Department Reports

Churchill Elementary:

- Students participated in the Kids Heart Challenge. It was a huge success. We raised just over $23,000 for the American Heart Association!
- Our past counselor, Sarah Lemae was here for an author visit in honor of I Love to Read month. She read her book aloud to all grade levels.
- We held an all-school assembly to celebrate another successful trimester. It was a PBIS assembly with an Olympic theme, and I Love to Read integrated in the festivities. There were games- staff vs. students with prizes and lots of fun.
- Loon Opera is coming this week to perform for grades 1-4. Students are excited to have this opportunity.
- Elementary conferences are this week. We anticipate another strong turnout from our Churchill families.

Submitted by Jenny Holm, Churchill Elementary Principal

Washington Elementary:

Updates from Washington:

- I Love to Read Month – it has been a great month so far, and more fun is coming
- Conferences next week (T/Th/F) – looking forward to a great turn out
- Trimester 2 Reward 2/23 & 2/25 – Winter Wonderland!! (Outside winter activities by grade with a treat to follow.)
- Recorder unit underway in Music
- 3rd Grade is rescheduling their field trip to the Planetarium
- SAT/Book Kindness Wall growing daily and on display by the office
- Kids Heart Challenge… raised $33,181.00
- Rotary donating Kindergarten Books again this year – information gathering is underway
- Unified Dance Party earlier this week at CHS/CMS was a huge hit with our Unified crew!
- 4th grade Kindness Retreat will be rescheduled due to Snow/E-Learning Day!
- NAEP testing with a random selection of 4th graders is scheduled for 3/2

Cloquet Middle School:

MathCounts – State Qualification

Cloquet Middle School congratulates **Simon Rock** on his outstanding performance at the Regional MathCounts Competition. Simon placed **4th overal**l, earning qualification to the **State MathCounts Competitio**n.
Simon will compete at the state level on **March 13–14** at the Crowne Plaza Minneapolis West, accompanied by his coach, **Arne Maijala.** We are extremely proud of Simon's academic dedication and wish him continued success at the state competition.

Regional Spelling Bee

CMS was represented at the Region 3 Spelling Bee on February 10, 2026 by:

- Dante Guetersloh (Grade 5)
- Avery Elias (Grade 6) – participating for the second consecutive year

Both students represented Cloquet Middle School with confidence and composure.

Competition Results:

- **Dante** advanced to Round 4, finishing with 12 competitors remaining.
- **Avery** advanced to Round 7, reaching the final 7 competitors. Multiple eliminations occurred in that round, leaving only the four finalists.

Words spelled during competition included:

Menu	*Truly*	*Addle*
Kernel	*Horseradish*	*Fortification*
Membership	*Engineer*	*Bigotry*
Cello	*Anointment*	

CMS is incredibly proud of the outstanding job both students did representing our school and community.

Grief Group Update

School Counselor Jamie Jazdzewski continues to facilitate **Grief Group**s at CMS. These groups are offered several times throughout the year to support students who are grieving the loss of a parent, grandparent, or friend.
The current group includes students navigating various losses. During sessions, students:

- Share stories to remember their loved ones
- Learn about the stages and process of grief
- Discuss healthy coping strategies
- Understand that there is no "right" or "wrong" way to grieve

The group runs for **eight weeks**, rotating through students' schedules to minimize academic disruption. This support system provides students with connection, understanding, and tools for healing.

Penny Wars Fundraiser – Northern Lights Foundation

CMS recently held a **Penny Wars fundraise**r to benefit the Northern Lights Foundation. Classrooms collected spare change to increase their totals, while dollar bills could be strategically placed in other classrooms' buckets to subtract from competitors' scores. The friendly competition generated high engagement and enthusiasm across grade levels.
The top three classrooms earned a pizza party in recognition of their efforts.
On **February 6, 2026**, CMS presented a check for **$2,073.61** to Todd Johnson of the Northern Lights Foundation. The funds will sponsor a grant for a local family with a child facing serious illness.
This fundraiser successfully combined student leadership, community building, and charitable giving. CMS is very proud of the compassion and generosity demonstrated by our students.

Pop Tabs for Ronald McDonald House

CMS students have been actively participating in a schoolwide Pop Tab Collection to support the Ronald McDonald House. To date, students have collected **nearly 70 pounds of pop tabs**, demonstrating strong collaboration, service learning, and community awareness.
The initiative will reset in mid-February to maintain momentum, with a new incentive introduced to encourage continued participation.
This ongoing effort highlights student leadership, teamwork, and a shared commitment to helping families in need.
"Together we can move mountains."

<u>Cloquet High School:</u>

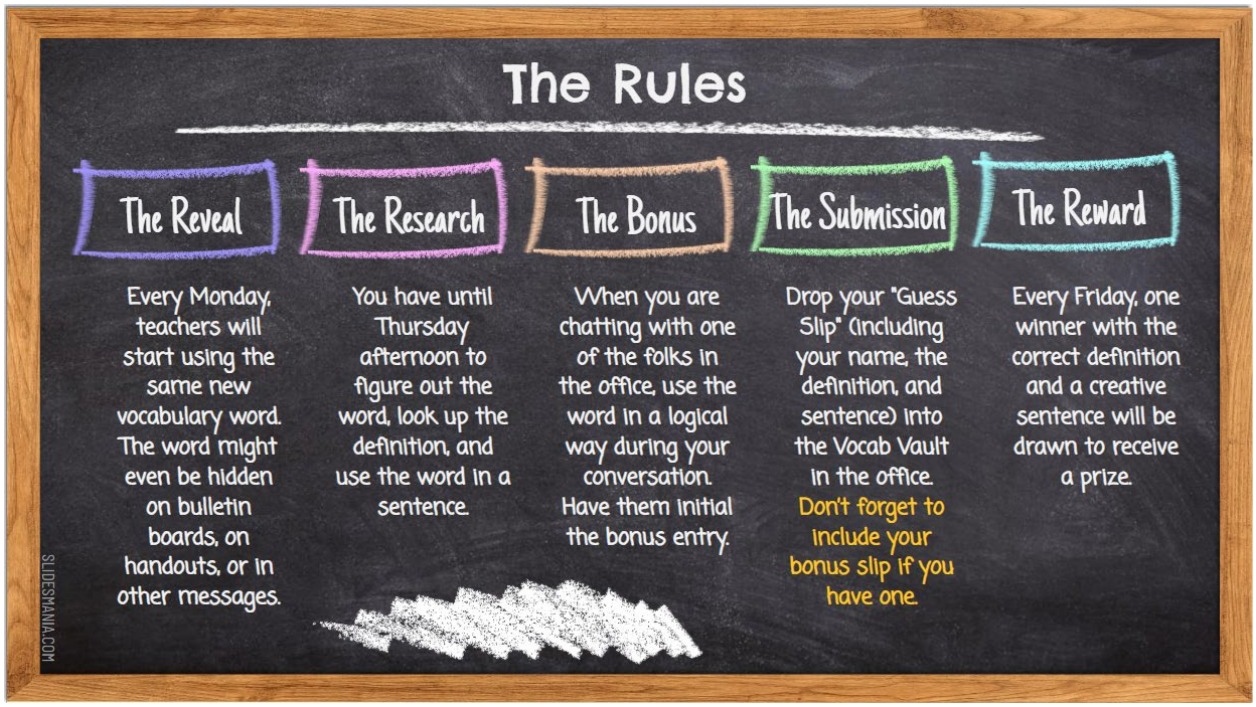

- Winter sports are winding down – boys hockey plays in the semifinals on Sat. night. Boys wrestling is this weekend.
- We've had athletes from downhill skiing, cross country skiing, and girls wrestling qualify for state.

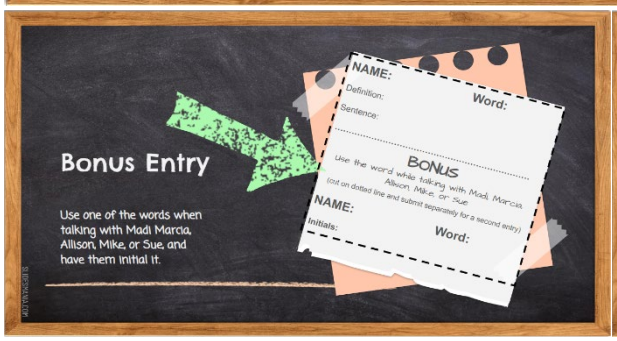

- The spring play has announced the cast and is in rehearsal.
- Band and choir have concerts just around the corner.
- Our Robotics team will be competing at the Duluth Regional in early March.
- We've added a new FCS class through FDLTCC - "Sociology of the Family" - for next year.
- We're seeing some new ideas in the cafeteria – Adam Wooster and his crew have been doing a great job.
- Matt Winbigler had Haley Diem from the Sand County Foundation coming in to talk about her job working with communities and gardens.

<u>Cloquet Area Alternative Education Programs:</u>

This quarter, we have been working on our vocabulary "game" each week with students, as developed with Nicole Vegar as part of our MTSS work and in response to our students' excellent Read Basix scores. Our teachers, office staff, and paraprofessionals all use a chosen word each week, as often as they can. As students recognize the repetition, they can go to the office and enter their guess in the Vocab Vault. They have the option to complete a "bonus entry" by using the word with one of the office staff, and, if done correctly, have their bonus entry signed off on and also included in the Vocab Vault. At the end of the week, we draw a name from the entries and students can win a gift card or a donated prize, like a water bottle or bluetooth speaker. It has been a fun game so far this quarter and one we will continue!

Of course, one of the reasons students enroll at CAAEP is for the many credit recovery opportunities we offer. One of the favorites from last year was ice fishing on President's Day. Our dedicated teachers spend their day off with students on Fish Lake, just outside of Duluth, along with some pros from the Minnesota Department of Natural Resources. They learn ice safety, of course, along with fishing. Last year, temps were around -20 F and it was pure bravery for students to be out there! This year, of course, the weather was amazing in the 40s, and they had so much fun! The ice was over 30" thick, they roasted hot dogs, made S'mores, and even caught some fish! They are actually working on an English credit through this adventure and are learning to produce a podcast from the adventure. They spent time after school one day learning about podcasts and will have another afternoon soon sharing their finished products to earn credit and meet the English standards.

Community Education

Registration Software Update

Due to a court settlement between our current registration software, **Eleyo**, and **ARUX**, we will be transitioning to a new registration system. Eleyo will no longer be supported by its developers, who now manage ARUX. Given the similarities between the two platforms, we anticipate minimal disruption during the transition.

All information currently stored in our Eleyo database—including family accounts and historical records—will be migrated into ARUX, which will further ease the transition for our families.

Additionally, ARUX is directly integrated with the software system used by the **Department of Youth and Family Services**, which will streamline state reporting requirements for our childcare programs.

We anticipate making this change at the end of the school year as we transition into summer programming.

Re: School spring play help

Please approve the individuals listed below. This is for individuals who will be helping with our school spring play. Each of these individuals has helped us with previous performances so all their paperwork and background checks are on file. Stipends in addition to taxes and benefits are paid out of the school activity account so there is no cost to the school district.

Tony Venditto- $800
Tara Venditto- $800
John Justad- $800
Anita Johnson- $800
Darla Pappas- $800
Craig Latour-$500

Dear Dr. Cary,

On behalf of AFSCME Council 65, I am writing to formally request that the Cloquet School District open collective bargaining negotiations for the following bargaining units:

- AFSCME Local 545-2 (Clerical)
- AFSCME Local 545-7 (Paraprofessional)
- AFSCME Local 545-8 (Custodial)
- AFSCME Local 545-9 (Dietary)

Please consider this letter the Union's official notice of its desire to bargain successor collective bargaining agreements for the above-referenced units. We respectfully request that the District propose dates to begin negotiations at its earliest convenience.

In order for the Union to adequately prepare for negotiations, we are requesting the following information. This request is made pursuant to Minnesota PELRA and the District's duty to bargain in good faith:

1. Current employee rosters for each unit, including employee name, classification, work location, hire date, seniority date, FTE status, and employment status (probationary or non-probationary).
2. Each individual employee's current wage step and rate of pay, including any applicable longevity pay, differentials, or premium pay, for employees in each bargaining unit.
3. A list of all benefits provided to bargaining unit members, including but not limited to health insurance plans, employer contribution levels, dental, vision, life insurance, short-term and long-term disability, and any VEBA or HSA contributions, and identification of which employees utilize each benefit, including whether health insurance coverage is single or family.
4. Copies of all current job descriptions for classifications within each bargaining unit.
5. Current organizational charts showing supervisory structures impacting bargaining unit members.
6. Information regarding any use of temporary, seasonal, substitute, or contracted employees performing bargaining unit work.
7. Overtime records for the past two years for each bargaining unit, including hours worked and costs incurred.
8. Any proposed or anticipated changes to staffing levels, job classifications, or operational structure that may impact bargaining unit employees.
9. A copy of the District's most recent budget and any available financial documents relevant to bargaining.
10. Any additional information the District intends to rely upon during negotiations.

If any portion of this request is unclear or you believe certain information is unavailable, please let us know so we can discuss further.

We look forward to working collaboratively with the District and request confirmation of receipt of this letter, along with proposed dates to begin negotiations.

Thank you for your attention to this matter.

Dear Dr. Cary,

I am writing to formally express my intent to negotiate my upcoming employment contract for the position of MARSS/Data Information System Specialist with Cloquet Public Schools. My current contract is set to expire on **June 30, 2026**.

Since I am on a single contract, I have gathered relevant market and contract comparison data to support this process and look forward to sharing this information during negotiations.

I value my role within the district and appreciate the opportunity to continue working for Cloquet Public Schools. I'd welcome the chance to begin contract discussions at a time that works best for both of us.

Thank you for your time and consideration.

Annual Compliance Overview

Minnesota Statutes 2024, section 124D.78 requires Minnesota districts, charter schools, cooperatives, and Tribally controlled schools with 10 or more American Indian students to have an American Indian Parent Advisory Committee (AIPAC). Specifically, the Statutes cite that school boards and American Indian schools must provide for the maximum involvement of parents and children enrolled in education programs, programs for elementary and secondary grades, special education programs, and support services.

Districts, charter schools, cooperatives, and Tribally controlled schools with 10 or more American Indian students are required to submit annual compliance documents to the Office of American Indian Education (OAIE) by March 1 of each year. Also known as the vote of concurrence or nonconcurrence, annual compliance is a valuable opportunity for AIPAC members to meet and discuss whether or not they concur with the educational offerings that have been extended by the district to American Indian students.

The Vote and Resolution

Parent Committees receive data from the district on whether or not the district has met the needs of American Indian students using the goals from the program plan submitted and approved by MDE. The AIPAC votes on how the district is achieving and accountable to the goals. The AIPAC should work with administration to fill out the Program Plan Review. This vote is formally reflected on the annual compliance documents. Members of the AIPAC present the vote and resolution to the school board.

If the vote is one of nonconcurrence, the AIPAC must provide written recommendations for improvement to the school board at the time of the presentation. The school board then has 60 days in which to respond in writing to the AIPAC recommendations. A copy of this written response must be provided to OAIE.

Completing and Submitting the Documents

The Following Items are Required When Submitting Annual Compliance

- Annual Compliance/Vote of Concurrence or Nonconcurrence document
- AIPAC Roster and District Employee Sign-In Sheet
- American Indian Education Aid Program Plan Review
- AIPAC minutes indicating they have received data on how students are faring

When Completing the Fillable PDF Forms, Remember To:

- Include the district, charter school, cooperative, Tribally controlled school name and identifying number.
- Place a checkmark or X next to the applicable vote.
- Include all dates as indicated.
- Add all signatures as required, digital signatures are accepted.
- Use the drop-down menu in the roster to select the appropriate committee member options.
- Do not modify this form in any way except to add text directly into the areas designated for narrative text or to fill a check box.
- Documents must be received at MDE in Portable Document Format (PDF) format.

The District, Charter School, Cooperative, Tribally Controlled School Does Not Have an AIPAC

All educational entities with more than 10 American Indian students that do not have an AIPAC, are still required to complete this paperwork. Tribally Controlled schools may use their School Board as their AIPAC.

Place a checkmark or X next to "Does Not Have an AIPAC."

Obtain the signature of the superintendent or charter school/Tribally controlled school director and the school board chair.

Submission Deadline

Email all required items by **March 1** to the Office of American Indian Education (mde.aiea@state.mn.us).

American Indian Education Aid Program Plan Review

This document serves as the foundation for how your district or school is fulfilling the measurable goals of the program plan, reviewed and approved by the Office of American Indian Education (OAIE) at the Minnesota Department of Education. This document is necessary to submit to be eligible for American Indian Education Aid next year.

Under Minnesota Statutes 2024, section 124D.81, subdivision 3, districts and schools should be identifying American Indian students and tracking their data and progress towards positive educational experiences.

Directions

This document should be completed with the American Indian Parent Advisory Committee (AIPAC) and district staff that work primarily with American Indian students. Both the AIPAC and district staff will meaningfully and authentically collaborate to complete this document which will be uploaded with your compliance documentation. The resolution must be accompanied by Parent Advisory Committee meeting minutes that show they have been appraised by the district or school on the goals of the Indian Education Program Plan and the measurement of progress toward those goals as required by Minnesota Statutes 2024, 124D.78, subdivision 2.

Using the approved American Indian Education Aid application that was submitted, communicate how the district or school has progressed towards all the goals outlined within each narrative for areas 1-6. Data should be shared with the AIPAC in order to concur with the district plan. Additionally, the Self-Assessment Rubric is another useful tool for AIPACs to understand programming and to vote on concurrence.

Measurable Goals

These program details must align to Minnesota Statutes 2024, section 124D.81, subdivision 2.

Focus Area 1: Support postsecondary preparation for pupils

Focus Area 2: Support the academic achievement of American Indian students

Focus Area 3: Make curriculum relevant to the needs, interests, and cultural heritage of American Indian pupils

Focus Area 4: Provide positive reinforcement of the self-image of American Indian pupils

Focus Area 5: Develop intercultural awareness among pupils, parents, and staff

Focus Area 6: Supplement, not supplant, state and federal educational and co-curricular programs

While this data represents only the middle school mid-year reading screening, and our overall goal remains closing achievement gaps across all grade-level state assessments, it is important to highlight that middle school has had the largest achievement gap for our American Indian students. Seeing this level of improvement at mid-year is a very promising sign.

Below is the 2024 standardized testing data that is automatically populated into the APR survey for Reading as a guide to view where targets are needed.

The American Indian Parent Advisory Committee (AIPAC) Roster

About Membership

Per Minnesota Statutes 2024, section 124D.78, subdivisions 3, The American Indian Parent Advisory Committee must be composed of parents or guardians of American Indian children eligible to be enrolled in American Indian education programs; American Indian secondary students; American Indian family members of students eligible to be enrolled in American Indian education programs; American Indian language and culture education teachers and paraprofessionals; American Indian teachers; American Indian district employees; American Indian counselors; adult American Indian people enrolled in educational programs; and American Indian community members. The majority of each committee must be the parents or guardians of the American Indian children enrolled or eligible to be enrolled in the programs.

About the Roster and Sign-In Sheet

The AIPAC roster is for committee members only. This form is electronic and fillable. You must include the committee member's name, email, and phone number in the first column. Subsequent columns contain a drop-down menu option. Select the best option for each particular committee member.

If an employee identifies as American Indian, they are eligible to serve as a voting committee member and may be included on the roster, rather than the district, charter school, cooperative, and Tribally controlled school sign-in sheet.

Submission

The first submission is with your American Indian Education Aid program plan, the second submission is with your annual compliance documents.

Submit completed rosters to the Office of American Indian Education (mde.aiea@state.mn.us).

To: Cloquet District School Board
From: Cloquet District American Indian Parent Advisory Committee (AIPAC)
Re: Annual Concurrence/Non-Concurrence Recommendations

Dear School Board Members,

The Cloquet District American Indian Parent Advisory Committee (AIPAC) has completed its review of the American Indian Education (AIE) Program Plan and hereby submits a vote of Non-Concurrence for the 2025–2026 school year. This decision is based on the following areas of concern:

AREA 1: Graduation Data and Program Representation
Graduation data from the Minnesota Report Card for the Class of 2024 shows that Cloquet Senior High School's American Indian student demographic has an 88% graduation rate, while the CAAEP American Indian student demographic has a 90% graduation rate. Instead of adding a goal focused on improving the 4-year on-time graduation rate for American Indian students for the 2025–2026 school year, we propose shifting the focus to achieving at least 85% attendance for scheduled campus visits, job fairs, and workday tutoring events. In addition, we will monitor and demonstrate growth in student credit completion through quarterly academic audits.

We, the committee, believe that this is an inaccurate representation of the number of students we aim to serve based on the trip information provided. The justification that only seven juniors could attend the U of M–Morris campus visit—while many others were unable to participate—raises concerns. It is our belief that had a coach bus been secured and alternate lodging selected, we could have provided better access and opportunities for a larger group of students.

We were informed that if 7 out of 7 students attended, this would reflect 100% attendance. The committee believes that presenting this as program data does not provide an honest assessment of the services offered to all eligible students.

AREA 2: Academic Achievement Gap Goal
By the end of the 2025–2026 academic year, the Cloquet American Indian Education (AIE) Program will reduce the academic achievement gap between American Indian and White students by 1.5% in both Math and Reading, as measured by statewide accountability assessments.

The data provided to the committee reflected only 30.4% of the total American Indian student population served by the district. Additionally, the statewide assessment data needed to evaluate the goal is not available until after this vote. For these reasons, the committee does not feel it received sufficient information to support concurrence.

AREA 4: Provide Positive Reinforcement of the Self-Image of American Indian Pupils

Based on the information provided, all committee members expressed concurrence; however, we also agreed that this goal requires adjustments and additional development. As a committee, we believe it is significantly lacking within the context of the Middle School, grades 5 through 8.

AREA 5: Develop Intercultural Awareness Among Pupils, Parents, and Staff

Three out of five committee members voted non-concurrence because the goal area appears to lack specific, measurable objectives and does not seem fully aligned with the overall strategic priorities. Additionally, the goal may not be sufficiently developed or focused on the key outcomes for the Middle School grades (5th-8th), which contributed to the committee's view that it is not adequately prepared for full support. The goal likely requires more targeted actions, clearer benchmarks, and defined success criteria to effectively address the needs of that student population.

AREAS OF AGREEMENT

For the remaining areas of the plan, the committee believes the district and AIE staff are meeting expectations and providing meaningful support to our American Indian students. We deeply appreciate their continued commitment.

COMMITMENT TO FUTURE COLLABORATION

AIPAC believes strongly in collaborating with district leadership and AIE staff to develop next year's plan. Our shared goal is to create clear, measurable, and attainable goals that genuinely reflect student needs and ensure high-quality services for our Native American students.

SPECIFIC OVERALL RECOMMENDATIONS

1. Include the AIPAC, JOM, and Title VI Committees in the drafting and creation of the yearly AIPAC, JOM, and Title VI Plans and budgets, along with Annual Compliance Processes. Every year for the last 2 years, we have been offered minimal data and a completed document just prior to the deadline. We are not offered data regularly. We want more meaningful engagement and involvement throughout the entire process. We need any data applicable to our American Indian students, their participation in district and AIE events/programs/opportunities, attendance, test scores, and any gap data.
2. Data from the District and AIE Staff show that fewer than 20% of all AIE students are served by most of the AIE program offerings. More outreach to families through Campus Notifications needs to happen for all opportunities.
    a. AIE Director should create a monthly activity calendar, and send via Campus Notifications directly to families, posted on the school website, social media, and sent to FDL Band Newspaper and Media Department.
    b. Website information is out of date; updates need to be regularly scheduled. All LIEC, JOM, and AIPAC Bylaws, Meeting Minutes, etc.

3. The District and AIPAC Committee must work to hire Full-time or 2 part-time Ojibwe Language and cultural teachers for the elementary schools.
    a. The District and AIPAC Committee must work to create a dedicated space and a block of time, equal to other classes, for Ojibwe Language and Culture for American Indian pupils K-12. Provide regular updates to the AIPAC Committee on this progress and allow the committee to provide input.
4. Project Dream Catcher training for all Indian Ed and Special Ed staff. Provide regular updates to the AIPAC Committee on this progress and allow the committee to provide input.
5. Indian Education Staff and Special Ed staff take Pacer Trainings to help each other, and parents better navigate the IEP process for maximum benefit. Give regular updates to the AIPAC Committee regarding this progress and allow for input from the committee.
6. Create a PBIS team and implement a PBIS program for the middle school that incorporates cultural aspects. Give regular updates to the AIPAC Committee regarding this progress and allow for input from the committee.
7. While keeping morning “opening” smudging/singing in both elementaries, work to expand this daily opportunity to all students, K-12. It would be good to work towards a “closing” smudge and song at the end of the day as well, at the very least on Fridays.
8. Include the Indian Education Parent Committees when working to make the curriculum relevant to the Needs, Interests, and Cultural Heritage of American Indian Pupils on a regular basis. Curriculum Committee Minutes and meetings should be open to AIPAC Committee Members. Chairs of such District Committees regarding Curriculum and curriculum integration should give regular updates to the AIPAC Committee regarding this process and progress, and allow for input from the committees.
9. Provide stipends to offset costs incurred by American Indian Parents, guardians, and community members volunteering without a contract. Our collective knowledge and involvement are highly valuable and should not go without compensation. Other cultural gifts and accommodations should also be considered.
10. Include at least 2 AIPAC Committee members in the hiring process of American Indian Education Staff, attend interviews, and have a vote in the choice of hire. Provide the applicants' list to the committee before interviews.
11. Add AIPAC, Title VI 506, and JOM Forms to the general enrollment packets for the school. Have AIE staff attend the Kindergarten round-up. Regularly educate families about Indian Education Student Counts and how indicating “two or more races” creates a lack of count for AIPAC funding.
12. Work with the AIPAC to review and amend district personnel policies and procedures. Develop a reporting and grievance process to bring awareness of complaints and offer a process to remedy them.

AIPAC STATEMENT:

Page 19 of the American Indian Aid application states that the Cloquet School District provides American Indian Language and culture classes to students eligible for AIEA, K-12. As the AIPAC Committee, we believe that not all schools within the Cloquet Public Schools system offer language or culture classes. According to the American Indian Program Assessment response survey from 2025, under *Anishinaabe language*, 35.3% participants were dissatisfied with the current number of Anishinaabe Language classes being offered. Also, 42.4% stated “No, the frequency of Anishinaabe language classes is not meeting their child's learning needs.”

As parents of students in these elementary and middle schools, we are witnessing our children not receiving Anishinaabe language regularly, and drumming instruction is not offered to all students. An unknown number of Rosetta Stone subscriptions were purchased for students to utilize, but were only awarded to very few 5th and 6th grade students. The structure and delivery of Makoons Club is being offered as an after-school enrichment program with a limited space of 10 students. AIPAC funding is supposed to equally serve roughly 626 students, K-12. We are aware that the high school students receive regular language classes along with drumming instruction, however this does not meet all American Indian students' needs, nor state mandated requirements.

The U.S. education system has historically removed our children from our culture for generations. These endeavors must be a top priority and everlasting effort to be maintained for true reconciliation of the past.

Thank you for your attention and collaboration.

Sincerely,
Cloquet District American Indian Parent Advisory Committee (AIPAC)
