RECOMMENDATIONS

Student Experience Recommendations

PRESENTED BY

Hanna Abraham & Lewis Reid

Student Experience

1. Fully Fund State Mandates

The State of Texas should fully fund all mandated programs and requirements imposed on public schools, including but not limited to:

- School safety and security requirements
- Special education services
- Academic intervention and student support services
- Mental and behavioral health services

Rationale: Districts continue to absorb significant unfunded costs for state requirements, diverting resources from classrooms and student support. Fully funding mandates ensures legislative priorities do not create unintended local financial burdens.

Student Experience

2. Fund Schools Based on Enrollment, Not Attendance

Transition from an Average Daily Attendance (ADA) funding model to an enrollment based funding system.

Rationale: Enrollment-based funding provides greater financial predictability, allowing districts to plan staffing, programming, and services more effectively regardless of daily attendance fluctuations. This aligns with prior MISD advocacy efforts.

Student Experience

3. Clarify and Refine Senate Bill 12

Provide clear statutory guidance and revisions to SB 12 to:

- Refine definitions of “psychological test” and “psychological treatment”
- Ensure school counselors can appropriately support students’ mental and emotional well-being
- Eliminate conflicting language related to “general well-being” inquiries

Rationale: Current statutory language creates ambiguity that limits the ability of trained professionals to serve students effectively and may conflict with parent expectations and student needs.

School Finance & Resource Allocation Recommendations

PRESENTED BY

Chi Mai

School Finance & Resource Allocation

4. Increase and Index the Basic Allotment

Increase per-student funding and index the Basic Allotment to inflation.

Rationale: Texas public schools have experienced significant erosion in purchasing power. Indexing funding ensures sustainability and prevents recurring shortfalls.

School Finance & Resource Allocation

5. Modernize and Fully Fund Special Populations

Provide equitable, adequate, and inflation-adjusted funding for:

- Special education
- Emergent bilingual (EB) programs
- At-risk student services
- Early learning, including full-day Pre-K funding

Rationale: Current funding structures do not reflect the actual cost of serving diverse student populations, limiting districts' ability to meet statutory and educational expectations.

School Finance & Resource Allocation

6. Ensure Long-Term School Finance Stability and Equity

Develop a school finance system that:

- Prioritizes equitable distribution of state resources
- Increases the state share of funding to reduce reliance on local property taxes
- Provides predictable, sustainable funding streams for districts

Rationale: A stable and equitable system is essential for long-term planning and maintaining high-quality educational programs.

Assessment & Accountability Recommendations

PRESENTED BY

Tamara Conner

Assessment & Accountability

7. Reform the A –F Accountability System

Establish a more holistic and balanced accountability system that:

- Reduces over-reliance on STAAR assessments
- Incorporates multiple measures of student success (e.g., CCMR, workforce readiness)
- Limits standardized testing impact to no more than 50% of ratings

Rationale: The current system overemphasizes standardized testing and does not fully reflect student achievement or district effectiveness.

Assessment & Accountability

8. Protect Instructional Time

Reform assessment systems to:

- Reduce excessive testing requirements
- Eliminate redundant or non-essential assessments
- Prioritize instructional time and student learning experiences

Rationale: Instructional time is critical to student success and should not be compromised by excessive testing mandates.

Assessment & Accountability

9. Ensure Fair and Comparable Accountability Standards

Require that all schools receiving public funds, including private schools participating in voucher/ESA programs:

- Meet equivalent academic accountability standards
- Demonstrate comparable student outcomes
- Adhere to transparency and reporting requirements

Rationale: Public funds should require public accountability to ensure fairness and protect taxpayer investment.

Assessment & Accountability

10. Expand Use of Alternative and Norm-Referenced Assessments

Allow districts flexibility to use nationally norm-referenced assessments (e.g., SAT, ACT, TSIA2, MAP) to:

- Demonstrate college readiness
- Measure grade-level achievement
- Provide meaningful data beyond STAAR

Rationale: Multiple assessment options provide a more accurate and comprehensive picture of student performance and readiness.

TITLE: Consideration and Approval of
Attorney(s) to Serve as Independent
Hearing Examiners for Proposed
Non-Renewal(s)

DATE: May 12, 2026

ACTION

BACKGROUND:

At the April 28 Board meeting, the Board voted to approve giving notice of proposed nonrenewal of their contracts to two employees, one employee on a term teacher contract, and one employee on a term dual teacher/coach contract. Per Policy DFBB, the Board may designate an attorney licensed to practice law in this state to hold the hearing on behalf of the Board, to create a hearing record for the Board's consideration and action, and to recommend an action to the Board.

CONSIDERATIONS:

- Authorize the designated attorneys discussed in closed session to hold any subsequent nonrenewal hearing on behalf of the Board, to create a hearing record for the Board's consideration and action, and to recommend an action to the Board.
- Do not authorize the designated attorneys discussed in closed session to hold any subsequent nonrenewal hearing on behalf of the Board, to create a hearing record for the Board's consideration and action, and to recommend an action to the Board.

RECOMMENDATION:

The Superintendent recommends authorization of the attorneys discussed in closed session with regard to the nonrenewal hearing process.

If Board agrees, the motion would be:

“I move to authorize the attorneys discussed in closed session to hold any subsequent nonrenewal hearing on behalf of the Board for the employees discussed in closed session, to create a hearing record for the Board's consideration and action, and to recommend an action to the Board.”
