated that the per pupil foundation will increase by \$250 in the forecasted years beyond 2026/27. It is further estimated that the blended per pupil count will decline by 105 pupils in 2026/27, and then decline by seventy-seven, twenty-three and seventy-four in following three years, respectively. The blended student count and per pupil membership counts used for the budget year and three-year projection are as follows:

	<u>Blended Count</u>	<u>Per Pupil Membership</u>
	(without Special Ed Students)	
2026/27	8,444 est	\$12,073 est
2027/28	8,367 est	\$12,323 est
2028/29	8,344 est	\$12,573 est
2029/30	8,270 est	\$12,823 est

In addition, revenue in the amount of \$1,876 per resident special education student will be generated as revenue in the general fund. The \$10,050 guaranteed by the State for resident special education and adult education students is now included in State categorical aid, and therefore approximately 420 special education students are not reflected in the pupil count shown above, but are anticipated to remain flat for each of the respective years shown above.

Interest revenue is estimated as a proportion of the prior year's fund balance and projected market interest rates. Interest revenue is estimated remain flat in each of the three forecast years as it is anticipated that interest rates will remain stable as the Federal Reserve maintains the rates to try continue to address the significant inflation that has occurred over the last few years.

Other local revenue remained flat in the District's tuition-based programs such as preschool, which is for the most part self-supporting.

Categorical revenue from the State is projected to decrease significantly in 2026/27 as the district received one-time grant funds from the state in 2025/26. It is expected to further decline in the first forecasted year and then increase approximately one-half percent per year in the final two forecasted years. The per pupil foundation for special education resident students is included in this category.

Federal revenue is anticipated to decrease in 2026/27 and then remain flat for the three forecasted years. The reason for the decline relates to the federal dollars received for the Filter First Grant in 2025/26 and the elimination of the Headstart program in 2026/27.

Interdistrict revenue includes the P.A. 18 funds for special education that are passed through Oakland Schools. Interdistrict revenue is expected to increase about two percent in each forecasted year as a result of increasing taxable values.

Transfers & Other Transactions include the nutrition service fund reimbursement for indirect costs for operation of the nutrition services program. Transfers & Other Transactions are expected to increase slightly over the three forecasted years.

Expenditures

Salaries are estimated to decrease in the three forecasted years to reflect replacement savings due to teacher retirements. No contract or wage increases have been built into the three forecasted years. Teacher retirements are estimated at 10 staff for each of the years included in the forecast through 2029/30. These retirements result in an annual savings of approximately \$350,000, including benefits. This savings is due to lower salary teachers hired to replace higher salary teachers.

Benefits are forecasted to increase for all three forecasted years. Employee benefits for health, dental, optical, life and long-term disability insurance and deductibles are estimated to increase five percent per year for the subsequent years. FICA is expected to remain the same and payments to the Michigan Public School Employee Retirement System are expected to be 40.5%, 41% and 41.5% over the three-year period beginning 2027/28.

Purchased services are forecasted to increase on a net basis in all three forecasted years as certain contracted services for current instructional initiatives continue and the contract for custodial services increases approximately 2.5% each year. Supplies are forecasted to increase slightly in all three forecasted years due to a projected increase of three percent for utilities as well as inflationary impacts.

Transfers are budgeted at \$300,000 for the Capital Projects (Technology/Other Projects) Fund and \$600,000 for the Capital Projects (Maintenance/Bus Purchases) Fund in the three forecasted years.

Payments to Other Districts include payments to other school districts for sub-grantee expenditures, tuition paid to the intermediate school district for alternative educational programming and tuition for FPS students attending County Special Education Programs and are expected to increase one percent in the three forecasted years.

This forecast shows the District's fund balance to be below the budget planning policy for all three forecasted years. This policy requires that the general fund budget adopted by the Board reflect a fund balance with a targeted range of 10-15 percent. Estimates for future contract settlements have not been included in any of the three forecasted years. Development of such a forecast is important to aid districts in identifying potential budget problems early in the budget process. After each subsequent amendment is completed, a reforecast of the budget is also prepared for presentation to the Board as part of ongoing budget monitoring. It is the District's intent in the future to maintain a budget that falls within or above the Board's targeted fund balance range. This will be especially important as the District considers future contract settlements and inflationary pressures moving forward.

Debt Service Fund

Debt Service Fund requirements are determined by prescribed principal and interest payments on the 2018, 2020 and 2023 outstanding bonds as well as the 2025 refunding bonds per established schedules. During the 2004/05 fiscal year, the District issued bonds for outdoor athletic facilities and issued refunding bonds to pay off the callable portion of the 1997 bonds, these bonds were subsequently refunded again in 2015. In addition, the District issued bonds in 2018, 2020 and 2023 for technology, buses and building and site improvements. The District issued refunding bonds during the year for the callable portion of the 2015 bonds. The District is anticipating the millage rate to remain stable through 2026/27 as the second series of the 2020 bond was issued in May 2023. Rates should start to decline in 2027/28 due to payoff of previous issues, anticipated increases in taxable value offset by the State's continued implementation of a small taxpayer exemption on certain types of property.

Special Revenue Fund

The Special Revenue Fund includes nutrition services and student activities. Nutrition services revenue is expected to increase slightly in the three forecasted years. Nutrition services salary and fringe benefit costs are projected to increase slightly in the three forecasted years. Employee benefits are expected to increase slightly in remaining years to account for increased insurance and retirement costs. Purchased services are projected to increase approximately 1% in all forecasted years and supplies are projected to increase 3% in all forecasted years as inflation continues. A Special Revenue Fund, Student Activities, was established to comply with implementation of GASB 84. All three forecasted years have been estimated for revenues to equal expenditures until more information is known on a pattern of revenue and expenditure amounts.

Capital Projects Funds

The Capital Projects (Technology/Other Projects) Fund reflects expenditures for replacement technology including computers, televisions and TV10 equipment. The District utilizes a seven-year replacement schedule for computers. Other technology replacement needs such as network electronics are addressed on an "as needed" basis. The District is continuing to evaluate its instructional technology needs to provide for more innovation in its instructional programs in the classroom through a strategic plan. An infusion of capital dollars from the Capital Projects (Building & Site – 2020) Fund will allow this plan to occur. The District will continue to transfer \$300,000 to this fund from the General Fund to support technology needs after bond dollars are exhausted.

The Capital Projects (Maintenance/Bus Purchases) Fund previously contained transfers from the general fund to fund the purchase of buses and capital maintenance projects. These projects are proposed on an annual basis based on a review of the capital needs of the District which is closely monitored by the facilities department and the constant updating of the preventative maintenance/replacement schedule. The Capital Projects (Building & Site – 2018) Fund and The Capital Projects (Buildings & Site – 2020) Fund will be used to finance the much needed ongoing capital requirements of our facilities in addition to purchasing new buses. The District will continue to transfer \$600,000 to this fund from the General Fund to support bus replacement and capital needs after bond dollars are exhausted.

The Capital Projects (Building & Site – 2020) Fund is contains the proceeds of the 2020 bond issue to be used for the remodeling of buildings for safety and security improvements; constructing additions to, equipping, furnishing, reequipping, refurbishing and remodeling buildings, including classroom, auditorium and media center improvements; improving and developing sites, including outdoor athletic facilities, playgrounds and structures; acquiring school buses and acquiring and installing technology infrastructure and equipment. These bonds were sold in June 2020 and the forecasted amounts are based upon a projection of expenditures until the funds are depleted.

The Capital Projects (Building & Site – 2023) Fund is contains the proceeds of the 2023 bond issue to be used for the remodeling of buildings for safety and security improvements; constructing additions to, equipping, furnishing, reequipping, refurbishing and remodeling buildings, including classroom, auditorium and media center improvements; improving and developing sites, including outdoor athletic facilities, playgrounds and structures; acquiring school buses and acquiring and installing technology infrastructure and equipment. These bonds were sold in May 2023 and the forecasted amounts are based upon a projection of expenditures until the funds are depleted.

Benefit Stabilization Fund

The Benefit Stabilization Fund contains the benefit costs for all employees and includes health, dental, vision, life insurance and long-term disability claims and premiums. The forecasted estimate is that these claims and premiums will increase at the rate of five percent per year.

The Nutrition Services Fund provides for the school breakfast and lunch program as required by State law. It records all revenue associated with the federal breakfast and lunch programs as well as revenue from student paid lunches and the costs associated with these programs. Student and adult meal prices are reviewed annually.

The Student Activities Fund was created in 2019/20 as a result of changes in accounting standards (GASB 84), which require schools to report these funds as a special revenue fund. The District implemented the standard in 2020/21 due to the COVID-19 pandemic. The Student Activities Fund records all receipts and disbursements of money from student related activities such as fees, extra curricular activities and fundraising events.

The Benefit Stabilization Fund is used to pay for health, dental, vision, life insurance and long-term disability claims and premiums which are then charged to other funds in the District.

Actual and Projected Enrollment Farmington Public Schools

	2017	2018	2019	2020	2021	2022	2023	2024	2025	PLANTE MORAN CRESA / FPS			
										2026	2027	2028	2029

Total K-12 Plus Special Education Students	9,615	9,446	9,327	9,393	8,875	9,003	9,032	9,056	8,969		8,444	8,367	8,344	8,270
Plus Special Education											420	420	420	420
Total Estimated Pupils											8,864	8,787	8,764	8,690

These projections assist the District in estimating future enrollment. However, the projection for the budget year may be adjusted due to current enrollment trends. The Plante Moran Realpoint projections are made using multiple-year cohort survival analysis. This means that students enrolled are projected to remain in District schools, but are moved up in grade as they become older. Each year, historical information is kept relative to the number of students who leave the District and the number of students who enter the schools in each age group. From this data, giving greatest weight to the most recent experience and making adjustments for observed changes in some areas, implied estimates of immigration and outmigration are made. Birth data is also projected forward and adjusted by the implied estimate of in and outmigration as described above. Proposed and under construction housing development information is also gathered from the cities and considered as part of the projection. Special Education students are based on three year averaging trend, however the enrollment number was kept flat based upon the current year number. The District is expected to decline 105 students in the upcoming year. The remaining years are forecast with review of Plante Moran Realpoint data and district review of projected enrollment for Young 5s, Kindergarten and exiting seniors. Young 5s, Kindergarten and exiting seniors.

*Reflects full-time equivalent students including all special education students for school year in September.

Our North Star

Vision

Together with our diverse community, Farmington Public Schools is committed to provide each and every learner equitable experiences to explore and develop their passions and interests in order to prepare for their future.

Mission

We are all safe in this environment as we Investigate, Grow, Express, Reflect, and Innovate.

The Student Impact

MEET AIDAN

Aidan Hawkins,
NFHS Class of 2025

NATIONAL EXCELLENCE → PERSONAL CONFIDENCE:

Three-time state champ who went on to win SkillsUSA Nationals, illustrating how mastery builds belief.

REAL-WORLD, TRANSFERABLE SKILLS: Live-shop experience (diagnostics, scheduling, customer communication) grew leadership, professionalism, and problem-solving.

CREDENTIALS THAT OPEN DOORS: ASE certifications and prep for the Michigan Mechanic License provide immediate employability and resume strength.

MANY PATHS, ONE LAUNCHPAD: Chooses electrical engineering at GVSU, proof that CTE learning accelerates college and career options.

MENTORSHIP MATTERS: Auto tech instructors helped Aidan identify strengths and think systematically to provide him individualized support.

MEET THE KINDNESS CREW

Gill Elementary

WRITING → ACTION: A persuasive-essay unit became real advocacy and students turned ideas into a school-wide kindness campaign.

CROSS-CURRICULAR CREATIVITY: Bookmarks, bracelets, songs, posters, buttons, and “candy flowers” built skills in writing, design, music, and collaboration.

COMMUNITY IMPACT & BELONGING: Students led peers in visible acts of kindness, strengthening classroom culture and school climate.

AUTHENTIC RECOGNITION: Earned the Keep Michigan Beautiful Merit Award, validating student voice and civic engagement.

BUILT TO GROW: The initiative continues, showing students how small, consistent actions scale and how they can lead change.

Success Made Possible by FPS Educators

FPS Educators Create the Ideal Learning Experience

- We believe that ALL students can learn at high levels
- We believe that success breeds success
- We control the conditions of success

SUCCESS STARTS HERE!

For every student, every path.

At Farmington Public Schools, Success Starts Here isn't just a tagline, it's our daily commitment. We notice every learner. We create real opportunities for every student to explore, discover, and choose their own path. We hold ourselves to high standards so every student can grow, achieve, and thrive, ready to lead locally and compete globally.

Resolution declared adopted.

Dr. Cheryl B. Blau, Secretary, Board of Education

GENERAL FUND EXPLANATION OF BUDGET CATEGORIES

REVENUE

Local Revenue includes the receipts from the twice-a-year tax collections, interest and other miscellaneous local sources of income.

Interdistrict Revenue includes the monies from other governmental type entities.

State Revenue includes the receipts from the state based upon the enrollment of eligible students in the district in addition to funds for special education, vocational education, transportation, bilingual, adult education and gifted programs

Federal Revenue includes the funds received as a pass-through from the intermediate district and the state directly attributable to supplemental instructional programs.

Transfers & Other Transactions includes monies coming into the general fund from other funds of the school district, the sale of properties as well as funds coming from Oakland County Intermediate School District.

EXPENDITURES

Instruction Expenditures include the direct classroom costs of the elementary, middle and high school programs, and the driver education and summer school programs. These expenditures include teacher and paraprofessional salaries, benefits, classroom supplies, textbooks and equipment.

Added Needs Expenditures includes the direct classroom costs of primarily the special education, compensatory education (i.e. Headstart, Bilingual Services), and vocational education.

Adult & Continuing Education includes costs associated with the operation of the adult high school completion program.

Pupil Services Expenditures includes the costs associated with providing direct services to students in support of the basic classroom offerings. These services include high school and middle school counselors, occupational and physical therapists, nurses, psychologists, speech and audio therapists, social workers, teacher consultants and playground supervisors.

Instructional Staff Expenditures include costs associated with staff development and curriculum coordinators, media (library) specialists, audiovisual services and supervision of staff.

General Administration includes costs incurred by the Board of Education in the area of the mandated annual audit, legal fees, election costs, stipends paid to the Board, and salaries, benefits and supplies for executive administration.

School Administration includes the salaries, benefits and supply costs for the building principals, assistant principals and school clerical staff.

Business includes the direct costs associated with the operation of the business office (purchasing, accounting, accounts payable, payroll, budgeting, investments and financial reporting), the initial budget for capital expenditures from the general fund budget, district-wide mail costs, and warehouse operations.

Maintenance & Operations includes the costs associated with all custodians, maintenance personnel, supervisors, contracted services, supplies and materials, property and liability insurance, and all utilities.

Transportation includes the drivers, mechanics, paraprofessionals, and supervisory costs related to transporting students to and from school, field trips and other school-related events.

Central Services includes the costs of information technology, school/community relations, personnel services, and worker's compensation.

Community Services includes those costs associated with the operation of the Community Service Program (including preschool) and services to the Farmington Youth Assistance Program.

Athletics includes those activities concerned with financing the interscholastic athletic programs that are under the supervision of the school

Intergovernmental Payments includes payments to other school districts for which our students attend their educational programs such as the International Academy.

Transfers & Other Transactions includes monies transferred to other funds (Capital Projects and Nutrition Services) and payments to other districts for tuition.

Memorandum

To: Members of the Board of Education

From: Jennifer Kaminski, Assistant Superintendent, Business Services

Date: June 2, 2026

Subject: Tax Levy for 2026/27

Please find attached the Form L-4029 2025 Tax Rate Request for All Properties, Non-homesteads, Commercial Personal and Industrial Personal Property for Farmington, Farmington Hills and West Bloomfield Township. This form requires filing with the respective municipalities and County agencies to assure our summer and winter millage tax collection.

The recommended levy (in mills) is as follows:

	Homesteads and Industrial Personal	Non- homesteads	Commercial Personal
Operation	4.6516	18.0000	10.6516
Debt	3.2000	3.2000	3.2000
Total	7.8516	21.2000	13.8516

For homesteads, industrial personal and commercial personal properties this represents a net decrease of 0.4523 mills from the 2025 levy. The county has provided calculations that indicate a Headlee rollback has occurred this year on the homestead, industrial personal and commercial personal properties. The voters in the community authorized up to 12.5955 mills (permanently reduced to 12.4772 in 2026) for operations with the ballot proposal in November, 2024.

For non-homesteads this represents no decrease from the 2025 levy. The county has provided calculations that indicate no Headlee rollback has occurred on the non-homestead properties. The voters in the community authorized up to 21.0000 mills for operations with the ballot proposal in November, 2024, to absorb future rollbacks. The District will be able to levy the full 18.0000 mills as authorized by law.

If you have any questions, please feel free to contact me.

The recommended motion is as follows: Move that the Board of Education approve the Form L-4029 Tax Rate Request for all properties which results in 7.8516 mills on Homesteads and

**Industrial Personal Property, 21.2000 mills on Non-homesteads
and 13.8516 mills on Commercial Personal Property.**

2026 Tax Rate Request (This form must be completed and submitted on or before September 30, 2026)

MILLAGE REQUEST REPORT TO COUNTY BOARD OF COMMISSIONERS

Carefully read the instructions on page 2.

This form is issued under authority of MCL Sections 211.24e, 211.34 and 211.34d. Filing is mandatory; Penalty applies.

County(ies) Where the Local Government Unit Levies Taxes OAKLAND	2026 Taxable Value of ALL Properties in the Unit as of 05-26-2026 5,219,737,741
Local Government Unit Requesting Millage Levy FARMINGTON PUBLIC SCHOOL DISTRICT	For LOCAL School Districts: 2026 Taxable Value excluding Principal Residence, Qualified Agricultural, Qualified Forest, Industrial Personal and Commercial Personal Properties. 1,760,432,839

This form must be completed for each unit of government for which a property tax is levied. Penalty for non-filing is provided under MCL Sec 211.119. The following tax rates have been authorized for levy on the 2026 tax roll.

From: Jennifer Kaminski, Assistant Superintendent, Business Services

Date: June 2, 2026

Subject: 2025-26 2nd Budget Amendment

Please find attached the 2025-26 second budget amendment. The General, Debt Fund and Special Revenue – Nutrition Services Program have been revised to reflect known and revised budget factors.

Overall General Fund revenues are estimated to increase a net of approximately \$2.5 million. The majority of our funding is derived from the per pupil foundation allocation from the State, however there are other revenue changes that contribute to the net increase in revenue.

The highlights of this increase include:

- An increase in local revenue of \$202,000 due to an increase in Medicaid fee-for-service revenue of \$551,000 based upon prior year settlements being released, a reduction in property tax revenue due to the changes in taxable values of \$374,000 and an increase in facility rental revenue of \$25,000.
- An increase in Interdistrict revenue of approximately \$49,000 for additional revenue allocated by Oakland Schools to support safety initiatives.
- An increase in State revenue of approximately \$1.6 million mainly due to an increase in the amount of 31aa Mental Health and Safety/Security grant funds allocated by the State of \$1.9 million and a decrease in other State categorical funds of \$300,000.
- An increase in federal grant funds of approximately \$637,00 based upon current grant awards for Title I, II and III funds and the reduction of Headstart funds.
- An increase in Transfers and Other Transactions of \$37,000 due to a higher indirect cost amount from the Nutrition Services Fund.

Total expenditures are budgeted to increase by approximately \$4.2 million due to a number of factors. The main reasons for the increase are increased grant awards of \$2.3 million, actual staffing in place, an increase in sub costs of approximately \$775,000, an increase in contracted transportation and maintenance costs of \$450,000, an increase in utility costs of \$100,000 and an increase in teaching

supplies, dual enrollment tuition and other contracted services costs of approximately \$575,000.

Expenditure revised estimates includes:

- The revised salary and benefit numbers based on actual staffing in place and current contractual obligations.
- Grant expenditures (federal and state) are anticipated with this amendment to be approximately \$2.3 million higher than the first amended budgeted. (See item above regarding grant revenue.) Grants are budgeted as the awards are received. The majority of these dollars are budgeted in the Instruction, Added Needs, Pupil Services, Instructional Staff Services, Maintenance & Operations, Other Support Services and Community Services functional categories.
- All other lines have been reviewed and adjusted based upon revised expenditure levels for current known factors.

The attached spreadsheet shows from a functional level (which is the presentation required by the State of Michigan) the specific differences between the revenue and expenditures from the February amended budget to the final amended budget.

Every expenditure line on the attached statement for the General Fund shows activity. Several functions are highlighted to explain a few of the larger percentage or dollar changes.

- Pupil Services reflects the current staffing in place as well as adjustments to align to current grant funding for Title I and Mental Health and Safety and Security.
- Maintenance and Operations reflects adjustments for increased utility and contracted services costs and for the Mental Health and Safety and Security grants.
- Transportation has increased to reflect higher special education transportation costs.

The net result in the General Fund is a reduction to fund balance of approximately \$4,985,000 which is approximately 19.9% based upon the revenue and expenditure budgets.

The revised budget for the Debt Fund reflects a net decrease in revenue due to a reduction in property tax revenue for revised taxable values and an increase in state revenue for the personal property tax exemption reimbursement.

The revised budget for the Special Revenue Fund - Nutrition Services Program

reflects adjustments to revenues based upon current participation. The increase in expenditures reflects updated wage and benefit amounts and increased milk costs.

Thanks go to Kim Pincheck for her work on this amendment. If you have any questions, please feel free to contact me.

REVISED GENERAL APPROPRIATIONS RESOLUTION
FISCAL YEAR 2026
June 16, 2026

Farmington, Michigan

Resolution declared adopted.

Dr. Cheryl B. Blau, Secretary, Board of Education

GENERAL FUND EXPLANATION OF BUDGET CATEGORIES

REVENUE

Local Revenue includes the receipts from the twice-a-year tax collections, interest and other miscellaneous local sources of income.

Interdistrict Revenue includes the monies received from Oakland Intermediate School District for Medicaid fee for service dollars and PA18 funds.

State Revenue includes the receipts from the state based upon the enrollment of eligible students in the district in addition to funds for special education, vocational education, transportation, bilingual, adult education and gifted programs

Federal Revenue includes the funds received as a pass-through from the intermediate district and the state directly attributable to supplemental instructional programs.

Transfers & Other Transactions includes monies coming into the general fund from other funds of the school district and sales of district equipment or property.

EXPENDITURES

Instruction Expenditures include the direct classroom costs of the elementary, middle and high school programs, and the driver education and summer school programs. These expenditures include teacher and paraprofessional salaries, benefits, classroom supplies, textbooks and equipment.

Added Needs Expenditures includes the direct classroom costs of primarily the special education, compensatory education (i.e. Headstart, Bilingual Services), and vocational education.

Adult & Continuing Education includes costs associated with the operation of the adult high school completion program.

Pupil Services Expenditures includes the costs associated with providing direct services to students in support of the basic classroom offerings. These services include high school and middle school counselors, occupational and physical therapists, nurses, psychologists, speech and audio therapists, social workers, teacher consultants and playground supervisors.

Instructional Staff Expenditures include costs associated with staff development and curriculum coordinators, media (library) audiovisual services and supervision of staff.

General Administration includes costs incurred by the Board of Education in the area of the mandated annual audit, legal fees, election costs, stipends paid to the Board, and salaries, benefits and supplies for executive administration.

School Administration includes the salaries, benefits and supply costs for the building principals, assistant principals and school clerical staff.

Business includes the direct costs associated with the operation of the business office (purchasing, accounting, accounts payable, payroll, budgeting, investments and financial reporting), district-wide mail costs, and warehouse operations. This function also includes the repayment of taxes for tax tribunal decisions.

Maintenance & Operations includes the costs associated with all custodians, maintenance personnel, supervisors, contracted services, supplies and materials, property and liability insurance, and all utilities.

Transportation includes the drivers, mechanics, paraprofessionals, and supervisory costs related to transporting students to and from school, field trips and other school-related events.

Central Services includes the costs of information technology, pupil accounting, school/community relations, and personnel services.

Community Services includes those costs associated with the operation of the Community Service Program (including preschool) and services to the Farmington Youth Assistance Program.

Athletics includes those activities concerned with financing the interscholastic athletic programs that are under the supervision of the school

Intergovernmental Payments includes payments to other school districts for which our students attend their educational programs.

Transfers & Other Transactions includes monies transferred to other funds (Capital Projects and Nutrition Services).

**FARMINGTON PUBLIC SCHOOL DISTRICT
COUNTY OF OAKLAND
STATE OF MICHIGAN**

At a regular meeting of the Board of Education (the "Board") of the Farmington Public School District, County of Oakland, Michigan (the "School District"), held in the School District on June 16, 2026, at 6:00 p.m., local time.

PRESENT: Members: _____

ABSENT: Members: _____

**RESOLUTION CERTIFYING
SCHOOL IMPROVEMENT BOND PROPOSITION**

The following preamble and resolution were offered by Member _____ and supported by Member _____:

WHEREAS, the School District has determined that it is necessary for the health, safety and welfare of its students and staff to undertake various capital improvements to its facilities district-wide (collectively the "Projects"); and

WHEREAS, the School District is of the opinion that in order to finance the Projects, a bonding proposition should be submitted to the electors as described in the School Improvement Bond Proposition attached hereto as Exhibit A (the "Bond Proposition"); and

WHEREAS, the School District desires to submit the Bond Proposition to the electors at an election to be held on November 3, 2026 (the "November Election Date"); and

WHEREAS, Michigan law requires that the School District certify the ballot language for any proposals to be voted on at a permitted election date to the School District's Election Coordinator (i.e. the Clerk of the County of Oakland) not later than 4:00 p.m., on the twelfth Tuesday before the election date; and

WHEREAS, the School District desires to approve and certify the above referenced Bond Proposition and to authorize the Superintendent or her designee to certify the Bond Proposition to the School District's Election Coordinator for the November Election Date.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The Bond Proposition attached hereto as Exhibit A, is hereby approved and certified to the School District Election Coordinator for submission to the School District's electors on the November Election Date. The Superintendent, or her designee, on behalf of the Secretary of the Board is hereby authorized and directed to file this Resolution and/or complete any such forms, certificates or documents as may be required by the School District Election Coordinator to evidence the foregoing certification and/or submission by no later than 4:00 p.m. on August 11, 2026.

2. The School District Election Coordinator is hereby authorized and directed to: (a) post and publish notice of last day of registration and notice of election for the November Election Date; and (b) have prepared and printed ballots for submitting the Bond Proposition at the November Election Date, which ballots shall be in the form appearing in Exhibit A or the Bond Proposition shall be stated as a proposal on the voting machines, which ballots may include other matters presented to the electorate on the same date.

3. All resolutions and parts of resolutions insofar as they conflict with the provisions of this Resolution are hereby rescinded.

OFFICIAL BALLOT

**FARMINGTON PUBLIC SCHOOL DISTRICT
COUNTY OF OAKLAND
STATE OF MICHIGAN**

SCHOOL IMPROVEMENT BOND PROPOSITION

Shall the Farmington Public School District, County of Oakland, State of Michigan, borrow the sum of not to exceed One Hundred Seventy-One Million Dollars (\$171,000,000) and issue its general obligation unlimited tax bonds, in one or more series, to pay the cost of the following projects to create a modern learning environment for students which will accommodate the expansion of the STEAM and Maker Space Programs and for health, safety, security, energy conservation and other purposes:

- Remodeling, constructing additions to, equipping, re-equipping, furnishing, re-furnishing school buildings, athletic fields, playgrounds and other facilities;
- Acquiring and installing instructional technology infrastructure and equipment in school buildings and other facilities; and
- Preparing, developing and improving sites at school buildings, athletic fields, playgrounds and other facilities?

YES _____

NO _____

The annual debt millage required to retire all bonds of the School District currently outstanding and proposed pursuant to this ballot is expected to be at or below 3.20 mills which is a 0.00 mill increase from the annual debt millage levied in 2026. The maximum number of years any series of bonds may be outstanding, exclusive of refunding, is not more than twenty (20) years; the estimated millage that will be levied to pay the proposed bonds in the first year is 0.95 mills (which is equal to \$0.95 per \$1,000 of taxable value); and the estimated simple average annual millage that will be required to retire each series of bonds is 1.32 mills annually (\$1.32 per \$1,000 of taxable value).

(Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for teacher, administrator or employee salaries, repair or maintenance costs or other operating expenses.)

Memorandum

To: Board of Education
From: Luke Cadeau, Assistant Director of Facilities Management
Date: 06/02/2026
Subject: 2026/2026 Custodial Equipment Replacement

The Facilities Department is recommending the purchase of new Tennant custodial equipment to replace aging and unreliable equipment currently being used district-wide. Current equipment is experiencing frequent breakdowns, increasing repair costs, and difficulty obtaining replacement parts.

The proposed purchase includes new walk-behind scrubbers, ride-on scrubbers, all-surface cleaners, and carpet extractors to improve cleaning operations and reliability across all school buildings.

Total proposed custodial equipment investment: \$208,790.19 to replace aging equipment and improve reliability district-wide.

ABM has committed \$120,000 toward the purchase, and the district will utilize the current ABM contract to secure cooperative pricing. The total district cost for the proposed equipment purchase is \$88,790.19. This includes shipping costs of \$9,942.39.

This investment will improve equipment reliability, reduce downtime and repair costs, support consistency with current ABM maintenance operations, and help continue providing clean, safe, and well-maintained schools for students and staff.

Custodial Equipment Replacement

June 02, 2026

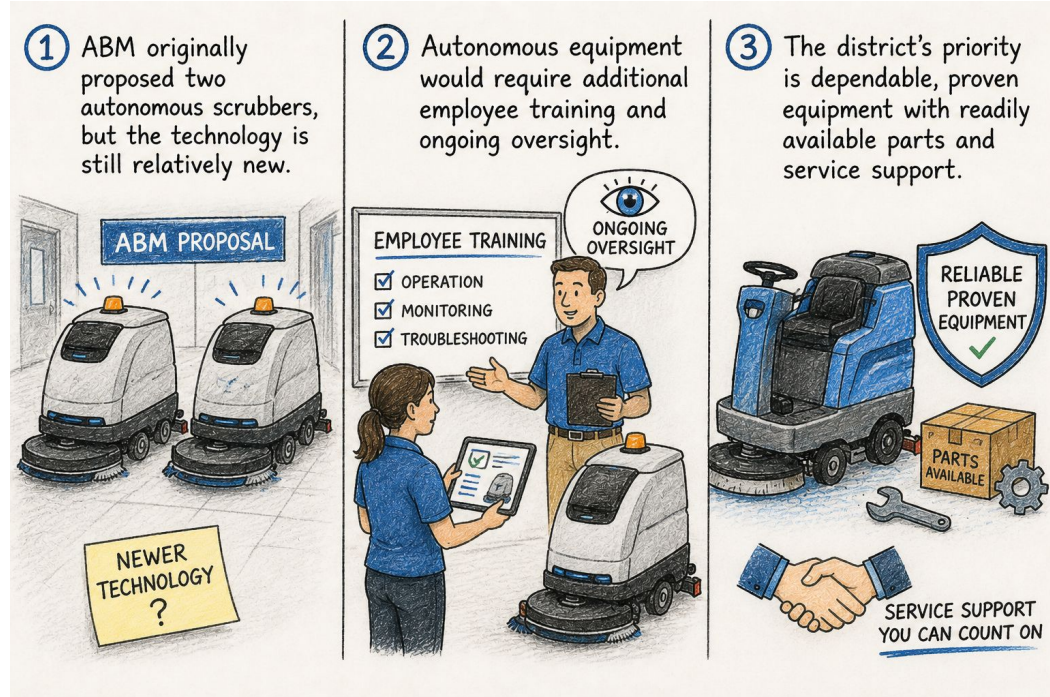

Current Equipment Issues

- ➔ Current custodial equipment is aging, unreliable, and experiencing frequent breakdowns.
- ➔ Replacement parts are becoming difficult to obtain, leading to increasing repair costs.
- ➔ New reliable equipment is needed to maintain cleaning operations and district standards.

Reason for Recommendation

- ABM originally proposed two autonomous scrubbers, but the technology is still relatively new.
- Autonomous equipment would require additional employee training and ongoing oversight.
- The district's priority is dependable, proven equipment with readily available parts and service support.

Proposed Equipment Purchase

- ➔ 5 Smaller Walk-Behind Scrubbers (T300) and 4 Larger Walk-Behind Scrubbers (T500) for elementary and middle school cleaning operations.
- ➔ 3 Ride-On Scrubbers (T7 Rider) to improve efficiency in larger middle and high school buildings.
- ➔ 8 All-Surface Cleaners (ASC15) and 10 Carpet Cleaners (E5) for specialty floor and carpet cleaning needs
- ➔ Total proposed custodial equipment investment: \$208,790.19 to replace aging equipment and improve reliability district-wide.

1 5 SMALLER WALK-BEHIND SCRUBBERS (T300) AND 4 LARGER WALK-BEHIND SCRUBBERS (T500) FOR ELEMENTARY AND MIDDLE SCHOOL CLEANING OPERATIONS.

5 - T300

x 5

4 - T500

x 4

2 3 RIDE-ON SCRUBBERS (T7 RIDER) TO IMPROVE EFFICIENCY IN LARGER MIDDLE AND HIGH SCHOOL BUILDINGS.

x 3

3 8 ALL-SURFACE CLEANERS (ASC15) AND 10 CARPET CLEANERS (E5) FOR SPECIALTY FLOOR AND CARPET CLEANING NEEDS.

8 - ASC15

x 8

10 - E5

x 10

4 TOTAL PROPOSED CUSTODIAL EQUIPMENT INVESTMENT:

\$198,847.80

TO REPLACE AGING EQUIPMENT AND IMPROVE RELIABILITY DISTRICT-WIDE.

RELIABLE EQUIPMENT. DEPENDABLE SUPPORT. CLEAN SCHOOLS.

 AVAILABLE PARTS
 SERVICE SUPPORT
 BUILT FOR OUR DISTRICT

Equipment Manufacturer

- The district is recommending Tennant equipment due to its reputation as a trusted and reliable custodial equipment manufacturer.
- Replacement parts and service support for Tennant equipment are readily available.
- ABM already uses, services, and repairs Tennant equipment, supporting consistency and efficiency.

1 The district is recommending Tennant equipment due to its reputation as a trusted and reliable custodial equipment manufacturer.

2 Replacement parts and service support for Tennant equipment are readily available.

3 ABM already uses, services, and repairs Tennant equipment, supporting consistency and efficiency.

✓ TRUSTED EQUIPMENT. READILY SUPPORTED. PROVEN PARTNERSHIP.

Cost and Funding

- ABM will contribute \$120,000 toward the custodial equipment purchase, helping reduce district costs
- The district will utilize the current ABM contract to secure the best available pricing, resulting in a district cost of \$88,790.19 including shipping and paid for with 2020 Bond Funds.
- This investment will provide long-term reliability, reduce equipment downtime, and support cleaner, safer school buildings.

SMART INVESTMENT. STRONGER SCHOOLS.

A PARTNERSHIP FOR CLEANER, SAFER SCHOOLS

1 ABM CONTRIBUTION

ABM will contribute
\$120,000
toward the custodial
equipment purchase,
helping reduce
district costs.

2 BEST PRICING & DISTRICT COST

The district will utilize the
current ABM contract to
secure the best available
pricing, resulting in a
district cost of

\$88,790.19

3 LONG-TERM VALUE

This investment will provide
long-term reliability, reduce
equipment downtime, and
support cleaner, safer
school buildings.

CLEANER. SAFER. BETTER SCHOOLS.

A SMART INVESTMENT IN OUR SCHOOLS

- ✓ Reduced district cost through ABM partnership
- ✓ Best pricing through existing contract
- ✓ Long-term reliability and performance
- ✓ Cleaner, safer learning environments for our students and staff

Benefits to the District

- More reliable equipment for custodial staff
- Reduced repair costs and downtime
- Improved availability of replacement parts
- Consistency with ABM maintenance operations
- Supports efficient cleaning operations district-wide

BENEFITS FOR OUR SCHOOLS

MORE RELIABLE EQUIPMENT FOR CUSTODIAL STAFF

REDUCED REPAIR COSTS AND DOWNTIME

IMPROVED AVAILABILITY OF REPLACEMENT PARTS

CONSISTENCY WITH ABM EQUIPMENT AND MAINTENANCE OPERATIONS

SUPPORTS EFFICIENT CLEANING OPERATIONS DISTRICT-WIDE

Investing today for cleaner, safer, and more efficient schools tomorrow.

Recommendation

- Approve the purchase of new Tennant Company custodial equipment
- Utilize ABM contribution and cooperative pricing
- Replace outdated and unreliable equipment district-wide
- Continue providing clean, safe, and well-maintained schools

INVESTING TODAY FOR BETTER SCHOOLS TOMORROW

- 1 APPROVE THE PURCHASE OF NEW TENNANT CUSTODIAL EQUIPMENT**

TENNANT
- 2 UTILIZE ABM CONTRIBUTION AND COOPERATIVE PRICING**

STRONG PARTNERSHIP.
SMART INVESTMENT.
- 3 REPLACE OUTDATED AND UNRELIABLE EQUIPMENT DISTRICT-WIDE**

- 4 CONTINUE PROVIDING CLEAN, SAFE, AND WELL-MAINTAINED SCHOOLS**

CLEAN SCHOOLS
SAFE STUDENTS
STRONG FUTURES

 **TOGETHER, WE BUILD BETTER ENVIRONMENTS FOR SUCCESS.** 

Questions?

Farmington
PUBLIC SCHOOLS

Memorandum

To: Members of the Board of Education
From: Anne Stevens, Director, Nutrition Services
Date: June 2, 2026
Subject: Recommendation for Middle School Equipment Purchase

The Nutrition Services Department requests approval to purchase kitchen equipment for East Middle School, Farmington STEAM Academy, Power Middle School, and Warner Middle School as detailed below:

East Middle School

- Dishwasher
- Soiled-side and clean-side dishtables

Farmington STEAM Academy

- Dishwasher
- Three-compartment pot and pan sinks (existing sinks will be relocated and downsized to accommodate the dishwasher installation)
- Clean-side and soiled-side tables for dishwasher and pot sinks
- Food preparation tables
- Hand sink (existing sink placement will be relocated to accommodate dishwasher installation)
- Faucets and drains for pot sinks
- Double-stack combi oven

Power Middle School

- Dishwasher
- Three-compartment pot and pan sinks
- Prep sink with attached table

Warner Middle School

- Dishwasher

The updated equipment will significantly improve the kitchen workflow and enhance our ability to efficiently prepare meals and streamline cleanup operations.

Four competitive bids were solicited, with pricing ranging from \$310,372 to \$363,840. The summary by building as well as details for the summary document are attached. The recommended vendor is Stafford-Smith, Inc., a company with a proven track record of providing quality products and service to Farmington Public Schools, which submitted the lowest bid of \$310,372.

Pricing for this equipment was obtained through an existing consortium bid with Oakland Schools utilizing the Sourcewell Contract #063022-STF . If approved, the equipment will be delivered and installed during the summer of 2026 and the purchase will be fully funded through the Nutrition Services Fund.

Thank you for your consideration of this request. Please let me know if additional information is needed.

INCLUDES:

* Pre-site survey (\$500)

Item	Qty	Description	Sell	Sell Total
		* Parts Kit (\$1200)		
		* Equipment unloading/unpacking/setup, connection of utilities		
		* Final equipment startup		
		Cost covers up to 2 hours and 100 miles round trip ONLY. Water filter(s) installation NOT included. By others.		
		Customer is responsible for overtime or additional travel. Consignee receiving the equipment MUST inspect for damage and verify number of pieces shipped is the correct number of pieces being delivered. If damage or missing pieces are found and not signed for as such with the carrier at time of delivery, it is the dealers responsibility to replace at their expense.		
		Based On Model #, Kit Includes Plumbing/Electrical Kit (Wires, Conduit, Connectors, Terminal Block, Couplings, Elbows, Cooper Tee, Support Pike Kit, Hose And Water Fittings) (NET)		
1 ea		A Pre-Installation Site Survey will be scheduled by Blodgett service with a designated ASA. This process ensures the site has proper space and connections for gas, electric, drain & water and is 100% compliant to our equipment requirements. New received Purchase Orders will automatically be processed in our system and be given a final ship date only upon successful completion & submission of the Pre-Installation Site Survey (Pre-site inspection checklist form available in documents section)		
1 ea		Advanced shipping (to dealer or ASA) can be arranged upon a customer's specific request, meaning that we could still ship out a unit upon receiving a PO (if requested so), but it will need to be at the customer's own risks, and any storage fees/returns/restocking fees/modifications required as a result of unsafe destination warehouse conditions, missing or inadequate site inspection, results in full financial responsibility incurred by the dealer/KES partner		
1 ea		CHEF TRAINING Chef training assistance on-site, included for each new location, to be coordinated with a local designated Middleby rep chef once the combi installation process has been successfully completed		
1 ea		2.76" (70mm) spacing, standard		
1 ea		Top Oven: Door hinged on left, standard		
1 ea		Bottom Oven: Door hinged on left, standard

INCLUDES:

- * Pre-site survey (\$500)
- * Parts Kit (\$1200)
- * Equipment unloading/unpacking/setup, connection of utilities
- * Final equipment startup

Cost covers up to 2 hours and 100 miles round trip ONLY.
Water filter(s) installation NOT included. By others.

Customer is responsible for overtime or additional travel.
Consignee receiving the equipment MUST inspect for damage and verify number of pieces shipped is the correct number of pieces being delivered. If damage or missing pieces are found and not signed for as such with the carrier at time of delivery, it is the dealers responsibility to replace at their expense.

Based On Model #, Kit Includes Plumbing/Electrical Kit (Wires, Conduit, Connectors, Terminal Block, Couplings, Elbows, Cooper Tee, Support Pike Kit, Hose And Water Fittings) (NET)

1 ea		A Pre-Installation Site Survey will be scheduled by Blodgett service with a designated ASA. This process ensures the site has proper space and connections for gas, electric, drain & water and is 100% compliant to our equipment requirements. New received Purchase Orders will automatically be processed in our system and be given a final ship date only upon successful completion & submission of the Pre-Installation Site Survey (Pre-site inspection checklist form available in documents section)		
1 ea		Advanced shipping (to dealer or ASA) can be arranged upon a customer's specific request, meaning that we could still ship out a unit upon receiving a PO (if requested so), but it will need to be at the customer's own risks, and any storage fees/returns/restocking fees/modifications required as a result of unsafe destination warehouse conditions, missing or inadequate site inspection, results in full financial responsibility incurred by the dealer/KES partner		
1 ea		CHEF TRAINING Chef training assistance on-site, included for each new location, to be coordinated with a local designated Middleby rep chef once the combi installation process has been successfully completed

10	1 ea	WHITE GLOVE DELIVERY Hubert Company LLC Model No. 005 WHITE GLOVE MC Hubert to provide the following white glove services: <ul style="list-style-type: none"> • Receive new equipment • Deliver to site with liftgate, unload, uncrate, assemble and set in place equipment • Remove and dispose of like existing equipment 	\$14,444.00	\$14,444.00
			ITEM TOTAL:	\$14,444.00
			Total	\$143,432.00

1. Hubert reserves the right to correct obvious errors.
2. Freight charges are included. If a freight estimate is provided it is just an **estimate** and actual shipping charges may vary. Lift Gate delivery is available for an additional charge.
3. Hubert will bill tax for all taxable items. If you are tax exempt, Hubert will require a Tax Exemption Certificate before the order is placed, if one is not currently on file.
4. Installation is not included unless otherwise noted. Delivery and installation costs can be provided upon request.
5. Any returns will be subject to restocking fees and return freight costs. In certain cases some items may not be eligible for return. Returns must be sent back in original packaging.
6. It is the responsibility of the customer to **verify all utility requirements** and to ensure equipment specifications match utility connections.
7. The customer must verify the dimensions of equipment to ensure it will fit into it's allocated space and that it will fit through all doorways and hallways.
8. The consignee will need to inspect all shipments and packaging for freight damage before receiving and accepting the shipment. If freight damage is noticed, it is the responsibility of the consignee to report the damage on the BOL before signing or refuse the shipment altogether. The best practice is to refuse shipments with visible freight damage. Concealed freight damage will need to be reported within 5 days of receiving and accepting the shipment.
9. By accepting this quote, you agree to Hubert's terms and conditions listed above.

Thank you for the opportunity to quote this project.

KA-44

Hot Water Sanitizing
Single-Tank
Rack-Conveyor Dishwasher

The clean solution

Special features:

- **Low water consumption** of 71 gallons (268.8 liters) per hour, 0.29 gallons (1.11 liters) per rack.
- **NSF rated 243 racks per hour.**
- **Glass touch screen control panel** for fully automatic operation and advanced service diagnostics. Messages are displayed in plain text, with a selection of multiple languages including English, Spanish and French.
- **Built-in “smart” booster heater** ensures correct sanitizing temperature of 180°/82°C (incoming water temperature of 110°-140°F/43°- 60°C).
- **“Blue cues” color coding** of components to be touched during daily cleaning makes cleaning intuitive.
- **Modular construction** reduces lead times. Ships as a single unit.

Standard features:

- 3 drive speeds: Wash 243, 202 or 162 racks/hour.
- 304-series stainless steel construction.
- Uniquely-designed center-drive pawl system eliminates water spray blockage from below the rack, while providing reliable operation.
- Double-wall insulated construction on front, top and back to improve operator safety, conserve heating energy, and reduce noise and heat loss into the dishroom.
- Standard vent cowls with collars.
- Sealed, hinged access door(s) are field-reversible by an Authorized Service Agent.
- Stainless steel wash arms are optimally positioned and easily removable for cleaning. Wash arm end caps are cooler to the touch for safety. Nozzles are slotted and concave to minimize clogging.
- Powerful 3hp (2.2 kW) wash pump provides outstanding cleaning results. Pump motor is vertically-mounted for easy servicing.
- Detergent and rinse aid access ports.
- Low-level heater protection.
- Potential-free contacts for external vent fan control.

Specifications:

KA-44: 44" (1,118 mm) compartment with wash and final rinse, zones. Table-to-table length 44" (1,118 mm). Length with hoods 53-3/8" (1,354 mm).

Note: Tabling sold by other manufacturers.

KA-44

TABLE-TO-TABLE DIMENSIONS:
44"L x 76-1/8"H x 31-1/4"D
(1,118 mm x 1,934 mm x 795 mm).

DIMENSIONS WITH HOODS:
53-3/8"L x 76-1/8"H x 31-1/4"D
(1,354 mm x 1,934 mm x 795 mm).

Options:

- **Waste Air Heat Recovery System (WAHRS):** Requires incoming water temperature less than 110°F (43°C). Cold water supply or below 68°F (20°C) recommended.
- **Blower dryer** improves drying of dishes, glassware, crockery and silverware. Adds 23 5/8" (600mm) to machine length.
- The industry's first 90° mechanical unloader/blower dryer module.
- 90° mechanical loader and unloader (unhooded).
- Single point electrical connection available. Contact factory for more information.
- Water hammer arrestor.
- Machine separations for ease of handling and installation, contact factory.
- Contact factory for drawings including options.

Accessories:

- Table limit switch.
- Drain water tempering kit.
- Open-ended sheet pan rack.
- Flanged feet.

This dishwasher is compliant with the Reduction of Lead in Drinking Water Act (2011) amendment to the Safe Drinking Water Act (SDWA).

KA-44 Utility Connections Detail Page

1.0 Drain

- Vertical, gravity-fed drain outlet (HDPE piping). 2" OD or 1½" pipe via no-hub required for connection.
- Connection pipe work and P-trap to be provided by others (HDPE piping).
- Additional piping to drain (if required) to be provided by others.
- Connection is 13" (330 mm) AFF.
- NOTE: Drain locations may vary.

2.0 Warm water connection (f ll and rinse); machines without WAHRS option:

- ¾" NPT pipe connection.
- Temperature: 110° - 140°F (43° - 63°C).
- Initial fill: **KA-44** = 21.1 gallons (80 liters)
- Consumption = 71 gallons (268.8 liters) per hour.
- Recommended hardness = 1-3 grains/gallon.
- Connection = 11" (279 mm) AFF.

2.01 Warm water connection (f ll and rinse); machines with WAHRS option:

- 1/2" NPT pipe connection.
- Temperature: 110° - 140°F (43° - 60°C).
- Initial fill: **KA-44** = 21.1 gallons (80 liters)
- Recommended hardness = 1-3 grains/gallon.
- Connection = 11" (279 mm) AFF.

2.02 Cold water connection (f nal rinse); machines with WAHRS option:

- 1/2" NPT pipe connection.
- Temperature as cold as available: 53° - 68°F (12° - 20°C) recommended.
- Consumption = 71 gallons (268.8 liters) per hour.
- Recommended hardness = 1-3 grains/gallon.
- Connection = 11" (279 mm) AFF.

6.01 Load-end vent connection:

- See Detail View on Technical Specifications page
- 200 CFM [340 m³/hr]

6.01 Load-end vent connection with WAHRS option:

- See Detail View on Technical Specifications page
- 200 CFM [340 m³/hr]
- Connection must be corrosion-resistant and frost-free. In particular, provisions must be made to prevent air temperatures of 32°F (0°C) or colder from reaching the machine at any time. A provision for draining moisture from the waste air pipe (condensate return) is strongly recommended.

6.02 Unload vent connection:

- See Detail View on Technical Specifications page
- 400 CFM [680 m³/hr]

Note:

- Relative humidity: approximately 98%.
- Machine exhaust (pant leg connection) recommended as per values listed above.
- Machine exhaust hood connection (by tohers): recommended 100 CFM [170 m³/hr] per lineal foot of hood. Length of hood contingent on machine model and local site conditions at time of installation. MEIKO assumes no responsibility.
 - 18" hood overhang to front of machine.
 - 36" hood overhang on load and unload ends.

KA-44 Technical Specifications Detail Page

Specified dishwasher will be KA-44 high-temp rack conveyor. Low water consumption of 0.29 gallons/rack. NSF rated 243 racks/hour. Blue cues help operators locate important components for cleaning. Touchscreen control panel with advanced diagnostics. 3 conveyor speeds. Stainless steel construction with double wall insulation, plus a built-in booster heater. 20" chamber height accommodates standard-sized sheet pans with an open-ended dish rack. NSF/UL/ES rated.

Performance

Maximum rack capacity/hour	243/202/162
Water consumption (maximum)	71 gal/hr (268.8 liters)
Water consumption/rack	0.29 gal/rack (1.1 liters)

Dimensions

KA-44 length, table-to-table	44" (1118 mm)
Length, blower dryer (option)	+ 23 $\frac{5}{8}$ " (600 mm)
Height	76 $\frac{1}{8}$ " (1934 mm)
Depth	31 $\frac{1}{4}$ " (795 mm)
Clearance height inside wash chamber	20" (508 mm)

Component data

Wash pump motor	3.0 hp (2.2 kW)
Conveyor drive motor	0.13 hp (0.12 kW)
Vent motor (WAHRS option only)	0.17 hp (0.13 kW)
Blower dryer motor (blower dryer option only)	0.67 hp (0.48 kW)

Venting data pant leg

Load end:	200 CFM/340m ³ /h
Unload end:	400 CFM/680m ³ /h
Total:	600 CFM /1,020m ³ /h
Relative humidity (approx.):	98%

Recommended Pant Leg Connection

Machines that are not placed underneath a ventilation hood require "pant leg" ventilation ducts. To determine the dimensions of the duct, first determine how they will be installed.

Duct sleeved inside collar (recommended):

4" W x 16" D (102 x 406 mm) **inside dimensions**

Recommended Tabling Construction

Note: All specifications are subject to change without notice based on MEIKO's dedicated product improvement program.

SALVAJOR® Food Waste Disposer 3 HP - Model 300

JOB: _____

Item No.: _____

SPECIFICATIONS:

CORROSION RESISTANT BODY

Permanent molded from heat treated aluminum alloy.

EXTENDED LIP WATER SEAL

Protects the motor from damage by water.

TAPERED ROLLER BEARING

Provides longer motor life, quiet operation and shock absorbing.

WATER COOLED MOTOR

Provides maximum efficiency and longer life.

QUIET OPERATION

Extra thick rubber mounting adaptor and drain outlet isolates sound and eliminates vibration.

WASTE MIXING CHAMBER

Extra large to ensure proper mixture of water to waste.

NEMA 4 Watertight Controls

◆ SPECIFY EXACT OPERATING VOLTAGE ◆

Model 300 Food Waste Disposer

3 HP - 3 Phase

SPECIFICATIONS:

MOUNTING – Rubber adaptor above grind chamber and rubber drain outlet isolates sound and eliminates vibration. No metal to metal contact.

EXTERIOR HOUSING – Permanent molded from heat treated, corrosion resistant aluminum alloy then computer machined to a smooth polished finish. Paint free.

SHREDDER – 9 inch diameter, machined high strength, wear resistant hardened carbide alloy.

ROTOR – 9 inch diameter with 4 cutter bars, machined high strength, wear resistant hardened carbide alloy.

MOTOR – 3 HP totally enclosed. Fan cooled and water cooled for efficiency and longer life. Built-in manual reset thermal overload protection. Available in 208-230/460 volts, 60 cycle, 3 phase.

BEARINGS – Tapered roller (top)
Sealed ball (bottom)

SEAL – Extended Lip Water Seal.

WATER REQUIREMENT – 8 gallons of cold water per minute.

WASTE OUTLET – Rubber drain accepts 2" piping or 3" piping by removing drain insert.

DUAL DIRECTION GRINDING – Designed to operate in either direction. Direction of rotation can be controlled when installed with automatic reversing controls. *Reversing rotation can double cutting teeth life.*

LEG SUPPORT – Single leg, adjustable.

ASSEMBLIES: (See Specification Sheet)

CA – Cone Assembly with 12", 15" or 18" Cone

SA – Sink Assembly with 3½" or 6½" Sink Collar

DISPOSER CONTROLS: (See Specification Sheet)

MSS: (Non Reversing)

MRSS: (Manual Reversing)

ARSS-2: (Automatic Reversing)

ARSS: (Automatic Reversing with Water Saver)

DIMENSIONS

NOTE: Dimensions in parenthesis are in centimeters

Model 102BLE / 102BLG: injection steam electric oven / gas oven

Invoq Stackit 2/1 GN

A whole new oven experience

Stackit makes it possible to double your capacity without using more of your valuable floor space. When stacking two ovens, you gain maximum flexibility. You can easily work in different cooking modes without it requiring more working space. Stackit allows you to mix oven models, sizes, power supply and steaming technologies. Both steam production and the automated cleaning system are controlled to utilize a minimum amount of energy and water without ever compromising quality results.

CAPACITY 6-2/1 GN + 6-2/1 GN

- Full size sheet pans, 2/1 GN or 1/1 GN
- 2-piece racks with 2.75" (70 mm) runners or other options (p. 11)
- 7 + 7 full size sheet pans or 14 + 14 half size pans 1/1 GN
- 19.8 lbs maximum food load per tray
- 138.9 lbs + 138.9 lbs maximum food load per oven
- Supplied with 5 + 5 heavy-duty stainless steel wire racks as standard

CAPACITY 10-2/1 GN + 6-2/1 GN

- Full size sheet pans, 2/1 GN or 1/1 GN
- 2-piece racks with 2.75" (70 mm) runners or other options (p. 11)
- 10 + 7 full size sheet pans, or 20 + 14 half size pans 1/1 GN
- 19.8 lbs maximum food load per tray
- 198.4 lbs + 138.9 lbs maximum food load per oven
- Supplied with 8 + 5 heavy-duty stainless steel wire racks as standard

Intelligence at the tip of your finger...

ClimateControl

ClimateControl ensures best-in-class performance, controlling the air, heat and humidity levels. It optimises processes and even shortens cooking times. The result is consistent uniformity and predictably high quality.

MenuPlanner

MenuPlanner allows you to cook many different items, unsupervised at the same time, using a simple drag and drop interface. Both experienced and inexperienced users will appreciate the automatic notifications that ensure efficient, precise and on-time consistency.

CareCycle

Select between seven different cycles from Light to Intense, Turbo or Eco. The Invoq oven guides you through the process and suggests the optimal cleaning program and required amount of cleaning tablets for the desired cycle. This ensures that the ratio of detergent to water is always correct and you avoid overconsumption.

SmartChef

SmartChef helps you learn from the oven to develop your signature style. You select type of food, cooking method and temperature, and SmartChef will automatically guide you to a great result. Afterwards, you can save and, if necessary, edit the formula.

Wi-Fi module	IEEE 802.11 b/g/n (2.4 GHz)
LAN	RJ45

* Fully demineralized, distilled, or RO water must be remineralized to meet the above conductivity, hardness, TDS and pH limits. Extremely soft water (< 1°dH or < 20 ppm) increases corrosion risk and must be avoided.

This appliance uses a variable frequency drive, which can be known to product high frequency electrical noise. In some cases units must be hard wired. This avoids false positives on ground fault devices susceptible to errors from electrical noise. All installations must comply with local and national codes. Further technical information can be found in the installation manual.

Features

Intelligence

ClimateControl	Optimal cooking environment through control of air, heat, pressure and humidity levels. Reversible fan adjustable with 9 steps (20-100%). Humidity correction accurate to 1/10 of a second.
CareCycle	Fully automatic, recirculating tablet-based cleaning system. System guidance to appropriate cleaning program and required amount of detergent. Organizer to schedule a carefree overnight clean. Automatic rinse after interrupted cleaning cycle.
MenuPlanner	Up to 10 integrated timers for notifications. Software to input and group recipes with drag and drop functionality. Automatic alert to request staggering of loading when grouping up to three specific recipes.
CookTimeCorrection (CTC)	Intelligent sensors detecting unexpected changes in temperature and compensating accordingly.
SmartChef	Intelligent cooking automation selecting the optimal cooking settings.
Humidity control, CombiSense	Percentage-based automatic humidity system for high-temperature cooking maintaining natural moisture, flavor and color of the product. Sensors supervise and control the Maillard reaction for accurate results.
Humidity control, CombiSpeed	Level-controlled humidity injection for improving low-temperature cooking optimizing tenderization and yield of larger products. 10 different humidity levels.
QSR	QSR, Quick Select Recipes, is a tailored smart user interface allowing recipes as favorites on the home screen. 9 thumbnail recipes per page - up to 9 pages for a total of 81 recipes. Option of locked down user interface to prevent manual operation.
Connectivity, Open Kitchen	Cloud solution for menu management, recipe distribution, preventive maintenance, real-time overview of fleet, food safety documentation and consumption data overview.
Power failure	Automatic restart after power failure allowed up to 30 minutes to ensure finalization of running programs. Automatic rinse after interrupted cleaning process for safe cooking. User notification of failure occurred and documents via HACCP.

Operation

Convection, temperature range	30-300°C / 85°-572°F 300°C / 572°F possible for 15 minutes, then reducing to 250°C / 480°F for continued run in manual mode.
Steam, temperature range	30-130°C / 85°-265°F HybridSteam combining steam generator and injection for rapid and pure steam for optimal performance even at low temperatures below 100°C / 212°F.
CombiSense, temperature range	30-250°C / 85°-480°F Accurate automatic humidity adjustment.
CombiSpeed, temperature range	30-250°C / 85-480°F CombiSpeed: Power steam adjustable in 10 levels for reduced cooking time and tenderizing products.
Cool down	Rapid cool down function with possibility for doing it with the door open or by use of water.
Proofing	Humidity regulated proofing function for optimum proofing of baked products

Operation

InjectionSteam	In steaming mode, steam is generated by injecting water directly on to the heating elements and circulating it with the fan creating fast and efficient steam.
Steam on demand	Push and hold in manual mode or push and select between 1-30 seconds.
Steam on demand in recipes	Programmable steam on demand between 1-30 seconds. Pause can be added between steps for optimal crust.
Recipes	The oven can hold 1,500 recipes. Each recipe can hold up to 15 different steps. A set of preset recipes are installed on the oven from factory. Recipes can be grouped, e.g. bakery products, Italian cuisine. Choose from icons or photos, available from a preinstalled library, or upload own images. Simple upload or transfer between Invoq ovens via USB or the cloud solution.
Delta-T	Cooking method based on the product's core temperature for gentle preparation tenderizing meat and reducing shrinkage.
Cook & Hold	Cooking method using Delta-T as cooking mode until just before the desired temperature is reached after which the temperature is maintained, while automatic humidity control ensures the optimal conditions with a high moisture level and minimum shrinkage.
Temperature probe	External multipoint core temperature probe with accurate sensors. Always at ambient temperature. for easy use. Less exposed to wear and tear.

Safety

Fan wheel brake	Rapid fan stop.
Overheat protection	Overheating protection for convection heat and steam generator.
Contact temperature	Maximum contact temperature of oven door 70°C / 158°F.
3-pane glass door	Swiveling glass panes with built-in ventilation and energy-optimized coating.
Tablet cleaner and descaler	Tablet-based environmentally conscious cleaner and descaling chemicals for improved work safety.
HACCP	HACCP files are automatically stored for 180 days and can be downloaded in PDF format to ensure food safety documentation. Stored on the oven when not connected. HACCP data includes production time, production duration, preparation temperature and core temperature.
Maximum rack height	Maximum working height of 1.6 m / 63 inches.
Display lock	Ensuring no interruption with operation when cleaning the surface.
IP protection	Protection class IPX5 protecting against water jets from all directions.
Door handle	Two-step safety handle as standard.
Cavity	304/DIN 1.4301 steel with seamless welding and rounded corners for optimal airflow and cleaning.

Network

USB	Integrated USB interface for software, recipe and HACCP handling.
LAN	Ethernet interface for wired connectivity to Open Kitchen.
Wi-Fi	WLAN upgrade for wireless connectivity to Open Kitchen.
Connectivity	Open Kitchen cloud-based system enabling management of oven fleet and general facility management.

Care

CareCycle	Fully automatic, recirculating tablet-based cleaning system with 7 cycles from Light to Intense, Turbo or Eco. Pressure-dependent system. Turbo cleaning in just 15 minutes. System guidance to appropriate cleaning program and required amount of detergent. Organizer to schedule a carefree overnight clean. Automatic rinse after interrupted cleaning cycle ensuring no chemical residue left in the chamber.
CareCycle Clean tablets	Phosphate-free formula of the detergent for an eco-conscious choice
CareCycle Descale tablets	Descaling of boiler unit and/or cavity for proper cleaning of hard water deposits.
Water filter	For specific guidelines, follow Blodgett Combi's water treatment documentation.
3-pane glass door	Swiveling glass panes for easy cleaning.
Hand shower	Hand shower can be mounted on the side, with separate closing mechanism. The external hand shower is designed with focus on ergonomics and work environment.
External	Easy external clean due to stainless steel and glass surfaces and IPX5 protection.
Connectivity	Monitoring and consumption overview via the Open Kitchen cloud solution.

Comfort

Time format	Adjustable in 24-hour format or am/pm.
Timer start	Customizable automatic timer starts. Allowing the oven to start and/or preheat unsupervised.
Timer modes	HH:MM - MM:SS - continuous time
Display	Digital temperature display adjustable in °C or °F, display of target and actual values.
Fan speed	1 or 2 fan wheels. Reversible fan ensuring uniform results. Optimum distribution of air and steam in oven chamber. Adjustable fan with 9 steps (20-100%); low fan speed - ideal for light/delicate products The fan can be set manually in convection, steaming and combi mode. In all other modes, the fan function is set automatically.
Lighting	LED lighting from the door with high illumination of cooking chamber. Energy saving and long life.
Touch display	Fast reacting and intuitive touch display for smooth and easy operation.
User interface	Capacitive 7" TFT color touch screen with super wide view for optimal viewing angles. Simple and intuitive operation by self explanatory symbols and guidance eases the operation like a smartphone, operated by Android 9. Compatible with Middleby UI for multi devices with same control.
Languages	27 languages preset for operation and trouble shooting.
Cooking methods	7 operating modes and/or 5 cooking modes.
Supervision access	View or change the operating mode.
Customization	Customize the home screen to allow easier access to favorites, cleaning and MenuPlanner removing the risk of operator errors. Customize notes with alarms to guide staff. Incorporate guidelines to recipes for optimal usage and elimination of errors.

Installation, maintenance & environment

Start widget	Correct and stress-free installation incl. location (sea level) customization.
Service widget	Correct and easy maintenance incl service diagnosis and self-test functionality.
Fitting	Left- or right-hinged door for optimal ergonomics and kitchen design.
Service access	Easy service access from one side of the oven only. 400 mm / 15.75 inches spacing on right side of oven recommended for service access.
Water filtration	Water treatment is recommended for optimal operation. User notification by oven for replacement.
Solenoid valves	This appliance has backflow prevention on the solenoid valves.
Drain	The drain piping must consist of temperature resistant material, greater than 160°F, and be of adequate diameter not to cause flow restriction. Improper materials may deform and cause restrictions, thus affecting performance. Appliance is to be installed with backflow protection in accordance with federal, state or local codes.
Connectivity	Remote diagnosis and updates with Open Kitchen.
Warranty	Standard warranty or extended according to purchase agreement with distributor.
Maintenance	Regular maintenance is recommended according to the manufacturer's guideline by trained service partners.
Energy efficiency	Tested in accordance with ENERGY STAR.
Ambient temperature	Minimum 5°C (41°F) - Maximum 50°C (120°F) ambient operation temperature.

Mix to match your needs

Mix oven models	Invoq Combi Invoq Hybrid Invoq Bake
Mix oven sizes	6-1/1 + 6-1/1* 10-1/1 + 6-1/1* 6 400x600 EN + 6 400x600 EN* 9 400 x 600 EN + 6 400x600 EN* <i>*Also possible with PassThrough models upon request, factory-built.</i>
Choose power supply	Electric + electric Gas + gas Electric + gas Gas + electric
Mix steaming technology	CombiSteam + CombiSteam HybridSteam + HybridSteam CombiSteam + HybridSteam
Matching standard hood requirements	Any Stackit solution has a total height below 2 meter and will fit under a standard hood system.
Add Drain Lift System	Drain Lift System can be added as an option to any Stackit solution, ensuring the efficient removal of wastewater into a wall-mounted drain.

Further technical information can be found in the individual oven model spec sheet and the installation manual.

Invoq Stackit 2/1 GN

Options

Right-hinged door 2/1 GN (upon request)

Fat Separation System 2/1 GN (factory-built)

Condensation hood Stackit 2/1 GN (electric oven)

Stackit 2/1 GN (electric oven)

Stackit 2/1 GN (gas oven)

Marine kit 6 & 10 - 1/1 & 2/1 GN

Special voltage (upon request)

Wi-Fi module

Open Kitchen cloud solution

Drain lift system, stacked oven, factory installed

Drain lift system, stacked oven, upgrade kit

Racks

6-2/1 GN 70mm 7 trays (14 x 1/1 GN)
U-shaped

6-2/1 GN 85mm 6 trays (12 x 1/1 GN)
U-shaped

10-2/1 GN 70mm 10 trays (20 x 1/1 GN)

Part of

TruH2O RO500
P/N 71831011

Reverse Osmosis Water Treatment System by Middleby Corporation 500 Gallons Per Day Water

Features

The TruH2O RO500 is designed for commercial applications requiring a consistent supply of high quality water in a simple and compact package. The base model can produce up to 500 gallons of high quality reverse osmosis water per day. Available with several options to meet site specific needs including a booster pump and several external storage tanks.

Filtration Process

Benefits

- ▶ High quality activated carbon to greatly reduce corrosion, bad tastes and odors
- ▶ Reduces costly equipment maintenance
- ▶ Fast-Fit cartridge system for quick change out.
- ▶ Eliminates the effects hard water scale
- ▶ Sub Micronic Filtration
- ▶ Eliminate Chlorides

MECHANICAL FILTRATION - The USA made sediment pre-filter reduces dirt, silt, rust and other sediment in the water. Its 5 micron (equal to 0.0002 inch) nominal rating helps to give a maximum life to the carbon filtration step.

ACTIVIATED CATALYTIC CARBON - The USA made Catalytic Carbon filter reduces chloramine, chlorine and several other organic chemicals which will extend the life of the membrane and increase the product water quality.

REVERSE OSMOSIS MEMBRANES- The RO500 GPD R.O. Membrane is designed to reduce the dissolved mineral content of the water. In the Reverse Osmosis process, dissolved minerals are separated from the incoming water (Feed) to produce the product water (Permeate). The excess minerals are rinsed to drain (Concentrate). The R.O. membranes have a typical rejection of >90%. This water is then stored in a pressurized storage tank for future use.

Model: TruH2O RO500
P/N 711831011

Replacement Parts and Consumables

Part #	Description	Est. Service Life
TruH2O RO500R P/N 71851011	Replacement Pak - Includes M-Pre cartridge, MOC10 Cartridge, M-MB Membrane	3 months
TruH2O M-Pre P/N 71860011	Replacement Cartridge M-Pre Pre-filter	3 month/20,000 Gal.
TruH2O M-C10 P/N 71861011	Replacement Cartridge M-C10 Carbon	3 month/20,000 Gal.
TruH2O M-MB P/N 71865011	Membrane replacement	Varies, up to 6 months

Part # Holding Tank	Storage Capacity
TruH2O ST9 P/N 71891091	9 gallon RO storage tank (12" X 21") steel - 6 gallon actual
TruH2O ST20 P/N 71891201	20 gallon blue RO storage tank (15" X 32") steel - 12 gallon actual
TruH2O ST44 P/N 71891441	44 gallon blue RO storage tank (22" X 38") steel - 27 gallon actual

APPLICATION:

PRODUCT NAME:

DRAINING FLAT STRAINER

JOB NAME:

MODEL:

- 22209 DRAINING FLAT STRAINER BRASS
- 28932 DRAINING FLAT STRAINER CHROME

QUANTITY:

ITEM NO.:

OPTIONS OR MODIFICATIONS:

- OTHER _____

FEATURES:

- * DUAL TEFLON SEALS
- * STAINLESS STEEL BALL
- * CAST RED BRASS BODY
- * EXTRA STURDY STAINLESS STEEL CLAMPING RING
- * "CLEAR THROUGH" OPENING - NO NEED TO DISASSEMBLE IF SNAKING IS REQUIRED
- * INDUSTRY STANDARD "SEALING" ANGLE - FITS FLUSH TO STANDARD STAINLESS STEEL SINKS
- * STAINLESS STEEL FLAT STRAINER
- * 1/4 TURN FULLY OPENS AND CLOSES VALVE

DRAIN RATE:

- * 12 GPM

SHIPPING WEIGHT

- * 5.0 LBS

PRODUCT COMPLIANCE:

- * ASME A112.18.2 / CSA B125.2

		Cost covers up to 2 hours and 100 miles round trip ONLY. Water filter(s) installation NOT included. By others.		

Item	Qty	Description	Sell	Sell Total
		Customer is responsible for overtime or additional travel. Consignee receiving the equipment MUST inspect for damage and verify number of pieces shipped is the correct number of pieces being delivered. If damage or missing pieces are found and not signed for as such with the carrier at time of delivery, it is the dealers responsibility to replace at their expense.		
		Based On Model #, Kit Includes Plumbing/Electrical Kit (Wires, Conduit, Connectors, Terminal Block, Couplings, Elbows, Cooper Tee, Support Pike Kit, Hose And Water Fittings) (NET)		
	1 ea	A Pre-Installation Site Survey will be scheduled by Blodgett service with a designated ASA. This process ensures the site has proper space and connections for gas, electric, drain & water and is 100% compliant to our equipment requirements. New received Purchase Orders will automatically be processed in our system and be given a final ship date only upon successful completion & submission of the Pre-Installation Site Survey (Pre-site inspection checklist form available in documents section)		
	1 ea	Advanced shipping (to dealer or ASA) can be arranged upon a customer's specific request, meaning that we could still ship out a unit upon receiving a PO (if requested so), but it will need to be at the customer's own risks, and any storage fees/returns/restocking fees/modifications required as a result of unsafe destination warehouse conditions, missing or inadequate site inspection, results in full financial responsibility incurred by the dealer/KES partner		
	1 ea	CHEF TRAINING Chef training assistance on-site, included for each new location, to be coordinated with a local designated Middleby rep chef once the combi installation process has been successfully completed

Prices Good Until: 03/11/2026

TERMS: Upon receipt of application for business account, signed quote/purchase order and review by the credit department, the down payment and terms will be established and shared with the customer and account executive. Stafford-Smith reserves the right to progress bill for equipment as needed. This includes items shipped by the manufacturer to Stafford-Smith for storage and is not conditional upon being installed, mechanically connected or operational. You are welcome to inspect all stored materials.

Stafford-Smith, Inc. shall retain security interest in all equipment, parts, small wares, accessories, attachments, additions, and any replacements of the above that have been installed, affixed to or used in connection with the items specified in this proposal until all amounts have been paid.

Should the Buyer sell or otherwise dispose of such collateral in violation of the terms of this agreement, Stafford-Smith, Inc. retains an interest in the proceeds from such transactions. Buyer authorizes Stafford-Smith, Inc. to file a financing statement describing the collateral and a copy of this agreement and/or the credit application may be filed as a security agreement for granting a secured interest in Buyer's inventory and sales proceeds thereof.

Past due amounts constitute a default and are subject to service charges of 1 1/2% per month, collection costs, and attorney fees. Warranties are conditioned on your paying the full purchase price for the equipment.

In addition to non-payment, an act of default by the buyer will have occurred if the buyer fails to accept the order of goods or fails to perform any other covenants under this agreement. In the event of default, Stafford-Smith, Inc. may enter any business property and without breach of the

peace take possession of any or all collateral and exercise our rights in the event of default of a secured party as specified under the Uniform Commercial Code. Should any disputes arise, Buyer consents to the jurisdiction of the Courts of Kalamazoo County, State of Michigan.

Except as otherwise provided herein, this proposal does not include any applicable State or Federal taxes, any charge for electrical wiring or plumbing and is subject to acceptance by buyer and seller within fifteen (15) days from the date of this quote and only in accordance with the terms stated.

When ordering drop-ship equipment, please be aware to inspect your order immediately upon receipt. You may request the driver wait, for a reasonable amount of time, while you inspect and they must comply to your request. If the driver refuses to wait, please mark the receipt "driver not willing to wait" and contact Stafford-Smith within (48) hours in order for a claim to be filed. If there is damage, you may refuse or you can accept and note the damage. Please take photos, if possible, to assist in filing the claim. You must keep all original cartons, even if you accept the damage, so Stafford-Smith can pursue a freight claim on your behalf. Please send the bill of lading and any additional documentation to your Stafford-Smith representative.

If you don't have time to inspect when delivered, you have up to (48) hours to inspect and notify us immediately if there is an issue so we can address the best way to handle the claim. If not notified within (48) hours, your claim may not be valid.

We have implemented a 3.0% convenience fee on credit card transactions. As an alternative we also accept ACH, ECheck and wire transactions and you can pay directly from our website.

I agree to the terms set forth in the application, this quote hereof and offer to purchase described goods and services as proposed hereby.

1. Hubert reserves the right to correct obvious errors.
2. Freight charges are included. If a freight estimate is provided it is just an **estimate** and actual shipping charges may vary. Lift Gate delivery is available for an additional charge.
3. Hubert will bill tax for all taxable items. If you are tax exempt, Hubert will require a Tax Exemption Certificate before the order is placed, if one is not currently on file.
4. Installation is not included unless otherwise noted. Delivery and installation costs can be provided upon request.
5. Any returns will be subject to restocking fees and return freight costs. In certain cases some items may not be eligible for return. Returns must be sent back in original packaging.
6. It is the responsibility of the customer to **verify all utility requirements** and to ensure equipment specifications match utility connections.
7. The customer must verify the dimensions of equipment to ensure it will fit into it's allocated space and that it will fit through all doorways and hallways.
8. The consignee will need to inspect all shipments and packaging for freight damage before receiving and accepting the shipment. If freight damage is noticed, it is the responsibility of the consignee to report the damage on the BOL before signing or refuse the shipment altogether. The best practice is to refuse shipments with visible freight damage. Concealed freight damage will need to be reported within 5 days of receiving and accepting the shipment.
9. By accepting this quote, you agree to Hubert's terms and conditions listed above.

Thank you for the opportunity to quote this project.

KA-80

Hot Water Sanitizing
Single-Tank
Rack-Conveyor Dishwasher

The clean solution

Special features:

- **Low water consumption** of 71 gallons (268.8 liters) per hour, 0.29 gallons (1.11 liters) per rack.
- **NSF rated 243 racks per hour.**
- **Glass touch screen control panel** for fully automatic operation and advanced service diagnostics. Messages are displayed in plain text, with a selection of multiple languages including English, Spanish and French.
- **Built-in “smart” booster heater** ensures correct sanitizing temperature of 180°/82°C (incoming water temperature of 110°-140°F/43°- 60°C).
- **“Blue cues” color coding** of components to be touched during daily cleaning makes cleaning intuitive.
- **Modular construction** reduces lead times. Ships as a single unit.

Standard features:

- 3 drive speeds: Wash 243, 202 or 162 racks/hour.
- 304-series stainless steel construction.
- Uniquely-designed center-drive pawl system eliminates water spray blockage from below the rack, while providing reliable operation.
- Double-wall insulated construction on front, top and back to improve operator safety, conserve heating energy, and reduce noise and heat loss into the dishroom.
- Standard vent cowls with collars.
- Sealed, hinged access door(s) are field-reversible by an Authorized Service Agent.
- Stainless steel wash arms are optimally positioned and easily removable for cleaning. Wash arm end caps are cooler to the touch for safety. Nozzles are slotted and concave to minimize clogging.
- Powerful 3hp (2.2 kW) wash pump provides outstanding cleaning results. Pump motor is vertically-mounted for easy servicing.
- Detergent and rinse aid access ports.
- Low-level heater protection.
- Potential-free contacts for external vent fan control.

Specifications:

KA-80: (1,118 mm) compartment with wash and final rinse zones. 36" (800 mm) prewash section. Table-to-table length 80" (2,032 mm). Length with hoods 89-3/8" (2,268 mm).

Note: Tabling sold by other manufacturers.

KA-80

TABLE-TO-TABLE DIMENSIONS:
80"L x 76-1/8"H x 31-1/4"D
(2,032 mm x 1,934 mm x 795 mm).

DIMENSIONS WITH HOODS:
89-3/8"L x 76-1/8"H x 31-1/4"D
(2,268 mm x 1,934 mm x 795 mm).

Options:

- **Waste Air Heat Recovery System (WAHRS):** Requires incoming water temperature less than 110°F (43°C). Cold water supply or below 68°F (20°C) recommended.
- **Blower dryer** improves drying of dishes, glassware, crockery and silverware. Adds 23 5/8" (600mm) to machine length.
- The industry's first 90° mechanical unloader/blower dryer module.
- 90° mechanical loader and unloader (unhooded).
- Single point electrical connection available. Contact factory for more information.
- Water hammer arrestor.
- Machine separations for ease of handling and installation, contact factory.
- Contact factory for drawings including options.

Accessories:

- Table limit switch.
- Drain water tempering kit.
- Open-ended sheet pan rack.
- Flanged feet.

This dishwasher is compliant with the Reduction of Lead in Drinking Water Act (2011) amendment to the Safe Drinking Water Act (SDWA).

KA-80, Left to right - electric heat

Review the Utility Connections and Technical Specifications pages for additional details.

2.01 Warm water connection (with WAHRS)	6.01 Vent connection
	6.02 Vent connection

KA-80 Utility Connections Detail Page

1.0 Drain

- Vertical, gravity-fed drain outlet (HDPE piping). 2" OD or 1½" pipe via no-hub required for connection.
- Connection pipe work and P-trap to be provided by others (HDPE piping).
- Additional piping to drain (if required) to be provided by others.
- Connection is 13" (330 mm) AFF.
- NOTE: Drain locations may vary.

2.0 Warm water connection (f ll and rinse); machines without WAHRS option:

- ¾" NPT pipe connection.
- Temperature: 110° - 140°F (43° - 63°C).
- Initial fill: **KA-80** = 42.2 gallons (80 liters)
- Consumption = 71 gallons (268.8 liters) per hour.
- Recommended hardness = 1-3 grains/gallon.
- Connection = 11" (279 mm) AFF.

2.01 Warm water connection (f ll and rinse); machines with WAHRS option:

- 1/2" NPT pipe connection.
- Temperature: 110° - 140°F (43° - 60°C).
- Initial fill: **KA-80** = 42.2 gallons (80 liters)
- Recommended hardness = 1-3 grains/gallon.
- Connection = 11" (279 mm) AFF.

2.02 Cold water connection (f nal rinse); machines with WAHRS option:

- 1/2" NPT pipe connection.
- Temperature as cold as available: 53° - 68°F (12° - 20°C) recommended.
- Consumption = 71 gallons (268.8 liters) per hour.
- Recommended hardness = 1-3 grains/gallon.
- Connection = 11" (279 mm) AFF.

6.01 Load-end vent connection:

- See Detail View on Technical Specifications page
- 200 CFM [340 m³/hr]

6.01 Load-end vent connection with WAHRS option:

- See Detail View on Technical Specifications page
- 200 CFM [340 m³/hr]
- Connection must be corrosion-resistant and frost-free. In particular, provisions must be made to prevent air temperatures of 32°F (0°C) or colder from reaching the machine at any time. A provision for draining moisture from the waste air pipe (condensate return) is strongly recommended.

6.02 Unload vent connection:

- See Detail View on Technical Specifications page
- 400 CFM [680 m³/hr]

Note:

- Relative humidity: approximately 98%.
- Machine exhaust (pant leg connection) recommended as per values listed above.
- Machine exhaust hood connection (by tohers): recommended 100 CFM [170 m³/hr] per lineal foot of hood. Length of hood contingent on machine model and local site conditions at time of installation. MEIKO assumes no responsibility.
 - 18" hood overhang to front of machine.
 - 36" hood overhang on load and unload ends.

KA-80 Technical Specifications Detail Page

Specified dishwasher will be KA-80 high-temp rack conveyor. Low water consumption of 0.29 gallons/rack. NSF rated 243 racks/hour. Blue cues help operators locate important components for cleaning. Touchscreen control panel with advanced diagnostics. 3 conveyor speeds. Stainless steel construction with double wall insulation, plus a built-in booster heater. 20" chamber height accommodates standard-sized sheet pans with an open-ended dish rack. NSF/UL/ES rated.

Performance

Maximum rack capacity/hour	243/202/162
Water consumption (maximum)	71 gal/hr (268.8 liters)
Water consumption/rack	0.29 gal/rack (1.1 liters)

Venting data pant leg

Load end:	200 CFM/340m ³ /h
Unload end:	400 CFM/680m ³ /h
Total:	600 CFM /1,020m ³ /h
Relative humidity (approx.):	98%

Dimensions

KA-80 length, table-to-table	80" (2,032 mm)
Length, blower dryer (option)	+ 23 $\frac{5}{8}$ " (600 mm)
Height	76 $\frac{1}{8}$ " (1934 mm)
Depth	31 $\frac{1}{4}$ " (795 mm)
Clearance height inside wash chamber	20" (508 mm)

Recommended Pant Leg Connection

Machines that are not placed underneath a ventilation hood require "pant leg" ventilation ducts. To determine the dimensions of the duct, first determine how they will be installed.

Duct sleeved inside collar (recommended):

4" W x 16" D (102 x 406 mm) **inside dimensions**

Component data

Wash pump motor	3.0 hp (2.2 kW)
Prewash pump motor	3.0 hp (2.2 kW)
Conveyor drive motor	0.13 hp (0.12 kW)
Vent motor (WAHRS option only)	0.17 hp (0.13 kW)
Blower dryer motor (blower dryer option only)	0.67 hp (0.48 kW)

Recommended Tabling Construction

Note: All specifications are subject to change without notice based on MEIKO's dedicated product improvement program.

TERMS: Upon receipt of application for business account, signed quote/purchase order and review by the credit department, the down payment and terms will be established and shared with the customer and account executive. Stafford-Smith reserves the right to progress bill for equipment as needed. This includes items shipped by the manufacturer to Stafford-Smith for storage and is not conditional upon being installed, mechanically connected or operational. You are welcome to inspect all stored materials.

Stafford-Smith, Inc. shall retain security interest in all equipment, parts, small wares, accessories, attachments, additions, and any replacements of the above that have been installed, affixed to or used in connection with the items specified in this proposal until all amounts have been paid.

Should the Buyer sell or otherwise dispose of such collateral in violation of the terms of this agreement, Stafford-Smith, Inc. retains an interest in the proceeds from such transactions. Buyer authorizes Stafford-Smith, Inc. to file a financing statement describing the collateral and a copy of this agreement and/or the credit application may be filed as a security agreement for granting a secured interest in Buyer's inventory and sales proceeds thereof.

Past due amounts constitute a default and are subject to service charges of 1 ½% per month, collection costs, and attorney fees. Warranties are conditioned on your paying the full purchase price for the equipment.

In addition to non-payment, an act of default by the buyer will have occurred if the buyer fails to accept the order of goods or fails to perform any other covenants under this agreement. In the event of default, Stafford-Smith, Inc. may enter any business property and without breach of the peace take possession of any or all collateral and exercise our rights in the event of default of a secured party as specified under the Uniform Commercial Code. Should any disputes arise, Buyer consents to the jurisdiction of the Courts of Kalamazoo County, State of Michigan.

Except as otherwise provided herein, this proposal does not include any applicable State or Federal

taxes, any charge for electrical wiring or plumbing and is subject to acceptance by buyer and seller within fifteen (15) days from the date of this quote and only in accordance with the terms stated.

When ordering drop-ship equipment, please be aware to inspect your order immediately upon receipt. You may request the driver wait, for a reasonable amount of time, while you inspect and they must comply to your request. If the driver refuses to wait, please mark the receipt "driver not willing to wait" and contact Stafford-Smith within (48) hours in order for a claim to be filed. If there is damage, you may refuse or you can accept and note the damage. Please take photos, if possible, to assist in filing the claim. You must keep all original cartons, even if you accept the damage, so Stafford-Smith can pursue a freight claim on your behalf. Please send the bill of lading and any additional documentation to your Stafford-Smith representative.

If you don't have time to inspect when delivered, you have up to (48) hours to inspect and notify us immediately if there is an issue so we can address the best way to handle the claim. If not notified within (48) hours, your claim may not be valid.

We have implemented a 3.0% convenience fee on credit card transactions. As an alternative we also accept ACH, ECheck and wire transactions and you can pay directly from our website.

I agree to the terms set forth in the application, this quote hereof and offer to purchase described goods and services as proposed hereby.

1. Hubert reserves the right to correct obvious errors.
2. Freight charges are included. If a freight estimate is provided it is just an **estimate** and actual shipping charges may vary. Lift Gate delivery is available for an additional charge.
3. Hubert will bill tax for all taxable items. If you are tax exempt, Hubert will require a Tax Exemption Certificate before the order is placed, if one is not currently on file.
4. Installation is not included unless otherwise noted. Delivery and installation costs can be provided upon request.
5. Any returns will be subject to restocking fees and return freight costs. In certain cases some items may not be eligible for return. Returns must be sent back in original packaging.
6. It is the responsibility of the customer to **verify all utility requirements** and to ensure equipment specifications match utility connections.
7. The customer must verify the dimensions of equipment to ensure it will fit into it's allocated space and that it will fit through all doorways and hallways.
8. The consignee will need to inspect all shipments and packaging for freight damage before receiving and accepting the shipment. If freight damage is noticed, it is the responsibility of the consignee to report the damage on the BOL before signing or refuse the shipment altogether. The best practice is to refuse shipments with visible freight damage. Concealed freight damage will need to be reported within 5 days of receiving and accepting the shipment.
9. By accepting this quote, you agree to Hubert's terms and conditions listed above.

Thank you for the opportunity to quote this project.

The clean solution

FV 130.2

**HOT WATER
SANITIZING
POT AND PAN
WASHER**

Special Features:

- **Auto Safe temperature control system** - Guarantees 180°F (82°C) sanitizing final rinse temperature, regardless of incoming water temperature
- **MIKE 2 electronic control system** - advanced micro-computer technology for service diagnostics and end-user machine settings. Includes one-touch operation, one-touch selection of three different cycle lengths, automatic temperature monitoring with digital display, and advanced service diagnostics
- **Active Plus filtration system** - Double filtration of wash water removes food soil, improves washing efficiency and saves detergent while easing cleaning chores
- **Soft Start wash pump** - Protects fragile ware from chipping or breaking
- **Aqua-Stop** - Automatically stops machine operation and turns off the water fill if internal leaking is detected
- **Built-in booster heater with power rinse pump** - Guarantees constant final rinse pressure and temperature for consistent, outstanding results

Standard Features:

- Capacity 20 cycles per hour
- Water consumption 2.37 gallons (8.97 liters) per cycle
- Oscillating wash arms for complete ware coverage
- Double-wall construction keeps heat inside the machine, reducing energy consumption and heat loss into the dishroom environment
- Variable programmed time cycles - 180, 300 and 480 seconds
- Fully automatic - automatic fill, automatic start, and automatic reset
- Pumped drain for both floor and wall drain applications
- Machine shutdown activates an automatic rinse of the wash chamber to ease cleaning
- Stainless steel non-clogging wash and rinse arms
- Sloping wash tank directs food soil into large, easily-removed pan strainers
- Front mounted controls with digital temperature displays
- 3-1/2 Hp (2.6 kW) wash pump
- 304 and 316L stainless steel construction for corrosion resistance
- Type A air gap system eliminates need for vacuum breaker
- Wheeled stainless steel wire basket with removable sheet pan insert

Options:

- Built-in liquid detergent and rinse aid pumps
- Flanged, bolt-down feet
- External vent fan control
- Drain water tempering kit (installed by others)
- Drain water tempering kit (factory-installed)
- Power vent option (indirect connection). If a direct vent connection is required, contact MEIKO at sales@meiko.us for assistance.

This dishwasher is compliant with the Reduction of Lead in Drinking Water Act (2011) amendment to the Safe Drinking Water Act (SDWA).

Dimensions - without power vent option

All dimensions from floor +/- 1/2" (13mm) due to adjustable feet.

E Electrical terminal block
Strain relief provided at lower rear of machine. Adequate slack in the wiring should be provided to allow the machine to be moved for servicing.

W Fresh water connection
3/4" female garden hose supply connection is provided. If using supplied external Y-strainer, female garden hose adapter may be removed to provide 1/2" NPT male or 3/4" NPT female connection as required. Supplied hose is 4' 7" (2616mm) in length.

D Drain connection
Requires indirect connection to 1-1/2" (38mm) drain pipe (wall or floor). Supplied hose is 4' 7" (2616mm) long and should be cut to appropriate length at time of installation to allow machine to be repositioned for servicing.

Dimensions - with power vent option

Vent connection (machines with powered vent option only)

The waste air connection must be corrosion-resistant and frost-free. In particular, provisions must be made to prevent air temperatures of 32°F (0°C) or colder from reaching the machine at any time. A provision for draining moisture from the waste air pipe is strongly recommended.

IMPORTANT: The vent shroud **MUST NOT** be connected directly to the machine, as this prevents room air from being drawn into the shroud and may affect machine performance. If a direct vent connection is required, contact MEIKO at sales@meiko.us for assistance.

- Machine exhaust: 354 CFM (602m³h)
- Additional room air recommended for indirect vent: 120 CFM (204m³h)
- All dimensions and data shown are recommendations only. Actual exhaust connection must be adequate for the exhaust air and comply with all applicable national and local code requirements.

Technical Specifications

Optimum Capacity:

Cycles per hour 20

Optimum Cycle Time (Seconds):

Wash Cycle 147

Dwell / Drain Time 21

Rinse Cycle 12

Total Cycle 180

Water Requirements:

Incoming Water Temperature (Optimum) 140°F (60°C)

Recommended Water Hardness 1-6 grains per U.S. gal.

Water Consumption per Cycle 2.37 gals. (8.97 liters)

Water Consumption per Hour (max.) . 47.40 gals. (179.43 liters)

Flow Pressure 8.7-72.5 psi (0.6-5.0 bars)

Incoming Waterline 3/4" garden hose

Drain line size 7/8" ID, 1-1/8" OD flexible hose

Maximum drain flow rate 33 gals. (124.9 liters) per minute

Required Operating Temperatures:

Wash (Minimum) 150°F (66°C)

Rinse (Minimum) 180°F (82°C)

Tank Capacities:

Wash Tank 22.45 gals. (85 liters)

Booster Heater 4.14 gals. (15.67 liters)

Electrical Requirements:

Wash Tank Heat 9 kW

Booster Heater 12 kW

Wash Pump 3-1/2 HP (2.6 kW)

Drain Pump 0.09 hp (0.07 kW)

Electrical supply	Peak load ampacity	Min. supply circuit ampacity	Max. breaker/disconnect

460V/60Hz/3Ph 37.3A @ 460V 50A 50A

Ventilation Requirements (machines with powered vent option only):

Machine exhaust 354 CFM (602 m³/h)

Additional room air 120 CFM (204 m³/h)

Total 474 CFM (806 m³/h)

Dimensions:

Overall (W x D x H) 40-1/2" x 35-1/4" x 70-5/8"
(1030 x 895 x 1794mm)

Ware Clearances 32-3/8" x 26-1/2" x 28"
(inside basket, W x D x H) (820 x 670 x 710mm)

Wall Clearance Rear 1" (25mm) min.

Machine / Shipping Details:

Shipping Weight 776 lbs. (352.0 kg)

Shipping Size (W x D x H) 49" x 44" x 76"
(1245 x 1118 x 1931mm)

This machine may not pass through standard doorways without machine disassembly or doorway modification. Check all dimensions carefully prior to ordering, or contact MEIKO at sales@meiko.us for assistance.

Specification

FV 130.2 Item Number _____

Unit will be an NSF and ETL-listed MEIKO FV 130.2 hot water sanitizing pot and pan washer.

Operating voltage will be:

_____ 208-230 V / 60 Hz / 3 Ph

_____ 460 V / 60 Hz / 3 Ph

Unit will have front mounted microcomputer controls, a 180 second total time cycle, and utilize 2.37 gallons (8.97liters) fresh rinse water per cycle. Unit will utilize a fresh water pumped rinse for constant pressure and temperature every cycle. Unit will have oscillating wash arms to ensure complete coverage of ware as well as enhanced performance. Unit will have integral wash tank soil removal system to maintain clean wash water. Unit will have built-in temperature safeguards to guarantee final rinse temperature meets minimum 180°F (82°C) requirement. Wash pump will be equipped with a soft start feature to reduce risk of chipped or broken ware. Unit will incorporate features to stop operation and turn off water fill valve if an internal leak is detected. Unit will have variable time cycles for heavier than normal soil loads.

“Auto Safe” Feature

The FV 130.2 guarantees that the minimum NSF 180°F (82°C) sanitizing final rinse temperature is achieved regardless of the incoming water temperature, even if connected to a cold water line, by automatically extending the wash cycle (if necessary) to provide additional heating time. Listed cycle length assumes use of recommended 140°F (60°C) water supply. Exact cycle length is dependent upon the incoming water temperature and on the electrical supply voltage.

Note: All specifications are subject to change without notice based on MEIKO’s dedicated product improvement program.

This dishwasher is compliant with the Reduction of Lead in Drinking Water Act (2011) amendment to the Safe Drinking Water Act (SDWA).

APPLICATION:

PRODUCT NAME:

DRAINING FLAT STRAINER

JOB NAME:

MODEL:

- 22209 DRAINING FLAT STRAINER BRASS
- 28932 DRAINING FLAT STRAINER CHROME

QUANTITY:

ITEM NO.:

OPTIONS OR MODIFICATIONS:

- OTHER _____

FEATURES:

- * DUAL TEFLON SEALS
- * STAINLESS STEEL BALL
- * CAST RED BRASS BODY
- * EXTRA STURDY STAINLESS STEEL CLAMPING RING
- * "CLEAR THROUGH" OPENING - NO NEED TO DISASSEMBLE IF SNAKING IS REQUIRED
- * INDUSTRY STANDARD "SEALING" ANGLE - FITS FLUSH TO STANDARD STAINLESS STEEL SINKS
- * STAINLESS STEEL FLAT STRAINER
- * 1/4 TURN FULLY OPENS AND CLOSES VALVE

DRAIN RATE:

- * 12 GPM

SHIPPING WEIGHT

- * 5.0 LBS

PRODUCT COMPLIANCE:

TERMS: Upon receipt of application for business account, signed quote/purchase order and review by the credit department, the down payment and terms will be established and shared with the customer and account executive. Stafford-Smith reserves the right to progress bill for equipment as needed. This includes items shipped by the manufacturer to Stafford-Smith for storage and is not conditional upon being installed, mechanically connected or operational. You are welcome to inspect all stored materials.

Stafford-Smith, Inc. shall retain security interest in all equipment, parts, small wares, accessories, attachments, additions, and any replacements of the above that have been installed, affixed to or used in connection with the items specified in this proposal until all amounts have been paid.

Should the Buyer sell or otherwise dispose of such collateral in violation of the terms of this agreement, Stafford-Smith, Inc. retains an interest in the proceeds from such transactions. Buyer authorizes Stafford-Smith, Inc. to file a financing statement describing the collateral and a copy of this agreement and/or the credit application may be filed as a security agreement for granting a secured interest in Buyer's inventory and sales proceeds thereof.

Past due amounts constitute a default and are subject to service charges of 1 ½% per month, collection costs, and attorney fees. Warranties are conditioned on your paying the full purchase price for the equipment.

In addition to non-payment, an act of default by the buyer will have occurred if the buyer fails to accept the order of goods or fails to perform any other covenants under this agreement. In the event of default, Stafford-Smith, Inc. may enter any business property and without breach of the peace take possession of any or all collateral and exercise our rights in the event of default of a secured party as specified under the Uniform Commercial Code. Should any disputes arise, Buyer consents to the jurisdiction of the Courts of Kalamazoo County, State of Michigan.

Except as otherwise provided herein, this proposal does not include any applicable State or Federal taxes, any charge for electrical wiring or plumbing and is subject to acceptance by buyer and seller within fifteen (15) days from the date of this quote and only in accordance with the terms stated.

When ordering drop-ship equipment, please be aware to inspect your order immediately upon receipt. You may request the driver wait, for a reasonable amount of time, while you inspect and they must comply to your request. If the driver refuses to wait, please mark the receipt "driver not willing to wait" and contact Stafford-Smith within (48) hours in order for a claim to be filed. If there is damage, you may refuse or you can accept and note the damage. Please take photos, if possible, to assist in filing the claim. You must keep all original cartons, even if you accept the damage, so Stafford-Smith can pursue a freight claim on your behalf. Please send the bill of lading and any additional documentation to your Stafford-Smith representative.

If you don't have time to inspect when delivered, you have up to (48) hours to inspect and notify us immediately if there is an issue so we can address the best way to handle the claim. If not notified within (48) hours, your claim may not be valid.

We have implemented a 3.0% convenience fee on credit card transactions. As an alternative we also accept ACH, ECheck and wire transactions and you can pay directly from our website.

I agree to the terms set forth in the application, this quote hereof and offer to purchase described goods and services as proposed hereby.

1. Hubert reserves the right to correct obvious errors.
2. Freight charges are included. If a freight estimate is provided it is just an **estimate** and actual shipping charges may vary. Lift Gate delivery is available for an additional charge.
3. Hubert will bill tax for all taxable items. If you are tax exempt, Hubert will require a Tax Exemption Certificate before the order is placed, if one is not currently on file.
4. Installation is not included unless otherwise noted. Delivery and installation costs can be provided upon request.
5. Any returns will be subject to restocking fees and return freight costs. In certain cases some items may not be eligible for return. Returns must be sent back in original packaging.
6. It is the responsibility of the customer to **verify all utility requirements** and to ensure equipment specifications match utility connections.
7. The customer must verify the dimensions of equipment to ensure it will fit into it's allocated space and that it will fit through all doorways and hallways.
8. The consignee will need to inspect all shipments and packaging for freight damage before receiving and accepting the shipment. If freight damage is noticed, it is the responsibility of the consignee to report the damage on the BOL before signing or refuse the shipment altogether. The best practice is to refuse shipments with visible freight damage. Concealed freight damage will need to be reported within 5 days of receiving and accepting the shipment.
9. By accepting this quote, you agree to Hubert's terms and conditions listed above.

Thank you for the opportunity to quote this project.

The clean solution

FV 130.2

**HOT WATER
SANITIZING
POT AND PAN
WASHER**

Special Features:

- **Auto Safe temperature control system** - Guarantees 180°F (82°C) sanitizing final rinse temperature, regardless of incoming water temperature
- **MIKE 2 electronic control system** - advanced micro-computer technology for service diagnostics and end-user machine settings. Includes one-touch operation, one-touch selection of three different cycle lengths, automatic temperature monitoring with digital display, and advanced service diagnostics
- **Active Plus filtration system** - Double filtration of wash water removes food soil, improves washing efficiency and saves detergent while easing cleaning chores
- **Soft Start wash pump** - Protects fragile ware from chipping or breaking
- **Aqua-Stop** - Automatically stops machine operation and turns off the water fill if internal leaking is detected
- **Built-in booster heater with power rinse pump** - Guarantees constant final rinse pressure and temperature for consistent, outstanding results

Standard Features:

- Capacity 20 cycles per hour
- Water consumption 2.37 gallons (8.97 liters) per cycle
- Oscillating wash arms for complete ware coverage
- Double-wall construction keeps heat inside the machine, reducing energy consumption and heat loss into the dishroom environment
- Variable programmed time cycles - 180, 300 and 480 seconds
- Fully automatic - automatic fill, automatic start, and automatic reset
- Pumped drain for both floor and wall drain applications
- Machine shutdown activates an automatic rinse of the wash chamber to ease cleaning
- Stainless steel non-clogging wash and rinse arms
- Sloping wash tank directs food soil into large, easily-removed pan strainers
- Front mounted controls with digital temperature displays
- 3-1/2 Hp (2.6 kW) wash pump
- 304 and 316L stainless steel construction for corrosion resistance
- Type A air gap system eliminates need for vacuum breaker
- Wheeled stainless steel wire basket with removable sheet pan insert

Options:

- Built-in liquid detergent and rinse aid pumps
- Flanged, bolt-down feet
- External vent fan control
- Drain water tempering kit (installed by others)
- Drain water tempering kit (factory-installed)
- Power vent option (indirect connection). If a direct vent connection is required, contact MEIKO at sales@meiko.us for assistance.

This dishwasher is compliant with the Reduction of Lead in Drinking Water Act (2011) amendment to the Safe Drinking Water Act (SDWA).

Dimensions - without power vent option

All dimensions from floor +/- 1/2" (13mm) due to adjustable feet.

Electrical terminal block

Strain relief provided at lower rear of machine. Adequate slack in the wiring should be provided to allow the machine to be moved for servicing.

Fresh water connection

3/4" female garden hose supply connection is provided. If using supplied external Y-strainer, female garden hose adapter may be removed to provide 1/2" NPT male or 3/4" NPT female connection as required. Supplied hose is 4' 7" (2616mm) in length.

Drain connection

Requires indirect connection to 1-1/2" (38mm) drain pipe (wall or floor). Supplied hose is 4' 7" (2616mm) long and should be cut to appropriate length at time of installation to allow machine to be repositioned for servicing.

Dimensions - with power vent option

All dimensions from floor +/- 1/2" (13mm) due to adjustable feet.

Vent connection (machines with powered vent option only)

The waste air connection must be corrosion-resistant and frost-free. In particular, provisions must be made to prevent air temperatures of 32°F (0°C) or colder from reaching the machine at any time. A provision for draining moisture from the waste air pipe is strongly recommended.

IMPORTANT: The vent shroud **MUST NOT** be connected directly to the machine, as this prevents room air from being drawn into the shroud and may affect machine performance. If a direct vent connection is required, contact MEIKO at sales@meiko.us for assistance.

- Machine exhaust: 354 CFM (602m³h)
- Additional room air recommended for indirect vent: 120 CFM (204m³h)
- All dimensions and data shown are recommendations only. Actual exhaust connection must be adequate for the exhaust air and comply with all applicable national and local code requirements.

Technical Specifications

Optimum Capacity:

Cycles per hour 20

Optimum Cycle Time (Seconds):

Wash Cycle 147

Dwell / Drain Time 21

Rinse Cycle 12

Total Cycle 180

Water Requirements:

Incoming Water Temperature (Optimum) 140°F (60°C)

Recommended Water Hardness 1-6 grains per U.S. gal.

Water Consumption per Cycle 2.37 gals. (8.97 liters)

Water Consumption per Hour (max.) . 47.40 gals. (179.43 liters)

Flow Pressure 8.7-72.5 psi (0.6-5.0 bars)

Incoming Waterline 3/4" garden hose

Drain line size 7/8" ID, 1-1/8" OD flexible hose

Maximum drain flow rate 33 gals. (124.9 liters) per minute

Required Operating Temperatures:

Wash (Minimum) 150°F (66°C)

Rinse (Minimum) 180°F (82°C)

Tank Capacities:

Wash Tank 22.45 gals. (85 liters)

Booster Heater 4.14 gals. (15.67 liters)

Electrical Requirements:

Wash Tank Heat 9 kW

Booster Heater 12 kW

Wash Pump 3-1/2 HP (2.6 kW)

Drain Pump 0.09 hp (0.07 kW)

Electrical supply	Peak load ampacity	Min. supply circuit ampacity	Max. breaker/disconnect
-------------------	--------------------	------------------------------	-------------------------

Standard machine

208-230V/ 64.5A @ 208V 90A 90A

60Hz/3Ph 71.7A @ 230V 90A 90A

460V/60Hz/3Ph 37.0A @ 460V 50A 50A

Machine with powered vent option

208-230V/ 65.0A @ 208V 100A 100A

60Hz/3Ph 72.2A @ 230V 100A 100A

460V/60Hz/3Ph 37.3A @ 460V 50A 50A

Ventilation Requirements (machines with powered vent option only):

Machine exhaust 354 CFM (602 m³/h)

Additional room air 120 CFM (204 m³/h)

Total 474 CFM (806 m³/h)

Dimensions:

Overall (W x D x H) 40-1/2" x 35-1/4" x 70-5/8"
(1030 x 895 x 1794mm)

Ware Clearances 32-3/8" x 26-1/2" x 28"
(inside basket, W x D x H) (820 x 670 x 710mm)

Wall Clearance Rear 1" (25mm) min.

Machine / Shipping Details:

Shipping Weight 776 lbs. (352.0 kg)

Shipping Size (W x D x H) 49" x 44" x 76"
(1245 x 1118 x 1931mm)

This machine may not pass through standard doorways without machine disassembly or doorway modification. Check all dimensions carefully prior to ordering, or contact MEIKO at sales@meiko.us for assistance.

Specification

FV 130.2 Item Number _____

Unit will be an NSF and ETL-listed MEIKO FV 130.2 hot water sanitizing pot and pan washer.

Operating voltage will be:

_____ 208-230 V / 60 Hz / 3 Ph

_____ 460 V / 60 Hz / 3 Ph

Unit will have front mounted microcomputer controls, a 180 second total time cycle, and utilize 2.37 gallons (8.97liters) fresh rinse water per cycle. Unit will utilize a fresh water pumped rinse for constant pressure and temperature every cycle. Unit will have oscillating wash arms to ensure complete coverage of ware as well as enhanced performance. Unit will have integral wash tank soil removal system to maintain clean wash water. Unit will have built-in temperature safeguards to guarantee final rinse temperature meets minimum 180°F (82°C) requirement. Wash pump will be equipped with a soft start feature to reduce risk of chipped or broken ware. Unit will incorporate features to stop operation and turn off water fill valve if an internal leak is detected. Unit will have variable time cycles for heavier than normal soil loads.

“Auto Safe” Feature

The FV 130.2 guarantees that the minimum NSF 180°F (82°C) sanitizing final rinse temperature is achieved regardless of the incoming water temperature, even if connected to a cold water line, by automatically extending the wash cycle (if necessary) to provide additional heating time. Listed cycle length assumes use of recommended 140°F (60°C) water supply. Exact cycle length is dependent upon the incoming water temperature and on the electrical supply voltage.

Note: All specifications are subject to change without notice based on MEIKO’s dedicated product improvement program.

This dishwasher is compliant with the Reduction of Lead in Drinking Water Act (2011) amendment to the Safe Drinking Water Act (SDWA).

Prices Good Until: 05/06/2026

TERMS: Upon receipt of application for business account, signed quote/purchase order and review by the credit department, the down payment and terms will be established and shared with the customer and account executive. Stafford-Smith reserves the right to progress bill for equipment as needed. This includes items shipped by the manufacturer to Stafford-Smith for storage and is not conditional upon being installed, mechanically connected or operational. You are welcome to inspect all stored materials.

Stafford-Smith, Inc. shall retain security interest in all equipment, parts, small wares, accessories, attachments, additions, and any replacements of the above that have been installed, affixed to or used in connection with the items specified in this proposal until all amounts have been paid.

Should the Buyer sell or otherwise dispose of such collateral in violation of the terms of this agreement, Stafford-Smith, Inc. retains an interest in the proceeds from such transactions. Buyer authorizes Stafford-Smith, Inc. to file a financing statement describing the collateral and a copy of this agreement and/or the credit application may be filed as a security agreement for granting a secured interest in Buyer's inventory and sales proceeds thereof.

Past due amounts constitute a default and are subject to service charges of 1 1/2% per month, collection costs, and attorney fees. Warranties are conditioned on your paying the full purchase price for the equipment.

In addition to non-payment, an act of default by the buyer will have occurred if the buyer fails to accept the order of goods or fails to perform any other covenants under this agreement. In the event of default, Stafford-Smith, Inc. may enter any business property and without breach of the peace take possession of any or all collateral and exercise our rights in the event of default of a secured party as specified under the Uniform Commercial Code. Should any disputes arise, Buyer consents to the jurisdiction of the Courts of Kalamazoo County, State of Michigan.

Except as otherwise provided herein, this proposal does not include any applicable State or Federal taxes, any charge for electrical wiring or plumbing and is subject to acceptance by buyer and seller within fifteen (15) days from the date of this quote and only in accordance with the terms stated.

When ordering drop-ship equipment, please be aware to inspect your order immediately upon receipt. You may request the driver wait, for a reasonable amount of time, while you inspect and they must comply to your request. If the driver refuses to wait, please mark the receipt "driver not willing to wait" and contact Stafford-Smith within (48) hours in order for a claim to be filed. If there is damage, you may refuse or you can accept and note the damage. Please take photos, if possible, to assist in filing the claim. You must keep all original cartons, even if you accept the damage, so Stafford-Smith can pursue a freight claim on your behalf. Please send the bill of lading and any additional documentation to your Stafford-Smith representative.

If you don't have time to inspect when delivered, you have up to (48) hours to inspect and notify us immediately if there is an issue so we can address the best way to handle the claim. If not notified within (48) hours, your claim may not be valid.

We have implemented a 3.0% convenience fee on credit card transactions. As an alternative we also accept ACH, ECheck and wire transactions and you can pay directly from our website.

I agree to the terms set forth in the application, this quote hereof and offer to purchase described goods and services as proposed hereby.

Project Grand Total: \$44,075.00

Dear Board Members,

The OCSBA Board of Directors respectfully requests that all member district boards consider and vote on the following items:

1. Adoption of one (1) new resolution
2. Two (2) proposed amendments to the Association bylaws

Adoption of one (1) new resolution.

PROPOSED NEW RESOLUTION:

OCSBA opposes tying any school funding to waiving the attorney-client privilege.

RATIONALE FOR THIS PROPOSED NEW RESOLUTION:

In the FY26 school aid budget, section 31aa school safety and mental health categorical funding required districts to “opt in”. Any district that opted in to receive 31aa funds agreed to cooperate with an investigation, including waiving the attorney-client privilege, following a mass-casualty incident. While cooperation with investigations after a mass casualty event is necessary to prevent another event, the attorney-client privilege must remain sacred. The courts have ruled on this issue. In the future there is nothing to stop the legislature from tying waiver of the attorney-client privilege to other funding.

Two (2) proposed amendments to the Association bylaws.

For the bylaws, two documents are provided:

- (a) the proposed amendments with rationale

Click here for the short version:

 2026 Spring - Proposed amendments to the Bylaws for Member Consideration

- (b) our current full bylaws document, with the proposed changes shown on pages 4, 8 and 9.

Click here for the full version:

 2026 Spring - Bylaws - Full Document Showing The Proposed Amendments

Member District Ballot 2026 Spring Resolution

Introduction. Annually, the Oakland County School Boards Association (OCSBA) Government Relations Committee (GRC) establishes Legislative Priorities for the current legislative session. The Resolutions and Bylaws Committee then reviews the adopted legislative priorities and drafts resolutions based on those legislative priorities. When there is alignment with MASB and/or NSBA resolutions, the MASB/NSBA resolution information is referenced.

Once reviewed by the Board of Directors, the proposed resolutions are presented to our member districts for consideration. Resolutions that are approved by at least nineteen (19) Member School Districts shall be the official position of the Association as interpreted and pursued by its Board of Directors.

Eligibility to Vote. Each Member District receives one (1) vote on the proposed Resolutions.

Voting Period. The proposed resolutions, legislative priorities and a written ballot were transmitted to Member School Districts on May 12, 2026. Completed ballots must be received **by 5:00 PM on Friday, June 26, 2026.**

Important! This ballot must be completed, signed and returned to **OCSBAboard@ocsba-mi.org** prior to the deadline or your District's vote cannot be counted! OCSBA bylaws Article III, Section 2: Member School District votes shall be recorded upon receipt of the completed resolution or ballot indicating the vote of the Member School District's Trustees. Member School District votes must be received prior to the deadline indicated on the ballot.

PROPOSED NEW RESOLUTION:

OCSBA opposes tying any school funding to waiving the attorney-client privilege.

RATIONALE FOR THIS PROPOSED NEW RESOLUTION:

In the FY26 school aid budget, section 31aa school safety and mental health categorical funding required districts to “opt in”. Any district that opted in to receive 31aa funds agreed to cooperate with an investigation, including waiving the attorney-client privilege, following a mass-casualty incident.

While cooperation with investigations after a mass casualty event is necessary to prevent another event, the attorney-client privilege must remain sacred. The courts have ruled on this issue. In the future there is nothing to stop the legislature from tying waiver of the attorney-client privilege to other funding.

CONTINUING RESOLUTIONS

The following resolutions have been adopted by our member school districts.

These resolutions are provided for reference only.

The adoption and/or amendment date(s) are noted for each resolution.

OCSBA Bylaws Article IX, Section 5, Resolution Adoption:

Resolutions that are approved by at least nineteen (19) member school districts shall be the official position of the association as interpreted and pursued by its board of directors.

ACCOUNTABILITY AND TRANSPARENCY [OCSBA Adopted 9/24/2019; Amended 6/5/2025]

OCSBA supports holding every school that receives public funding to the same accountability and transparency standards, including FOIA requests and the Open Meetings Act. This includes local districts, ISDs, Public School Academies (aka Charter Schools), their authorizers and management companies, as well as all colleges and universities. [MASB Resolution A 6.65 (c), (d), (f)]

BROADBAND ACCESS AND DEVICES [OCSBA Adopted 9/11/2021; Amended 6/5/2025]

- Broadband should be included in any federal or state infrastructure plan.
- OCSBA supports additional federal and state funding opportunities to expand affordable and reliable broadband access.
- OCSBA supports federal and state programs for the purchase of internet capable devices and software.
- OCSBA supports dedicated resources for cybersecurity.

[MASB Resolution A-10.30 – 2021 amendment]

EARLY CHILDHOOD [OCSBA Adopted 9/24/2019; Amended 6/5/2025]

- OCSBA supports additional new dollars to fund universal, public preschool for all four-year-old children.
- OCSBA supports mandatory kindergarten for all five-year-old children.

[MASB Resolution A 6.15 (c)]

EARLY ON MICHIGAN [OCSBA Adopted 1/26/2026]

OCSBA supports full funding of Early On Michigan, an early intervention program for infants and toddlers from birth to age three with disabilities, developmental delays or are at risk for delay(s) due to certain health conditions.

EVIDENCE-BASED DECISION MAKING [OCSBA Adopted 9/24/2019]

OCSBA supports evidence-based education policy that will maximize opportunities for the highest achievement of each student. [MASB Resolution G 11.01]

LAME DUCK [OCSBA Adopted 9/24/2019]

OCSBA supports lame duck parameters that will address introduction and accelerated passage of legislation after the November election.

LOCAL CONTROL [OCSBA Adopted 9/24/2019]

Support local control of community-governed public schools with elected school boards.

MASB Resolution A 10.10; A 10.55; A 12.70]

MENTAL HEALTH [OCSBA Adopted 9/24/2019; Amended 6/5/2025]

OCSBA supports increased mental health services and professionals in schools and providing, at a minimum, annual inflation adjusted state resources to allow schools to both educate and keep students and staff safe.

- Help staff identify potential mental health issues for students.
- Encourage MDE to develop a model policy for staff regarding identifying mental health issues and appropriate staff response.

[MASB Resolutions G 9.01; G 9.05; G 9.50]

NON-PARTISAN ELECTIONS [OCSBA Adopted 1/9/2026]

OCSBA supports non-partisan school board elections.

SCHOOL AID [OCSBA Adopted 9/24/2019; Amended 6/5/2025]

- A. Specify that the School Aid Fund is only for Pre-K to 12th grade public education in Michigan's Constitution and oppose any attempts to create private school vouchers or tax credit programs. [MASB Resolutions A 10.25 (a) and A 10.05]
- B. Support additional funding for Special Education, At-Risk and ELL students. [MASB Resolutions A 10.25 (g) and (j); A 10.55]
- C. Protect the School Aid Fund and local revenues from state tax policy changes. [MASB Resolutions A 10.25 (c); A 10.55]
- D. OCSBA supports enacting the annual School Aid Budget no later than June 1, so that school districts have factual information to meet their constitutional/statutory requirement to approve a budget by June 30.

[MASB Resolution A 10.25 (h)]

SCHOOL FINANCE RESEARCH COLLABORATIVE (SFRC)

[OCSBA Adopted 9/24/2019; Amended 9/11/2021; 3/3/2023; 6/5/2025]

OCSBA supports implementation of the recommendations of the SFRC. While implementing the SFRC recommendations, higher funded districts must be held harmless.

[MASB resolution G 11.01 and A-10.25 – 2021 amendment]

SCHOOL NUTRITION [OCSBA Adopted 3/3/2023; Amended 6/5/2025]

OCSBA supports codification of free universal meals.

SCHOOL SAFETY [OCSBA Adopted 3/3/2023]

OCSBA supports that there be adequate state resources to allow schools to both educate and keep students and staff safe.

SPECIAL EDUCATION [OCSBA Adopted 9/24/2019]

OCSBA supports full funding of the federal Individuals with Disabilities Education Act (IDEA). Although federal legislation initially promised to provide 40 percent of the excess cost to educate students with disabilities, the appropriations have fallen short, leaving states and local school districts to make up the difference.

[MASB Resolution A 5.01; NSBA Advocacy: IDEA]

TEACHER SHORTAGES [OCSBA Adopted 9/11/2021; Amended 6/5/2025]

OCSBA supports statewide initiatives to address teacher shortages and retain teachers, while maintaining quality teacher preparation programs. Initiatives might include, but should not be limited to, incentives to enter and complete a teaching college program, incentives for teachers to remain in the classroom, and easing the process to obtain Michigan certification for teachers that are certified in other states. [MASB 2021-2022 Legislative Priority]

UNFUNDED MANDATES [OCSBA Adopted 9/24/2019]

OCSBA Opposes any state or federal legislation that results in increased costs for school districts without full funding. OCSBA also encourages the Michigan Legislature to oppose any federal laws or programs that are not fully funded thus costing the state valuable resources.

[MASB Resolution A 10.20]

WHEN ALIGNED WITH OCSBA LEGISLATIVE PRIORITIES, OCSBA ALSO SUPPORTS

[OCSBA Adopted 9/24/2019; Amended 6/5/2025]

2026 Member District Ballot Proposed Bylaws Amendments

Introduction. The Oakland County School Boards Association (OCSBA) Resolution & Bylaws committee reviews the Association bylaws annually and recommends amendments as needed. Once proposed amendment(s) are reviewed by the Board of Directors, the proposed amendment(s) are transmitted to our member districts for consideration.

OCSBA Bylaws Article XVI Section 1: Amendments. These Bylaws may be altered or amended by the vote of the Member School Districts. The Board of Directors will provide a written ballot with the proposed amendment(s) to each Member School District giving at least a forty (40) day period in which to vote. Each Member School District will have one (1) vote.

Voting Period. The proposed amendments, a rationale for the change and a written ballot were transmitted to every Member and all Member School District Executive Assistants on Tuesday, May 12, 2026. **Completed ballots must be received by 5:00 PM on Friday, June 26, 2026.**

Important! This ballot must be completed, signed and returned to OCSBAboard@ocsba-mi.org prior to the deadline or your District's vote cannot be counted! OCSBA bylaws Article III, Section 2: Member School District votes shall be recorded upon receipt of the completed resolution or ballot indicating the vote of the Member School District's Trustees. Member School District votes must be received prior to the deadline indicated on the ballot or resolution.

DOES THE BOARD OF EDUCATION APPROVE THE PROPOSED AMENDMENTS TO THE ASSOCIATION BYLAWS?

The vote of the _____ School District

OCSBA - PROPOSED BYLAWS UPDATES FOR 2026

PROPOSED AMENDMENT 1: A member district that pays dues directly to the Association may appoint a Trustee to a seat on the Board of Directors

ADD LANGUAGE TO ARTICLE VI ELECTION OF BOARD OF DIRECTORS

Section 2: Eligibility. Any Member is eligible to be elected to the Association's Board of Directors. Only one Member from each Member School District is allowed to serve on the Board at any given time.

The Intermediate School District pays annual membership dues directly to the Association, and is therefore entitled to appoint one (1) Trustee to a 3-year term on the Board of Directors. If the ISD chooses to not exercise their right to appoint a Director, the Board of Directors shall be notified, in writing, within 30 days of a Board election so that the seat can be filled by election.

Rationale: Like every other member district, the ISD is a member of MASB and is therefore a member of the Association. However, to support the Association, the ISD is the ONLY member district that ALSO pays annual dues (currently \$6,000 per year) directly to the Association!

This proposal helps the Association by providing board continuity. The BOD is a working BOD, and it is a struggle to fill all 9 positions on the Board of Directors. This proposal will help to consistently fill 1 seat. An appointment by a dues-paying district will not alter the total number of Directors. The limit of one director per district does not change.

Given the unparalleled financial and in-kind support that the ISD provides to the Association, an appointed ISD Director is fair and reasonable. The ISD provides in-kind donations of event space with AV support (equipment *and* staff), and legislative affairs/advocacy support. When requested, the ISD provides employee speakers at no cost to the Association. The ISD's annual dues cover the entire cost that the Association pays to the ISD for service agreements: Event Management services (including but not limited to staff, online registration, collection and processing meeting fees and onsite event support) and Financial Services support (that includes but is not limited to monthly financial accounting, and filing annual tax and state reports).

RELATED LANGUAGE IN THE BYLAWS:

*** PROVIDED FOR REFERENCE ONLY, THIS LANGUAGE WOULD NOT CHANGE ***

ARTICLE III MEMBERSHIP

Section 1: Members. The Association shall be organized upon a membership basis. Any publicly elected Board of Education member of a school district located in Oakland County or **any elected Oakland ISD Board of Education member** (referred to herein as "Member School Districts"), **that is also a member in good standing in the Michigan Association of School Boards ("MASB"), is an eligible general member of this Association** (referred to herein as a "Member" or collectively the "Members").

ARTICLE IV DUES

The Association shall be financed by an annual MASB grant to its County Area School Boards Association (CASBA) members, **Intermediate School District membership dues in an amount not to exceed the MASB CASBA grant**, and by contributions and gifts accepted by the Association.

ARTICLE VI ELECTION OF BOARD OF DIRECTORS

Section 1: Number of Directors. The Board of Directors shall consist of an odd number of Directors, with **no fewer than 7 nor more than 9 members.**

OCSBA - PROPOSED BYLAWS UPDATES FOR 2026

PROPOSED AMENDMENT 2: Ensure that either the Chair -or- Vice-Chair of every OCSBA committee is a member of the Board of Directors (BOD).

ADD OR REVISE LANGUAGE IN TWO (2) SECTIONS OF ARTICLE IX:

ARTICLE IX COMMITTEES

Section 3: Committee Chairs. Each standing and ad hoc committee shall elect a Chairperson annually from the appointed representatives. **In the event that the elected committee chair is not a member of the Board of Directors, the Association Board shall appoint one of its Directors to serve as Vice-Chair of the committee.** The election shall be the first order of business at the Committee's first meeting after July 1st, unless otherwise specified in these Bylaws. Written notice of the election date, time and place shall be provided to all appointed representatives not less than seven (7) calendar days prior to the meeting at which the vote will occur.

Rationale for adding this language to Section 3: Any member can be elected to chair any committee (i.e., the chair does NOT have to be a member of the BOD). When a committee chair is not a member of the BOD, assigning a member of the BOD to serve as Vice-Chair will provide BOD support for the committee and ensure direct two-way communication between the committee and the BOD. It will ensure compliance with BOD procedures and Association bylaws.

ARTICLE IX COMMITTEES

Section 4: The Government Relations Committee.

Committee Membership/Leadership:

A Committee Chairperson will be elected annually from the appointed Members at the first committee meeting after January 31st. Each Member School District in attendance shall have one (1) vote, which shall be cast by the Member School District's appointed representative.

~~In the absence of an elected Vice-Chair, the Vice-President of OCSBA will assume the position of Vice Chair.~~ **In the event that the elected committee chair is not a member of the Board of Directors, the Association Board shall appoint one of its Directors to serve as Vice-Chair of the committee.**

Rationale for revising the current language in Section 4: While all Directors serve on 1 or more committees, Directors are not necessarily involved in the GRC. Some Directors never attend GRC meetings, but the Vice Chair of the GRC must regularly attend GRC meetings. Like the GRC Chair, the Vice Chair needs to be knowledgeable and actively involved in advocacy. Both the Chair and Vice Chair of the GRC need to provide leadership for our members by regularly attending state and national advocacy conferences & events (e.g. MASB Behind the Scenes and NSBA Advocacy Institute). For these reasons, the OCSBA Vice President is not always the person that is best suited to fulfill the role of GRC Vice Chair. The OCSBA Board of Directors should be allowed to decide which of its Directors is best suited to serve in the role.

Adopted by Board of Directors: 11/15/2017

Adopted by General Membership: 1/24/2018; 10/18/2018

Amendments Approved by Member School Districts: 9/16/2020; 9/10/2021; 3/3/2023; 6/6/2025

**PROPOSED CHANGES
CAN BE FOUND ON
PAGES 4, 8 AND 9**

BYLAWS OF THE

OAKLAND COUNTY SCHOOL BOARDS ASSOCIATION

ARTICLE I OFFICES

Section 1: Principal Office. The principal office of the Oakland County School Boards Association (the "Association") in the State of Michigan will be located at 2111 Pontiac Lake Road, Waterford Township, County of Oakland. The Association may have such other offices, either within or without the State of Michigan, as the Board of Directors of the Association may determine or as the affairs of the Association may require from time to time.

Section 2: Registered Office. The Association will have and continuously maintain a registered office and a registered agent whose office is identical with the registered office. The registered office may be, but need not be, identical with the principal office, and the address of the registered office may be changed from time to time by the Board of Directors of the Association.

ARTICLE II PURPOSE

Section 1: Purpose. The purpose of the Association shall be:

- (a) To advance the quality of public education in Oakland County through the cooperative efforts of locally elected boards of education.
- (b) To promote high standards in providing educational programs and services to meet the needs of all students.
- (c) To make available to school board members information concerning educational issues.
- (d) To conduct and sponsor meetings and programs about various aspects of education in partnership with Oakland Schools.
- (e) To promote public understanding about the role of school boards in our education system and the need for citizen involvement in maintaining and improving our schools.
- (f) To enhance cooperation and communication among boards of education in Oakland County.
- (g) To present a strong force representing the views of school boards in Oakland County to the political representatives serving the area.

(h) To advocate for county, state and national legislation and governance that promotes and supports public education services by locally elected boards of education.

ARTICLE III MEMBERSHIP

Section 1: Members. The Association shall be organized upon a membership basis. Any publicly elected Board of Education member of a school district located in Oakland County or any elected Oakland ISD Board of Education member (referred to herein as “Member School Districts”), that is also a member in good standing in the Michigan Association of School Boards (“MASB”), is an eligible general member of this Association (referred to herein as a “Member” or collectively the “Members”).

Section 2: Voting Rights. Each Member is entitled to one vote on each matter submitted to a vote of the Members, with specific exceptions as outlined in this section. All rights to vote on business or election before the Members will be done in person.

Exceptions: Each Member School District shall have one (1) vote on resolutions (as outlined in Article IX) or to amend these Bylaws (as outlined in Article XVI). Member School District votes shall be recorded upon receipt of the completed resolution or ballot indicating the vote of the Member School District’s Trustees. Member School District votes must be received prior to the deadline indicated on the ballot or resolution. Results of such Member School District voting shall be provided to all Member Districts not later than the next general membership meeting.

Section 3: Electronic Voting. Electronic voting rights are granted to the Board of Directors only to conduct emergency business. All electronic vote(s) will be reaffirmed at the next meeting of the Board of Directors.

Section 4: Transfer of Membership. Membership in this Association is not transferable or assignable.

ARTICLE IV DUES

The Association shall be financed by an annual MASB grant to its County Area School Boards Association (CASBA) members, Intermediate School District membership dues in an amount not to exceed the MASB CASBA grant, and by contributions and gifts accepted by the Association.

ARTICLE V
MEETING OF MEMBERS

Section 1: Annual and Regular Meetings. There shall be an annual meeting of the Members and not less than three additional, regular membership meetings each year for the purpose of appointing the Board of Directors and for the transaction of such other business as may come before the meeting. The annual meeting shall be the first regular meeting after July 1. The date, time, and place of all meetings shall be determined by the Board of Directors.

Section 2: Special Meetings. Special meetings of the Members may be called by voice or email by the President or by two or more members of the Board of Directors with 30 days' notice.

Section 3: Place of Meeting. The Board of Directors may designate the place of meeting for any annual or regular meeting or for any special meeting. If no designation is made, or if a special meeting is otherwise called, the place of the meeting will be the registered office of the Association; but if all of the Members meet at any time and place and consent to holding of a meeting, such meeting will be valid without call or notice, and at such meeting any corporate action may be taken.

Section 4: Notice of meetings. Written notice stating the place, day, and hour of any meeting of Members will be delivered, either personally or by email, to each Member entitled to vote as such meeting, not less than ten nor more than fifty days before the date of the meeting by the Secretary. In case of a special meeting, or when required by statute or these Bylaws, the purpose or purposes for which the meeting is called will be stated in the notice. If mailed, the notice of a meeting will be deemed to be delivered when deposited in the United States mail addressed to the Member at his or her address as it appears on the records of the Association, with postage thereon prepaid.

Section 5: Informal Action by Members. Any action required by law to be taken at a meeting of the Members, or any action which may be taken at a meeting of the Members, may be taken without a meeting if a consent in writing, setting forth the action so taken, will be signed by all of the Members entitled to vote with respect to the subject matter thereof.

Section 6: Quorum. The presence of at least one Member from twenty-five (25%) percent of the Member School Districts will constitute a quorum at such meeting. If a quorum is not present at any meeting of Members, a majority of the Members present may adjourn the meeting without further notice.

Section 7: Involvement of Member School District Administrators. Superintendents and Administrators of Member School Districts are encouraged to participate in the Member meetings and other Association activities.

ARTICLE VI
ELECTION OF BOARD OF DIRECTORS

Section 1: Number of Directors. The Board of Directors shall consist of an odd number of Directors, with no fewer than 7 nor more than 9 members. The Board of Directors shall have the discretion to determine the number of Directors to best meet the needs of the Association. The Board shall consider such a change whenever an election produces less candidates than open seats, and prior to seeking candidates to fill a vacancy under Section 6. The Secretary shall promptly communicate any change to the number of Directors to all Members. Any decrease in the number of Directors shall be accomplished by attrition, which may result in an eight member Board for up to one year, until the next election. An increase in the number of Directors shall be accomplished by election, as outlined in Section 4. In addition, the Board may call for a mid-year special election to increase the number of Directors.

Section 2: Eligibility. Any Member is eligible to be elected to the Association's Board of Directors. Only one Member from each Member School District is allowed to serve on the Board at any given time.

The Intermediate School District pays annual membership dues directly to the Association, and is therefore entitled to appoint one (1) Trustee to a 3-year term on the Board of Directors. If the ISD chooses to not exercise their right to appoint a Director, the Board of Directors shall be notified, in writing, within 30 days of a Board election so that the seat can be filled by election.

Section 3: Term. The term of office for each Director shall be for three (3) years and shall continue until his or her successor has been elected and qualified.

Section 4: Board Election: By May 1st yearly, the Board shall convene an Election Committee comprised of the three most recently elected Members of the Board of Directors. The Election Committee shall seek candidates who will create a Board with a geographical balance from throughout Oakland County. Board Candidate Application Forms will also be sent to all Member School Districts to be delivered to their board members. Candidates must submit a completed application to the Election Committee prior to the deadline specified on the form. Nominations cannot be made from the floor during the meeting at which the election occurs. Election of Candidates from Member School Districts shall take place at the June meeting. If there are more candidates than vacancies to be filled, the Member vote shall be by written ballot. If there are less candidates than vacancies to be filled, the Board of Directors shall follow the procedure to fill a vacancy as outlined in Section 6.

Section 5: Resignation/Removal. Any Director may resign by written notice to the Association. Any Director may be removed by the Members or the Board at any meeting of the Members or

the Board, with cause as defined in Appendix I, by the affirmative vote of a majority of the Members or the Directors then in office (excluding the Director who is the subject of such action).

Section 6: Vacancy. If a vacancy shall occur among the Board of Directors as a result of death, resignation, removal or otherwise, the Board will first consider whether it is appropriate to decrease the number of Directors as outlined in Section 1. If the Board determines that the needs of the Association are best met by retaining the current number of Directors, the President will notify the Members of the vacancy, each Member School District shall be sent a Board Candidate Application Form and the Board shall appoint a member to fill the vacancy at its next meeting. The appointee shall serve until the next scheduled election.

Section 7: Attendance. Failure to attend three (3) consecutive Board meetings shall constitute a resignation; however, a Director may be granted an excused absence by action of the Board. Such a request shall be made in writing to the Board President within thirty (30) days of the missed meeting.

ARTICLE VII BOARD OF DIRECTORS

Section 1: General Powers. It shall be the responsibility of the Board of Directors to carry out the purposes of the Association as specified in Article II of the Articles of Incorporation.

Section 2: Regular Meetings. A regular annual meeting of the Board of Directors will be held without other notice than these Bylaws. The date and time of the annual meeting shall be determined by the Board of Directors. The Board of Directors may provide by resolution the time and place for holding of additional regular meetings of the Board without other notice than such resolution.

Section 3: Special Meetings. Special meetings of the Board of Directors may be called by or at the request of the President or any two Directors. The person or persons authorized to call special meetings of the Board may fix any place as the place for holding any special meeting of the Board called by them.

Section 4: Notice. Notice of any special meeting of the Board of Directors will be given at least two days by written notice delivered personally, by phone or email to each Director's contact information as shown by the records of the Association. Any Director may waive notice of any meeting. The attendance of a Director at any meeting will constitute a waiver of notice of such meeting, except where a Director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board need be specified in the notice or waiver of notice of such meeting, unless specifically required by law or by these Bylaws.

Section 5: Quorum. A majority of the Board of Directors will constitute a quorum for the transaction of business at any meeting of the Board; if less than a majority of the Directors are present at said meeting, a majority of the Directors present may adjourn the meeting without further notice.

Section 6: Manner of Acting. The act of a majority of the Directors serving (whether elected or appointed), at a meeting at which a quorum is present will be the act of the Board of Directors, unless the act of a greater number is required by law or by these Bylaws.

Section 7: Compensation. Directors as such will not receive any stated salaries for their services, but by resolution of the Board of Directors a fixed sum and expenses of attendance, if any, may be allowed for attendance at each regular or special meeting of the Board; but nothing herein contained will be construed to preclude any Director from serving the Association in any other capacity and receiving compensation therefor.

Section 8: Informal Action by Directors. Any action required by law to be taken at a meeting of Directors, or any action which may be taken at a meeting of Directors, may be taken without a meeting if a consent in writing, setting forth the action so taken, is signed by all the Directors.

Section 9: Confidentiality. The records and business of all Board of Directors proceedings shall be confidential and shall not be subject to disclosure without the Board of Directors' authorization in advance of disclosure.

Section 10: Board Operating Procedures. The Board of Directors shall create and maintain Board Operating Procedures which shall be used in conjunction with these Bylaws.

ARTICLE VIII OFFICERS

Section 1: Election or Appointment. The Board of Directors, as soon as may be practical after the annual appointment of Directors in each year, shall elect from the current Board of Directors, a President, a Vice-President, a Secretary, and a Treasurer of the Association.

Section 2: Term of Office. The term of office for all officers shall commence upon their election or appointment and shall continue until the next annual meeting of the Association and thereafter until their respective successors are chosen or until their resignation or removal. Any officer may be removed from office at any meeting of the Directors, with cause, by the affirmative vote of a majority of the Directors, whenever in their judgment the best interests of the Association will be served thereby. An officer may resign by written notice to the Association. The resignation shall be effective upon its receipt by the Association or at a subsequent time specified in the notice of resignation. The Directors shall have the power to fill any vacancies in any offices occurring for whatever reason.

Section 3: Compensation. Officers as such will not receive any stated salaries for their services, but by resolution of the Board of Directors a fixed sum and expenses of attendance, if any, may be allowed for attendance at each regular or special meeting of the Board; but nothing herein contained will be construed to preclude any Officer from serving the Association in any other capacity and receiving compensation therefore.

Section 4: The President. The President shall be the Chief Executive Officer of the Association and shall have general and active management of the activities of the Association and shall see that all orders and resolutions of the Board of Directors are carried into effect. He or she shall execute all authorized conveyances, contracts, or other obligations in the name of the Association, except where required by law to be otherwise signed and executed, and except where the signing and execution thereof shall be expressly delegated by the Directors to some other officer or agent of the Association. He or she shall preside at all meetings of the Directors.

Section 5: Vice-President. The Vice-President in the order designated by the Board of Directors, or, lacking such designation, by the President shall, in the absence or disability of the President, perform the duties and exercise the powers of the President and shall perform such other duties as the Board of Directors shall prescribe.

In the absence of both the President and Vice-President, the Directors present thereat shall designate another presiding officer.

Section 6: The Secretary. The Secretary shall attend all meetings of the Board of Directors and record all votes and the minutes of all proceedings in a book to be kept for that purpose. He or she shall give, or cause to be given, notice of all meetings of the Directors for which notice may be required, and shall perform other duties as may be prescribed by the Directors. He or she shall have the authority to execute with the President all authorized conveyances, contracts or other obligations in the name of the Association, except as otherwise directed by the Directors.

At the discretion of the Board of Directors on an annual basis, the Office of Secretary may be divided into two roles: Corresponding Secretary and Recording Secretary.

Section 7: The Treasurer. The Treasurer shall have custody of the funds and securities of the Association and shall keep full and accurate accounts of receipts and disbursements in books belonging to the Association and shall deposit all monies and other valuable effects in the name and to the credit of the Association in such depositories as may be designated by the Directors. He or she shall disburse the funds of the Association as may be ordered by the Directors, taking proper vouchers for such disbursements, and shall render to the President and Directors, at the regular meetings of the Directors, or whenever they may require it, an account of all his or her transactions as Treasurer and of the financial condition of the Association. If required by the Directors, he or she shall give the Association a bond in such sum and with such surety or sureties

as shall be satisfactory to the Directors for the faithful performance of the duties of his or her office and for the restoration to the Association (in case of his or her death, resignation or removal from office) of all books papers, vouchers, money and other property of whatever kind in his or her possession or under his or her control belonging to the Association.

Section 8: Bonding of Officers. All officers of the Association, if required to do so by the Board of Directors, shall furnish bonds to the Association for the faithful performance of their duties, in such amounts and with such conditions and security as the Board shall require. The Association shall assume the cost of providing any bond required hereunder.

ARTICLE IX COMMITTEES

Section 1: General. The Board of Directors may designate standing and ad hoc committees with such duties and powers as it may provide in order to carry out the program and purposes of the Association.

Section 2: Quorum and Voting Rights. Unless otherwise stated within this Article, the presence of twenty-five (25%) percent of the appointed representatives to a Committee will constitute a quorum and each appointed representative present in the meeting shall have one vote. Member School Districts may designate an alternate representative to any committee comprised of representatives of Member School Districts; however, any appointed alternate shall only be counted for quorum and/or vote when the primary appointed representative for their District is absent.

Section 3: Committee Chairs. Each standing and ad hoc committee shall elect a Chairperson annually from the appointed representatives. **In the event that the elected committee chair is not a member of the Board of Directors, the Association Board shall appoint one of its Directors to serve as Vice-Chair of the committee.** The election shall be the first order of business at the Committee's first meeting after July 1st, unless otherwise specified in these Bylaws. Written notice of the election date, time and place shall be provided to all appointed representatives not less than seven (7) calendar days prior to the meeting at which the vote will occur.

Each Committee Chair is responsible for establishing and distributing the meeting schedule and agendas and providing such to the appointed representatives. The Chair shall maintain committee attendance records, distribute meeting minutes to the appointed representatives after each meeting and regularly report to the Board of Directors through the President.

Any Committee Chair may resign by written notice to the Association President. Any Committee Chair may be removed by the Committee Members or the Board at any meeting of the

Committee Members or the Board, without cause, by the affirmative vote of a majority of the appointed representative(s) present or the Board of Directors then in office (excluding the Committee Chair who is the subject of such action).

Section 4: The Government Relations Committee. The Government Relations Committee shall be a standing committee. The committee's purpose is to receive information on legislative matters for the purpose of sharing said information with the Member School Districts to advocate for, and increase awareness of, issues facing public education. The committee will meet at least 6 times per year.

Committee Membership/Leadership. At each Member School District's annual organizational meeting, a Member should be appointed to represent their Member School District at the Government Relations Committee.

A Committee Chairperson will be elected annually from the appointed Members at the first committee meeting after January 31st. Each Member School District in attendance shall have one (1) vote, which shall be cast by the Member School District's appointed representative.

~~In the absence of an elected Vice Chair, the Vice President of OCSBA will assume the position of Vice Chair.~~ **In the event that the elected committee chair is not a member of the Board of Directors, the Association Board shall appoint one of its Directors to serve as Vice-Chair of the committee.**

Legislative Priorities. The Government Relations Committee will review/revise their Legislative Priorities annually. Revised Legislative priorities will be submitted to the Board of Directors for approval. Once approved by the Board, Legislative Priorities will be provided to the Resolutions and Bylaws Committee and Member School Districts.

Section 5: Resolutions and Bylaws Committee. The Resolutions and Bylaws Committee shall be a standing committee and shall exercise the powers prescribed in this section. The committee's purpose is to develop and manage the resolutions and bylaws process. The committee shall meet at least once per year.

Committee Membership/Leadership. Committee members will be appointed by the OCSBA President annually. Committee members may be reappointed for additional terms. The appointed Committee members will elect a Committee Chairperson at the first committee meeting after appointment. The Government Relations Committee Chairperson shall be a member of the Resolutions and Bylaws Committee.

Initiation of Resolutions and Bylaws Revisions. Resolutions or bylaws revisions may be initiated by a Member School District Board, the Board of Directors, the Government

Relations Committee or the Resolutions and Bylaws Committee. Once approved by the OCSBA Board of Directors, the Legislative Priorities shall be included in the resolutions drafted by the Resolutions and Bylaws Committee. All proposed resolutions and/or bylaws revisions shall be submitted in writing to the Board of Directors or Resolutions and Bylaws Committee and shall be addressed by the Resolutions and Bylaws Committee at their next meeting.

Submission to Vote. The Board of Directors shall review all proposed resolutions and bylaws amendments prior to submission to the Member School Districts.

Once reviewed by the Board of Directors, proposed resolutions and bylaws amendments shall be sent to the Member School Districts for voting. Member School Districts will be asked to vote at their next meeting. The window for Member School District voting shall be at least forty (40) calendar days and the voting deadline shall be specified on the ballot or resolution.

Resolution Adoption. Resolutions that are approved by at least nineteen (19) Member School Districts shall be the official position of the Association as interpreted and pursued by its Board of Directors.

ARTICLE X DISSOLUTION

Section 1: General. In the event of dissolution of the Association, all of the Association's assets, real and personal, shall be distributed as provided in Article VIII of the Association's Articles of Incorporation.

Section 2: No Inurement. No part of the net earnings of the Association shall be distributed to or inure to the benefit of any Member, Director or Officer of the Association, as prohibited by Section 501(c)(4) of the Internal Revenue Code of 1986, as amended (or corresponding provisions of subsequent federal tax laws), or the Michigan General Sales Tax Act or the Michigan Use Tax Act.

ARTICLE XI FIDUCIARY AND FINANCIAL RESPONSIBILITIES

Section 1: Financial Expenditures. All financial expenditures of the Association shall not exceed those within the parameters of the approved annual budget. No committee has the power to create any financial liability for the Association, unless specifically authorized by the majority of the Members. The Board of Directors approval and signatory by both the President and Treasurer are required for any expenditure exceeding \$2,500. Expenditures up to \$2,500 must be approved

by either the Board President or the Treasurer. In the event that the President and/or Treasurer are absent or disabled, the Vice-President may approve expenditures.

Section 2: Financial Reports. The Treasurer shall maintain all financial statements, reports, and budgets as follows:

- (a) Reports shall be completed on a timely basis and distributed to all Board members on a quarterly basis or upon request.
- (b) The Treasurer shall present for approval by the Board of Directors:
 - a. Not later than the June Board of Directors meeting, a budget for the upcoming fiscal year (July 1 to June 30).
 - b. No later than August 30th, the end of year revenue & expense reports for the immediately preceding fiscal year.
- (c) The approved budget and annual report of income and expenditures will be presented at the first fall Member Meeting.
- (d) Annually the accounting records of the Association will be closed in preparation for any necessary IRS filings.

Section 3: Review of Financial Records.

- (a) Internal – Board of Directors. Annually, the Association shall perform certain agreed upon procedures related to the financial records of the Association. The year-end report and supporting documentation shall be available for review by the Board of Directors prior to the annual Board of Directors and Member meetings.
- (b) External. An audit will only be conducted in place of the agreed upon procedures if required by law or a third party.

Section 4: Fiduciary Agreement. The Board of Directors may enter into an Administrative and Financial Services Agreement with Oakland Schools to support management of the Association. The Treasurer shall monitor the work performed by Oakland Schools under this agreement.

ARTICLE XII

INDEMNIFICATION OF OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS

Section 1: Indemnification of Directors and Officers: Claims Brought by Third Parties. The Association shall, to the fullest extent authorized or permitted by the Michigan Nonprofit Association Act or other applicable law, as the same presently exists or may hereafter be amended (the “Act”), indemnify a director or officer (the “Indemnitee”) who was or is a party or is threatened to be made a party to a threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, or investigative and whether formal or informal, other than an action by or in the right of the Association, by reason of the fact that he or she is or was a director, officer, employee or agent of the Association, or is or was serving at

the request of the Association as a director, officer, partner, trustee, employee or agent of another foreign or domestic Association, business Association, partnership, joint venture, trust or other enterprise, whether for profit or not for profit, against expenses, including attorneys' fees, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by the Indemnitee in connection with the action, suit or proceeding, if the Indemnitee acted in good faith and in a manner the Indemnitee reasonably believed to be in or not opposed to the best interests of the Association, and with respect to any criminal action or proceeding, if the Indemnitee has no reasonable cause to believe the conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the Indemnitee did not act in good faith and in a manner which in the Indemnitee reasonably believed to be in or not opposed to the best interests of the Association, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the conduct was unlawful.

Section 2: Indemnification of Directors and Officers: Claims Brought by or in the Right of the Association. The Association shall, to the fullest extent authorized or permitted by the Act or other applicable law, as the same presently exists or may hereafter be amended, indemnify a director or officer who was or is a party to or is threatened to be made a party to a threatened, pending or completed action or suit by or in the right of the Association to procure a judgement in its favor by reason of the fact that the Indemnitee is or was a director, officer, employee or agent of the Association, or is or was serving at the request of the Association as a director, officer, partner, trustee, employee or agent of another foreign or domestic Association, business Association, partnership, joint venture, trust or other enterprise, whether for profit or not, against expenses, including actual and reasonable attorneys' fees and amounts paid in settlement incurred by the person in connection with the action of suit, if the Indemnitee acted in good faith and in a manner the Indemnitee reasonably believed to be in or not opposed to the best interests of the Association. However, indemnification under this Section shall not be made for a claim, issue or matter in which the Indemnitee has been found liable to the Association unless and only to the extent that the court in which the action or suit was brought has determined upon application that, despite the adjudication of liability but in view of all circumstances of the case, the Indemnitee is fairly and reasonably entitled to indemnification for the expenses for which the court considers proper.

Section 3: Actions Brought by the Indemnitee. Notwithstanding the provisions of Sections 1 and 2 of this Article, the Association shall not indemnify an Indemnitee in connection with any action, suit, proceeding or claim (or part thereof) brought or made by such Indemnitee; unless such action, suit, proceeding or claim (or part thereof) (i) was authorized by the Board of Directors of the Association, or (ii) was brought or made to enforce this Article and such Indemnitee has been successful in such action, suit, proceeding or claim (or part thereof).

Section 4: Approval of Indemnification. An indemnification under Sections 1 or 3 of this Article, unless ordered by a court, shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the Indemnitee is proper in the circumstances because the Indemnitee has met the applicable standard of conduct set forth in Sections 1 and 3 of this Article. This determination shall be made promptly in any of the following ways:

- (a) By a majority vote of a quorum of the Board consisting of Directors who were not parties to the action, suit or proceeding.
- (b) If the quorum described in subdivision(a) is not obtainable, then by a majority vote of a committee of Directors who are not parties to the action. The committee shall consist of not less than two (2) disinterested Directors.
- (c) By independent legal counsel in a written opinion.

Section 5: Advancement of Expenses. Expenses incurred in defending a civil or criminal action, suit or proceeding described in Sections 1 or 3 of this Article shall be paid promptly by the Association in advance of the final disposition of the action, suit or proceeding upon receipt of any undertaking by or on behalf of the Indemnitee to repay the expenses if it is ultimately determined that the Indemnitee is not entitled to be indemnified by the Association. The undertaking shall be by unlimited general obligation of the person on whose behalf advances are made but need not be secured.

Section 6: Partial Indemnification. If an Indemnitee is entitled to indemnification under Sections 1 or 3 of this Article for a portion of expenses including attorneys' fees, judgments, penalties, fines and amounts paid in settlement, but not for the total amount thereof, the Association shall indemnify the Indemnitee for the portion of the expenses, judgments, penalties, fines, or amounts paid in settlement for which the Indemnitee is entitled to be indemnified.

Section 7: Indemnification of Employees and Agents. Any person who is not covered by the foregoing provisions of this Article and who is or was an employee or agent of the Association, or is or was serving at the request of the Association as a director, officer, employee or agent of another foreign or domestic Association, business Association, partnership, joint venture, trust or other enterprise, whether for profit or not for profit, may be indemnified to the fullest extent authorized or permitted by the Act or other applicable law, as the same exist or may hereafter be amended, but in the case of any such amendment, only to the extent such amendment permits the Association to provide broader indemnification rights than before such amendment, but in any event only to the extent authorized at any time or from to time by the Board of Directors.

Section 8: Other Rights of Indemnification. The indemnification or advancement of expenses provided under Sections 1 to 7 of this Article is not exclusive of other rights to which a person seeking indemnification or advancement of expenses may be entitled under the articles of

incorporation, bylaws or a contractual agreement. However, the total amount of expenses advanced or indemnified from all sources combined shall not exceed the amount of actual expenses incurred by the person seeking indemnification or advancement or expenses. The indemnification provided for in Sections 1 to 5 of this Article continues as to a person who ceases to be a director, officer, employee, or agent and shall inure to the benefit of the heirs, executors, and administrators of the person.

Section 9: Liability Insurance. The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Association, or is or was serving at the request of the Association as a director, officer, employee or agent of another Association, business Association, partnership, joint venture, trust or other enterprise against any liability asserted against the person and incurred by the person in any such capacity or arising out of the person's status as such, whether or not the Association would have the power to indemnify the person against such liability under the provisions of the Act.

Section 10: Severability. Each and every paragraph, sentence, term and provision of this Article shall be considered severable in that, in the event a court finds any paragraph, sentence, term or provision to be invalid or unenforceable, the validity and enforceability, operation, or effect of the remaining paragraphs, sentences, terms, or provisions shall not be affected, and this Article shall be construed in all respects as if the invalid or unenforceable matter had been omitted.

Section 11: Definitions. "Other enterprises" shall include employee benefit plans; "fines" shall include any excise taxes assessed on a person with respect to an employee benefit plan; and "serving at the request of the Association" shall include any service as a director, officer, employee, or agent of the Association which imposes duties on, or involves services by, the director, officer, employee, or agent with respect to an employee benefit plan, its participants or beneficiaries; and a person who acted in good faith and in a manner he or she reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be considered to have acted in a manner "not opposed to the best interests of the Association as referred to in Sections 1 and 2".

ARTICLE XIII FISCAL YEAR

Section 1: Fiscal Year. The fiscal year of the Association shall be determined by the Board of Directors.

ARTICLE XIV CONFLICTS

Section 1: Statement of Policy. It is the policy of the Association that all officers, directors, committee members and employees of the Association shall avoid any conflict between their own respective individual interests and the interests of the Association, in any and all actions taken by them on behalf of the Association in their respective capacities.

Section 2: Dealing with the Association. A contract or other transaction between the Association and one or more of its directors or officers, or between the Association and a domestic or foreign corporation, firm or association of any type or kind in which one or more of the Association's directors or officers are trustees or officers, or are otherwise interested, is not voice or voidable solely because of such common trusteeship, officership or interest, or solely because such directors are present at the meeting of the Board of Directors or committee thereof at which such contract or transaction is acted upon, or solely because their votes are counted for such purpose, if any of the following conditions is satisfied:

- (a) The contract or other transaction is fair and reasonable to the Association when it is authorized, approved or ratified;
- or
- (b) The material facts as to such trustee's relationship or interest as to the contract or transaction are disclosed or known to the Board of Directors or committee thereof authorizes, approves or ratifies the contract or transaction by a vote sufficient for the purpose without counting the vote of any common or interested director.

Section 3: Procedure in Event of Potential Conflict of Interest. In the event that any officer, trustee, committee member or employee of the Association shall have any direct or indirect interest in, or relationship with, any individual or organization which proposes to enter into any transaction with the Association, such officer, director, committee member or employee shall give the Board of Directors notice of such interest or relationship and shall thereafter refrain from voting or otherwise attempting to exert any influence on the Association, its Board of Directors, or its committees, to affect its decision to participate or not to participate in such transaction.

Section 4: Special Voting Rules. Any member of the Board of Directors who has a conflict of interest on any matter involving the Association shall not be counted in determining the quorum for the meeting at which the matter is to be acted upon, even when permitted by law. The minutes of the meeting shall reflect that a disclosure was made, the abstention from voting, and the quorum situation.

ARTICLE XV MISCELLANEOUS PROVISIONS

Section 1: Contracts, Conveyances, Etc. All conveyances, contracts and instruments of transfer and assignment shall be approved as provided by a resolution of the Board of Directors.

Section 2: Execution of Instruments. Except as otherwise provided for herein, all Association instruments and documents, including, but not limited to, checks, drafts, bills or exchange, acceptances, notes or other obligations or orders for the payment of money, shall be signed as provided by a resolution of the Board of Directors.

Section 3: Borrowing. Loans and renewals of loans shall be contracted on behalf of the Association as provided by a resolution of the Board of Directors.

Section 4: Adjourned Meetings. A majority of the Directors present, whether or not a quorum, may adjourn any meeting to another time and place. Notice of such adjourned meeting shall be given even though the time and place thereof are announced at the meeting at which the adjournment is taken.

Section 5: Method of Giving Notices. Any notice required by statute or by these Bylaws to be given to the directors, or to any officers of the Association unless otherwise provided herein or in any statute, shall be given by electronic communication to such director or officer at his or her last known district-provided email address as the same appears on the records of the Association, and such notice shall be deemed to have been given at the time of such communication.

Section 6: Action by Written Consent. Action required or permitted to be taken pursuant to authorized vote at any meeting of the Board of Directors or a committee thereof, may be taken without a meeting if, before or after the action, all Members of the Board of Directors or the committee consent thereto in writing. Written consent shall be filed with the minutes of the proceedings of the Board or committee. Such consent shall have the same effect as the vote of the Board or committee for all purposes.

Section 7: Remote Participation in Meeting. By oral or written permission of a majority of the Board of Directors, a Member of the Board of Directors or of a committee designated by the Board may participate in a meeting by means of conference telephone, or similar communications equipment by means of which all persons participating in the meeting can hear each other (“two-way communication”). Participation in a meeting pursuant to this Section constitutes presence in person at the meeting.

Section 8: Corporate Seal. If the Association has a corporate seal, it shall have inscribed thereon the name of the Association and the words “Corporate Seal” and “Michigan”. The seal may be used by causing it or a facsimile to be affixed, impressed or reproduced in any other manner.

ARTICLE XVI AMENDMENTS, RULES AND REGULATIONS

Section 1: Amendments. These Bylaws may be altered or amended by the vote of the Member School Districts. The Board of Directors will provide written ballot with the proposed

amendment(s) to each Member School District giving at least a forty (40) day period in which to vote. Each Member School District will have one vote.

Grammatical errors that do not change the meaning or intent of the language may be corrected by the Board of Directors without a vote of the membership.

Section 2: Rules and Regulations. The Board of Directors may adopt additional rules and regulations, general or specific, for the conduct of their meetings, and additional rules and regulations, general or specific, for the conduct of the affairs of the Association; provided, however, unless a local, state or national emergency has been declared, no such additional rule or regulation shall be inconsistent with or in contravention of any provision of the Articles of Incorporation or these Bylaws.

Section 3: Rules and Regulations During a Declared Emergency. In the event of a declared local, state or national emergency, the Board of Directors may set aside rules and regulations within these bylaws, general or specific, regarding the conduct of their meetings and election and to conduct the affairs of the Association.

Appendix 1

Definition of Cause for Removing a Board Member or Officer

Adopted by the OCSBA Board of Directors: September 16, 2020

Preface:

The Board of Directors of a nonprofit has three primary legal duties known as the “duty of care,” “duty of loyalty,” and “duty of obedience.”*

1. Duty of Care: Take care of the nonprofit by ensuring prudent use of all assets, including facility, people, and good will.
2. Duty of Loyalty: Ensure that the nonprofit's activities and transactions are, first and foremost, advancing its mission; Recognize and disclose conflicts of interest; Make decisions that are in the best interest of the nonprofit, not in the best interest of the individual board member (or any other individual or for-profit entity).
3. Duty of Obedience: Ensure that the nonprofit obeys applicable laws and regulations; follows its own bylaws; and that the nonprofit adheres to its stated corporate purposes/mission.

The Board of Directors does not exist solely to fulfill legal duties and serve as a fiduciary of the organization's assets. Board members also play very significant roles providing guidance to nonprofits by contributing to the organization's culture, strategic focus, effectiveness, and financial sustainability, as well as serving as ambassadors and advocates.

An OCSBA Officer or Member of the Board of Directors may be removed for cause, defined as any of the following:

- ❖ Acts of malfeasance, misfeasance, or nonfeasance.
- ❖ Willful failure to follow OCSBA bylaws.
- ❖ Willful neglect of duties.
- ❖ Failure to disclose a conflict of interest and/or using the Association for his or her own personal gain.
- ❖ Using their position on the OCSBA Board of Directors or OCSBA's logo in a political endorsement, as such could reasonably be misconstrued as an endorsement by the Association.
- ❖ Frequently missed Board meetings or committee meetings.
- ❖ Creating an unhealthy or dysfunctional boardroom through inappropriate behavior or disrespecting the other members of the Association.
- ❖ Ethical concerns such as discrimination, harassment, or criminal behaviors.

Basically, the removal of a Director or Officer should only be done when absolutely necessary. However, the reasons for doing so are up to the Associations other Directors and Members. If a Director has failed his or her fiduciary duty in some way, then he or she should be removed from the board.

**FARMINGTON PUBLIC SCHOOLS
RESOLUTION**

Minutes of a regular meeting of the Board of the Farmington Public Schools, County of Oakland, Michigan, held at 32789 W. Ten Mile Road, in the City of Farmington, on the 16th day of June, 2026, at 6:00 p.m.

PRESENT: Members:

ABSENT: Members:

RESOLUTION REGARDING EXECUTIVE ADMINISTRATOR CONTRACTS

WHEREAS, the Farmington Public Schools employs administrators under individual employment contracts; and

WHEREAS, the contracts for the District’s Assistant Superintendents and Executive Director (“executive administrators”) are for a two-year term currently ending on June 31, 2027, and provide that the contracts “will automatically be extended for an additional year annually unless the Board takes affirmative action to deny such an extension;” and

WHEREAS, the Superintendent desires to make modifications to the form of the contracts for the executive administrators, including, but not limited to, the elimination of the automatic extension language; and

WHEREAS, the executive administrator contracts need to be prevented from being “automatically extended” so the changes to the form of the contracts can be made and the processing of new contracts can be facilitated.

NOW, THEREFORE, IT IS RESOLVED, the Board of Education hereby resolves to deny the automatic extension of the employment contracts for the executive administrators for an additional year beyond June 30, 2027; and

BE IT FURTHER RESOLVED, that the Board of Education delegates to the Superintendent the authority to modify the form of the contracts for the executive administrators and implement the changes.

June 16, 2026

Regular Meeting of the Board of Education

XI.C. CONSENT AGENDA. I move that the Board of Education approve the June 16, 2026, Consent Agenda, as follows:

XI.C.1. Approval of Minutes

XI.C.1.a. June 2, 2026, Regular Meeting

XI.C.2. Personnel Items

XI.C.3. Appointment of Legal Representation 2026/2027

XI.C.4. Approval of 2026/2027 MHSAA Membership Resolution

To: Dr. Kelly Coffin, Superintendent

From: Bradley Paddock, Assistant Superintendent for Talent Development

CC: Kelly Kaminski, Director of Human Resources

Re: Recommendation for Appointment of Legal Representation

Date: June 16, 2026

It is recommended that the Board authorize administration to contract with Clark Hill PLC, 151 S. Old Woodward Avenue, Suite 200, Birmingham, MI 48009; Collins & Blaha, P.C., 31440 Northwestern Hwy, Suite 170, Farmington Hills, MI 48334; Miller, Canfield, Paddock and Stone, P.C., 150 W. Jefferson, Suite 2500, Detroit, Michigan 48226; Miller Johnson, P.O. Box 306, Grand Rapids, MI 4950; and Thrun Law Firm, P.C., 2900 West Road, Suite 400, East Lansing, Michigan 48823 for the fiscal year beginning July 1, 2026 and ending June 30, 2027.

Note: The hourly rate for the above named legal service providers is estimated below. Additionally, the hourly rates are estimated based on the most recent invoices' total amounts and hours listed:

Clark Hill, PLC **	\$295 - \$345
Collins & Blaha, P.C.	\$300 - \$345
Miller, Canfield, Paddock & Stone, P.C.	\$205 - \$345
Miller Johnson	\$270 - \$360
Thrun Law Firm, P.C.	\$360 - \$400

**These rates apply to traditional public school work. For attorneys who are not members of the Educational Practice Group and who focus their practices in other areas of the law, such as intellectual property, cybersecurity, and environmental issues, or other highly specialized areas not generally encountered in public education, hourly rates for these attorneys would be discounted rates compared with those attorneys' normal individual market rates.

Per FPS Board of Education Bylaw 1001:

Professional Services The Board may select and appoint qualified individuals or firms to provide professional services to the District for legal, architectural, auditing/accounting services, and other

professional services. In making such selections, the Board will consider certifications, licenses, training and experience. Other criteria may be considered at Board discretion.

Per FPS Administrative Regulation 5003-AR:

Procurement of Professional Services Professional services, such as architectural, legal, engineering, consulting, and auditing services, frequently requires familiarity with School District personnel, practices and facilities. The School District recognizes there are advantages in maintaining continuity in the provision of these services and does not require bidding or annual re-bidding, except in cases where the Superintendent or Board of Education considers it in the School District's best interest. Periodically, the School District may competitively bid such services to ensure that service and pricing are aligned with the School District's best interests and industry norms.

The providers listed have been recommended to the Board for a number of years, going back to 2016, though some have undergone mergers or changes in affiliation that impacted the entity name. Notably, during that time, there have been providers who have been removed from the list based upon a determination that the service from that particular provider could be better procured elsewhere. That determination is based upon the factors set forth in the Bylaw and Administrative Regulation above, along with usage (or lack thereof), and consultation among the Superintendent and Central Office staff utilizing the provider. The Board's approval does not represent any obligation to utilize any approved provider, but rather merely authorizes administration to do so.

Respectfully,

Brad

2026-27

The Michigan High School Athletic Association is a voluntary, nonprofit corporation comprised of public, private and parochial junior high/ middle and senior high schools whose Boards of Education/Governing Bodies have voluntarily applied for and received membership for and on behalf of their secondary schools. The association sponsors statewide tournaments and makes eligibility rules with respect to participation in such Michigan High School Athletic Association sponsored tournaments in the various sports. Each Board of Education/Governing Body that wishes to host or participate in such meets and tournaments must join the MHSAA and agree to abide by and enforce the MHSAA rules, regulations and qualifications concerning eligibility, game rules and tournament policies, procedures and schedules. **It is a condition for participation in any MHSAA postseason tournaments that high schools adhere to at least the minimum standards of Regulation I and the maximum limitations of Regulation II in ALL MHSAA Tournament sports.**

Michigan High School Athletic Association tournaments are the collective property of the MHSAA and not of any individual member school. The MHSAA reserves the right to promote and advance the membership's interests with publication information; exclusive arrangements to create recognition and exposure for school-sponsored activities; restrictive policies prohibiting exploitation and commercialization of MHSAA-sponsored tournaments; appropriate proprietary interests, and the use of images or transmissions identifying contest officials, spectators and member schools' students, personnel and marks.

To obtain membership, it is necessary for the Board of Education/Governing Body to adopt the following resolution for its junior high/middle and senior high schools. This resolution must be formally ratified by your Board of Education/Governing Body and properly signed. Please return one signed copy for our files and retain one copy for your files. Resolutions that are modified in any way or are supplemented with letters placing additional conditions on MHSAA membership or tournament participation shall be rejected.

MEMBERSHIP RESOLUTION

For the year August 1, 2026 — through July 31, 2027

LIST ON BACK

_____ the School(s) which are under the direction of this Board of Education/Governing Body.

(Junior high/middle and senior high schools of your school system which are to be listed as MHSAA members and receive MHSAA mailings during 2026-27 must be listed on the back of this form)

Farmington Public Schools City/Township of Farmington/Farmington Hills

County of Oakland, of State of Michigan, are hereby:

- (A) enrolled as members of the Michigan High School Athletic Association, Inc., a nonprofit association, and
- (B) are further enrolled to participate in the approved interschool athletic activities sponsored by said association.

The Board of Education/Governing Body hereby delegates to the Superintendent or his/her designee(s) the responsibility for the supervision and control of said activities, and hereby accepts the Constitution and By-Laws of said association and adopts as its own the rules, regulations and interpretations (as minimum standards), as published in the current HANDBOOK as the governing code under which the said school(s) shall conduct its program of interscholastic athletics and agrees to primary enforcement of said rules, regulations, interpretations and qualifications. In addition, it is hereby agreed that schools which host or participate in the association's meets and tournaments shall follow and enforce all tournament policies, procedures and schedules.

This authorization shall be effective from August 1, 2026 and shall remain effective until July 31, 2027, during which the authorization may not be revoked.

RECORD OF ADOPTION

The above resolution was adopted by the Board of Education/Governing Body of the

Farmington Public School(s), on the 16 day of June, 2026, and is so recorded in the minutes of the meeting of the said Board/Governing Body.

Schools Which Are To Be MHSAA Members During 2026-27

NOTE: Pursuant to the MHSAA Constitution, all high schools, junior high/middle schools, or other schools of Michigan doing a grade of work corresponding to such schools, may become members of this organization provided (a) the school building has enrollment and onsite attendance of at least 15 students, whether for grades **6 through 8 or 9, grades 7 through 8 or 9, or grades 9 or 10 through 12**; and (b) if a nonpublic school, the school qualifies for federal income tax exemption as a not-for-profit organization. To reach the 15-student minimum for middle school membership, schools may join the MHSAA at the 6th-grade level whether or not 6th-grade students participate in athletics.

- A. This Section does not require school districts to become member schools at the junior high/middle school level and does not require school districts to sponsor any interscholastic athletics for 6th-grade students.
- B. If a school district's MHSAA Membership Resolution lists a junior high/middle school as an MHSAA member school, and if the school sponsors a 6th-grade team in any sport or permits a 6th-grade student to participate with 7th- and/or 8th-grade students in any sport, then all of Regulations III and IV apply to all 6th-graders in all sports involving 6th-graders on teams sponsored by that school. If the school does not allow any 6th-graders to participate in a sport, MHSAA rules do not apply in that sport.

Name the Member High School(s)

List separately from JH/MS even if all grades are housed in the same building.

1. Farmington High School
2. North Farmington High School
3. _____
4. _____
