ADJOURNMENT

There being nothing further to discuss, Board Chair N. Sandman adjourned the meeting at 6:49 p.m.

ATTEST:

Clerk of the School Board

Chair of the School Board

Department Reports

Churchill Elementary:

Submitted by David Wangen, Churchill Elementary Principal
Hello From Churchill,

Churchill served 530 hotdogs for the annual family picnic held inside due to the weather. Teachers have been busy the month of May with field trips, completing report cards, benchmark testing, and preparing class lists for the following school year. Churchill and Washington teacher reps from each grade level will be working on reading standards alignment one day this June. Report cards will be mailed home to families the week of June 2nd. A big Thank You to Gordy's for sponsoring the ice cream field trips again this year! Thank you also to Churchill PIE for all their support of our students and teachers this year

Washington Elementary:
Submitted by Robbi Mondati, Washington Elementary Principal

Busy as ever at Washington as we wind down for the year:

-We have had some amazing field trips extending student learning in the past few weeks:

Kindergarten went to the Lake Superior Zoo

1st grade went to the Hartley Nature Center

3rd grade is headed to the Great Lakes Aquarium

-Field Day is an all day, multi-station event at Washington that took place on Thursday the 22nd! Huge thanks to the amazing team of planners who put together the details so our students, families, and staff could enjoy a wonderful day together!

-The 8th annual Principal's Challenge is also scheduled for the last two weeks of the school year. Students put together ideas, staff vetted them, and then we did a school-wide vote. The winning challenge was for Mrs. Mondati to do the chicken dance, dressed as a chicken, on the roof!! (Creative, right?!) That fun will be happening in the final days of the year.

-Our 4th grade Patrols will be rewarded for their service with a trip to Valley Fair the last week of school. This is a joint event with all district patrols!

-Lastly, we are planning our final Purple Pride rally of the year on the last day. At the rally we will highlight the hard work and achievements of our 4th graders and then focus on purple pride!

Cloquet Middle School:
Submitted by Thomas Brenner, Cloquet Middle School Principal

4th Grade Transition Visits to CMS

- **Churchill Elementary**: 4th-grade students toured CMS from **9:30 a.m. to 10:30 a.m.**

- **Washington Elementary**: 4th grade students toured CMS from **12:45 p.m. to 1:45 p.m.**
  These visits are essential in helping our incoming students feel comfortable and excited about transitioning to middle school.

Spring Band Concerts

- **Dates**: May 14 & 15
- **Time**: 7:00 p.m.
  Students in grades 6–8 performed in our annual Spring Band Concerts. The performances were an impressive showcase of growth, skill, and dedication. Congratulations to all participating students and our music department for a job well done!

Student Council Update

Presented by Jamie Jazdzewski & Thomas Proulx

On May 14, the CMS Student Council attended a statewide event where they could connect with over **250 other student council members** from across Minnesota. The event was educational and inspiring, offering leadership development and networking experiences that our students thoroughly enjoyed.

Art Department Update

Submitted by Andrea Cacek

Students have been exploring **cardboard sculpture** techniques in art class. Students are learning to create imaginative and detailed three-dimensional works with cardboard and hot glue, demonstrating creativity, problem-solving, and craftsmanship

Special Olympics Minnesota Unified Track and Field Invitational
On **Tuesday, May 20**, Cloquet Middle School will proudly host the **Special Olympics Minnesota Unified Track and Field Invitational**. Participating schools include:

- Proctor High School
- Duluth East High School
- Duluth Edison
- Esko High School
- Cloquet High School
- Cloquet Middle School
- Washington Elementary School

This inspiring event pairs special education students with general education peers to compete in **seven events**:

- 2x50m Relay
- 2x100m Relay
- 2x200m Relay
- Shot Put
- Discus (Frisbee)

The **Cloquet Middle School Band** will begin performing around **9:35 a.m.**, followed by opening ceremonies at **9:45 a.m.**. Events will run from **10:00 a.m. to 12:00 p.m.**.
This is a celebration of inclusion, athleticism, and teamwork—we're excited to host such a meaningful and joyful event in our community.

Cloquet High School:

Submitted by Steve Battaglia, Cloquet High School Principal

- Graduation was held on Friday night.
- The All Night grad party was held at CHS following graduation – this only happens because we have an outside group of dedicated community members who put in a ton of time to pull it off.
- We had a busy last week with seniors – senior day, graduation rehearsals, walk-throughs at the elementary schools and middle school, etc.
- The Activities Banquet was well attended – 2018 grad Dylan Lauer was the guest speaker.
- We'll be hosting three weeks of summer school for credit recovery.
- We'll also be hosting summer ESY this summer at CHS.
- Our principal group is working together to being scheduling and accommodating all our shared staff for next year.
- Our custodians have been working hard to accommodate all our graduation related activities.
- We hosted a Unified Track meet on May 20.
- Spring sports are winding down – playoffs are started or will be starting this week.
- We had our Spring Pops concert for our 7-12 grade choir.

Cloquet Area Alternative Education Programs:

Submitted by Dr. Marcia Nelson, CAAEP Principal

CAAEP Board report
Monday, May 26, 2025
It's been a busy spring so far and it's about to get busier! By the time you see this, our CAAEP students will have graduated. We moved our setting from the Garfield gym to Fond du Lac Tribal and Community College for the graduation ceremony, and we are very excited to see our students cross that stage and receive their diplomas.
Last week, on Friday, May 16, we had our all-school event that the students voted for in lieu of Prom this year. We had almost 80 people at Valleyfair! It was a little cooler and a little rainier than we had hoped, but nothing could spoil their fun! There was a major 6 car pile-up on I-35 just as we were headed home, which we were already dreading on a Friday afternoon in May on the way toward Duluth from the cities, but after an almost FIVE hour bus ride, everyone made it home safely.
Starting on Friday, May 23, we start our final symposium of the year. There's a lot going on for this symposium! Students will be going to Split Rock, going to Gooseberry, bowling, white water rafting, dog training, trail biking, going to Canal Park - they have a lot of choices for fun days! As always, the focus is on building relationships with peers and teachers, as school is better when kids are connected interpersonally.
On Wednesday, May 21, another group of students went to Valleyfair for their annual "Physics Day". The park sends curriculum to guide conversations about the physics of the rides, calculating speed, etc. Another chilly, rainy day, but again, the kids make it fun.
For me, it has been an awesome first year! I have learned a lot and met so many people. It is my favorite job so far, and I'm so happy to be among the fine leaders, educators, and students I have met in Cloquet Public Schools. Thank you for your support and all you do for kids.

Dr. Marcia Nelson
CAAEP Principal

Community Education
Submitted by Erin Bates, Community Education Director
Li'l Lumberjacks Preschool

We are proud to announce that **8 children will be graduating** from the Li'l Lumberjacks Preschool program on **Thursday, June 5 at 5:30 PM**. The graduation ceremony will celebrate the achievements of our young learners as they prepare to transition into kindergarten. Families and staff are invited to attend and honor the children's accomplishments.

School Readiness Program

Last **Thursday**, the **School Readiness** program celebrated a major milestone, graduating **55 children** from the program. This event underscores the program's continued success in preparing children for academic and social readiness in kindergarten and beyond.

In addition, we are pleased to share that School Readiness, Li'l Lumberjacks and Lil Thunder have **recently been re-awarded the Parent Aware 4-Star Rating**, the highest quality rating offered through Minnesota's Parent Aware initiative. This prestigious recognition affirms our ongoing commitment to high standards in early childhood education and continuous improvement in service to our families.

Business Department:

Candace Nelis, Business Manager, will be attending in person

American Indian Education Department:
Submitted by Teresa Angell, American Indian Education
Greetings School Board Members,

Cloquet AIE leadership has been meeting for almost a year with Northland Foundation and other area district American Indian Education leadership to develop local northern opportunities for schools, parents and students. This fall we will be launching with the help of Northspan, Indian Education Listening Sessions. We are seeking to learn from our communities about the experience of navigating mental and behavior health care. We hope to gather community & patient insights to inform our outreach and programming. It is very exciting to finally be at the point to offer some information on what is coming next.

Our AIE elementary classrooms are planning 4th grade sendoff celebrations with Mr. Kitto and the Little Horse Singers. These are staple events in our program. Sending our elementary students off to middle school is bittersweet. They are celebrated and honored with drum, song and gifting. Many of our AIE Seniors were present at the Class of 2025 Senior Honor Banquet on Wednesday May 14th. Attached are a few pictures from the evening.

Patti Goward, a former parent committee member from the late 1990's to early 2000's, came in a took a walk down memory lane. We went through old photographs, timetables and newspaper clippings of Cloquet Indian Education memorabilia. Patti and other FDL community members are working on archiving parts of the Fond du

Lac history which includes Cloquet Indian Education and its parent committee memberships to date. It was very informative and is still a work in progress. Looking forward to seeing how it all comes together.

Miigwech to all the educators for their hard work that has made a lasting impact in the classrooms and beyond this year.

Building and Grounds

Brock Wilton, Building and Grounds Director

Building and Grounds

1. CHS – Active Projects
    - Bathroom Floor Tile Replacement – Boy's Bathroom by Gym - Completed
    - Exterior door repairs (6,7,10,17,20) including a garage door replacement at Door 19 - Completed
