# LEGISLATIVE PLATFORM

**2022**

**Supporting all students and addressing  
inequity in education**

On behalf of the students, educators, families and community members of Burnsville-Eagan-Savage School District 191, the District 191 Legislative Committee asks the Minnesota State Legislature and U.S. Congress to take the actions described in this platform in 2022.

**Permanently fund free school meals**

**Remove 15-day residency requirement for  
students enrolled in online schools**

**Increase Safe Schools funding to expand  
mental health supports**

**Reduce the cross subsidy for  
special education and English learning**

**Provide targeted funding to increase  
diversity among teachers**

**Provide a legislative exemption to allow  
local control of property sale proceeds**

# District 191 Legislative Platform

## 1 Permanently fund free school meals for all students

The COVID-19 pandemic has highlighted the importance of ensuring all students have consistent access to healthy meals through schools. By making the current program of providing free school breakfast and lunch to all students, a barrier to learning is removed.

## 2 Remove the 15-day residency requirement for online students

Under current law, a student who leaves Minnesota for longer than 15 consecutive days is automatically unenrolled from their school. In the age of online school options, this requirement should be removed for any student enrolled online whose permanent address remains in the state.

## 3 Increase funding for mental health

It's never been more important to address the mental health needs of students to ensure they are prepared to learn and grow. Increasing the Safe Schools levy will allow schools districts to hire staff to address those needs.

## 4 Reduce the cross subsidy for special education, English learning

These services are essential for supporting the individual needs of students and are mandated by law. But in 2018-19, for instance, District 191 received about \$12.8 million less in funding than was spent to provide those services. Those costs were covered by the district's general fund — the cross subsidy — meaning less money for general education staff, programming and services.

## 5 Provide targeted funding to increase diversity among teachers

In District 191 and across Minnesota, only about 4% of teachers are people of color. Studies show that all students do better when they are taught by a diverse teaching staff, and the lack of representation especially harms students of color.

## 6 Provide a legislative exemption for District 191 property sale

District 191 is planning to sell one or more properties and is seeking a legislative exemption that would allow proceeds of the sale to be transferred to the district's general fund.
